Carrying the Ceremonial Mace and leading the ranks of the academic procession as College Marshal is Miss Mary Rose Ditz, a member of the Special Education Department at Edinboro State College for the past 16 years. She has been involved in the fields of elementary education and mental retardation throughout her professional career.

Originally from Fryburg, Pa., Miss Ditz received her B.S. degree in elementary education from Clarion State College.

While pursuing a master's degree at Penn State which she received in 1955, Miss Ditz initiated the Council for Exceptional Children (CEC), an organization which she later chartered at Edinboro State College.

During the summers of 1956 and 1957, Miss Ditz taught classes at Penn State which demonstrated techniques for teaching the mentally retarded. From 1956 through 1960, she continued her career in the Oil City Area School System.

Through a Penn State fellowship in 1960-61, she pursued

graduate work at the doctoral level in mental retardation and child development.

Miss Ditz joined the Special Education Department of Edinboro State College in 1961. At Edinboro, she served on numerous committees, was the chief adviser of CEC for 16 years, was one of the original advisers to the College's Newman Club and acted as a student teaching supervisor.

Among her professional memberships are the National Education Association (NEA), Pennsylvania State Education Association (PSEA), Association of Pennsylvania State Colleges and University Faculty (APSCUF) and two divisions of the Council for Exceptional Children. She was a member of Delta Kappa Gamma for 10 years and in 1965 received the Compatriot in Education honorary award from Kappa Delta Pi.

Noted for her kindness throughout the years to Edinboro students, Miss Ditz plans to return to Clarion County upon retirement.

## MEMORIAL FOUNDATION GIFTS

---

"They received, each for his own memory, praise that grows not old, and with it the grandest of all sepulchres, not that in which their mortal bones are laid, but a home in the minds of men, where their glory remains fresh to stir to speech or action as the occasion comes by. For the whole earth is the sepulchre of famous men; and their story is not graven only on stone over the native earth, but lives on far away, without visible symbol, woven into the staff of other men's lives." - Thucydides

### AMSCO FOUNDERS MEMORIAL FUND SCHOLARSHIPS

The trustees of the American Sterilizer Company Founders Memorial Fund make three awards available for outstanding students who have graduated from Erie County high schools.

#### JACK FINEGAN, APRIL 1969

Mr. and Mrs. Eugene Finegan provide a \$50 annual award to an outstanding male English student who shows a tendency to write prose or poetry that is intended to make mankind aware of the needs of his fellow-man and that places an emphasis on the desire to make the world a better place in which to live. This award was established in memory of their son, Jack Finegan, a former student at Edinboro State College.

#### MILDRED FORNESS MEMORIAL LOAN

Miss Forness held a position at the College from 1922 until her retirement in 1969. During that time she served in many capacities, including head of the Library and head of the Library Science Department. Her relatives and friends have contributed to establish loans for library science students.

#### LOIS CALDWELL NORTH, CLASS of 1886

Two \$100 annual scholarships have been endowed in a memory of Mrs. Lois Caldwell North by her daughter, Eleanor North, of State College, Pa. The awards are made each year to students who plan to enter the ministry upon completion of their education.

#### HELEN SABIN REED, OCTOBER 1966

A \$10,000 endowment was given to Edinboro State College in memory of Mrs. Helen Sabin Reed, a member of the education faculty since 1961. Because Mrs. Reed was a specialist in the reading field, the yearly \$500 scholarship is awarded to an elementary education major. Mrs. Theo Sabin Meyer of Erie; Mrs. Mildred Sabin Young, Los Angeles, California, sisters; and a brother, Robert W. Sabin, Long Beach, California, established the gift.

#### VLAHAKIS AWARD, JANUARY 1972

Each year a \$300 scholarship award is made available to a student of Edinboro State College who is majoring or planning to major in chemistry. The award has been established by Mrs. Thekla Vlahakis of Pittsburgh in memory of her late husband, George K. Vlahakis, and two sons, Walter and William.

## SCHOLARSHIP AWARDS

### CHESS CLUB SCHOLARSHIP

Each year the Chess Club offers a prize for active student members. The award is based upon academic standing and United States Chess Federation ratings. The Chess Club Scholarship is funded through monies earned from sponsoring chess competition on the college campus.

