The College Marshal

Leading the academic procession is the College Marshal. This honor is bestowed each Commencement upon an outstanding faculty member. Dr. Ernest LaFollette, senior member of the Secondary Education Department and Director of Audio-Visual Education, is today honored for his years of dedicated service to the students of Edinboro State College.

Prior to joining the faculty of Edinboro State College in 1946, Dr. LaFollette had been a social studies teacher and director of Audio-Visual Education in the Grosse Pointe School, Michigan. For more than a dozen years after coming to Edinboro, he taught the undergraduate guidance course. However, his interest in Audio-Visual Education led to his appointment in 1959 as Director of Audio-Visual Education. In addition to his Administrative and teaching duties, he served for many years as chairman of the Homecoming Committee and adviser to the Camera Club. Photography and travel are of special interest to Dr. LaFollette and he is well known for the sound motion pictures made of his travels. He recently developed 200 glass plate negatives from the collection of L. U. Kupper who was the college photographer from 1895 to 1940. These photographs provide a valuable record of the early history of Edinboro State College.

PROGRAM NOTES

The Junior Marshals

In the processional and recessional the degree candidates are escorted by the two Junior Marshals. The position of Junior Marshal is an honor awarded each Commencement to the man and woman of the Junior Class having earned the highest cumulative scholastic average.

Junior Marshals for the Midyear Commencement are Miss Linda Seitz, daughter of Mr. and Mrs. John H. Seitz, Jr., Pittsburgh and Mr. Daryl Mecklem, son of Mr. and Mrs. Eugene Mecklem, Fredonia, Pennsylvania. Miss Seitz graduated from Keystone Oaks High School and is an elementary education major. Mr. Mecklem was graduated from Lakeview High School and is a secondary education major specializing in Social Studies.

The Ceremonial Mace

The Ceremonial Mace, a symbol of presidential authority, is carried at the head of the academic procession by the Grand Marshal, Dr. Ernest LaFollette. The Mace, a gift of the Alumni Association, was designed and executed by Dr. Seymour Blinderman and Mr. Henry Katzwinkel of the Art faculty and was first used at the Inauguration of President Chester T. McNerney.

The Mace, twenty-seven inches high, is topped by a sterling silver sphere studded by cone-shaped rubies. The neck of the Mace is inlaid with rosewood, alternated with silver fleur-de-lis. Cultured pearls mounted on cups encircle the top of the staff. Discs of silver interspersed with rosewood compose the shaft which ends with tip-casted silver. Sunken cultured pearls encircle a rounded cone with textured silver to end in a small globe.

PROGRAM NOTES

Academic Vestments

The gown, the cap and the hood, representing the major components of the academic dress, are a ceremonial inheritance from the medieval universities of the eleventh and twelfth centuries, where dress was the outward sign of privilege and responsibility. The academic dress worn by those participating in today's academic processional symbolizes the level of their academic attainment and the institution they attended.

Gown

Although the gown is more frequently black, certain universities have authorized the use of colored gowns. The Bachelor and Master gowns are fashioned from black serge. The yoke for the Bachelor gown is designed to be worn closed and features long, flowing and pointed sleeves. The Master gown is designed to be worn open or closed. Its sleeves are very long with square ends, and the front part has an arc cut away. The arms protrude through a slit at the elbow. The gown for the Doctor degree is made of wool, serge, or silk with an open front faced with wide velvet panels. The sleeves are loose and bell-shaped with three bars of velvet in black or the color of the discipline in which the doctorate was obtained.

Hood

The most outstanding feature of the academic dress is the hood. It is usually worn only for the Master's and the Doctor's degrees. The Doctor's hood is longer than the Master's hood and has distinguishing panels. The College or the University granting the degree is indicated by the color or coloring of the hood lining. The velvet trim of the hood indicates the field in which the degree was granted.

Cap

The standard cap is the mortarboard, usually the color of the gown. The tassel is black for the Baccalaureate and Master degree and is worn over the left front quarter of the cap. The tassel for the Doctor's mortarboard is of gold thread. Undergraduates wear the tassel on the right side of the cap until the moment the degree is conferred by the President.

