PROGRAM NOTES

The College Marshal

Leading the academic procession is the College Marshal. This honor is bestowed each Commencement upon an outstanding faculty member. Dr. Ernest LaFollette, senior member of the Secondary Education Department and Director of Audio-Visual Education, is today honored for his years of dedicated service to the students of Edinboro State College.

Prior to joining the faculty of Edinboro State College in 1946, Dr. LaFollette had been a social studies teacher and director of Audio-Visual Education in the Grosse Pointe School, Michigan. For more than a dozen years after coming to Edinboro, he taught the undergraduate guidance course. However, his interest in Audio-Visual Education led to his appointment in 1959 as Director of Audio-Visual Education. In addition to his Administrative and teaching duties, he served for many years as chairman of the Homecoming Committee and adviser to the Camera Club. Photography and travel are of special interest to Dr. LaFollette and he is well known for the sound motion pictures made of his travels. He developed 200 glass plate negatives from the collection of L. U. Kupper who was the college photographer from 1895 to 1940. These photographs provide a valuable record of the early history of Edinboro State College.

The Ceremonial Mace

The Ceremonial Mace, a symbol of presidential authority, is carried at the head of the academic procession by the College Marshal, Dr. Ernest LaFollette. The Mace, a gift of the Alumni Association, was designed and executed by Dr. Seymour Blinderman and Mr. Henry Katzwinkel of the Art faculty and was first used at the Inauguration of President Chester T. McNerney.

The Mace, twenty-seven inches high, is topped by a sterling silver sphere studded by cone-shaped rubies. The neck of the Mace is inlaid with rosewood, alternated with silver fleur-de-lis. Cultured pearls mounted on cups encircle the top of the staff. Discs of silver interspersed with rosewood compose the shaft which ends with tip-casted silver. Sunken cultured pearls encircle a rounded cone with textured silver to end in a small globe.

THE COMMENCEMENT SPEAKER

Dr. Chester T. McNerney

Dr. Chester T. McNerney, thirteenth president of Edinboro State College, assumed his duties September 16, 1966. Through his dynamic leadership the College has undergone many changes administratively, academically and physically.

The College is now structured under three major divisions: administrative, academic and student personnel services. The Board of Trustees, Director of Development, the Business Office and similar allied functions are attached to the President's office.

Under academic affairs there are five new schools, each headed by a dean. These include Graduate Studies, Arts and Humanities, Behavioral and Social Sciences, Science and Mathematics and Education.

The enrollment has grown to 7,000 students plus a complement of 471 full-time and 9 part-time faculty members. A Master of Arts degree was instituted in 1968 and a Master of Science degree in 1970.

Deeply concerned in international educational opportunities, Dr. McNerney has fostered programs in a Five-Week Summer Study Abroad Program at the Anglo-American College, England. Dr. McNerney also heads a task force on international programs whose objective is the ascertaining of the type of curriculum content of international nature being taught in the colleges and universities affiliated with the American Association of Colleges and Universities.

Special programs in which he has evinced much interest include a National Science Foundation Institute in Earth Sciences, a Social Studies Institute on Black Americans' Contributions and a summer session at the Marine Consortium, Lewes, Delaware.

The President has continued to give strong support to the Master Plan for physical development and recently dedicated the McComb Fieldhouse. Currently under construction are the Thomas R. Miller Research-Learning Center, the new College Union and the Education building. Plans for many other buildings are under design.

Through assiduous planning and endeavor, Dr. McNerney is moving the College toward university status.

AWARD RECIPIENT

Mr. C. Ford Adamson

Mr. C. Ford Adamson, an alumnus of the 1910 class of Edinboro State College from Meadville, Pa., has been chosen to be awarded a Certificate of Merit for his significant contributions to Edinboro State College.

Mr. Adamson has devoted his life to education. He is presently serving as Crawford County's law librarian. He has formerly served in the capacity of county superintendent and assistant superintendent of the Crawford County schools.

Mr. Adamson has been a faithful alumnus of Edinboro and a sincere educator. He has been a public servant in community affairs for many years.

His many associates in the areas of education and law, because of his numerous other endeavors, consider him a man who has shown dignity, principle and other virtues in all he has accomplished. He is identified as one who has always been striving to serve his fellowman.

