THE CEREMONIAL MACE

The Ceremonial Mace, a symbol of presidential authority, is carried at the head of the academic procession by the College Marshal, Dr. Leo J. Roland. A gift of the Alumni Association, the Mace was designed and executed by Dr. Seymour Blinderman, formerly of the Art faculty, and Mr. Henry Katzwinkel. It was first used at the inauguration of President Chester T. McNerney.

The Mace, twenty-seven inches high, is topped by a sterling silver sphere studded by cone-shaped rubies. The neck of the Mace is inlaid with rosewood, alternated with silver fleur-de-lis. Cultured pearls mounted on cups encircle the top of the shaft. Discs of silver interspersed with rosewood compose the shaft which ends with tip-casted silver. Sunken cultured pearls encircle a rounded cone with textured silver to end in a small globe.

COMMENCEMENT SPEAKER — DR. CLAYTON L. SOMMERS  
Pennsylvania Commissioner of Higher Education

Dr. Clayton L. Sommers, Commissioner of Higher Education for the Commonwealth of Pennsylvania, will serve as guest speaker for today's spring commencement exercises. His address is entitled, "Some Retrospective Introspection."

Governor Richard Thornburgh appointed Dr. Sommers as the state's Higher Education Commissioner on September 6, 1979. "The individual charged with leadership responsibilities for higher education in Pennsylvania must possess both excellent qualifications and character," said Thornburgh when announcing Sommers' selection. "Education Secretary Bob Scanlon and I are confident that we have found these qualities in Dr. Sommers," he added.

Prior to his appointment as Commissioner, Dr. Sommers had served as President of Clarion State College since March of 1977. Previously, he had been State University Dean of Faculty Affairs in the Chancellor's Office for the California State Universities and Colleges.

From 1961 to 1971, he was a professor of business administration at California State University, Northridge, where he developed a course in the analysis of business operations for graduating seniors. He also taught business and labor relations law.

At California State University and Colleges, his responsibilities included developing policies for appointments, tenure, and promotion of all academic employees in the system; coordinating and planning personnel policies; faculty development; programming administration budget request; preparing salary and benefit proposals for faculty and other academic employees; management review; coordinating grievance and disciplinary procedures, as well as analyzing collective bargaining legislation.

During the 1968-69 school year, Dr. Sommers was Associate Dean of the California State School of Business and Associate Dean of Instructional Resources in the Office of the Chancellor at California State University and Colleges. While at California State, he also served as president of the general faculty and as a member of the committee which developed a master's program for faculty research grants, personal planning and review. In 1966, he received the first distinguished teaching honor to be awarded by the California State College and University's Board of Trustees.

A native of Chicago, Illinois, he was graduated with honors from Harvard University in 1953 with a bachelor of science degree in economics and received his law degree from Harvard Law School in 1956. He practiced law and served as deputy county council in Los Angeles County from 1959 to 1961.

In 1957, Dr. Sommers was commissioned as a Second Lieutenant in the United States Marine Corps Reserve. He was activated in 1958 as infantry platoon commander and later served as a prosecuting attorney before general courts-martial. He was also Legal Assistance Officer for the Marine Corps Base at Camp Pendleton, California. After his release to the inactive reserve, he left the Marine Corps in 1962 with the rank of Captain.

Dr. Sommers and his wife, Janet, who now reside in Wormleysburg, Pa., have three daughters, Cary - 22, Melanie - 20, and Valery - 18.

## SCHOLARSHIP AWARDS

### AIME' H. DOUCETTE SCHOLARSHIP

The Doucette family has established a scholarship, along with friends of the Edinboro State College Art Department, to honor the memory of Aime' H. Doucette. He was a member of the Art Department from 1923 to 1960 and served as the department head until his retirement in 1956. The scholarship is made to an outstanding third-year student of art education in the field(s) of jewelry and/or graphic arts.

### EDINBORO ALUMNI ASSOCIATION SCHOLARSHIP

Each year the Edinboro State College Alumni Association provides a four-year scholarship to an outstanding high school senior enrolling at the College.

### JOHN "BUTCH" McBRIDE SCHOLARSHIP

John C. McBride, Sr. (Class of 1953), Barbara McBride and Richard McBride have established a scholarship fund in memory of their son and brother, John "Butch" McBride. The scholarship is awarded to recognize outstanding athletic performance and scholarship achievement of an enrolled athlete in one of the varsity sports existent during the award year.

### LOIS CALDWELL NORTH SCHOLARSHIP

Two annual scholarships have been endowed in memory of Mrs. Lois Caldwell North by her daughter, Eleanor North, of State College, Pa. The awards are made each year to students who plan to enter the ministry upon completion of their education.