MEMORIAL FOUNDATION GIFTS

"They received, each for his own memory, praise that grows not old, and with it the grandest of all sepulchres, not that in which their mortal bones are laid, but a home in the minds of men, where their glory remains fresh to stir to speech or action as the occasion comes by. For the whole earth is the sepulchre of famous men; and their story is not graven only on stone over the native earth, but lives on far away, without visible symbol, woven into the stuff of other men's lives."—Thucydides

Dr. Harry W. Earley, March 25, 1966

Friends, alumni, family and students established a monetary gift in memory of Dr. Earley, Dean of Instruction, who was serving as Acting President of the College.

Dr. Thomas R. Miller, February 7, 1966

Dr. Miller became the twelfth president of the College in 1954. Envisioning and developing a Master Plan which is today under construction, the campus is comprised of 565 acres, a total final investment of \$45,000,000 with a planned completion date of 1972. Friends, alumni, faculty and students have established a memorial gift in memory of this man for his many acts of kindnesses and understanding.

Corporal Gary Leslie Norman, December 18, 1967

Gary Norman, a former student at Edinboro State College, was killed in action in Vietnam. In his memory his parents, Mr. and Mrs. Ralph Norman, Erie, have set up a scholarship fund to which friends and business organizations have contributed.

Helen Sabin Reed, October 18, 1966

A \$10,000 endowment was given to Edinboro State College in memory of Mrs. Helen Sabin Reed, a member of the Education faculty since 1961. Because Mrs. Reed was a specialist in the reading field, the yearly \$500 scholarship will be awarded to an Elementary Education major. Mrs. Theo Sabin Meyer of Erie; Mrs. Mildred Sabin Young, Los Angeles, California, sisters; and a brother Robert W. Sabin, Long Beach, California, established the gift.

Dr. L. W. VanLaningham, December 2, 1967

A memorial Student Teacher Loan Fund was established by associates, relatives and friends of Dr. VanLaningham who served the College as Director of Student Teaching and Placement from 1949 until his death.

SCHOLARSHIP AWARDS

Hanna Kent Schoff Memorial Scholarships

The Pennsylvania Congress of Parents and Teachers makes available each year two scholarships to outstanding high school students who will attend Edinboro State College. These yearly scholarships are continuous for four years, upon review of the scholarship committee. Awards are made on the basis of CEEB test results, grades, class rank, personal attributes, co-curricular activities, desire to teach and a personal interview.

Pennsylvania Women's Club Art Scholarships

Each year three art students who achieved sophomore or higher standing are recipients of awards. The Pennsylvania Federation of Women's Clubs provide the grants with the selections being made by the Art Scholarship Award Committee.

Student Affairs Award

Seven awards are granted to students on the basis of leadership from which the student body of Edinboro State College has benefited. The president, vice president and secretary of the Student-Faculty Council each receives an award as a result of election to and serving in these offices. Four additional awards are granted as a result of competition involving junior and senior students on the basis of their student leadership roles.

Traineeship in Mental Retardation

This year four seniors and two juniors of Edinboro State College were awarded a traineeship grant from the Federal Government. This award is given for outstanding scholarship, campus citizenship and professional promise in the field of teaching the Mentally Retarded.

Weldon Levinson Scholarship

A \$100 gift was presented to the Scholarship Foundation Fund through the generosity of Mr. Weldon Levinson of Meadville. The money is to be awarded to a worthy student from the Meadville area to help further his education.

FINANCIAL AID PROGRAM

Programs of financial assistance and the low cost of attending Edinboro State College have made higher education a reality for most students possessing the desire and ability to achieve such a goal.

In addition to the Scholarship awards listed above, approximately \$2,300,000 in financial assistance will be received by students at Edinboro State College during the 1968-69 academic year through the following programs:

College Student Employment

College Work-Study Program

Educational Opportunity Grants

National Defense Student Loans

The College Marshal

The College Marshal leads the academic procession. This honor is bestowed each commencement upon an outstanding faculty member. Miss Mildred Forness, Chairman of the Library Science Department, is today honored for her 45 years of dedicated service and friendship to the students and faculty of Edinboro State College.

