EDINBORO UNIVERSITY OF PA

WOMEN'S SOCCER

EDINBORO UNIVERSITY OF PENNSYLVANIA

HISTORY

Edinboro University of Pennsylvania was founded in 1857 as a private academy. Previously named Edinboro Academy, Edinboro Normal School, Edinboro State Teachers College, and Edinboro State College, the University was the second normal school established in Pennsylvania and the 12th in the U.S. On July 1, 1983, it became Edinboro University of Pennsylvania with the formation of the Pennsylvania State System of Higher Education.

LOCATION

Edinboro University of Pennsylvania is located in the resort community of Edinboro - just 15 miles south of Erie, Pennsylvania's third-largest city. Edinboro is conveniently located approximately 100 miles from Pittsburgh, Cleveland and Buffalo. The University is easily accessible from all directions because of its proximity to Interstates 79 and 90.

There are two lakes nearby. Edinboro Lake is a 250-acre recreational area with three guarded beaches for swimming, boating and other water sports. The Edinboro lake-side community features a large selection of cottages for rent. Lake Erie, one of the Great Lakes, is just 15 miles north. Edinboro also is close to several ski resorts for both downhill and cross country enthusiasts. The area is a popular hunting and fishing spot for outdoors enthusiasts.

Edinboro University is the largest employer in the area, with approximately 2,000 full and part-time employees, many of them current and former Edinboro University students.

ACADEMICS

Edinboro University offers a diversified and comprehensive selection of more than 100 degree programs, with 52 minors tailored to meet the needs of each student. With a student-faculty ratio of 18:1, Edinboro offers associate's degrees, bachelor's degrees and master's programs in many specialized fields of study.

Edinboro has an undergraduate and graduate enrollment of nearly 7,500 students.

SPECIAL PROGRAMS

Edinboro is proud to feature the nation's third largest educational program for the physically disabled including services for the hear-

ing impaired, the visually impaired, and the learning disabled. The campus is nearly 100-percent wheelchair accessible.

The University has an outstanding Honors program for academically gifted students and an international education program for the exchange of faculty and students.

Internships and field experiences integrate academic pursuits with on-site "real world" work situations and personal relationships, while numerous cultural, social and recreational activities are available.

CAMPUS FACILITIES

- Edinboro features 42 buildings on a spacious 585-acre wooded campus which includes a five-acre lake, open fields and wooded area. Day, evening and weekend classes are available at the 27-acre Porreco Extension Center in nearby Erie, Pa.

- There are eight on-campus residence halls housing approximately 2,600 students.

- A state-of-the-art seven-story library in the center of campus features more than 440,000 bound volumes and 1,200,000 microform units, an on-line public access catalog, on-line and CD-ROM searching systems, public access catalog for the visually impaired, and inter-library loan services.

- Edinboro University houses a planetarium, modern science labs, solar observatory, robotics laboratory, TV studio, radio station, and center for the performing arts.

- The University also features a reading clinic, speech and hearing clinic, math clinic, parent-child development center, and computer lab for children.

- Five powerful mini-computer systems, more than 725 personal computers, 300 terminals, and 11 computer labs with current hardware and software are available for student use throughout the year.

- Edinboro recently newly-remodeled the University Center with an indoor running track, saunas and whirlpools, weight room, racquetball and handball courts, full-service bookstore and dining areas, and an aerobics room for student use.

PHILOSOPHY ON ATHLETICS

As an institution of higher learning, Edinboro University of Pennsylvania is committed to the development of the entire individual. The philosophy of athletics at Edinboro is considered an integral part of the institutional program of education which provides experiences that will help develop the physical, mental, and emotional aspects of the student. Students are stimulated to want to win and excel, but the principles of good sportsmanship prevail at all times to enhance the educational values of the contest.

The Edinboro University Athletic Department believes that participation is a privilege that carries with it responsibilities to the college, the team, and the students themselves. These experiences also contribute to the knowledge, skill and emotional pattern that our students possess, thereby making them better persons and citizens.

