GAME DAY INFO

THE GAME STORY

The Edinboro-Shippensburg game has become one of the bigger rivalries brewing in the PSAC West. After facing each other four times last year; twice in regular season and twice in post-season play, the competition between the two squads will no doubt be characterized by the same high intensity as in previous years.

The Fighting Scots were defeated by the Lady Raiders on all four occasions last

HEAD COACH: CAROLYN MAIR (13-2, 1st season at Shippensburg)

The Lady Raiders of Shippensburg University are 13-2 overall, and 2-1 in the PSAC West. The 1998 NCAA Division II East Region champions and Elite Eight qualifiers, this year's squad is ranked No. 14 in the latest USA Today/WBCA poll (Jan. 14). The Lady Raiders' only two losses came at the hands of Kutztown University, 54-52, and PSAC West opponent Indiana (PA), 72-63.

On Wednesday, Shippensburg scored a win over California, 82-65. The conference victory puts Shippensburg in an early tie with the Lady Vulcans for second place in PSAC Western Division action. The Lady Raiders were led by a pair of 20 points-plus scorers, guards Janette Pieczynski (25 points) and Vickie Mikesic (21 points).

Shippensburg's leading scorer for the season is senior center Ashley Totodo. A two-time All-American, Totodo averages 19.5 ppg. and 11.9 rebounds, and needs just four boards to break former Edinboro

standout Heather Gates' PSAC career rebounding record of 1,301 life-time caroms... the second-leading scorer for the Lady Raiders is sophomore guard Janette Pieczynski. She scores an average of 14.9 ppg.... another sophomore guard, Vickie Mikesic, also averages in double-figure scoring with 12.0 ppg. In addition to being a scoring threat, Mikesic can distribute the ball, with a team-high 67 assists... junior guard Julie Sutch averages 6.0 ppg. and has 61 assists, and is averaging 35.3 minutes per game... back-up center Tamara Woodson has seen action in all 15 games this season, and averages 7.2 ppg.... 5'11" sophomore forward Stephanie Rothery provided the Lady Raiders with key backup minutes against California(PA). Rothery averages 5.0 ppg., and had five points and two rebounds in nine minutes versus the Lady Vulcans... the Lady Raiders also receive support from newcomer Trisha Lower, who has seen the court in all 15 games.

EDINBORO WOMEN'S BASKETBALL GAME NOTES -- The Shippensburg Game

season, including an 83-80 overtime win for the PSAC post-season crown. The same type of post-season scenario played itself out in the 1996-97 season, as the Boro and Shippensburg split the regular season games, but the Lady Raiders claimed the PSAC title with a win over the Scots.

Overall, the series between the two conference schools only slightly tilts to the side of the Lady Raiders, 14-13.

EDINBORO BASKETBALL AT A GLANCE

Back in the friendly confines of McComb Fieldhouse, the Fighting Scots have built up a 6-1 record, with their only home loss coming against Binghamton University in early December. Their most recent win was an 83-81 overtime contest against Lake Superior State University, which snapped a four-game losing streak.

THE LAST TIME OUT

On Monday night, the Fighting Scots picked up their 11th win over the visiting Lakers of Lake Superior State University, 83-81 in overtime. Still missing leading scorer Marin Hightower due to illness, and coming off of two unexpected conference losses, the Boro was able to bounce back and claim the hard-fought overtime battle as a win.

The game was called tightly, and as a result, the number of personal fouls combined totaled an astronomical 57. The Scots capitalized, converting a school-record 38 of 50 (.760) shots from the charity stripe, including 5 of 8 in the overtime period. The Lakers hit for 57.6-percent (19 of 33), and were 50-percent in overtime (3 of 6).

Edinboro senior center Kelli Torboli registered her seventh double-double of the year, cashing in with 17 points and 14 rebounds. Senior floor leader Meghan Miller connected on three long-range jumpers, and added 15 total points.

THE FIGHTING SCOTS

HEAD COACH STAN SWANK

Fighting Scot head coach Stan Swank is in his 12th season and owns a 208-120 overall record at Edinboro. The title of winningest women's basketball coach in school history is fitting, as Swank has led the squad to five NCAA Division II post-season tournaments, and has made seven trips to the PSAC post-season tournament, with six championship game appearances.