In July, 1922, after being graduated from the State University of New York at Geneseo, Miss Forness joined the faculty and served for three years as assistant librarian. She then attended St. Bonaventure University for two years of further study. Following her return to the college, Miss Forness was appointed Head Librarian. She was granted her master's degree at Northwestern University in 1937. She organized the Library Science Department in 1960 after serving as chairman of both departments until 1966 after

PROGRAM NOTES

which she directed the Library Science Department full time. In addition to her administrative and teaching duties Miss Forness chaired the Faculty Committee in planning Hamilton Library and guided the founding of the Student Library Association which was installed into Alpha Beta Alpha, the national undergraduate library science fraternity, this past April. She served as adviser to Alpha Delta Sorority, now Delta Zeta, for 37 years. Professional interests and activities were supplemented with personal interest in countless individual students to whom she offered advice and friendship. As an emeritus faculty member Miss Forness will maintain her interest and contact with those who remember her as a faculty member dedicating her professional life to the students and faculty of the college.

The Junior Marshals

In the processional and recessional the degree candidates are escorted by the two Junior Marshals. The position of Junior Marshal is an honor awarded each Commencement to a man and woman of the junior class having earned an outstanding cumulative scholastic average.

Junior Marshals for the Spring Commencement are Miss Dorothy Bowser, daughter of Mr. and Mrs. Neil Bowser, Wheatland, Pennsylvania, and Mr. Thomas Kalista, son of Mrs. Victoria Kalista, Erie. Miss Bowser was graduated from Farrell Senior High School and is an elementary education major. Mr. Kalista was graduated from Cathedral Preparatory School and is a secondary education major specializing in social studies.

The Ceremonial Mace

The Ceremonial Mace, a symbol of presidential authority, is carried at the head of the academic procession by the Grand Marshal, Miss Mildred Forness. The Mace, a gift of the Alumni Association, was designed and executed by Dr. Seymour Blinderman and Mr. Henry Katzwinkel of the Art faculty and was first used at the Inauguration of President Chester T. McNerney.

The Mace, twenty-seven inches high, is topped by a sterling silver sphere studded by cone-shaped rubies. The neck of the Mace is inlaid with rosewood, alternated with silver fleur-de-lis. Cultured pearls mounted on cups encircle the top of the staff. Discs of silver interspersed with rosewood compose the shaft which ends with tip-casted silver. Sunken cultured pearls encircle a rounded cone with textured silver to end in a small globe.

THE GRADUATION CLASS

In 1962 Edinboro State College was authorized to offer an undergraduate arts and sciences curriculum. This event marked the first step in the plan change of Edinboro State College from a teacher education college to a multipurpose institution of higher education.

The college draws closer to this goal as it graduates today its first candidate for the Bachelor of Science Degree and its first candidates for the Master of Arts Degree.

Another chapter is added to the history of the college today as the college graduates its largest class. At today's ceremony five hundred eighty-one bachelor degrees and forty-two master's degrees will be awarded.

THE COMMENCEMENT SPEAKER

The Honorable William G. Davis, Minister of Education, Toronto, Canada.

Dr. Davis received the BA degree at the University of Toronto and the Bachelor of Laws at Osgoode Hall. He was called to the Bar in 1955 and then joined his father's Brampton Law firm as a partner.

He served on the Peel Memorial Hospital Board, Brampton Public School Board, the Brampton Chamber of Commerce and the local Kiwanis Club. As a member of the Ontario Young Progressive Conservative Association, he became interested in politics.

In 1959 at age 29 Dr. Davis contested and won Peel riding (electoral district) and was reelected in 1963 and 1967.

In addition to serving on nearly every standing committee of the Legislature, Dr. Davis has been a member of the select committee on the problems of government. In 1962 he was appointed Minister of Education and in 1964 was placed in charge of the new Department of University Affairs.

