THE COLLEGE MARSHAL MR. ANDREW BOTH

Carrying the Ceremonial Mace and leading the ranks of the academic procession as College Marshal is Mr. Andrew Both, retiring psychology professor. He is being honored for his twelve years of teaching service to the Edinboro State College community.

Mr. Both taught the first course in a focus which later evolved into the Bachelor's degree program in gerontology. He was instrumental in the development of the College's newest graduate degree program — the Master of Arts in Gerontology.

Prior to his years of service in higher education, Mr. Both received his undergraduate degree from Findley College, Findley, Ohio, and his M.A. in counseling from Bowling Green University. In August he will receive a Ph.D. in Higher Education from the University of Pittsburgh. His dissertation is entitled, "The Identification of Skills and Knowledges for Geriatric Workers."

Mr. Both was a staff sergeant in the U.S. Army during World War II and was involved with several business concerns as sales manager and purchasing agent before he entered the college teaching profession.

Among his professional affiliations are the American Psychological Association, the American Personnel and Guidance Association, the Pennsylvania Psychological Association and Psi Chi, the national psychological fraternity.

His daughter, Mrs. Andrea Trusty, is a legal secretary who resides in Brooksville, Florida, the state where Mr. Both plans to make his home after retirement this summer.

CERTIFICATE OF MERIT RECIPIENT MR. MAX P. GABRESKI

Mr. Max P. Gabreski, who has served as chairman of Edinboro State College's Board of Trustees for the past eight years, will receive the College's highest honor today when he is presented with a Certificate of Merit in recognition of his educational leadership and distinguished service. He has been a member of the Edinboro Board of Trustees since June 1960.

Currently both a resident and lawyer in Oil City, Pennsylvania, Mr. Gabreski has practiced law before the Supreme Court, Superior County, Commonwealth Courts of the Commonwealth of Pennsylvania and various Courts of Common Pleas through the Commonwealth.

He is a member of the Venango, the Pennsylvania and the American Bar Associations and has been President of the Northwestern Pennsylvania Lung Association, a former delegate to the Pennsylvania Constitutional Convention and President of the Venango-Clarion-Forest County Tuberculosis and Health Society from 1958-1972.

A United States Navy, World War II veteran, Mr. Gabreski earned his bachelor's degree in philosophy with a major in accounting from the University of Notre Dame and received a Doctor of Jurisprudence degree from Notre Dame Law School in 1951.

He and his wife, Eileen, are the parents of eight children.

CERTIFICATE OF MERIT RECIPIENT MR. DONALD M. ALSTADT

Mr. Donald M. Alstadt, President of Lord Corporation, Erie, Pa, will receive a Certificate of Merit today from Edinboro State College in recognition of his development and Leadership of varied educational, industrial and public service responsibilities.

A graduate of the University of Pittsburgh, Mr. Alstadt serves in advisory capacities to the Mellon Institute of Research at Carnegie-Mellon University; the Kolff Foundation, an organization directed toward artificial organ research and clinical application; Case Western Reserve School of Management; and Case Institute of Technology.

Recently, Mr. Alstadt has become active in the dynamics of the management of change in business and social institutions, and the technical innovation process in industry. His films, "Human Attitudes and Managing Change," made in conjunction with National Educational Television, have been used by many industrial, educational, banking and community groups.

Among his professional affiliations are the American Institute of Chemists, the American Physical Society, the American Chemical Society, the Faraday Society of England, the Electrochemical Society, the Chemist Club of New York, the Institute of Management Science and the American Management Association.

DISTINGUISHED ALUMNUS AWARD MR. MICHAEL M. ZAHORCHAK

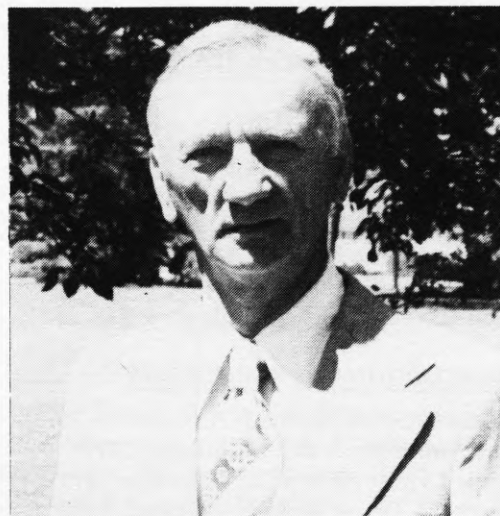

Mr. Michael M. Zahorchak, who retired from the Edinboro State College faculty in February 1978 after a 40-year career in education, will receive the Distinguished Alumnus Award during today's commencement proceedings.

