Because of the demand to meet a deadline to print this program and the short period of time between the end of classes, review of all academic programs, delays caused by such factors as illness of some students and evaluation by the Office of Academic Affairs, the College does not claim the preceding list of degree candidates is absolutely accurate. Students are granted degrees only if they meet all academic and financial requirements.

THE CEREMONIAL MACE

The Ceremonial Mace, a symbol of presidential authority, is carried at the head of the academic procession by the College Marshal, Mrs. Elsie Earley. The Mace, a gift of the Alumni Association, was designed and executed by Dr. Seymour Blinderman, formerly of the Art faculty, and Mr. Henry Katzwinkel. The Mace was first used at the inauguration of President Chester T. Mc Nerney.

The Mace, twenty-seven inches high, is topped by a sterling silver sphere studded by cone-shaped rubies. The neck of the Mace is inlaid with rosewood, alternated with silver fleur-de-lis. Cultured pearls mounted on cups encircle the top of the shaft. Discs of silver interspersed with rosewood compose the shaft which ends with tip-casted silver. Sunken cultured pearls encircle a rounded cone with textured silver to end in a small globe.

PROGRAM NOTES

MRS. ELSIE EARLLEY The College Marshal

Carrying the Ceremonial Mace and leading the ranks of the academic procession as College Marshal today is Mrs. Elsie Earley, Director of Early Childhood Programs at Edinboro State College. She has been involved in the Elementary Education Program at Edinboro where she has been a member of the faculty for the past eight years. In addition to directing the Early Childhood Programs, Mrs. Earley also teaches elementary education courses.

An active contributor in the area of early childhood education, Mrs. Earley is currently involved in publishing early childhood materials and is the author of six A.I.M.S. (An Instructional Manipulative Series) kits published by Continental Press. She is also an active consultant on individualized instruction for children.

Prior to coming to Edinboro in 1968, Mrs. Earley was a member of the Millcreek School System for eighteen years where she served as a teacher, reading supervisor, elementary supervisor and assistant to the Superintendent of Millcreek Schools. She served six years on the Millcreek Board of Education and is past president of that board.

Among the numerous professional organizations of which she is a member include the National Association for Education of the Young Child, the National Council for Teaching of Education, the National Reading Association, the National Education Association and the Pennsylvania State Education Association. She is also a member of Delta Kappa Gamma, an honorary education fraternity.

Mrs. Earley received her Principal's Certificate from Penn State University in 1962 after obtaining her Master's degree from Allegheny College in 1955 and earned a B.S. degree from Edinboro in 1953.

Mrs. Earley was the wife of Dr. Harry Earley, who served as Dean of Academic Affairs and was former Acting President of Edinboro State College.

A current resident of Erie, she has three children in the immediate vicinity who pursued careers in the teaching profession. A daughter, Laura Farnham, a former French teacher, lives in nearby Fairview, while another daughter, Cathryn Snyder, a former reading specialist, now resides in Lake City. Her son, Dr. Jack Culbertson, is head of the Psychology Department at Edinboro State College. She also has a stepdaughter, Nancy Scher, who teaches kindergarten in Penn Yan, New York.

Today marks the beginning of Mrs. Earley's retirement and she plans on spending full-time with her publisher, while also providing consultation work.

ALUMNI ASSOCIATION CONGRATULATIONS

Congratulations to the Class of 1976! Today you have obtained a two-fold status with Edinboro State College, both as a graduate and an alumnus; and we of the Alumni Association welcome you.

Your days at Edinboro are bound to influence your future and your future is bound to reflect on Edinboro. In effect, then, your association with the College is a continuing one. The Alumni Association is always here to serve you, just as it is also here to serve the College and its objectives through you.

As you grow through the years, the Association and the College pledge to support your degree with a continued program of quality education so that you may say with pride, "I am a graduate of Edinboro State College."