PROGRAM NOTES

Academic Vestments

The gown, the cap and the hood, representing the major components of the academic dress, are a ceremonial inheritance from the medieval universities of the eleventh and twelfth centuries, where dress was the outward sign of privilege and responsibility. The academic dress worn by those participating in today's academic procession symbolizes the level of their academic attainment and the institution they attended.

Gown

Although the gown is more frequently black, certain universities have authorized the use of colored gowns. The Bachelor and Master gowns are fashioned from black serge. The yoke for the Bachelor gown is designed to be worn closed and features long, flowing and pointed sleeves. The Master gown is designed to be worn open or closed. Its sleeves are very long with square ends, and the front part has an arc cutaway. The arms protrude through a slit at the elbow. The gown for the Doctor degree is made of wool, serge, or silk with an open front faced with wide velvet panels. The sleeves are loose and bell-shaped with three bars of velvet in black or the color of the discipline in which the doctorate was obtained.

Hood

The most outstanding feature of the academic dress is the hood. It is usually worn only for the Master's and the Doctor's degrees. The Doctor's hood is longer than the Master's hood and has distinguishing panels. The college or the university granting the degree is indicated by the color or coloring of the hood lining. The velvet trim of the hood indicates the field in which the degree was granted.

Cap

The standard cap is the mortarboard, usually the color of the gown. The tassel is black for the Baccalaureate and Master degree and is worn over the left front quarter of the cap. The tassel for the Doctor's mortarboard is of gold thread. Undergraduates wear the tassel on the right side of the cap until the moment the degree is conferred by the President.

MEMORIAL FOUNDATION GIFTS

"They received, each for his own memory, praise that grows not old, and with it the grandest of all sepulchres, not that in which their mortal bones are laid, but a home in the minds of men, where their glory remains fresh to stir to speech or action as the occasion comes by. For the whole earth is the sepulchre of famous men; and their story is not graven only on stone over the native earth, but lives on far away, without visible symbol, woven into the stuff of other men's lives." —Thucydides

Jack Finegan, April 9, 1969

Mr. and Mrs. Eugene Finegan provide a \$50 annual award to an outstanding male English student who shows a tendency to write prose or poetry that is intended to make mankind aware of the needs of his fellow-man and that places an emphasis on the desire to make the world a better place in which to live. This award was established in memory of their son Jack Finegan, a former student at Edinboro State College.

Helen Sabin Reed, October 18, 1966

A \$10,000 endowment was given to Edinboro State College in memory of Mrs. Helen Sabin Reed, a member of the Education faculty since 1961. Because Mrs. Reed was a specialist in the reading field, the yearly \$500 scholarship will be awarded to an Elementary Education major. Mrs. Theo Sabin Meyer of Erie; Mrs. Mildred Sabin Young, Los Angeles, California, sisters; and a brother Robert W. Sabin, Long Beach, California, established the gift.

SCHOLARSHIP AWARDS

Delta Kappa Gamma Scholarships

The Alpha Iota and Alpha Omega Chapters of the Delta Kappa Gamma professional sorority offer annual awards to two outstanding female education majors. Academic achievement, service to the college and financial need are the criteria for selection of the recipients.

Hanna Kent Schoff Memorial Scholarships

The Pennsylvania Congress of Parents and Teachers makes available each year two scholarships to outstanding high school students who will attend Edinboro State College. These yearly scholarships are continuous for four years, upon review of the scholarship committee. Awards are made on the basis of CEEB test results, grades, class rank, personal attributes, co-curricular activities, desire to teach and a personal interview.

SCHOLARSHIP AWARDS

Pennsylvania Women's Club Art Scholarships

Each year three art students who achieved sophomore or higher standing are recipients of awards. The Pennsylvania Federation of Women's Clubs provide the grants with the selections being made by the Art Scholarship Award Committee.

Student Affairs Award

Awards are granted to students on the basis of leadership from which the student body of Edinboro State College has benefited. The awards are granted as a result of competition involving junior and senior students on the basis of their student leadership roles.

Traineeship in Mental Retardation

Seniors and juniors of Edinboro State College are awarded traineeship grants from the Federal Government. The awards are given for outstanding scholarship, campus citizenship and professional promise in the field of teaching the Mentally Retarded.

