THE GAME STORY

Edinboro staved off an 0-3 start in league play with a win over 14th-ranked Shippensburg on Saturday, and now face another ranked foe in Indiana(Pa.). The Indians were 24th in last week's USA Today/WBCA Division II poll. IUP was first in the East Region prior to Saturday's 78-65 defeat at Clarion, while Edinboro had slipped to seventh. HEAD COACH: Sandy Thomas (39-29, 3rd year at IUP)

Indiana(Pa.) had climbed into 24th place in the USA Today/WBCA Division II rankings before suffering a 78-65 loss at Clarion on Saturday. The loss also snapped a three-game winning streak ... coach Sandy Thomas' team showcases balance and an extremely stingy defense. IUP stands sixth in field goal percentage (33.7%) and ninth in scoring defense (58.6 ppg.). In addition, the Indians are in the top twenty in rebounding margin (8.2 rpg.) ... only one Indian scores in double figures, but eight players come in at five points or better and nine average at least 13 minutes a game. The leading scorer is **Beth McDonald**. A 5'11" sophomore, McDonald averages 12.2 ppg., and is also the top rebounder at 9.3 per game. McDonald is shooting 58.1 percent from the floor, and owns 21 blocks ... **Melissa McGill** is next on the scoring parade at 9.5 ppg. Oddly enough, the 6'5" junior has yet to start a game, but she has been on fire of late, depositing 26 points against both Shippensburg and Pitt-Johnstown in recent games. McGill adds 4.8 rpg., shoots 59.8 percent from the floor, and has a team-high 26 blocks ... Sophomore swingman **Megan Woodall** (8.9 ppg., 50 assists), a transfer from Kent, joins McDonald as the only players to start all 16 games ... Senior **Molly Carr** (8.8 ppg.), sophomore **Carrie Maitland** (8.6 ppg.) and junior **Jodi Frederick** (8.3 ppg.) also see plenty of action. Carr has a team-high 40 steals, and is also the top three-point threat with 16 in 35 attempts. Maitland is the team leader in assists (52), while Frederick brings size up front, the 6'1" center contributing 6.5 rpg. and 21 blocks ... second team All-PSAC West performer **Theresa Kabala** has seen her scoring average fall from 14.0 ppg. to 7.1 ppg. ... 6'2" junior **Megan Smith** starts in the middle. She averages 5.4 ppg. and 4.0 rpg.

defense will present a formidable challenge for the Scots.

EDINBORO BASKETBALL AT A GLANCE

Edinboro took a huge step towards righting itself on Saturday, knocking off 14th-ranked Shippensburg. After a 9-0 start in which Edinboro climbed to as high as 16th in the USA Today/WBCA Division II Top 25, the Fighting Scots lost four in a five of six contests before snapping the string with a pair of wins this past week.

The victory over Shippensburg tightened the PSAC West race, while ensuring that the Boro would not drop its third straight PSAC fray.

With leading scorer Marin Hightower missing the last four games, it appears that the Scots are starting to adjust to life without the junior forward. She will likely be out once again against IUP.

The modest two-game winning streak the Scots are currently on also coincides with a return to McComb Fieldhouse, where the Scots are 7-1.

THE BORO VS. INDIANAPA

Edinboro leads the all-time series, 27-19, capturing the last five meetings. The Fighting Scots claimed an 82-62 win at IUP a year ago, then followed up with a 79-66 triumph at McComb Fieldhouse. In the first meeting, Meghan Miller had 26 points, with 6 three-pointers, and recorded 8 steals. Amy Rapelje paced the Scots in the second tilt with 23 points and 10 rebounds.

SCOUTING THE FIGHTING SCOTS

Edinboro's 68-64 win over Shippensburg snapped a seven-game losing skid to the Lady Raiders, with four of those losses coming a year ago. More importantly, it proved to the Fighting Scots that they can defeat a quality opponent while battling the absence of **Marin Hightower**, the team's leading scorer and second-leading rebounder at 20.0 ppg. and 9.1 rpg... with Hightower missing, much of the scoring load has fallen on guards **Jessica Rowe** and **Meghan Miller**. Rowe, a junior, has averaged 21.0 ppg. over the last four outings, including 22 vs. Shippensburg. That has boosted her average to 14.2 ppg. The 5'8" guard leads the Scots with 58 assists, is the top free throw shooter at 85.5 percent (47 of 55), and has made 22 of 63 three's. Rowe moved past Amy Rapelje into 12th place in career scoring with 1,109 points. Miller had a string of six straight games in double figures snapped by Shippensburg, as the senior was held to 9 points. She is averaging 12.8 ppg., with 55 assists and a team-leading 40 steals. The