COMMENCEMENT SPEAKER AND RECIPIENT OF CERTIFICATE OF MERIT

DR. LEE SHERMAN DREYFUS Chancellor, University of Wisconsin—Stevens Point

Dr. Lee Sherman Dreyfus, Chancellor of the University of Wisconsin-Stevens Point, will serve as speaker for today's spring commencement exercises. His address, entitled "Communications Gap at High Noon," deals with communications in the third century and will highlight Edinboro State College's commencement ceremonies which also feature the conferral of almost 700 graduate and undergraduate degrees.

For his outstanding educational accomplishments in the area of communications, Dr. Dreyfus will also be honored today by receiving a distinguished Certificate of Merit which reads "In recognition of profound commitment applied with great dignity and professional excellence to the understanding and resolution of international educational problems which has directly affected programs of instruction for people of all ages in all worlds and these programs have been implemented by the wise youth of contemporary means which have been inspired by the recipient of this certificate."

Dr. Dreyfus was appointed President of Wisconsin State University-Stevens Point, on October 2, 1967, after serving as Director of Television and Professor of Speech at the University of Wisconsin-Madison. Since his appointment, he has continuously administered the Stevens Point institution while it changed through merger to the University of Wisconsin-Stevens Point, and his role became that of Chancellor.

Dr. Dreyfus is currently a member of the Board of Directors of the American Association of State Colleges and Universities and a constituent to the Board of Advisors of the United States Army Command Sergeant Majors Academy. He has served as Chairman of the Governor's Blue Ribbon Cable Television Commission and as a representative for the Educational Delegations to the People's Republic of China and of Poland. He is, likewise, a board member of numerous civic and charitable organizations.

While assisting the United States Agency for Educational Development, Dr. Dreyfus served as Chief of Mission for Higher Education in Viet Nam. He further assisted in that endeavor by acting as an educational aide to the Secretary of the Army and was formerly National Chairman of the United States Army ROTC Advisory Panel.

Still active in the classroom as a professor of communications, Dr. Dreyfus has acted as National Chairman of the Radio-TV-Film Division of the Speech Association of America and as a member of the Board of Directors of the National Association of Educational Broadcasters. He was previously Commissioner of the North Central Accrediting Association and Chairman of the Council of Wisconsin State University Presidents.

A recipient of Phi Eta Sigma, Phi Kappa Phi and Phi Beta Kappa, all honorary fraternities, Dr. Dreyfus has also been awarded to Legion of Honor by the National Council of DeMolay and the President's Medallion of the Association of the United States Army.

He received his bachelor's, master's and doctorate degrees from the University of Wisconsin-Madison. His biography is listed in "Who's Who in the Midwest," "Who's Who in America" and "Who's Who in the World."

Dr. Dreyfus and his wife, Joyce, are the parents of two children, Lee Sherman, Jr. and Mrs. James Fosdick.

PROGRAM NOTES

Academic Vestments

The gown, the cap and the hood, representing the major components of the academic dress, are a ceremonial inheritance from the medieval universities of the eleventh and twelfth centuries, where dress was the outward sign of privilege and responsibility. The academic dress worn by those participating in today's academic processional symbolizes the level of their academic attainment and the institution they attended.

Gown

Although the gown is more frequently black, certain universities have authorized the use of colored gowns. The bachelor and master gowns are fashioned from black serge. The yoke for the bachelor gown is designed to be worn closed and features long, flowing and pointed sleeves. The master gown is designed to be worn open or closed. Its sleeves are very long with square ends, and the front part has an arc cut away. The arms protrude through a slit at the elbow. The gown for the doctor degree is made of wool, serge, or silk with an open front faced with wide velvet panels. The sleeves are loose and bell-shaped with three bars of velvet in black or the color of the discipline in which the doctorate was obtained.

Hood

The most outstanding feature of the academic dress is the hood. It is usually worn only for the master's and the doctor's degrees. The doctor's hood is longer than the master's hood and has distinguished panels. The college or the university granting the degree is indicated by the color or coloring of the hood lining. The velvet trim of the hood indicates the field in which the degree was granted.

Cap

The standard cap is the mortarboard, usually the color of the gown. The tassel is black for the baccalaureate and master degree and is worn over the left front quarter of the cap. The tassel for the doctor's mortarboard is of gold thread. Undergraduates wear the tassel on the right side of the cap until the moment the degree is conferred by the president.