STUDENT EMERGENCY LOAN FUND

The Student Emergency Loan Fund has been established for undergraduate or graduate students who are in immediate need of a small loan. Contributions have been made to this fund in memory of

Dr. Harry W. Earley, Dean of Instruction, who was serving as acting President of the College at the time of his death, March 25, 1966.

Corporal Gary Leslie Norman, a former student at Edinboro State College killed in action in Vietnam, December 18, 1967.

Dr. L. W. Vanlaningham who served the College as Director of Student Teaching and Placement from 1949 until his death, December 2, 1967.

FINANCIAL AID PROGRAM

Programs of financial assistance and the low cost of attending Edinboro State College have made higher education a reality for most students possessing the desire and ability to achieve such a goal.

In addition to the Scholarship awards listed above, nearly \$3,500,000 in financial assistance will be received by students at Edinboro State College during the 1970-71 academic year through the following programs:

- *College Work-Study Program*
- *Educational Opportunity Grants*
- *Institutional Student Employment*
- *Institutional Loans*
- *National Defense Student Loans*
- *Nursing Loans*

The Ceremonial Mace

The Ceremonial Mace, a symbol of presidential authority, is carried at the head of the academic procession by the College Marshal, Dr. Ernest LaFollette. The Mace, a gift of the Alumni Association, was designed and executed by Dr. Seymour Blinderman and Mr. Henry Katzwinkel of the Art faculty and was first used at the Inauguration of President Chester T. McNerney.

The Mace, twenty-seven inches high, is topped by a sterling silver sphere studded by cone-shaped rubies. The neck of the Mace is inlaid with rosewood, alternated with silver fleur-de-lis. Cultured pearls mounted on cups encircle the top of the staff. Discs of silver interspersed with rosewood compose the shaft which ends with tip-casted silver. Sunken cultured pearls encircle a rounded cone with textured silver to end in a small globe.

PROGRAM NOTES

The College Marshal

The College Marshal leads the academic procession. This honor is bestowed each Commencement upon an outstanding faculty member. Dr. Ernest LaFollette, senior member of the Secondary Education department and Director of Audio-Visual Education, is today honored for his 25 years of dedicated service to the students of Edinboro State College. Dr. LaFollette is retiring from the faculty this year.

He received his BA from Ohio Wesleyan University and his MA and PhD from Ohio State University. Dr. LaFollette entered the teaching profession in 1926 and has given 45 years of service to the field of education.

Prior to joining the faculty of Edinboro State College in 1946, he taught social studies in Berlin Heights, Berea and Mentor, Ohio high schools and was social studies teacher and director of Audio-Visual Education in the Grosse Pointe Schools in Michigan. For more than a dozen years after coming to Edinboro he taught the undergraduate guidance course, as well as serving as director of guidance. However, his interest in Audio-Visual Education led to his appointment in 1959 as Director of Audio-Visual Education. He has taught a total of 126 class sections of Audio-Visual Education since coming to Edinboro.

In addition to his Administrative and teaching duties, he served for many years as chairman of the Homecoming Committee and adviser to the Camera Club.

Dr. LaFollette has had many academic honors during his educational career. He was elected to Kappa Delta Pi during his junior year at Ohio Wesleyan University and was directly involved in having the Edinboro campus chapter installed. He was elected to Phi Delta Kappa at Ohio State University in 1938 and signed in as a charter member of the Beta Nu Chapter here at Edinboro State College. He was a University Fellowship student at Ohio State University while doing work on the doctorate, an honor given to only four students on the graduate level at the time. He has been listed in **Who's Who in the East** and **Who's Who in American Education** since 1950. Recently he was listed in **Leaders in American Education**.

Photography and travel are of special interest to Dr. LaFollette and he is well known for the sound motion pictures made of his travels. He developed 200 glass-plate negatives from the collection of L. U. Kupper who was the college photographer from 1895 to 1940. These photographs provide a valuable record of the early history of Edinboro State College.