school's career leader in three-pointers made with 216, the senior has been on fire of late, making 19 of 35 triples over the last seven outings. She has made 41 of 95 overall. Miller has 395 career assists, that figure good for third all-time, and stands fourth in career scoring with 1,371 points ... **Kelli Torboli** will open in the middle. The 6'0" senior turned in a strong outing against Shippensburg, battling Ashley Totedo, the PSAC's all-time leading rebounder and a first team all-conference selection, on even terms. Torboli recorded her eight double-double, ending the day with 15 points and 11 boards. On the season, she averages 11.2 ppg. and 10.1 rpg. In addition, she has a team-high 33 blocks ... forward **Dana Polakowski** was another player who stepped up against Shippensburg. The 5'11" junior scored 11 points and pulled down 13 boards. She is now up to 6.6 ppg. and 6.5 rpg., along with 38 assists ... head coach Stan Swank will choose between freshman **Korie Morton** (6.2 ppg., 4.4 rpg.) and sophomore **Julie McNees** (1.8 ppg.) for the fifth starting spot. Morton is a 5'9" swingman who provides more size and rebounding in the lineup. However, she has been very foul prone of late. McNees is a 5'6" guard who is strong defensively and gives the Scots another ballhandler ... **Kim Vay** is the main frontcourt reserve. The 5'10" sophomore, like Torboli a transfer from California(Pa.), averages 6.8 ppg. and 5.1 rpg. while shooting 52.4 percent from the floor.

EDINBORO UNIVERSITY ATHLETIC FUND DRIVE

Dear Friends of the Fighting Scots:

Having accepted the challenge of leading Edinboro University's athletic department into the 21st century, I am excited about spearheading this annual athletic fund drive for the direct benefit of our student-athletes.

With the growing cost of education, the importance of private funding for our athletic program is vital to the continued success we have all enjoyed here at Edinboro University. With no state appropriation for athletic scholarships, we depend on labor-intensive fundraising events, as well as the generous support of our alumni and friends, to supplement our scholarship fund.

The efforts of our University employees during our summer camp season continue to be the major source of our financial development. Although the University has enjoyed athletic success in the 1990s, our sports teams continue to be funded well below the National Collegiate Athletic Association (NCAA) allowable limit. Overall, it is the goal of Edinboro University to give the best quality education and athletic experience possible to our student-athletes. We not only want our students to have the opportunity to compete, but to be the very best they can be.

At Edinboro University, we will do everything possible to generate the resources necessary to stay competitive, but we need your ongoing support to continue to improve upon our rich athletic tradition.

We are excited about hearing from you soon, as you join us on our mission to provide a quality athletic program for the entire Edinboro family.

Sincerely,

Bruce R. Baumgartner

Bruce R. Baumgartner, Director of Athletics
World and Olympic Champion

WHAT IS THE FIGHTING SCOT BOOSTER CLUB? Providing support to Edinboro University's athletic program is the Fighting Scot Booster Club. Organized in the early 1980's, it was formed around a core of devoted, loyal alumni, friends and representatives of Edinboro University. It is an advisory group dedicated to the support and advancement of Fighting Scot athletics. The club is the vehicle by which individuals, businesses, and corporations may make contributions to the overall athletic program or designate a portion to a specific sport.

The club's primary mission is to provide financial support for the athletic teams while promoting community awareness and involvement in the entire program. Its objective of providing athletic scholarships in support of student-athletes and their goals, parallels the department's mission of furthering community awareness of all athletic teams, as well as rallying support around University advocates.

WHY SUPPORT THE BOOSTER CLUB? Your generous membership affords Edinboro University the opportunity to offer a higher quality athletic and academic experience to its student-athletes. State monies are not available for athletic scholarships, making the Booster Club and the department's fundraising efforts the sole means of raising money for yearly scholarships and endowments. With your assistance, continuing our winning tradition - as well as assisting in the development of our student-athletes as leaders of tomorrow - will be a reality!