MEMORIAL FOUNDATIONS GIFTS

"They received, each for his own memory, praise that grows not old, and with it the grandest of all sepulchres, not that in which their mortal bones are laid, but a home in the minds of men, where their glory remains fresh to stir to speech or action as the occasion comes by. For the whole earth is the sepulchre of famous men; and their story is not graven only on stone over the native earth, but lives on far away, without visible symbol, woven into the stuff of other men's lives." — Thucydides

AMSCO Founders Memorial Fund Scholarships

The trustees of the American Sterilizer Company Founders Memorial Fund make three awards available for outstanding students who have graduated from Erie County high schools.

Jack Finegan, April 1969

Mr. and Mrs. Eugene Finegan provide a \$50 annual award to an outstanding male English student who shows a tendency to write prose or poetry that is intended to make mankind aware of the needs of his fellow-man and that places an emphasis on the desire to make the world a better place in which to live. This award was established in memory of their son, Jack Finegan, a former student at Edinboro State College.

Mildred Forness Memorial Loan for Library Science Students

Miss Forness held a position at the College from 1922 until her retirement in 1969. During that time she served in many capacities, including head of the Library and head of the Library Science department. Her relatives and friends have contributed to establish loans for library science students.

Lois Caldwell North, Class of 1886

Two \$100 annual scholarships have been endowed in memory of Mrs. Lois Caldwell North by her daughter, Eleanor North of State College, Pa. The awards are made each year to students who plan to enter the ministry upon completion of their education.

Helen Sabin Reed, October 1966

A \$10,000 endowment was given to Edinboro State College in memory of Mrs. Helen Sabin Reed, a member of the education faculty since 1961. Because Mrs. Reed was a specialist in the reading field, the yearly \$500 scholarship will be awarded to an elementary education major. Mrs. Theo Sabin Meyer of Erie; Mrs. Mildred Sabin Young, Los Angeles, California, sisters; and a brother, Robert W. Sabin, Long Beach, California, established the gift.

Vlahakis Award, January 1972

Each year a \$300 scholarship award is made available to a student of Edinboro State College who is majoring or planning to major in chemistry. The award has been established by Mrs. Thekla Vlahakis of Pittsburgh in memory of her late husband, George K. Vlahakis, and two sons, Walter and William.

SCHOLARSHIP AWARDS

Chess Club Scholarship

Each year the Chess Club offers a prize for active student members. The award is based upon academic standing and United States Chess Federation ratings. The Chess Club Scholarship is funded through monies earned from sponsoring chess competition on the college campus.

The Bruce Manville Morrison Fund

The fund was established by the estate of the late Bruce Manville Morrison to provide financial support for Edinboro State College graduate students. Awards are made on a continuing basis to graduate students who can document financial need. The Morrison Fund also has provisions for the acquisition of rare books for the College Library.

Russian Language and Area Study Scholarships

Eight Russian Language and Area Study Scholarships were granted this year to promising high school seniors desiring to combine a major in Russian with a secondary specialization in either Economics, Business, Accounting, or Engineering. This program, funded in part by industrial firms, is intended to prepare the scholarship winners for careers in International Trade in general, and East-West Trade in particular.

Hannah Kent Schoff Memorial PTA Scholarships

The Pennsylvania Congress of Parents and Teachers makes available each year a scholarship to an outstanding high school student who will attend Edinboro State College. This yearly scholarship is continuous for four years, upon review of the scholarship committee. The award is made on the basis of CEEB test results, grades, class rank, personal attributes, co-curricular activities, desire to teach and a personal interview.

STUDENT EMERGENCY LOAN FUND

The Student Emergency Loan Fund has been established for undergraduate or graduate students who are in immediate need of a small loan. Contributions have been made to this fund in memory of

Dr. Harry W. Earley, Dean of Instruction, who was serving as acting President of the College at the time of his death, March 25, 1966.

Corporal Gary Leslie Norman, a former student at Edinboro State College, killed in action in Vietnam, December 18, 1967.