Dr. Davis has long been interested in the special concerns of the child as a student. He has effected a modernization of curriculum at all levels, reduced the number of school boards from over 5,000 to 150 and made Ontario the leading participant in the expansion of technical and vocational training facilities.

Under Dr. Davis's direction a network of 20 colleges of applied arts and technology, a new form of post-secondary institution, has been established across the province.

A provincial education television system inaugurated by Dr. Davis has already produced some 800 programs ranging from kindergarten to the Grade 13 level.

In 1967 Dr. Davis was elected chairman of the newly formed Council of Ministers of Education, a body which constitutionally is the closest approach in Canada to a national office of education.

Dr. Davis has been honored by five universities for his work in education: Waterloo Lutheran University, University of Western Ontario, University of Toronto, McMaster University and Queen's University.

PROGRAM NOTES

Academic Vestments

The gown, the cap and the hood, representing the major components of the academic dress, are a ceremonial inheritance from the medieval universities of the eleventh and twelfth centuries, where dress was the outward sign of privilege and responsibility. The academic dress worn by those participating in today's academic processional symbolizes the level of their academic attainment and the institution they attended.

Gown

Although the gown is more frequently black, certain universities have authorized the use of colored gowns. The Bachelor and Master gowns are fashioned from black serge. The yoke for the Bachelor gown is designed to be worn closed and features long, flowing and pointed sleeves. The Master gown is designed to be worn open or closed. Its sleeves are very long with square ends, and the front part has an arc cut away. The arms protrude through a slit at the elbow. The gown for the Doctor degree is made of wool, serge, or silk with an open front faced with wide velvet panels. The sleeves are loose and bell-shaped with three bars of velvet in black or the color of the discipline in which the doctorate was obtained.

Hood

The most outstanding feature of the academic dress is the hood. It is usually worn only for the Master's and the Doctor's degrees. The Doctor's hood is longer than the Master's hood and has distinguishing panels. The College or the University granting the degree is indicated by the color or coloring of the hood lining. The velvet trim of the hood indicates the field in which the degree was granted.

Cap

The standard cap is the mortarboard, usually the color of the gown. The tassel is black for the Baccalaureate and Master degree and is worn over the left front quarter of the cap. The tassel for the Doctor's mortarboard is of gold thread. Undergraduates wear the tassel on the right side of the cap until the moment the degree is conferred by the President.

MEMORIAL FOUNDATION GIFTS

"They received, each for his own memory, praise that grows not old, and with it the grandest of all sepulchres, not that in which their mortal bones are laid, but a home in the minds of men, where their glory remains fresh to stir to speech or action as the occasion comes by. For the whole earth is the sepulchre of famous men; and their story is not graven only on stone over the native earth, but lives on far away, without visible symbol, woven into the stuff of other men's lives."—Thucydides

Dr. Harry W. Earlley, March 25, 1966

Friends, alumni, family and students established a monetary gift in memory of Dr. Earlley, Dean of Instruction, who was serving as Acting President of the College.

Jack Finegan, April 9, 1969

Mr. and Mrs. Eugene Finegan provide a \$50 annual award to an outstanding male English student who shows a tendency to write prose or poetry that is intended to make mankind aware of the needs of his fellow-man and that places an emphasis on the desire to make the world a better place in which to live. This award was established in memory of their son Jack Finegan, a former student at Edinboro State College.

Dr. Thomas R. Miller, February 7, 1966

Dr. Miller became the twelfth president of the College in 1954. Envisioning and developing a Master Plan which is today under construction, the campus is comprised of 565 acres, a total final investment of \$45,000,000 with a planned completion date of 1972. Friends, alumni, faculty and students have established a memorial gift in memory of this man for his many acts of kindnesses and understanding.

Corporal Gary Leslie Norman, December 18, 1967

Gary Norman, a former student at Edinboro State College, was killed in action in Vietnam. In his memory his parents, Mr. and Mrs. Ralph Norman, Erie, have set up a scholarship fund to which friends and business organizations have contributed.