PROGRAM NOTES

Academic Vestments

The gown, the cap and the hood, representing the major components of the academic dress, are a ceremonial inheritance from the medieval universities of the eleventh and twelfth centuries, where dress was the outward sign of privilege and responsibility. The academic dress worn by those participating in today's academic processional symbolizes the level of their academic attainment and the institution they attended.

Gown

Although the gown is more frequently black, certain universities have authorized the use of colored gowns. The Bachelor and Master gowns are fashioned from black serge. The yoke for the Bachelor gown is designed to be worn closed and features long, flowing and pointed sleeves. The Master gown is designed to be worn open or closed. Its sleeves are very long with square ends, and the front part has an arc cutaway. The arms protrude through a slit at the elbow. The gown for the Doctor degree is made of wool, serge, or silk with an open front faced with wide velvet panels. The sleeves are loose and bell-shaped with three bars of velvet in black or the color of the discipline in which the doctorate was obtained.

Hood

The most outstanding feature of the academic dress is the hood. It is usually worn only for the Master's and the Doctor's degrees. The Doctor's hood is longer than the Master's hood and has distinguishing panels. The college or the university granting the degree is indicated by the color or coloring of the hood lining. The velvet trim of the hood indicates the field in which the degree was granted.

Cap

The standard cap is the mortarboard, usually the color of the gown. The tassel is black for the Baccalaureate and Master degree and is worn over the left front quarter of the cap. The tassel for the Doctor's mortarboard is of gold thread. Undergraduates wear the tassel on the right side of the cap until the moment the degree is conferred by the President.

MEMORIAL FOUNDATION GIFTS

"They received, each for his own memory, praise that grows not old, and with it the grandest of all sepulchres, not that in which their mortal bones are laid, but a home in the minds of men, where their glory remains fresh to stir to speech or action as the occasion comes by. For the whole earth is the sepulchre of famous men; and their story is not graven only on stone over the native earth, but lives on far away, without visible symbol, woven into the stuff of other men's lives." —Thucydides

Jack Finegan, April 9, 1969

Mr. and Mrs. Eugene Finegan provide a \$50 annual award to an outstanding male English student who shows a tendency to write prose or poetry that is intended to make mankind aware of the needs of his fellow-man and that places an emphasis on the desire to make the world a better place in which to live. This award was established in memory of their son Jack Finegan, a former student at Edinboro State College.

Lois Caldwell North, Class of 1886

A \$100 annual scholarship has been endowed in memory of Mrs. Lois Caldwell North by her daughter, Eleanor North of State College, Pa. The award is made each year to a student who plans to enter the ministry upon completion of his or her education.

Helen Sabin Reed, October 18, 1966

A \$10,000 endowment was given to Edinboro State College in memory of Mrs. Helen Sabin Reed, a member of the Education faculty since 1961. Because Mrs. Reed was a specialist in the reading field, the yearly \$500 scholarship will be awarded to an Elementary Education major. Mrs. Theo Sabin Meyer of Erie; Mrs. Mildred Sabin Young, Los Angeles, California, sisters; and a brother Robert W. Sabin, Long Beach, California, established the gift.

The Ceremonial Mace

The Ceremonial Mace, a symbol of presidential authority, is carried at the head of the academic procession by the College Marshal, Dr. James Coffman. The Mace, a gift of the Alumni Association, was designed and executed by Dr. Seymour Blinderman and Mr. Henry Katzwinkel of the Art faculty and was first used at the Inauguration of President Chester T. McNerney.

The Mace, twenty-seven inches high, is topped by a sterling silver sphere studded by cone-shaped rubies. The neck of the Mace is inlaid with rosewood, alternated with silver fleur-de-lis. Cultured pearls mounted on cups encircle the top of the staff. Discs of silver interspersed with rosewood compose the shaft which ends with tip-casted silver. Sunken cultured pearls encircle a rounded cone with textured silver to end in a small globe.

PROGRAM NOTES

The College Marshal

The College Marshal leads the academic procession. This honor is bestowed each Commencement upon an outstanding faculty member. Dr. James Coffman, senior member of the faculty and chemistry professor, is today honored for his 25 years of dedicated service to the students of Edinboro State College. Dr. Coffman plans to remain at Edinboro State College for two additional years before retiring.