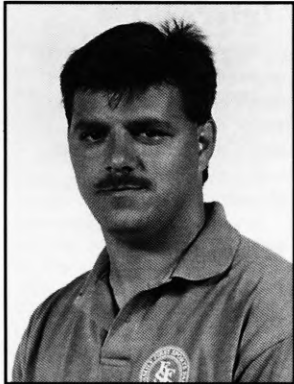

FIGHTING SCOT ATHLETICS

The Fighting Scots compete in the Pennsylvania State Athletic Conference (PSAC) and the National Collegiate Athletic Association (NCAA), Division I and II. Edinboro's highly competitive athletic program consists of 19 varsity level sports:

Men: baseball, basketball, cross country, football, golf, swimming, tennis, track (indoor and outdoor), and wrestling;

Women: basketball, cross country, soccer, softball, swimming, tennis, track (indoor and outdoor), and volleyball.

HEAD COACH GARY KAGIAVAS

Edinboro University of Pennsylvania appointed Gary Kagiavas as head coach of the Fighting Scots women's soccer program in August of 1996. In addition to his coaching duties at Edinboro, Kagiavas has served as the coaching director of the Edinboro Regional Soccer Club for the past two years. Under his direction, the organization has grown from four to 11 teams, and in the 1997-98 season, he took the 15-under team to the state finals.

Kagiavas has a wealth of playing and coaching experience, both locally and at the international level, and joined the Edinboro staff after serving as assistant manager of the Family First Sports Park in Erie, Pa., since October of 1994.

Kagiavas was a standout defender at Gannon University from 1987-91, and played professionally in his

native South Africa, Greece and Canada after earning his bachelor's degree in 1991. He has held a variety of coaching positions at many levels of competition since 1989, highlighted by a successful stint as a professional coach in South Africa and a year as an assistant coach at Gannon.

While at Family First, Kagiavas was responsible for organizing all phases of the facility's indoor and outdoor soccer leagues, serving as tournament director for more than eight tournaments a year. Kagiavas was assistant tournament director for the 210-team Flagship Cup tournament, hosted by Edinboro University, and also coached the Erie Admirals, a new premier soccer club.

In 1994, Kagiavas was the head coach of Gannon's men's junior varsity soccer program, directing the team to its first winning record ever, an 8-5-3 mark. He assisted head coach Marco Koolman with the varsity squads as the Golden Knight men posted a 15-2 overall record while advancing to the NCAA Final Four, as well as assisted with Gannon's women's program while coaching the 18-and-under Erie Strikers soccer club.

Kagiavas has been involved in coaching since 1989, when he began coaching the Erie Strikers and also coached at Villa Maria Elementary School, guiding the team to an 11-2-2 record, its first-ever winning mark. Between 1989 and 1994, Kagiavas coached at numerous camps and served as the assistant director at several tournaments. In the

spring of 1992, he was head coach of the Springs (South Africa) Old Boys of the Division I men's semi-professional league, earning Coach of the Year honors. In the summer of 1991, Kagiavas was head coach of the Boksburg "Two for Joy" Division II team that competed in the National Soccer League of South Africa. Kagiavas has earned a South African coaching license as well as a professional referee license.

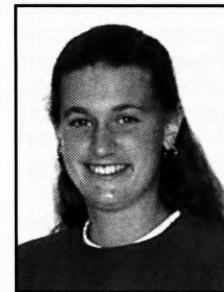

HEAD COACH GARY KAGIAVAS

Prior to his coaching career, Kagiavas was a four-year starter at Gannon, helping the Golden Knights advance to two NCAA Division II Final Four tournament appearances (1989 and 1990) and a pair of Elite Eight berths (1987 and 1988). He also has played professionally, competing for a St. Catherine's team that won the Canadian Cup in the National Soccer League. Kagiavas was a player/coach for the Springs Old Boys and Boksburg "Two for Joy," as well as for the Eastern Transvaal all-select indoor team.