Dr. L. W. VanLaningham who served the College as Director of Student Teaching and Placement from 1949 until his death, December 2, 1967.

FINANCIAL AID PROGRAM

Programs of financial assistance and the low cost of attending Edinboro State College have made higher education a reality for most students possessing the desire and ability to achieve such a goal.

Over \$5,400,000 in financial assistance has been received by students at Edinboro State College during the 1975-1976 academic year through the following programs:

Basic Educational Opportunity Grants — \$700,000

College Work-Study Program — \$250,000

Institutional Student Employment — \$700,000

Institutional Loans — \$11,000

Institutional Scholarships — \$7,500

ALMA MATER

Hail to Thee, our Alma Mater Glorious.

Fresh Wreaths we bring to bind Thy brow

Trials have past and Thou hast stood victorious

Never fairer never statelier than now,

O Edinboro, Edinboro

Ever praising Thee in song

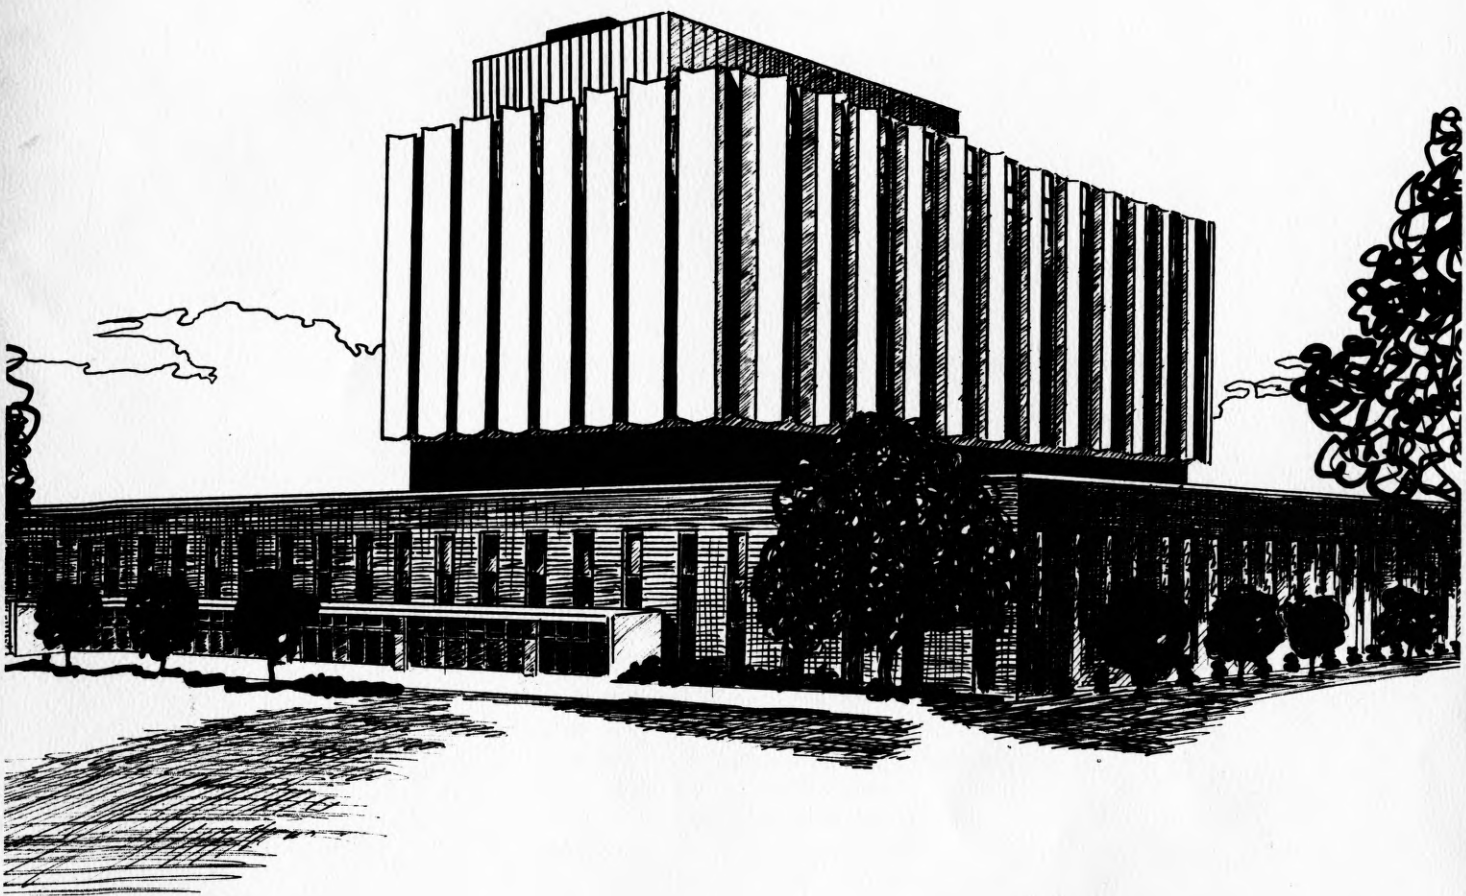

While class speeds class as swift years pass

To Thee our hearts belong.

Featured on the cover of today's commencement program is the recently completed 3.5 million dollar Baron-Forness Library. The name honors Miss Justina Baron, emeritus, and Miss Mildren Forness, deceased, two former Edinboro State College librarians who were extremely instrumental in the growth and development of library resources at the College.

Miss Baron will issue the charge to the graduates at today's commencement ceremonies.

Cover illustration of the Baron-Forness Library was designed by Lewis Nye.

Because of the demand to meet a deadline to print this program and the short period of time between the end of classes, review of all academic programs, delays caused by such factors as illness of some students and evaluation by the Office of Academic Affairs, the College does not claim the preceding list of degree candidates is absolutely accurate. Students are granted degrees only if they meet all academic and financial requirements.

HONORS GROUP

This group includes those degree candidates who have earned at least sixty-four credits as undergraduate students of Edinboro State College and who have attained the following cumulative averages: Summa Cum Laude, 3.80 to 4.00; Magna Cum Laude, 3.60 to 3.79 and Cum Laude, 3.40 to 3.59.

PROGRAM NOTES