Helen Sabin Reed, October 18, 1966

A \$10,000 endowment was given to Edinboro State College in memory of Mrs. Helen Sabin Reed, a member of the Education faculty since 1961. Because Mrs. Reed was a specialist in the reading field, the yearly \$500 scholarship will be awarded to an Elementary Education major. Mrs. Theo Sabin Meyer of Erie; Mrs. Mildred Sabin Young, Los Angeles, California, sisters; and a brother Robert W. Sabin, Long Beach, California, established the gift.

MEMORIAL FOUNDATION GIFTS

Dr. L. W. VanLaningham, December 2, 1967

A memorial Student Teacher Loan Fund was established by associates, relatives and friends of Dr. VanLaningham who served the College as Director of Student Teaching and Placement from 1949 until his death.

SCHOLARSHIP AWARDS

Delta Kappa Gamma Scholarship

The Alpha Iota Chapter of the Delta Kappa Gamma professional sorority awards annually a \$200 scholarship to an outstanding female education major. Academic achievement, service to the college and financial need are the criteria for selection of the recipient.

Hanna Kent Schoff Memorial Scholarships

The Pennsylvania Congress of Parents and Teachers makes available each year two scholarships to outstanding high school students who will attend Edinboro State College. These yearly scholarships are continuous for four years, upon review of the scholarship committee. Awards are made on the basis of CEEB test results, grades, class rank, personal attributes, co-curricular activities, desire to teach and a personal interview.

Pennsylvania Women's Club Art Scholarships

Each year three art students who achieved sophomore or higher standing are recipients of awards. The Pennsylvania Federation of Women's Clubs provide the grants with the selections being made by the Art Scholarship Award Committee.

Student Affairs Award

Seven awards are granted to students on the basis of leadership from which the student body of Edinboro State College has benefited. The president, vice president and secretary of the Student-Faculty Council each receives an award as a result of election to and serving in these offices. Four additional awards are granted as a result of competition involving junior and senior students on the basis of their student leadership roles.

Traineeship in Mental Retardation

This year four seniors and two juniors of Edinboro State College were awarded a traineeship grant from the Federal Government. This award is given for outstanding scholarship, campus citizenship and professional promise in the field of teaching the Mentally Retarded.

SCHOLARSHIP AWARDS

Weldon Levinson Scholarship

A \$100 gift was presented to the Scholarship Foundation Fund through the generosity of Mr. Weldon Levinson of Meadville. The money is to be awarded on the basis of academic achievement and financial need to a worthy student from the Meadville area to help further this education.

FINANCIAL AID PROGRAM

Programs of financial assistance and the low cost of attending Edinboro State College have made higher education a reality for most students possessing the desire and ability to achieve such a goal.

In addition to the Scholarship awards listed above, approximately \$2,300,000 in financial assistance will be received by students at Edinboro State College during the 1968-69 academic year through the following programs:

Educational Opportunity Grants

National Defense Student Loans

*Pennsylvania Higher Education
Assistance Agency Scholarships*

ALMA MATER

Hail to thee, our Alma Mater glorious,
Fresh wreaths we bring to bind thy brow;
Trials past thou hast withstood victorious
Never fairer, never statelier than now.
O Edinboro, Edinboro, We revere thee,
Love thee, serve thee ever,
While class speeds class,
As swift years pass
To thee our hearts are true.

THE COMMENCEMENT SPEAKER

Mr. Irving Olds Murphy, today's commencement speaker, is currently President of the Board of Trustees.

Born and raised in Erie, Pa., Mr. Murphy is well known throughout Northwestern Pennsylvania. He received the B.A. degree from Yale University, where he was a member of Phi Beta Kappa, highest honorary scholastic society. He also gained the L.L.B. degree from Yale Law School and is a member of the Order of Coif.

He was admitted to the Supreme Court of Pennsylvania in 1953 and to the Federal District Court, Court of Appeals for the Third Circuit, U.S. Supreme Court.

Mr. Murphy is a partner in the law firm of MacDonald, Illig, Jones and Britton and specializes in the defense of negligence trial matters. He is a member of the Voluntary Arbitration Panel of the American Arbitration Association and is actively engaged in the practice of labor law before the National Labor Relations Board and represents management in negotiations, arbitration, etc.