### ERIE ENGINEERING SOCIETIES COUNCIL SCHOLARSHIP

Five Erie area colleges award scholarships yearly offered by the Erie Engineering Societies Council. The Scholarship Committee of the EESC announces the recipients that are selected by the Deans of the Schools of Engineering or Science, at each institution. Edinboro offers the award to the outstanding freshman applicant pursuing a career in the engineering or science field.

## ORGANIZATION OF BORO WOMEN SCHOLARSHIP

The Edinboro Organization of Boro Women has funded an annual award for an outstanding General McLane High School senior planning to attend Edinboro. The scholarship is based on academic ability as determined by class rank, College Board scores, and letters of reference with some consideration given to family resources.

### PICPA AWARD

The Pa. Institute of Certified Public Accountants has established an annual award to a graduating senior in accounting. The recipient is selected by the faculty of the Department of Economics and Business on the basis of academic achievement.

### HELEN SABIN REED SCHOLARSHIP

An endowment fund was provided to Edinboro State College in memory of Mrs. Helen Sabin Reed, a member of the education faculty from 1961 through 1966. Because Mrs. Reed was a specialist in the reading field, the yearly scholarship is awarded to an elementary education major. Mrs. Theo Sabin Meyer of Erie, Mrs. Mildred Sabin Young, Los Angeles, sisters; and a brother, Robert W. Sabin, Long Beach, California, established the gift.

### RUSSIAN LANGUAGE AND AREA STUDY SCHOLARSHIP

A Russian Language and Area Study Scholarship is granted to promising high school seniors desiring to combine a major in Russian with secondary specialization in either economics, business, accounting or engineering. This program, funded in part by industrial firms, is intended to prepare the scholarship winners for careers in International trade in general, and East-West trade in particular.

### PHYLLIS DISEK STURM SCHOLARSHIP

The English Department and friends and associates of Dr. Ralph Sturm have established this memorial to Mrs. Sturm. Each year several scholarships are awarded to freshmen English majors entering the College.

### UNITED MINISTRY MINORITY SCHOLARSHIP

The United Ministry of Edinboro State College offers an annual scholarship to a freshman minority student at the College. In order to receive the scholarship, the student must be in good academic standing from high school with financial need.

### VLAHAKIS AWARD SCHOLARSHIP

Each year a scholarship award is made available to a student at the College who is majoring or planning to major in chemistry. The fund was established by Mrs. Thekla Vlahakis of Pittsburgh in memory of her late husband, George K. Vlahakis, and two sons, Walter and William.

### DEAN RICHARD I. WELLER AWARD

The Lake Area Health Education Center and Dr. Richard I. Weller, Dean of the School of Science and Mathematics since 1970, have established the award to recognize the most outstanding student in the health sciences in the School of Science and Mathematics.

## ACADEMIC VESTMENTS

The gown, the cap and the hood, representing the major components of the academic dress, are a ceremonial inheritance from the medieval universities of the eleventh and twelfth centuries, where dress was the outward sign of privilege and responsibility. The academic dress worn by those participating in today's academic processional symbolizes the level of their academic attainment and the institution they attended.

### Gown

Although the gown is more frequently black, certain universities have authorized the use of colored gowns. The bachelor and master gowns are fashioned from black serge. The yoke for the bachelor gown is designed to be worn closed and features long, flowing and pointed sleeves. The master gown is designed to be worn open or closed. Its sleeves are very long with square ends, and the front part has an arc cut away. The arms protrude through a slit at the elbow. The gown for the doctor degree is made of wool, serge, or silk with an open front faced with wide velvet panels. The sleeves are loose and bell-shaped with three bars of velvet in black or the color of the discipline in which the doctorate was obtained.

### Hood

The most outstanding feature of the academic dress is the hood. It is usually worn only for the master's and the doctor's degrees. The doctor's hood is longer than the master's hood and has distinguished panels. The college or the university granting the degree is indicated by the color or coloring of the hood lining. The velvet trim of the hood indicates the field in which the degree was granted.

### Cap

The standard cap is the mortarboard, usually the color of the gown. The tassel is black for the baccalaureate and master degree and is worn over the left front quarter of the cap. The tassel for the doctor's mortarboard is of gold thread. Undergraduates wear the tassel on the right side of the cap until the moment the degree is conferred by the president.

## COMMENCEMENT COMMITTEE

---

Dr. William P. Alexander .....	Professor of Music
Mr. Robert Beagle .....	Assistant to the President
Mr. James Dronsfield .....	Vice President for Administration
Mrs. Marjorie Koon .....	Secretary to the President
Dr. Lawrence Nanns .....	Vice President, Personnel Services
Dr. Leo J. Roland .....	Registrar
Dr. Jack E. Williams .....	Dean, School of Graduate Studies

Because of the demand to meet a deadline to print this program and the short period of time between the end of classes, review of all academic programs, delays caused by such factors as illness of some students and evaluation by the Office of Academic Affairs, the College does not claim the list of degree candidates is absolutely accurate. Students are granted degrees only if they meet all academic and financial requirements.