He received his B.Ed. degree from the University of Western Illinois, his M.S. degree from the University of Illinois and his Ed.D. degree from Pennsylvania State University. Dr. Coffman began his teaching career in a one-room school in Western Illinois and has since spent most of his career within that profession.

Prior to joining the faculty of Edinboro State College in 1946, he taught in Henderson County, Illinois, taught junior high school general science and was principle of the Lincoln Elementary School, Villa Park, Illinois. He also worked four years in industrial research for Fansteel Metallurgical Corporation, Chicago. From the time he came to Edinboro until 1960, he taught all sections of chemistry offered to Edinboro students. Dr. Coffman has also taught classes in sciences for elementary grades, physical science, educational measurements, fundamentals of math and method courses.

Dr. Coffman has been a member of many professional organizations. He has held membership in the American Association for the Advancement of Science, American Chemical Society, American Association of University Professors, Pennsylvania State Education Association and presently a life-time member of the National Education Association. He is also listed in **American Men of Science**.

Very active in community affairs, Dr. Coffman is a member of the Edinboro Firemen, the Session of Presbyterian Church, the Erie County Red Cross and the Edinboro Borough Council.

Currently residing in the Biggers House, a historical landmark located in Edinboro, Dr. Coffman has taken special interest in the history of his home and the surrounding locale.

PROGRAM NOTES

Academic Vestments

The gown, the cap and the hood, representing the major components of the academic dress, are a ceremonial inheritance from the medieval universities of the eleventh and twelfth centuries, where dress was the outward sign of privilege and responsibility. The academic dress worn by those participating in today's academic processional symbolizes the level of their academic attainment and the institution they attended.

Gown

Although the gown is more frequently black, certain universities have authorized the use of colored gowns. The Bachelor and Master gowns are fashioned from black serge. The yoke for the Bachelor gown is designed to be worn closed and features long, flowing and pointed sleeves. The Master gown is designed to be worn open or closed. Its sleeves are very long with square ends, and the front part has an arc cutaway. The arms protrude through a slit at the elbow. The gown for the Doctor degree is made of wool, serge, or silk with an open front faced with wide velvet panels. The sleeves are loose and bell-shaped with three bars of velvet in black or the color of the discipline in which the doctorate was obtained.

Hood

The most outstanding feature of the academic dress is the hood. It is usually worn only for the Master's and the Doctor's degrees. The Doctor's hood is longer than the Master's hood and has distinguishing panels. The college or the university granting the degree is indicated by the color or coloring of the hood lining. The velvet trim of the hood indicates the field in which the degree was granted.

Cap

The standard cap is the mortarboard, usually the color of the gown. The tassel is black for the Baccalaureate and Master degree and is worn over the left front quarter of the cap. The tassel for the Doctor's mortarboard is of gold thread. Undergraduates wear the tassel on the right side of the cap until the moment the degree is conferred by the President.

MEMORIAL FOUNDATION GIFTS

"They received, each for his own memory, praise that grows not old, and with it the grandest of all sepulchres, not that in which their mortal bones are laid, but a home in the minds of men, where their glory remains fresh to stir to speech or action as the occasion comes by. For the whole earth is the sepulchre of famous men; and their story is not graven only on stone over the native earth, but lives on far away, without visible symbol, woven into the stuff of other men's lives." —Thucydides

Jack Finegan, April 9, 1969

Mr. and Mrs. Eugene Finegan provide a \$50 annual award to an outstanding male English student who shows a tendency to write prose or poetry that is intended to make mankind aware of the needs of his fellow-man and that places an emphasis on the desire to make the world a better place in which to live. This award was established in memory of their son Jack Finegan, a former student at Edinboro State College.

Lois Caldwell North, Class of 1886

A \$100 annual scholarship has been endowed in memory of Mrs. Lois Caldwell North by her daughter, Eleanor North of State College, Pa. The award is made each year to a student who plans to enter the ministry upon completion of his or her education.

Helen Sabin Reed, October 18, 1966

A \$10,000 endowment was given to Edinboro State College in memory of Mrs. Helen Sabin Reed, a member of the Education faculty since 1961. Because Mrs. Reed was a specialist in the reading field, the yearly \$500 scholarship will be awarded to an Elementary Education major. Mrs. Theo Sabin Meyer of Erie; Mrs. Mildred Sabin Young, Los Angeles, California, sisters; and a brother Robert W. Sabin, Long Beach, California, established the gift.