SCOUTING THE SCOTS

Edinboro brings an 11-5 overall and 0-2 conference record into this Saturday's contest. The Scots will most likely be minus leading scorer Marin Hightower again this

weekend. Kelli Torboli, the Scots' senior center, is currently averaging 11.0 points per game, and is fifth in the PSAC and leads the team in rebounding with 10.0 per game. In the three games since Hightower's absence, Torboli has averaged 14.7 ppg.... junior guard Jessica Rowe has also boosted her shooting figures in the past three contests, averaging 20.7 ppg. in comparison to the 12.1 ppg. she averaged throughout the first 13 games. Rowe scored 16 points in the Lake Superior St. win... senior point guard Meghan Miller has unleashed the big guns, shooting 44.4-percent from behind the arc to lead all PSAC shooting specialists. Miller leads the team with 40 three-pointers this season. Her 15 points against Lake Superior St. gives her 1,356 career points, which moves her into the fourth-place slot on Edinboro's all-time scoring leaders' chart, passing former Scot Lori Montgomery's (1992-96) total of 1,356... forwards Dana Polakowski and Kim Vay hit the boards against the Lakers, combining for 25 points and 21 rebounds. Polakowski pulled down 13 rebounds, the second time this season she has had double-figure rebounding. She averages 6.4 ppg. and 6.1 rpg.... Vay, who earned her first start on Monday night, connected for 14 points versus Lake Superior State and grabbed eight boards. She averages 6.8 ppg. and 5.1 rpg.... freshman forward Korie Morton came back after going scoreless against California (PA) and recorded eight points for the Scots versus Lake Superior State... Julie McNees, a sophomore guard, has been counted on as a key reserve in the backcourt. McNees has 19 assists, nine steals, and averages just under 2 points per game... freshman

centers Michelle Bowen and Courtney Cable have also been called upon of late. Bowen averages 2.1 ppg. and 1.8 rpg, while Cable averages 1.7 ppg. and 1.9 rpg.

FIGHTING SCOTS IN THE PSAC STATISTICS

Here's a look at how Edinboro ranks in the latest PSAC statistics, through games of January 13:

- ◆ Meghan Miller is 1st in three-point field goal percentage (44.4%)
- ◆ Jessica Rowe is 13th in scoring (13.7 ppg)
- ◆ Kelli Torboli is fifth in rebounding (10.0) and in blocks (1.73 bpg)

GAME DAY INFO

THE GAME STORY

After snapping a three game losing skid with an 85-76 win over Lake Superior State on Monday, the Fighting Scots suffered their fourth loss in five games with a 91-88 overtime loss at Mansfield on Wednesday. The loss in the crossover contest dropped the Boro under the .500 mark at 7-8. Shippensburg, meanwhile, is in a spin of its own, having lost three in a row and six of its last seven tilts. HEAD COACH: Rodger Goodling (326-384, 28th year; 336-400, 29th year overall)

Shippensburg has lost three straight games and six of its last seven contests. However, the Red Raiders bring plenty of size into the matchup with Edinboro, with ten players on the roster measuring 6'5" or taller. In addition, Shippensburg relies on one of the dean's of college coaching in Rodger Goodling. Goodling is in his 28th season at Shipp, having won 326 games in that time ... the Red Raiders were without standout **Wayne Morris** for eight games, but the first team All-PSAC performer is now back and playing well. A 6'6" senior, Morris is averaging 19.7 ppg. and 10.1 rpg., along with 13 blocks in seven games. He totalled 18 points and 11 boards in Shipp's 68-63 loss to California(Pa.). He has now led the team

in scoring and rebounding each of the last five games ... **Brian Anderson** and **Brian Gleason** are also in double figures. Anderson, a 6'10" junior, averages 11.1 ppg. and 5.7 rpg. while shooting 52.8 percent from the floor. Gleason is a 6'6" sophomore who comes in at 10.3 ppg. He is also the team's top three-point threat with 20 in 51 tries ... size also abounds in the backcourt, where 6'5" **Mike Nestor** and 6'3" **Jason Lester** reside. Each is a junior, with Nestor at 4.7 ppg. and a team-high 54 assists, and Lester at 7.4 ppg. and a team-high 27 steals ... 6'5" junior **Darrell Crabbs** (4.0 ppg., 5.0 rpg.) and 6'6" freshman **Tom Roth** (4.3 ppg.) are the top reserves.

EDINBORO MEN'S BASKETBALL GAME NOTES -- The Shippensburg Game

Shippensburg 0-3 in PSAC West play, one thing is certain -- one team will pick up its first PSAC triumph.

EDINBORO BASKETBALL AT A GLANCE

Home sweet home. After playing six of its last seven games away from home, the Fighting Scots now embark on a stretch of six home games in the next seven contests, with three in a row over the next week. Coincidentally, Edinboro is 6-2 at McComb Fieldhouse, including the lone win during the losing stretch. That was an 85-76 win over Lake Superior State on Monday, the Boro's first home game in over a month.