PROGRAM NOTES

The College Marshal

The College Marshal leads the academic procession. This honor is bestowed each commencement upon an outstanding faculty member. Dr. John Gatzky, professor of Biological Science, is honored today for 23 years dedicated service to the students of Edinboro State College.

Although Dr. Gatzky's academic background is in biological science, he came to the Edinboro College campus in 1946 because of his interests in audio-visual education of which he was appointed Director. In 1959 he assumed the chairmanship of the Science Department. One of his major responsibilities during his four years in this capacity was helping to plan Cooper Hall, the science building. He then relinquished his administrative responsibilities to devote full time to teaching and research.

Dr. Gatzky has been active in other facets of the college community. He has participated in a National Foundation Institute; is a charter member of Beta Beta Beta, national biology honor society; an adviser to Alpha Phi Omega, national service fraternity, and freshman class adviser for many years.

Dr. Gatzky who retired to private life following the 1969 regular summer session will maintain his interests in the college as an emeritus faculty member.

The Ceremonial Mace

The Ceremonial Mace, a symbol of presidential authority, is carried at the head of the academic procession by the Grand Marshal, Dr. John Gatzky. The Mace, a gift of the Alumni Association, was designed and executed by Dr. Seymour Blinderman and Mr. Henry Katzwinkel of the Art faculty and was first used at the Inauguration of President Chester T. McNerney.

The Mace, twenty-seven inches high, is topped by a sterling silver sphere studded by cone-shaped rubies. The neck of the Mace is inlaid with rosewood, alternated with silver fleur-de-lis. Cultured pearls mounted on cups encircle the top of the staff. Discs of silver interspersed with rosewood compose the shaft which ends with tip-casted silver. Sunken cultured pearls encircle a rounded cone with textured silver to end in a small globe.

PROGRAM NOTES

Academic Vestments

The gown, the cap and the hood, representing the major components of the academic dress, are a ceremonial inheritance from the medieval universities of the eleventh and twelfth centuries, where dress was the outward sign of privilege and responsibility. The academic dress worn by those participating in today's academic processional symbolizes the level of their academic attainment and the institution they attended.

Gown

Although the gown is more frequently black, certain universities have authorized the use of colored gowns. The Bachelor and Master gowns are fashioned from black serge. The yoke for the Bachelor gown is designed to be worn closed and features long, flowing and pointed sleeves. The Master gown is designed to be worn open or closed. Its sleeves are very long with square ends, and the front part has an arc cut away. The arms protrude through a slit at the elbow. The gown for the Doctor degree is made of wool, serge, or silk with an open front faced with wide velvet panels. The sleeves are loose and bell-shaped with three bars of velvet in black or the color of the discipline in which the doctorate was obtained.

Hood

The most outstanding feature of the academic dress is the hood. It is usually worn only for the Master's and the Doctor's degrees. The Doctor's hood is longer than the Master's hood and has distinguishing panels. The College or the University granting the degree is indicated by the color or coloring of the hood lining. The velvet trim of the hood indicates the field in which the degree was granted.

Cap

The standard cap is the mortarboard, usually the color of the gown. The tassel is black for the Baccalaureate and Master degree and is worn over the left front quarter of the cap. The tassel for the Doctor's mortarboard is of gold thread. Undergraduates wear the tassel on the right side of the cap until the moment the degree is conferred by the President.

MEMORIAL FOUNDATION GIFTS

"They received, each for his own memory, praise that grows not old, and with it the grandest of all sepulchres, not that in which their mortal bones are laid, but a home in the minds of men, where their glory remains fresh to stir to speech or action as the occasion comes by. For the whole earth is the sepulchre of famous men; and their story is not graven only on stone over the native earth, but lives on far away, without visible symbol, woven into the stuff of other men's lives."—Thucydides

Dr. Harry W. Earley, March 25, 1966

Friends, alumni, family and students established a monetary gift in memory of Dr. Earley, Dean of Instruction, who was serving as Acting President of the College.