SCHOLARSHIP AWARDS

Delta Kappa Gamma Scholarships

The Alpha Iota and Alpha Omega Chapters of the Delta Kappa Gamma professional sorority offer annual awards to two outstanding female education majors. Academic achievement, service to the college and financial need are the criteria for selection of the recipients.

SCHOLARSHIP AWARDS

Hanna Kent Schoff Memorial Scholarships

The Pennsylvania Congress of Parents and Teachers makes available each year two scholarships to outstanding high school students who will attend Edinboro State College. These yearly scholarships are continuous for four years, upon review of the scholarship committee. Awards are made on the basis of CEEB test results, grades, class rank, personal attributes, co-curricular activities, desire to teach and a personal interview.

Pennsylvania Women's Club Art Scholarships

Each year three art students who achieved sophomore or higher standing are recipients of awards. The Pennsylvania Federation of Women's Clubs provide the grants with the selections being made by the Art Scholarship Award Committee.

Student Affairs Award

Awards are granted to students on the basis of leadership from which the student body of Edinboro State College has benefited. The awards are granted as a result of competition involving junior and senior students on the basis of their student leadership roles.

Traineeship in Mental Retardation

Seniors and juniors of Edinboro State College are awarded traineeship grants from the Federal Government. The awards are given for outstanding scholarship, campus citizenship and professional promise in the field of teaching the Mentally Retarded.

STUDENT EMERGENCY LOAN FUND

The Student Emergency Loan Fund has been established for undergraduate or graduate students who are in immediate need of a small loan. Contributions have been made to this fund in memory of

Dr. Harry W. Earley, Dean of Instruction, who was serving as acting President of the College at the time of his death, March 25, 1966.

Corporal Gary Leslie Norman, a former student at Edinboro State College killed in action in Vietnam, December 18, 1967.

Dr. L. W. Vanlaningham who served the College as Director of Student Teaching and Placement from 1949 until his death, December 2, 1967.

FINANCIAL AID PROGRAM

Programs of financial assistance and the low cost of attending Edinboro State College have made higher education a reality for most students possessing the desire and ability to achieve such a goal.

In addition to the Scholarship awards previously listed, nearly \$3,500,000 in financial assistance will be received by students at Edinboro State College during the 1970-71 academic year through the following programs:

- *College Work-Study Program*
- *Educational Opportunity Grants*
- *Institutional Student Employment*
- *Institutional Loans*
- *National Defense Student Loans*

The Ceremonial Mace

The Ceremonial Mace, a symbol of presidential authority, is carried at the head of the academic procession by the College Marshal, Mr. Carl L. Wozniak. The Mace, a gift of the Alumni Association, was designed and executed by Dr. Seymour Blinderman, formerly of the Art faculty, and Mr. Henry Katzwinkel. The Mace was first used at the Inauguration of President Chester T. McNerney.

The Mace, twenty-seven inches high, is topped by a sterling silver sphere studded by cone-shaped rubies. The neck of the Mace is inlaid with rosewood, alternated with silver fleur-de-lis. Cultured pearls mounted on cups encircle the top of the staff. Discs of silver interspersed with rosewood compose the shaft which ends with tip-casted silver. Sunken cultured pearls encircle a rounded cone with textured silver to end in a small globe.

THE COMMENCEMENT SPEAKER

DR. CHESTER T. McNERNEY

Dr. Chester T. McNerney, thirteenth president of Edinboro State College, assumed his duties in 1966. Through his dynamic leadership, the College has seen progress and change academically, administratively and physically.

During Dr. McNerney's tenure, the College has been structured into three branches: administrative, academic and student personnel services. The Board of Trustees, Director of Development, the Business Office and other related functions are attached to the president's office.

President McNerney and the College have seen the creation of five new schools, each headed by a dean. These schools are Graduate Studies, Arts and Humanities, Behavioral and Social Sciences, Science and Mathematics, and Education.

Enrollment at the College has grown to 7,155 students served by a faculty numbering 476.

Special programs in which Dr. McNerney has evinced a special interest include participation in the Mayor's Higher Education Consortium Group of the City of Erie and the Northwestern Pennsylvania Higher Education Congress to be held at the College.