### THE BRUCE MANVILLE MORRISON FUND

The fund was established by the estate of the late Bruce Manville Morrison to provide financial support for Edinboro State College graduate students. Awards are made on a continuing basis to graduate students who can document financial need. The Morrison Fund also has provisions for the acquisition of rare books for the College Library.

### RUSSIAN LANGUAGE AND AREA STUDY SCHOLARSHIPS

Eight Russian Language and Area Study Scholarships were granted to promising high school seniors desiring to combine a major in Russian with a secondary specialization in either economics, business, accounting, or engineering. This program, funded in part by industrial firms, is intended to prepare the scholarship winners for careers in International Trade in general, and East-West Trade in particular.

### HANNAH KENT SCHOFF MEMORIAL PTA SCHOLARSHIPS

The Pennsylvania Congress of Parents and Teachers makes available each year a scholarship to an outstanding high school student who will attend Edinboro State College. This yearly scholarship is continuous for four years, upon review of the scholarship committee. The award is made on the basis of CEEB test results, grades, class rank, personal attributes, co-curricular activities, desire to teach and a personal interview.

### STUDENT EMERGENCY LOAN FUND

The Student Emergency Loan Fund has been established for undergraduate or graduate students who are in immediate need of a small loan. Contributions have been made to this fund in memory of:

- Dr. Harry W. Earley, Dean of Instruction, who was serving as acting President of the College at the time of his death, March 25, 1966.
- Corporal Gary Leslie Norman, a former student at Edinboro State College, killed in action in Vietnam, December 18, 1967.
- Dr. L. W. VanLaningham who served the College as Director of Student Teaching and Placement from 1949 until his death, December 2, 1967.

## PROGRAM NOTES

---

### THE CEREMONIAL MACE

The Ceremonial Mace, a symbol of presidential authority, is carried at the head of the academic procession by the College Marshal, Miss Mary Rose Ditz. A gift of the Alumni Association, the Mace was designed and executed by Dr. Seymour Blinderman, formerly of the Art faculty, and Mr. Henry Katzwinkel. It was first used at the inauguration of President Chester T. Mc Nerney. The Mace, twenty-seven inches high, is topped by a sterling silver sphere studded with cone-shaped rubies. The neck of the Mace is inlaid with rosewood, alternated with silver fleur-de-lis. Cultured pearls mounted on cups encircle the top of the shaft. Discs of silver interspersed with rosewood compose the shaft which ends with tip-casted silver. Sunken cultured pearls encircle a rounded cone with textured silver to end in a small globe.

### ACADEMIC VESTMENTS

The gown, the cap and the hood, representing the major components of the academic dress, are a ceremonial inheritance from the medieval universities of the eleventh and twelfth centuries, where dress was the outward sign of privilege and responsibility. The academic dress worn by those participating in today's academic processional symbolizes the level of their academic attainment and the institution they attended.

### GOWN

Although the gown is more frequently black, certain

universities have authorized the use of colored gowns. The bachelor and master gowns are fashioned from black serge. The yoke for the bachelor gown is designed to be worn closed and features long, flowing and pointed sleeves. The master gown is designed to be worn open or closed. Its sleeves are very long with square ends, and the front part has an arc cut away. The arms protrude through a slit at the elbow. The gown for the doctor degree is made of wool, serge or silk with an open front faced with wide velvet panels. The sleeves are loose and bell-shaped with three bars of velvet in black or the color of the discipline in which the doctorate was obtained.

### HOOD

The most outstanding feature of the academic dress is the hood. It is usually worn only for the master and doctor degrees. The doctor's hood is longer than the master's hood and has distinguished panels. The college or the university granting the degree is indicated by the color or coloring of the hood lining. The velvet trim of the hood indicates the field in which the degree was granted.

### CAP

The standard cap is the mortarboard, usually the color of the gown. The tassel is black for the baccalaureate and master degree and is worn over the left front quarter of the cap. The tassel for the doctor's mortarboard is of gold thread. Undergraduates wear the tassel on the right side of the cap until the moment the degree is conferred by the president.

Because of the demand to meet a deadline to print this program and the short period of time between the end of classes, review of all academic programs, delays caused by such factors as illness of some students and evaluation by the Office of Academic Affairs, the College does not claim the list of degree candidates is absolutely accurate. Students are granted degrees only if they meet all academic and financial requirements.

