## YOU BE THE REFEREE

... How to Score a Wrestling Match

Object of wrestling: to pin or outpoint the opponent.

### DURATION OF BOUT

Time of bout: 8 Minutes Second period: 3 Minutes  
First period: 2 Minutes Third period: 3 Minutes

### POSITION OF WRESTLERS

At the start of the first period, both wrestlers are in a neutral or standing position. At the beginning of the second period, both wrestlers are in referee's down position, with one wrestler in the position of advantage (top). This is decided by the flip of a coin. For the third period, the positions are reversed, with the wrestler on top in the position of advantage in the second period assuming the position of disadvantage and the wrestler who was in down position the second period assuming the top position of advantage. Top position can be started with one foot up.

### SCORING

**TAKEDOWN** — When, from neutral or standing position, a contestant gains control of his opponent down on the mat while they are within the wrestling area, he is awarded TWO points for a takedown.

**ESCAPE** — When the defensive wrestler, the one at a disadvantage, gains a neutral position while the supporting points of the offensive wrestler are within the wrestling area, he is awarded ONE point.

**REVERSAL** — When the defensive wrestler comes from underneath and gains control of his opponent within the wrestling area, he is awarded TWO points.

**NEAR FALL** — When the offensive wrestler has control of his opponent in a pinning situation with both shoulders or shoulder blades held in contact with the mat for less than one full second or when one shoulder of the defensive wrestler is touching the mat and the other shoulder is held within one inch or less of the mat for two full seconds, THREE points are awarded to the offensive wrestler.

**PREDICAMENT** — When the offensive wrestler has control of his opponent in a pinning situation:

1. When both shoulders of the defensive wrestler

are held momentarily (stopped) within approximately four inches of the mat or less. A continuous roll-through is not considered a predicament. The offensive wrestler is awarded TWO points for a predicament.

2. When one shoulder of the offensive wrestler is touching the mat and the other shoulder is held at an angle of 45 degrees or less relative to the mat, but not sufficiently close to award a near fall, for at least one full second.

**PIN (FALL)** — When both shoulders or shoulder blades of the defensive wrestler are in contact with the mat surface at the same time for one (1) second. FIVE points are awarded for a pin (fall).

**TIME ADVANTAGE** — The offensive wrestler who has control in an advantage position over his opponent is gaining time advantage. If the contestant with the most time advantage has less than one minute more than his opponent, no time advantage points are awarded. If he has one full minute, but less than two minutes, one point is awarded. If he has more than two full minutes of time advantage, two points are awarded to his bout score.

### NOTE:

Rule 10, Sec. 4—FLAGRANT MISCONDUCT—

A contestant, coach, or *spectator* will be removed from the premises and one team point will be deducted from the offending contestant's, coach's, or *spectator's* team score.

# PENNSYLVANIA CONFERENCE-TOPS IN WRESTLING

Wrestling has come a long way in the Pennsylvania State College Athletic Conference since the first tournament was held at Lock Haven State College's Thomas Fieldhouse in 1940 with five teams entered.

Lock Haven, under Coach Hubert Jack, dominated the first six tournaments winning the team title in 1940-41-42-47-48. Then in 1949 Millersville and West Chester came up with strong teams and the Marauders ended the Eagles long domain over the rest of the conference.

But Lock Haven came back strong in 1950 to once again cop the title. The tourney finally left Lock Haven in 1951 and the host team Millersville won the championship again. The annual event returned to Lock Haven in 1952 and a powerful West Chester team won its first team title.

Coach Jack's Bald Eagles won the championship again in 1953 but then West Chester took over and won two straight titles in 1954 and 1955. Lock Haven once again showed its power and won the next three tournaments -- 1956-57-58.

But then a new team, Bloomsburg State College, with Russ Houk at the helm entered the picture and went on to win five of the next six conference tourneys: 1959-60-62-63-64. Only Lock Haven could break the great Huskie streak with a victory at the 1961 event.

A big upset marked the 1965 tournament held once again at Lock Haven after stops at Bloomsburg and Shippensburg. The powers Bloomsburg and Lock Haven were expected to fight it out for the title. But Clarion had other ideas and the Golden Eagles came through strong in all weights and won its first conference championship.

Still another team, East Stroudsburg, became a top contender in 1966. With the host Warriors finishing a surprising second to Lock Haven in '66. Then at California in 1967 a top favorite East Stroudsburg team was upset by Coach Gray Simon's Lock Haven matmen.

But in 1968 the Warriors of Coach Clyde Witman were not to be denied and won their first title before a home crowd.

Lock Haven again took the crown in 1969 and '70 but East Stroudsburg charged back to surprise pre-tourney picks Clarion and Lock Haven with the team trophy last year.