Gary and his wife, Dawn, a native of St. Marys, Pa., have a daughter, Kaylee, who is two-years old.

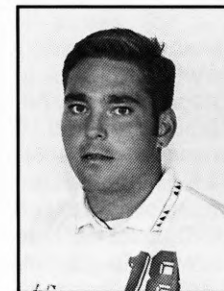

GRADUATE ASSISTANT COACH STACIE BORTZ

Stacie Bortz enters her first season as a graduate assistant coach for the Fighting Scots. Bortz is a May 1998 graduate of Mercyhurst College where she was a four-year starter in goal for the Lakers. Bortz led the '94 Lakers to the NCAA Division II Final Four and in '95 to the semi-finals of the NCAA tournament. Bortz was also the starting shortstop on the Mercyhurst softball team.

Bortz has a bachelor's degree in Human Ecology with a minor in Elementary Education. She has coached on the youth level for the past two years, specializing as a goalkeeper coach.

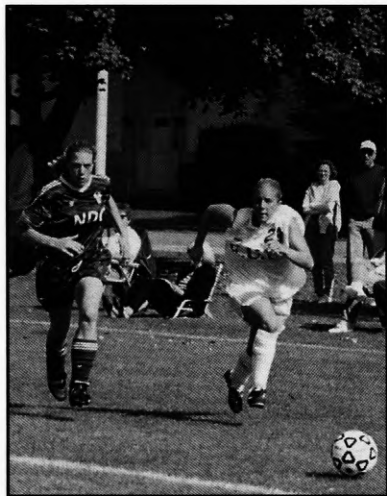

ASSISTANT COACH TONY TURINI

Tony Turini is entering his second season as an assistant coach for the Fighting Scots. His playing experience consists of four years at Carbondale Community High School; he then went on to compete for nearby Gannon University.

Tony has been coaching for the past four years at the youth level. He currently coaches for the Edinboro Regional Soccer Club in addition to his duties at Edinboro University.

1998 SEASON OUTLOOK

1998 SEASON...

Entering into the program's third year of competition, the Edinboro University of Pennsylvania women's soccer team is closer than ever to achieving their goal of being a consistent, experienced, and all-around talented squad. With the return of the first recruiting class of head coach Gary Kagiavas and the addition of some very capable recruits, the 1998 edition of the Fighting Scots will look for steady improvement as the returning experience combines with new talent. "Last year we had seven freshmen in our starting lineup," said Coach Kagiavas. "The 1997 season was so physically and mentally demanding - I think our returning players will be able to raise their level of play this season as a result of that experience."

THE SCHEDULE...

This season Edinboro has upgraded their schedule once more, playing five teams which were ranked in the top 20 in NCAA Division II at the end of last season, including national championship runners-up West Virginia Wesleyan College, East Stroudsburg University of PA (11th), Mercyhurst College (17th), Bloomsburg University of PA (18th), and Lock Haven University of PA (20th). Edinboro has added nationally ranked Mercyhurst College, Malone College, St. Vincent College and Concord University to its schedule this season, all strong teams which will challenge the Fighting Scot squad to play at new levels. "We are striving to play as good competition as possible - it pushes us to improve our skills and to toughen us mentally," said Kagiavas.

Last season, the Fighting Scots proved their ability to compete with nationally competitive teams, defeating Wheeling Jesuit College (then ranked 13th nationally), 4-3, in double overtime. In fact, Edinboro played in five overtime games last season, with four of those going into two extra periods. According to Kagiavas, those games did make some difference in the outcome of last year season, "If we had split those games, we would be at .500-percent - if we had won, we would have had a winning record."

RETURNERS...