THE CEREMONIAL MACE

The Ceremonial Mace, a symbol of presidential authority, is carried at the head of the academic procession by the College Marshal, Miss Geneva Jones. A gift of the Alumni Association, the Mace was designed and executed by Dr. Seymour Blinderman, formerly of the Art faculty, and Mr. Henry Katzwinkel. It was first used at the inauguration of President Chester T. McNerney.

The Mace, twenty-seven inches high, is topped by a sterling silver sphere studded by cone-shaped rubies. The neck of the Mace is inlaid with rosewood, alternated with silver fleur-de-lis. Cultured pearls mounted on cups encircle the top of the shaft. Discs of silver interspersed with rosewood compose the shaft which ends with tip-casted silver. Sunken cultured pearls encircle a rounded cone with textured silver to end in a small globe.

PROGRAM NOTES

MISS GENEVA JONES The College Marshal

Carrying the Ceremonial Mace and leading the ranks of the academic procession as College Marshal is Miss Geneva Jones, a member of the Elementary Education Department of Edinboro State College. She has been involved in the field of early childhood education at the College for the past 12 years.

Prior to coming to Edinboro, Miss Jones was a member of the school district of Erie for 15 years where she taught at Glenwood Elementary School. At that time, she was quite active in the Erie Teachers Association and was president of that organization for two years. While with the Erie city schools, Miss Jones represented primary teachers of the area on numerous state committees for the development of reading and writing programs.

Among the professional organizations of which she is a member are the National Association for Education of the Young Child, the National Council for Teaching of Education, the National Reading Association, the National Education Association, the American Association of University Women and the Pennsylvania State Education Association. She is also a member of Delta Kappa Gamma, an honorary education fraternity and has been selected to Who's Who in Childhood Education.

Miss Jones received her undergraduate degree from Edinboro State College in 1941 and her master's of arts degree in early childhood education from Columbia University. She has also done advanced work at Duke, Pennsylvania State and Syracuse universities.