## ALMA MATER

Hail to Thee, our Alma Mater Glorious,  
Fresh Wreaths we bring to bind Thy brow  
Trials have past and Thou hast stood victorious  
Never fairer never statelier than now,  
O Edinboro, Edinboro

## DR. JACK B. HETRICK

Carrying the Ceremonial Mace and leading the ranks of the academic procession as College Marshal is Dr. Jack B. Hetrick who has retired as the Dean of the School of Education at Edinboro State College. In recognition of his educational leadership and human services, Dr. Hetrick will be honored during the commence-

ment proceedings by receiving the College's highest honor, a Certificate of Merit.

Prior to his position at Edinboro, Hetrick served as superintendent of the Grove City Area School District from 1956 through 1966. He has also been a high school and college teacher, an adult evening school director, a principal and college department head.

A Western Pennsylvania native, Hetrick attended public schools in both Masontown and Butler. He received his Bachelor's degree from Slippery Rock State College and the Master of Education and Doctor of Education degrees from the University of Pittsburgh.

Except for a four-year term of service with the U.S. Army during World War II, Dr. Hetrick has spent his working life in the field of education.

The retiring dean has been affiliated with a number of professional organizations including Phi Delta Kappa, PSEA, NEA, the National Society for the Study of Education and the American Association of School Administrators. He served as the chief institutional representative for Edinboro State College to the American Association of Colleges for Teacher Education.

In 1964 he received a citation from the Pennsylvania Department of Public Instruction for his distinguished contributions to the advancement of education. The citation acknowledged his involvement in developing the library and media center at Grove City Area High School.

Dr. Hetrick has been very active in committee and conference work. He has chaired visiting committees for the Middle States Association of Colleges and Secondary Schools and has been a member on Department of Education evaluation teams. He was a delegate to the London Assembly of the International Council on Education for Teaching in 1972 and was listed in "Who's Who in the East."

During his incumbence as dean at the College, the teacher education faculty changed from theoretical preparation to a competency-based teacher education program.

While superintendent of the Grove City Area School District, he also served as Grove City Rotary Club President and has been an active Rotarian for the past 22 years.

Dr. Hetrick and his wife, Anna, have three children. Their elder son, William, received his Doctor of Medicine degree from the University of Pittsburgh and currently practices at Pittsburgh's Mercy Hospital. Elizabeth (Mrs. Gene Corley) is an employee on the governor's staff in South Carolina, while Charles is a systems analyst in Wooster, Ohio.

## COMMENCEMENT SPEAKER

### DR. EDWARD C. MCGUIRE

Dr. Edward C. McGuire, recently appointed Commissioner of Higher Education for the Commonwealth of Pennsylvania, will serve as guest speaker for today's commencement exercises. For his outstanding development and leadership in higher education, Dr. McGuire will be honored today by receiving a distinguished Certificate of Merit from the College.

Prior to his appointment as Commissioner, Dr. McGuire had served as vice president for student affairs at Drexel University in Philadelphia for the past eight years.

Originally from Manhattan, New York, he received his Bachelor of Science degree from the State University of New York, earned his Master's degree from Southern Illinois University and was awarded his doctorate in education from Wayne State University in 1968.

Dr. McGuire served as assistant to the president at the University of Rhode Island from 1961 through 1963 before being named its dean of students. In 1967 he became vice president of Behavioral Science Associates in Newark, New Jersey, where he still serves in that same capacity. He was appointed dean of students at Rutgers University from 1966 through 1969.

In addition to his administrative experience, Dr. McGuire also served as a professor of psychology at Rhode Island, Rutgers and Drexel universities. He was also an instructor in industrial relations at Newark College of Engineering from 1966 through 1969.

Much of Dr. McGuire's work in education has been in the area of guidance and counseling which was his major field of concentration while working toward the doctorate degree. He has been noted in the past for his service to students and intense feeling for student concerns.