Jack Finegan, April 9, 1969

Mr. and Mrs. Eugene Finegan provide a \$50 annual award to an outstanding male English student who shows a tendency to write prose or poetry that is intended to make mankind aware of the needs of his fellow-man and that places an emphasis on the desire to make the world a better place in which to live. This award was established in memory of their son Jack Finegan, a former student at Edinboro State College.

Dr. Thomas R. Miller, February 7, 1966

Dr. Miller became the twelfth president of the College in 1954. Envisioning and developing a Master Plan which is today under construction, the campus is comprised of 565 acres, a total final investment of \$45,000,000 with a planned completion date of 1972. Friends, alumni, faculty and students have established a memorial gift in memory of this man for his many acts of kindnesses and understanding.

Corporal Gary Leslie Norman, December 18, 1967

Gary Norman, a former student at Edinboro State College, was killed in action in Vietnam. In his memory his parents, Mr. and Mrs. Ralph Norman, Erie, have set up a scholarship fund to which friends and business organizations have contributed.

Helen Sabin Reed, October 18, 1966

A \$10,000 endowment was given to Edinboro State College in memory of Mrs. Helen Sabin Reed, a member of the Education faculty since 1961. Because Mrs. Reed was a specialist in the reading field, the yearly \$500 scholarship will be awarded to an Elementary Education major. Mrs. Theo Sabin Meyer of Erie; Mrs. Mildred Sabin Young, Los Angeles, California, sisters; and a brother Robert W. Sabin, Long Beach, California, established the gift.

MEMORIAL FOUNDATION GIFTS

Dr. L. W. VanLaningham, December 2, 1967

A memorial Student Teacher Loan Fund was established by associates, relatives and friends of Dr. VanLaningham who served the College as Director of Student Teaching and Placement from 1949 until his death.

SCHOLARSHIP AWARDS

Delta Kappa Gamma Scholarship

The Alpha Iota Chapter of the Delta Kappa Gamma professional sorority awards annually a \$200 scholarship to an outstanding female education major. Academic achievement, service to the college and financial need are the criteria for selection of the recipient.

Hanna Kent Schoff Memorial Scholarships

The Pennsylvania Congress of Parents and Teachers makes available each year two scholarships to outstanding high school students who will attend Edinboro State College. These yearly scholarships are continuous for four years, upon review of the scholarship committee. Awards are made on the basis of CEEB test results, grades, class rank, personal attributes, co-curricular activities, desire to teach and a personal interview.

Pennsylvania Women's Club Art Scholarships

Each year three art students who achieved sophomore or higher standing are recipients of awards. The Pennsylvania Federation of Women's Clubs provide the grants with the selections being made by the Art Scholarship Award Committee.

Student Affairs Award

Seven awards are granted to students on the basis of leadership from which the student body of Edinboro State College has benefited. The president, vice president and secretary of the Student-Faculty Council each receives an award as a result of election to and serving in these offices. Four additional awards are granted as a result of competition involving junior and senior students on the basis of their student leadership roles.

Traineeship in Mental Retardation

This year four seniors and two juniors of Edinboro State College were awarded a traineeship grant from the Federal Government. This award is given for outstanding scholarship, campus citizenship and professional promise in the field of teaching the Mentally Retarded.

SCHOLARSHIP AWARDS

Weldon Levinson Scholarship

A \$100 gift was presented to the Scholarship Foundation Fund through the generosity of Mr. Weldon Levinson of Meadville. The money is to be awarded on the basis of academic achievement and financial need to a worthy student from the Meadville area to help further this education.

FINANCIAL AID PROGRAM

Programs of financial assistance and the low cost of attending Edinboro State College have made higher education a reality for most students possessing the desire and ability to achieve such a goal.

In addition to the Scholarship awards listed above, approximately \$2,300,000 in financial assistance will be received by students at Edinboro State College during the 1968-69 academic year through the following programs:

Educational Opportunity Grants

National Defense Student Loans

*Pennsylvania Higher Education
Assistance Agency Scholarships*