There have been five four-time conference champions, all from Lock Haven: Steve DeAugustino, Ralph Clark, Gray Simons, Fred Powell and Bill Blacksmith.

The Pennsylvania Conference first received national recognition in 1948 when two Lock Haven wrestlers, Steve DeAugustino and Tony Berge, placed 4th and 3rd at the NCAA Tournament. Then in 1953 came the conference's first National Champion when Lock Haven's Gus DeAugustino won the 137-pound title. West Chester's Chuck Weber placed second at this same tournament.

In 1958 Joe Hammaker, Lock Haven took a 4th at 137.

Then in 1960 the small Pennsylvania Conference really burst into the national limelight as Lock Haven, with only three wrestlers entered, surprised all the big Eastern powers at the NCAA tournament and finished as top team in the East with a National Champion in Gray Simons and a 3rd place winner in Ralph Clark.

The same season, 1960, Bloomsburg won the NAIA team title. Then Lock Haven won the NAIA crown in 1961 and Gray Simons won his second NCAA title and was selected as the Most Outstanding Wrestler in the United States. The next season found Simons winding up one of the greatest careers in all collegiate wrestling history (84 straight wins and a 91-2 overall record) by once again winning the 115-pound NCAA title and being picked Outstanding Wrestler again. Bloomsburg once again won NAIA championship.

In 1963 Lock Haven won NAIA title and Fred Powell, Lock Haven, placed 4th at NCAA and Bloom's Bob Hall copped a 5th.

Lock Haven again led all Eastern teams at the 1964 NCAA tourney with Fred Powell winning a title and Jerry Swope placing 3rd. Bill Robb and Dick Scorese, Bloom grapplers also placed 4th and 6th at NCAA.

Bloomsburg won the NAIA title in 1965. Lock Haven came back strong once again at the 1966 NCAA tourney with a champion and 3rd place finisher in Bill Blacksmith and Jerry Swope. East Stroudsburg gained national recognition also with three NCAA place winners in Gary Cook (4th), Chet Dalgewicz (5th) and Bobby Guzzo (6th).

Lock Haven won the NAIA championship in both 1966 and 1967. Gary Cook, Stroudsburg's great wrestler, placed 3rd at both '67 and '68 NCAA tourneys. Ken Melchior, Lock Haven, was the only National Champion from the East in 1968. Ron Russo, Bloomsburg, placed 6th at 137-pounds. Cook competed on the East team in the annual East-West All-Star Meet in 1968 and Russo in 1969.

CONTINUED ON NEXT PAGE

In 1969 Clarion's Doug Niebel placed sixth at the NCAA.

The conference produced three NAIA national champions and two NCAA College Division national champions in 1970. Lock Haven's duo of Don Fay (118) and Larry Rippey (134) along with Clarion's Les Bressler rolled to national titles at the NAIA meet while Slippery Rock's Stan Dziedzic (150) and East Stroudsburg's Rich Schumaker (HVW) claimed NCAA College Division crowns.

Stan Dziedzic (150) became the Pennsylvania Conference's magic name in 1971 as the junior mat ace went on to win both the NCAA College Division and NCAA University Division titles while leading Slippery Rock to a second place-national finish in the NCAA College Division tourney. Dziedzic was named the Most Valuable Wrestler at the NCAA CD tournament and has compiled an amazing 103-1 overall record to date. Also grappling to top spots in the NCAA CD championship for the Rockets were Tom Cox (runnerup at 142), Bill Schellhorn (third at 167) and Rod Irwin (fourth at 134).

East Stroudsburg garnered a tie for NCAA CD fifth place honors with Ted Pease (118) and Kemple Matter (134) grabbing the number three spots at their respective weight classes. The Warriors Tony Ptak (142) worked his way to fourth place honors.

Bloomsburg, a fifth place finisher in the PC, carried on the Keystone State's tradition with a second place national finish in the NAIA Tournament. The Huskies' Wayne Smythe was the 1971 NAIA champ at 142. Teammate Floyd Hitchcock was the NAIA runner-up at 177 and Mike Schull chipped in to the Bloomsburg point total with a third place title at the 118-pound class.

Over the past several seasons both Lock Haven and Bloomsburg have won the tough Wilkes Holiday Tourney team title. East Stroudsburg has also won a Coast Guard Tourney title.

## THE 1972 CHAMPIONSHIPS

The perennial battle for the crown of the "toughest small college wrestling conference in the country" promises to feature some of the nation's top wrestlers once again.

Clarion State is the favored pre-tourney pick but both Slippery Rock and Lock Haven could juggle their lineups to produce problems for Bob Bubb's Golden Eagle grapplers.