A 1937 Edinboro graduate, Mr. Zahorchak has served as a teacher in the Aliquippa School District and also as assistant principal at Aliquippa High School. In 1969 he accepted a position with the College as an Associate Professor of Education and Supervisor of Student Teaching.

He is Past President of the Edinboro State College Alumni Association and currently serves on the Board of Directors of that organization.

A charter member of the Edinboro Foundation, Past President and charter member of the Beaver County Alumni Association and life member of the "E" Club, Mr. Zahorchak has continually been active in all phases of Edinboro State College's alumni affairs. He has also been an elected member of the Quaker Valley Board of School Directors for the past 27 years and is currently serving as President of the board.

THE CEREMONIAL MACE

The Ceremonial Mace, a symbol of presidential authority, is carried at the head of the academic procession by the College Marshal, Mr. Andrew Both. A gift of the Alumni Association, the Mace was designed and executed by Dr. Seymour Blinderman, formerly of the Art faculty, and Mr. Henry Katzwinkel. It was first used at the inauguration of President Chester T. McNerney. The Mace, twenty-seven inches high, is topped by a sterling silver sphere studded with cone-shaped rubies. The neck of the Mace is inlaid with rosewood, alternated with silver fleur-de-lis. Cultured pearls mounted on cups encircle the top of the shaft. Discs of silver interspersed with rosewood compose the shaft which ends with tip-casted silver. Sunken cultured pearls encircle a rounded cone with textured silver to end in a small globe.

ACADEMIC VESTMENTS

The gown, the cap and the hood, representing the major components of the academic dress, are a ceremonial inheritance from the medieval universities of the eleventh and twelfth centuries, where dress was the outward sign of privilege and responsibility. The academic dress worn by those participating in today's academic processional symbolizes the level of their academic attainment and the institution they attended.

GOWN

Although the gown is more frequently black, certain universities have authorized the use of colored gowns. The

bachelor and master gowns are fashioned from black serge. The yoke for the bachelor gown is designed to be worn closed and features long, flowing and pointed sleeves. The master gown is designed to be worn open or closed. Its sleeves are very long with square ends, and the front part has an arc cut away. The arms protrude through a slit at the elbow. The gown for the doctor degree is made of wool, serge or silk with an open front faced with wide velvet panels. The sleeves are loose and bell-shaped with three bars of velvet in black or the color of the discipline in which the doctorate was obtained.

HOOD

The most outstanding feature of the academic dress is the hood. It is usually worn only for the master and doctor degrees. The doctor's hood is longer than the master's hood and has distinguished panels. The college or the university granting the degree is indicated by the color of coloring of the hood lining. The velvet trim of the hood indicates the field in which the degree was granted.

CAP

The standard cap is the mortarboard, usually the color of the gown. The tassel is black for the baccalaureate and master degree and is worn over the left front quarter of the cap. The tassel for the doctor's mortarboard is of gold thread. Undergraduates wear the tassel on the right side of the cap until the moment the degree is conferred by the president.

THE BATTLE HYMN OF THE REPUBLIC
by Peter Wilhowsky

I have seen Him in the watchfires of a hundred circling camps;
They have builded Him an altar in the evening dews and damps.
I can read His righteous sentence in the dim and flaring lamps—
His truth is marching on. Glory, Hallelujah!

ALMA MATER

Hail to Thee, our Alma Mater Glorious,
Fresh Wreaths we bring to bind Thy brow
Trials have past and Thou hast stood victorious
Never fairer never statelier than now,
O Edinboro, Edinboro
Ever praising Thee in song
While class speeds class as swift years pass
To Thee our hearts belong.