In her years at Edinboro State College, Miss Jones served as a member of the Edinboro Faculty Association and the College Senate. She was also advisor to Alpha Sigma Alpha sorority.

A current resident of Edinboro, Miss Jones plans to maintain her work with children during her retirement. She is presently working to complete a collection of poetry for children and several children's books. Miss Jones has also been invited to assist several federally funded children education programs underway in Erie.

Among the other services in which she is looking forward to participating are development of a children's library in the area and volunteer work with children at local hospitals.

ALUMNI ASSOCIATION CONGRATULATIONS

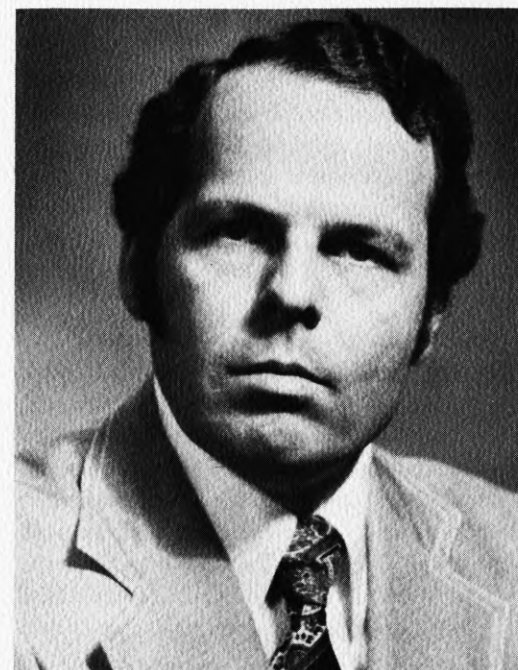

Congratulations to the Class of 1976! Today you have obtained a two-fold status with Edinboro State College, both as a graduate and an alumnus; and we of the Alumni Association welcome you.

Your days at Edinboro are bound to influence your future and your future is bound to reflect on Edinboro. In effect, then, your association with the College is a continuing one. The Alumni Association is always here to serve you, just as it is also here to serve the College and its objectives through you.

As you grow through the years, the Association and the College pledge to support your degree with a continued program of quality education so that you may say with pride, "I am a graduate of Edinboro State College."

COMMENCEMENT SPEAKER AND RECIPIENT OF CERTIFICATE OF MERIT

DR. THOMAS A. JAMBRO Supervisor of Art, Buffalo Public Schools

Dr. Thomas A. Jambro, Supervisor of Art for the Buffalo Public Schools, will serve as speaker for today's summer commencement exercises. His address is entitled "Man, The Self-Actualized Individual."

For his outstanding accomplishments in the field of art, Dr. Jambro will be honored today by receiving a distinguished certificate of merit which reads "In recognition of outstanding leadership and support which you have made to art by your profound interest in education, and to acknowledge the innovative leadership which you bring to learning and to Edinboro State College and its alumni through human service to youth and adults."

Dr. Jambro is a 1963 Edinboro State College graduate and received his master's degree in 1966 from the State University of New York at Buffalo. He was awarded a doctor's degree in adult education from Syracuse University in 1974 and has since been involved in post-doctoral work at the State University of New York at Buffalo.

The Edinboro State College graduate began his education career in 1963 when he accepted an art teaching position in the St. Marys Area School System of Pennsylvania where he remained until 1966. He then spent a year with the Niagara Falls Public Schools, followed by a year's work for the Lindenhurst Public Schools in New York. In 1969, Dr. Jambro became a member of the State Education Department where he served as a consultant for the Bureau of Continuing Education and Curriculum Development in Albany, New York. At that time, he was also an art instructor for the Syracuse City School System in Syracuse, New York.

The Niagara Falls, New York, native is currently president of the New York State Council of Administrators in Art Education and also serves in the same capacity for the Syracuse Club of Buffalo which is an alumni organization. He is a member of the Board of Directors for Edinboro State College's alumni association.