Returning to defend their 1971 crowns at the two-day affair are Slippery Rock's Stan Dziejczic (150) along with the Clarion duo of Wade Schalles (158) and Bill Simpson (167).

Dziejczic, who has compiled a phenomenal 103-1 slate in collegiate competition, was the NCAA College Division and NCAA University Division champion at 150 last year. He climaxed his junior campaign by being named the Most Valuable Wrestler at the NCAA CD tournament.

A rundown on the top wrestlers at each weight follows (subject to last minute switches which always occur):

118-Of the ten different individual championships to be decided the opening battle at the 118-pound class could be the most interesting. Although no 1971 champion returns to defend a title, Lock Haven's Don Fay (11-0), who captured the 118 crown in 1969 and 1970 is back in action after missing last season due to an injury. Fay also won the NAIA 118 national title in 1970 and has never been beaten in dual meet competition. Other top contenders for the 118 title are Slippery Rock's Mark Honess (12-5), Edinboro's Bob Parker (14-4), and Tom Hanley (9-4) of Clarion. The weight class could be thrown wide open if Fay moves up to the 126-pound division for the tournament.

126-Dale Murdock (17-4), a second place finisher last year, will carry Clarion's hopes at 126. Number one challenger for the top spot is Shippensburg's Bill Corman (17-2) while Lock Haven's Tim Rupp (4-2) is also in the race. Slippery Rock's hopes for a place winner at 126 received a jolt this past week when Mike Fatigante was lost for the remainder of the year with torn ligaments.

134-Slippery Rock's Rod Irwin (22-5) is the top choice in the conference at 134. The Rocket hopeful grappled his way to fourth place in the 1971 NCAA CD tourney. Lock Haven's Jack Hopkins (9-2) will be the chief opponent blocking Irwin's way. Waiting in the wings for one of the final four places are Mansfield's John Martin (13-4) and Mike Paul (12-6-1) of Shippensburg.

142-The Rockets also have a favorite at 142 in Tom Cox (18-6-1). Offering strong opposition and also eyeing the 142 toga are Clarion's Gary Barton (13-4) along with Lock Haven's Jack Hopkins (9-2). Cox finished third in the 1971 PC tourney was an NCAA CD runnerup.

156-With last year's 150 champion, Stan Dziejczic, undoubtedly moving up to 158, a trio of challengers in Clarion's Charlie Burke (12-6), Edinboro's Dan DeMarines (13-1-3) and The Rock's Mike Waller (19-5) will fight for top positions.

158-Stan Dziejczic (25-0) is everyone's pick at 158. Shippensburg's John Corman (15-2-2) who was fourth last year will be shooting for another high finish but will have his hands full with Clarion's Les Bressler (14-5). Bressler missed last season due to a broken leg after claiming the NAIA national title in 1970.

167-Clarion's outstanding Wade Schalles (22-1), the conference champ at 158 last year, is the class of the field at 167. His teammate Bill Simpson is the defending champion at 167 but will carry on the "movin' up" trend by entering the 177-pound division. California's Randy Haught (18-3) and Mansfield's Don McKee (12-3-2) who fought their way to respective third and fourth place honors last year and hope to better their standings.

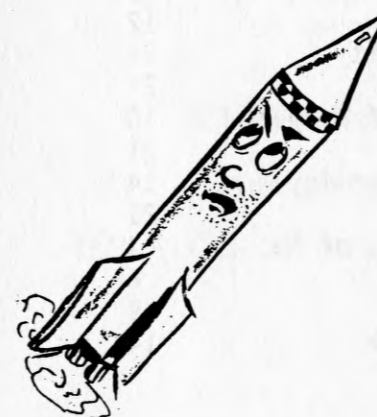

177-More Golden Eagle power is on tap at 177 where Clarion's Bill Simpson will be looking for another state crown. He'll run into three returnees in '71 runnerup Mike Panarella from Millersville (8-1-1), third place Dennis Daley (15-4-1) from California and East Stroudsburg's Glen Eby (11-3-2). Daley might be battling for honors at 190 for the Vulcans while Eby of the Warriors could be down at 167.

190-George Enos (7-5-1) from Slippery Rock has the inside track on the 190-pound berth after winning the runnerup slot a year ago. Indiana's Tom Rogish (13-1-1) is a worthy contender for the top spot.

HVW-Closing out tourney action will be a collision of some top flight heavyweights among which are last year's second, third and fourth place finishers. Vying for championship honors are Shippensburg's Frank Myers (10-4), Edinboro's Tom Herr (17-0) and Slippery Rock's Tom Jenkins (10-9). Clarion's Paul Britcher (7-5), California's Garee Piper (12-8), and Lock Haven's Harry Sherman (7-2) could also be in the thick of the chase.