THE CEREMONIAL MACE

The Ceremonial Mace, a symbol of presidential authority, is carried at the head of the academic procession by the College Marshal, Mr. Curtis Ickes. A gift of the Alumni Association, the Mace was designed and executed by Dr. Seymour Blinderman, formerly of the Art faculty, and Mr. Henry Katzwinkel. It was first used at the inauguration of President Chester T. McNerney. The Mace, twenty-seven inches high, is topped by a sterling silver sphere studded with cone-shaped rubies. The neck of the Mace is inlaid with rosewood, alternated with silver fleur-de-lis. Cultured pearls mounted on cups encircle the top of the shaft. Discs of silver interspersed with rosewood compose the shaft which ends with tip-casted silver. Sunken cultured pearls encircle a rounded cone with textured silver to end in a small globe.

ACADEMIC VESTMENTS

The gown, the cap and the hood, representing the major components of the academic dress, are a ceremonial inheritance from the medieval universities of the eleventh and twelfth centuries, where dress was the outward sign of privilege and responsibility. The academic dress worn by those participating in today's academic processional symbolizes the level of their academic attainment and the institution they attended.

GOWN

Although the gown is more frequently black, certain universities have authorized the use of colored gowns. The

bachelor and master gowns are fashioned from black serge. The yoke for the bachelor gown is designed to be worn closed and features long, flowing and pointed sleeves. The master gown is designed to be worn open or closed. Its sleeves are very long with square ends, and the front part has an arc cut away. The arms protrude through a slit at the elbow. The gown for the doctor degree is made of wool, serge or silk with an open front faced with wide velvet panels. The sleeves are loose and bell-shaped with three bars of velvet in black or the color of the discipline in which the doctorate was obtained.

HOOD

The most outstanding feature of the academic dress is the hood. It is usually worn only for the master and doctor degrees. The doctor's hood is longer than the master's hood and has distinguished panels. The college or the university granting the degree is indicated by the color of coloring of the hood lining. The velvet trim of the hood indicates the field in which the degree was granted.

CAP

The standard cap is the mortarboard, usually the color of the gown. The tassel is black for the baccalaureate and master degree and is worn over the left front quarter of the cap. The tassel for the doctor's mortarboard is of gold thread. Undergraduates wear the tassel on the right side of the cap until the moment the degree is conferred by the president.

EDINBORO STATE COLLEGE

From its beginning as a private academy in 1856, Edinboro State College has surged to the forefront as one of the leading educational institutions in Western Pennsylvania. Located just 15 miles south of Erie, Pa., the College's setting offers a contrast of seasons. Enhanced by the beauty of Edinboro Lake, the community serves as a resort center during the summer while numerous nearby ski slopes offer a variety of recreation in the picturesque winter months. The College's location enables it to readily serve the tri-state area with its proximity to Pittsburgh, Pa. (125 miles), Cleveland, Ohio (100 miles) and Buffalo, New York (120 miles). Moreover, it is easily accessible from the north and south by Interstate 79 and east and west by Interstate 90.

Edinboro State College has continued to increase its academic offerings to students and provide career choices not only in education, but in the professions and industry, as well. Included in the expanded curricula are programs in nursing, criminal justice, computer science, allied health fields, business and numerous pre-professional programs in law, dentistry, medicine and veterinary science. Edinboro State is also a pioneer in offering developmentally disabled students an opportunity to attend college. In keeping with its objective as a multi-purpose institution, the College offers both degree and non-degree programs for its students and surrounding community residents.

In addition to providing a full complement of undergraduate courses, the College also offers diversified graduate and continuing education programs. Edinboro fulfills the needs of a community college for Northwestern Pennsylvania through its associate degree programs.

Students are granted degrees only if they meet all academic and financial requirements.

ALMA MATER

Hail to Thee, our Alma Mater Glorious,
Fresh Wreaths we bring to bind Thy brow
Trials have past and Thou hast stood victorious
Never fairer never statelier than now,
O Edinboro, Edinboro
Ever praising Thee in song
While class speeds class as swift years pass
To Thee our hearts belong.