Dr. Jambro has authored 14 professional presentations which have appeared in numerous publications. Chief among these were "Developing School-Community Relations Through the Visual Arts," printed in *The Art Teacher*, a journal produced by the National Art Education Association and "Dynamic Leadership in Public School Art Administration," which was presented in the New York State Art Teachers Association Bulletin. His works have appeared in such professional displays as the Brockton Art Association National show in Brockton, Massachusetts, the Bestor Plaza Art Festival at Chautauqua Institution in New York, and the Annual National Exhibition in Washington, D.C.

His chief addresses have been presented at the National Art Education Association convention in Miami Beach, Florida, the National Art Education Association conference in Boston, Massachusetts and the 26th Annual New York State Art Teachers Association convention.

PROGRAM NOTES

Academic Vestments

The gown, the cap and the hood, representing the major components of the academic dress, are a ceremonial inheritance from the medieval universities of the eleventh and twelfth centuries, where dress was the outward sign of privilege and responsibility. The academic dress worn by those participating in today's academic processional symbolizes the level of their academic attainment and the institution they attended.

Gown

Although the gown is more frequently black, certain universities have authorized the use of colored gowns. The bachelor and master gowns are fashioned from black serge. The yoke for the bachelor gown is designed to be worn closed and features long, flowing and pointed sleeves. The master gown is designed to be worn open or closed. Its sleeves are very long with square ends, and the front part has an arc cut away. The arms protrude through a slit at the elbow. The gown for the doctor degree is made of wool, serge, or silk with an open front faced with wide velvet panels. The sleeves are loose and bell-shaped with three bars of velvet in black or the color of the discipline in which the doctorate was obtained.

Hood

The most outstanding feature of the academic dress is the hood. It is usually worn only for the master's and the doctor's degrees. The doctor's hood is longer than the master's hood and has distinguished panels. The college or the university granting the degree is indicated by the color or coloring of the hood lining. The velvet trim of the hood indicates the field in which the degree was granted.

Cap

The standard cap is the mortarboard, usually the color of the gown. The tassel is black for the baccalaureate and master degree and is worn over the left front quarter of the cap. The tassel for the doctor's mortarboard is of gold thread. Undergraduates wear the tassel on the right side of the cap until the moment the degree is conferred by the president.

MEMORIAL FOUNDATIONS GIFTS

"They received, each for his own memory, praise that grows not old, and with it the grandest of all sepulchres, not that in which their mortal bones are laid, but a home in the minds of men, where their glory remains fresh to stir to speech or action as the occasion comes by. For the whole earth is the sepulchre of famous men; and their story is not graven only on stone over the native earth, but lives on far away, without visible symbol, woven into the stuff of other men's lives."—Thucydides

AMSCO Founders Memorial Fund Scholarships

The trustees of the American Sterilizer Company Founders Memorial Fund make three awards available for outstanding students who have graduated from Erie County high schools.

Jack Finegan, April 1969

Mr. and Mrs. Eugene Finegan provide a \$50 annual award to an outstanding male English student who shows a tendency to write prose or poetry that is intended to make mankind aware of the needs of his fellow-man and that places an emphasis on the desire to make the world a better place in which to live. This award was established in memory of their son, Jack Finegan, a former student at Edinboro State College.

Mildred Forness Memorial Loan for Library Science Students

Miss Forness held a position at the College from 1922 until her retirement in 1969. During that time she served in many capacities, including head of the Library and head of the Library Science department. Her relatives and friends have contributed to establish loans for library science students.

Lois Caldwell North, Class of 1886

Two \$100 annual scholarships have been endowed in memory of Mrs. Lois Caldwell North by her daughter, Eleanor North of State College, Pa. The awards are made each year to students who plan to enter the ministry upon completion of their education.

Helen Sabin Reed, October 1966

A \$10,000 endowment was given to Edinboro State College in memory of Mrs. Helen Sabin Reed, a member of the education faculty since 1961. Because Mrs. Reed was a specialist in the reading field, the yearly \$500 scholarship will be awarded to an elementary education major. Mrs. Theo Sabin Meyer of Erie; Mrs. Mildred Sabin Young, Los Angeles, California, sisters; and a brother, Robert W. Sabin, Long Beach, California, established the gift.