The Fighting Scots return 13 players from the 1997 unit, all of whom will look to raise the team's level of play this season. At midfield, Edinboro returns All-Pennsylvania State Athletic Conference player Alyssa Murosky. Murosky netted 10 goals and four assists last season as a freshman, the team's second-leading scorer. Murosky has shown she has the ability to be a big scorer for Edinboro, contributing four goals and two assists to the team's 12-1 victory over LaRoche College last season. She will be joined in the midfield by sophomores Beth Christopher (two goals, four assists), Sali Frndak (three goals, two assists), whose overtime goal lifted the Scots, over Wheeling Jesuit last season, and Trish Meshanko (2 goals).

1998 SEASON OUTLOOK

Returning forwards for the Edinboro squad include Megan Snyder and Sarah Kramer. Snyder will be counted on once more to be a scorer for the Fighting Scots. Last season, Snyder led the team in points with nine goals and eight assists (26 total points), including three goals versus LaRoche College and two against Notre Dame (OH) College. Kramer, who began her career with Edinboro last season after red-shirting a year, served as the team's co-captain and netted six goals and five assists in 17 matches.

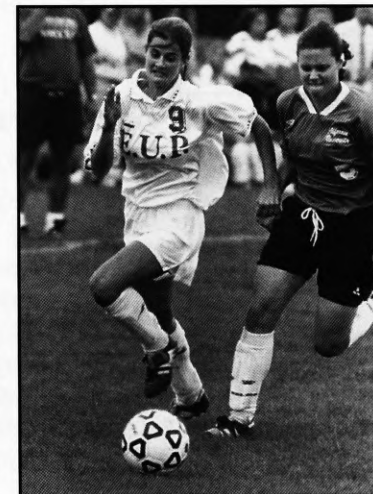

Edinboro returns the most experience on the defensive side of the field. Six defenders will return to wear the Edinboro jersey. The skills and intensity of junior Cara Peyton, the team's leading scorer in 1996 and the third leading scorer in 1997, will most likely be utilized in a defensive role this season, possibly as sweeper. Juniors Lisa Blackhurst, Dory Isgan, Jessica Hatton and Jessalynn Rodgers also return, each with two year's experience. Blackhurst, who is also a key member of the Fighting Scot softball team, played in 17 of the team's 18 contests last season. Isgan possesses tremendous speed, and is also a proven scorer. Hatton and Rodgers will both vie for increased action once again this season.

In goal, this season is perhaps one of the strongest for the Fighting Scots. Both of last year's goalkeepers return for the 1998 season. Denna Iammarino and Meighan Gast, who shared goalkeeping responsibilities last year, combined for a 2.61 goals against average. Iammarino recorded 82 saves in 960 minutes of action in 1997. Gast grabbed 86 saves in 740 minutes. "Having a good goalkeeping base is one of the most important aspects of a successful team," said Coach Kagiavas, optimistic about Edinboro's chances at a winning season in part due to the presence of this experienced tandem.

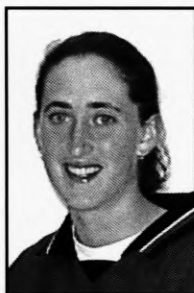

NEWCOMERS...

A number of key recruits will contribute additional aggressiveness and scoring capabilities to this year's women's soccer squad. At midfield, Amy Lindsey (Allison Park, PA/Hampton), Corinne Bruno (Waterford, PA/General McLane), Susan Buchanich (Allison Park, PA/Hampton), and Kim Hoyt (Niagara Falls, NY/Niagara Wheatfield) will all compete for playing time. Amy Hazen (Erie, PA/Iroquois) will push for a forward position, and Bruno could also make a run for action at the same spot. Defensively, Carrie Williams (McKean, PA/General McClane) and Elizabeth Glecos (Erie, PA/McDowell) will challenge the returnees for a starting position. Jillian Campbell (Indiana, PA/Indiana Area) will be looking for time in goal.

This year's focus is all-around. With the addition of some new offensive talent, improving scoring capabilities will be a major aspect of this season's game. Solidifying the defense will also be a key focus of the squad this season, and could revolve around the redefinition of roles for some of the most talented players on the field.