Other programs of special concern to Dr. McNerney include a Social Studies Institute on Black American Contribution and an advanced reading clinic for elementary students.

Deeply concerned in international education programs, Dr. McNerney serves as chairman of the Task Force on Internationalization of the Domestic Curriculum of the American Association of State Colleges and Universities. He has also fostered study abroad programs plus a comparative education study tour of school systems in five European and Asian countries.

Dr. McNerney has been cognizant of the contributions of past college leaders. Recently, the former World Cultures Building was rededicated as Hendricks Hall in honor of the late Dr. Luther V. Hendricks who was Dean of the School of Behavioral and Social Sciences.

Also, the new Research-Learning Center was named for Dr. Thomas R. Miller, former president. Keeping in line with the Master Plan for physical development, work is progressing on the new Education and Art Education classroom buildings. Other buildings are in the designing stage.

Under Dr. McNerney's leadership and endeavors, the College is moving ahead toward a goal of providing higher educational experience of the highest quality.

PROGRAM NOTES

Academic Vestments

The gown, the cap and the hood, representing the major components of the academic dress, are a ceremonial inheritance from the medieval universities of the eleventh and twelfth centuries, where dress was the outward sign of privilege and responsibility. The academic dress worn by those participating in today's academic procession symbolizes the level of their academic attainment and the institution they attended.

Gown

Although the gown is more frequently black, certain universities have authorized the use of colored gowns. The Bachelor and Master gowns are fashioned from black serge. The yoke for the Bachelor gown is designed to be worn closed and features long, flowing and pointed sleeves. The Master gown is designed to be worn open or closed. Its sleeves are very long with square ends, and the front part has an arc cutaway. The arms protrude through a slit at the elbow. The gown for the Doctor degree is made of wool, serge, or silk with an open front faced with wide velvet panels. The sleeves are loose and bell-shaped with three bars of velvet in black or the color of the discipline in which the doctorate was obtained.

Hood

The most outstanding feature of the academic dress is the hood. It is usually worn only for the Master's and the Doctor's degrees. The Doctor's hood is longer than the Master's hood and has distinguishing panels. The college or the university granting the degree is indicated by the color or coloring of the hood lining. The velvet trim of the hood indicates the field in which the degree was granted.

Cap

The standard cap is the mortarboard, usually the color of the gown. The tassel is black for the Baccalaureate and Master degree and is worn over the left front quarter of the cap. The tassel for the Doctor's mortarboard is of gold thread. Undergraduates wear the tassel on the right side of the cap until the moment the degree is conferred by the President.

MEMORIAL FOUNDATION GIFTS

"They received, each for his own memory, praise that grows not old, and with it the grandest of all sepulchres, not that in which their mortal bones are laid, but a home in the minds of men, where their glory remains fresh to stir to speech or action as the occasion comes by. For the whole earth is the sepulchre of famous men; and their story is not graven only on stone over the native earth, but lives on far away, without visible symbol, woven into the stuff of other men's lives." —Thucydides

Jack Finegan, April 9, 1969

Mr. and Mrs. Eugene Finegan provide a \$50 annual award to an outstanding male English student who shows a tendency to write prose or poetry that is intended to make mankind aware of the needs of his fellow-man and that places an emphasis on the desire to make the world a better place in which to live. This award was established in memory of their son Jack Finegan, a former student at Edinboro State College.

Lois Caldwell North, Class of 1886

A \$100 annual scholarship has been endowed in memory of Mrs. Lois Caldwell North by her daughter, Eleanor North of State College, Pa. The award is made each year to a student who plans to enter the ministry upon completion of his or her education.

Helen Sabin Reed, October 18, 1966

A \$10,000 endowment was given to Edinboro State College in memory of Mrs. Helen Sabin Reed, a member of the Education faculty since 1961. Because Mrs. Reed was a specialist in the reading field, the yearly \$500 scholarship will be awarded to an Elementary Education major. Mrs. Theo Sabin Meyer of Erie; Mrs. Mildred Sabin Young, Los Angeles, California, sisters; and a brother Robert W. Sabin, Long Beach, California, established the gift.