Vlahakis Award, January 1972

Each year a \$300 scholarship award is made available to a student of Edinboro State College who is majoring or planning to major in chemistry. The award has been established by Mrs. Thekla Vlahakis of Pittsburgh in memory of her late husband, George K. Vlahakis, and two sons, Walter and William.

SCHOLARSHIP AWARDS

Chess Club Scholarship

Each year the Chess Club offers a prize for active student members. The award is based upon academic standing and United States Chess Federation ratings. The Chess Club Scholarship is funded through monies earned from sponsoring chess competition on the college campus.

The Bruce Manville Morrison Fund

The fund was established by the estate of the late Bruce Manville Morrison to provide financial support for Edinboro State College graduate students. Awards are made on a continuing basis to graduate students who can document financial need. The Morrison Fund also has provisions for the acquisition of rare books for the College Library.

Russian Language and Area Study Scholarships

Eight Russian Language and Area Study Scholarships were granted this year to promising high school seniors desiring to combine a major in Russian with a secondary specialization in either Economics, Business, Accounting, or Engineering. This program, funded in part by industrial firms, is intended to prepare the scholarship winners for careers in International Trade in general, and East-West Trade in particular.

Hannah Kent Schoff Memorial PTA Scholarships

The Pennsylvania Congress of Parents and Teachers makes available each year a scholarship to an outstanding high school student who will attend Edinboro State College. This yearly scholarship is continuous for four years, upon review of the scholarship committee. The award is made on the basis of CEEB test results, grades, class rank, personal attributes, co-curricular activities, desire to teach and a personal interview.

STUDENT EMERGENCY LOAN FUND

The Student Emergency Loan Fund has been established for undergraduate or graduate students who are in immediate need of a small loan. Contributions have been made to this fund in memory of

Dr. Harry W. Earley, Dean of Instruction, who was serving as acting President of the College at the time of his death, March 25, 1966.

Corporal Gary Leslie Norman, a former student at Edinboro State College, killed in action in Vietnam, December 18, 1967.

Dr. L. W. VanLaningham who served the College as Director of Student Teaching and Placement from 1949 until his death, December 2, 1967.

HISTORY

Edinboro State College lies in little Conneautee Valley in Northwestern Pennsylvania amid rolling wooded country 18 miles from Erie, 25 miles from Meadville and 125 miles from Pittsburgh. The rolling farm lands, the stately small town atmosphere and Edinboro Lake all enhance its beauty during the summer resort season and the picturesque winter months.

The town is easily accessible from the north and south by Route 19 and Interstate 79 and from the east and west by National Highway 6.

Edinboro State College is the oldest Pennsylvania teacher training school west of the Allegheny Mountains and the second oldest such school in the State. Edinboro Academy was chartered in 1856 and became a State Normal School by the Act of 1857.

Under the original charter the school was privately administered until 1861, when the Commonwealth of Pennsylvania chartered it as a State Normal School. The school was purchased by the Commonwealth in 1914.

In 1926 the State recognized Edinboro as a four-year college and granted it the right to offer undergraduate degrees in elementary, secondary and art education.

In 1957 the College was authorized to begin its graduate program of teacher education which leads to the Master of Education degree in elementary and secondary education with specialization in the areas of English, science and social studies. In 1964 the program was extended to include a Master of Education degree in Guidance and Counseling.

Edinboro State Teachers College became Edinboro State College in 1960.

A liberal arts program leading to a Bachelor of Arts degree with concentration in the natural sciences, social sciences and the humanities was approved in 1962.

A considerable number of undergraduate and graduate programs culminating in the bachelor's and master's degrees have been added to the curriculum.

ALMA MATER

Hail to Thee, our Alma Mater Glorious,
Fresh Wreaths we bring to bind Thy brow
Trials have past and Thou hast stood victorious
Never fairer never statelier than now,
O Edinboro, Edinboro
Ever praising Thee in song
While class speeds class as swift years pass
To Thee our hearts belong.