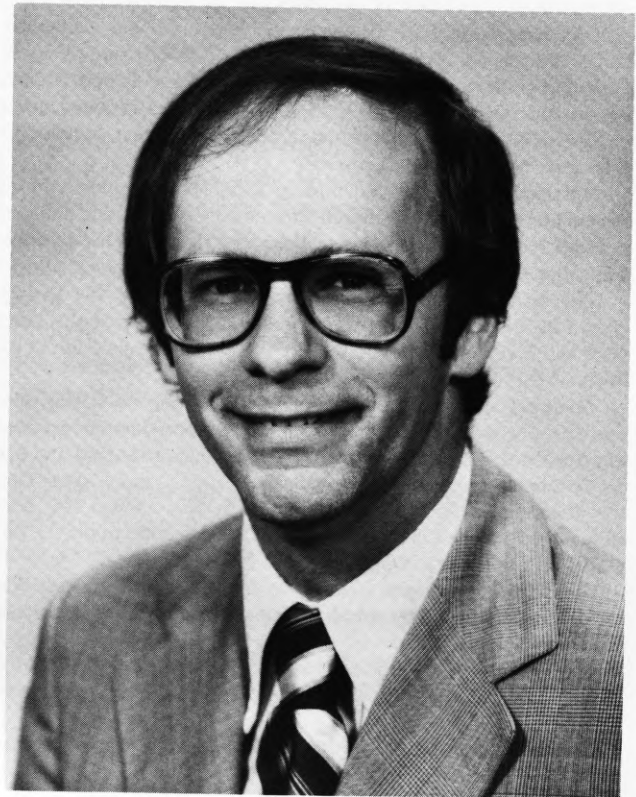

In addition to his numerous professional activities, the newly appointed Commissioner was also director of student housing at Wayne State University, a U.S. office of education fellow in Washington, D.C., and a consultant to OEO Career Programs in New York City.

A contributor to numerous educational publications, Dr. McGuire was selected to the editorial board of the NASPA Journal in 1966 and is still a member of that board. He was program chairman for the Rhode Island Personnel Association in 1962 and served as advisor for the Student Christian Movement of New England from 1964 through 1966.

Among his professional memberships are the American Personnel and Guidance Association, the American College Personnel Association, the National

Education Association, the American Academy of Political and Social Science and the American Association for the Advancement of Science. He is, likewise, a member of Kappa Delta Pi.

A Navy veteran, Dr. McGuire makes his home in Media, Pennsylvania, with his wife and five children.

## MEMORIAL FOUNDATION GIFTS

“They received, each for his own memory, praise that grows not old, and with it the grandest of all sepulchres, not that in which their mortal bones are laid, but a home in the minds of men, where their glory remains fresh to stir to speech or action as the occasion comes by. For the whole earth is the sepulchre of famous men; and their story is not graven only on stone over the native earth, but lives on far away, without visible symbol, woven into the stuff of other men’s lives.”—Thucydides

Miss Forness held a position at the College from 1922 until her retirement in 1969. During that time she served in many capacities, including head of the Library and head of the Library Science Department. Her relatives and friends have contributed to establish loans for library science students.

### LOIS CALDWELL NORTH, CLASS of 1886

Two \$100 annual scholarships have been endowed in memory of Mrs. Lois Caldwell North by her daughter, Eleanor North, of State College, Pa. The awards are made each year to students who plan to enter the ministry upon completion of their education.

### HELEN SABIN REED, OCTOBER 1966

A \$10,000 endowment was given to Edinboro State College in memory of Mrs. Helen Sabin Reed, a member of the education faculty from 1961 through 1966. Because Mrs. Reed was a specialist in the reading field, the yearly \$500 scholarship is awarded to an elementary education major. Mrs. Theo Sabin Meyer of Erie; Mrs. Mildred Sabin Young, Los Angeles, California; sisters, and a brother, Robert W. Sabin, Long Beach, California, established the gift.

### VLAHAKIS AWARD, JANUARY 1972

Each year a \$300 scholarship award is made available to a student of Edinboro State College who is majoring or planning to major in chemistry. The award has been established by Mrs. Thekla Vlahakis of Pittsburgh in memory of her late husband, George K. Vlahakis, and two sons, Walter and William.

## SCHOLARSHIP AWARDS

---

### CHESS CLUB SCHOLARSHIP

Each year the Chess Club offers a prize for active student members. The award is based upon academic standing and United States Chess Federation ratings. The Chess Club Scholarship is funded through monies earned from sponsoring chess competition on the college campus.

### THE BRUCE MANVILLE MORRISON FUND

The fund was established by the estate of the late Bruce Manville Morrison to provide financial support for Edinboro State College graduate students. Awards are made on a continuing basis to graduate students who can document financial need. The Morrison Fund also has provisions for the acquisition of rare books for the College Library.

### RUSSIAN LANGUAGE AND AREA STUDY SCHOLARSHIPS

Eight Russian Language and Area Study Scholarships were granted to promising high school seniors desiring to combine a major in Russian with a secondary specialization in either economics, business, accounting, or engineering. This program, funded in part by industrial firms, is intended to prepare the scholarship winners for careers in International Trade in general, and East-West Trade in particular.

### HANNAH KENT SCHOFF MEMORIAL PTA SCHOLARSHIPS

The Pennsylvania Congress of Parents and Teachers makes available each year a scholarship to an outstanding high school student who will attend Edinboro State College. This yearly scholarship is continuous for four years, upon review of the scholarship committee. The award is made on the basis of CEEB test results, grades, class rank, personal attributes, co-curricular activities, desire to teach and a personal interview.

### STUDENT EMERGENCY LOAN FUND

The Student Emergency Loan Fund has been established for undergraduate or graduate students who are in immediate need of a small loan. Contributions have been made to this fund in memory of:

- Dr. Harry W. Earley, Dean of Instruction, who was serving as acting President of the College at the time of his death, March 25, 1966.
- Corporal Gary Leslie Norman, a former student at Edinboro State College, killed in action in Vietnam, December 18, 1967.
- Dr. L. W. VanLaningham who served the College as Director of Student Teaching and Placement from 1949 until his death, December 2, 1967.

### THE CEREMONIAL MACE

The Ceremonial Mace, a symbol of presidential authority, is carried at the head of the academic procession by the College Marshal, Dr. Jack B. Hetrick. A gift of the Alumni Association, the Mace was designed and executed by Dr. Seymour Blinderman, formerly of the Art faculty, and Mr. Henry Katzwinkel. It was first used at the inauguration of President Chester T. McNerney. The Mace, twenty-seven inches high, is topped by a sterling silver sphere studded with cone-shaped rubies. The neck of the Mace is inlaid with rosewood, alternated with silver fleur-de-lis. Cultured pearls mounted on cups encircle the top of the shaft. Discs of silver interspersed with rosewood compose the shaft which ends with tip-casted silver. Sunken cultured pearls encircle a rounded cone with textured silver to end in a small globe.

### ACADEMIC VESTMENTS

The gown, the cap and the hood, representing the major components of the academic dress, are a ceremonial inheritance from the medieval universities of the eleventh and twelfth centuries, where dress was the outward sign of privilege and responsibility. The academic dress worn by those participating in today's academic processional symbolizes the level of their academic attainment and the institution they attended.

### GOWN

Although the gown is more frequently black, certain universities have authorized the use of colored gowns. The bachelor

and master gowns are fashioned from black serge. The yoke for the bachelor gown is designed to be worn closed and features long, flowing and pointed sleeves. The master gown is designed to be worn open or closed. Its sleeves are very long with square ends, and the front part has an arc cut away. The arms protrude through a slit at the elbow. The gown for the doctor degree is made of wool, serge or silk with an open front faced with wide velvet panels. The sleeves are loose and bell-shaped with three bars of velvet in black or the color of the discipline in which the doctorate was obtained.

### HOOD

The most outstanding feature of the academic dress is the hood. It is usually worn only for the master and doctor degrees. The doctor's hood is longer than the master's hood and has distinguished panels. The college or the university granting the degree is indicated by the color of coloring of the hood lining. The velvet trim of the hood indicates the field in which the degree was granted.

### CAP

The standard cap is the mortarboard, usually the color of the gown. The tassel is black for the baccalaureate and master degree and is worn over the left front quarter of the cap. The tassel for the doctor's mortarboard is of gold thread. Undergraduates wear the tassel on the right side of the cap until the moment the degree is conferred by the president.

Because of the demand to meet a deadline to print this program and the short period of time between the end of classes, review of all academic programs, delays caused by such factors as illness of some students and evaluation by the Office of Academic Affairs, the College does not claim the list of degree candidates is absolutely accurate. Students are granted degrees only if they meet all academic and financial requirements.

## ALMA MATER

Hail to Thee, our Alma Mater Glorious,  
Fresh Wreaths we bring to bind Thy brow  
Trials have past and Thou hast stood victorious  
Never fairer never statelier than now,  
O Edinboro, Edinboro  
Ever praising Thee in song  
While class speeds class as swift years pass  
To Thee our hearts belong.