THE LAST TIME OUT

Edinboro suffered its fourth loss in the last five games in a heartbreaking manner, 91-88 in overtime at Mansfield. The Fighting Scots took a two-point lead with five seconds left in regulation on Adam Kaufman's three-pointer, only to see Tom Harvey fouled and make two free throws with two ticks showing. The Boro led by a point with just over a minute left in overtime, but the Mountaineers scored the final four points. Ian Johnson led five Scots in double figures with 22 markers, adding 10 boards. Michael Johnson had 20 points, Jean Paul 18, Kaufman 13 points and 11 assists, and Troy Stout 11 points and 13 rebounds. For the second game in a row, the Scots were hampered by a subpar performance at the line, converting just 10 of 18 free throws.

SERIES RECORD

Edinboro leads 15-7. The Fighting Scots swept both meetings last season, prevailing 84-75 in Shippensburg, then scoring an 80-70 decision at McComb Fieldhouse. Six Scots scored in double digits in the first fray, Jesse Ogden leading the way with 15 points on five three's. Dwayne Butler totalled 23 to lead the Boro in the second contest. Red Raider standout Wayne Morris totalled 55 points in the two games.

THE FIGHTING SCOTS

Edinboro features three players in double figures, with sophomore **Michael Johnson** leading the way. The 6'5" forward has parlayed a much-improved jump shot into a 15.4 scoring average. Known for his high-flying talents in the past, Johnson has made 13 of 28 three-pointers, all coming in the last seven contests. He also leads the Fighting Scots in blocks (44) and steals (29), and is second off the glass at 6.3 rpg. Johnson remains one of the top shot blockers in Division, currently ranking third. His 81 career swats stands ninth ... senior **Jean Paul**, a transfer from Indiana University, adds 12.2 ppg. but that figure 15.8 ppg. over the last six games. The 6'3" guard has become the Boro's top three-point threat with 23 in 54 attempts, having made good on 7 of his last 10. Paul stands

second in assists (44) and steals (27), and is a strong defensive performer ... Edinboro's third double digit operative is quickly becoming the team's "super sub". Six-foot-seven sophomore **Ian Johnson** dropped in a career-high 22 points (9 of 14 FGs, 4 of 6 FTs) at Mansfield, adding 10 rebounds for his second double-double. Johnson is averaging 10.1 ppg. and 5.7 rpg. while playing less than nineteen minutes an outing. He is also shooting a team-best 55.7 percent from the floor ... sophomore **Adam Kaufman** is another player who has found his scoring touch in recent games. The 5'11" guard is better known for his playmaking abilities, but thanks to four straight double figure outings he is now scoring at a 9.9 clip. Kaufman third double-double of the season at Mansfield, scoring 13 points and handing out 11 assists. Kaufman ranks ninth in Division II in assists, while leading the Scots with 111. That gives him 384 for his career, good for fourth on the career charts. He has also made a three-pointer in nine straight games, with 19 in 51 tries overall ... **Terrance Smith** and **Troy Stout** are expected to round out the starting five. Smith is an acrobatic 6'6" sophomore who has battled foul problems, exiting early from seven contests. The transfer from Sacramento City College is averaging 7.9 ppg. and 4.7 rpg. while playing just under twenty minutes a contest. Stout is a 6'6" senior who has started in the middle in 14 of 15 games. After totalling 11 points and 13 boards at Mansfield, he is averaging 9.1

ppg. and a team-high 7.4 rpg. while shooting 53.5 percent from the floor. the double-double was his third in '98-99 ... in addition to Johnson, the Scots receive frontcourt relief from **Rob Schodt**, a 6'8" sophomore from nearby McDowell High School. Schodt is averaging 4.7 ppg., and is the team's top free throw shooter at 82.8 percent (24 of 29) ... another bench player who may see increased minutes is former General McLane High School standout **John Yankovich**. The 6'1" sophomore, who joined the team at semester break, played 20 minutes on Monday vs. Lake Superior State, then saw 12 more minutes of action at Mansfield.

EDINBORO UNIVERSITY ATHLETIC FUND DRIVE

Dear Friends of the Fighting Scots:

Having accepted the challenge of leading Edinboro University's athletic department into the 21st century, I am excited about spearheading this annual athletic fund drive for the direct benefit of our student-athletes.

With the growing cost of education, the importance of private funding for our athletic program is vital to the continued success we have all enjoyed here at Edinboro University. With no state appropriation for athletic scholarships, we depend on labor-intensive fundraising events, as well as the generous support of our alumni and friends, to supplement our scholarship fund.

The efforts of our University employees during our summer camp season continue to be the major source of our financial development. Although the University has enjoyed athletic success in the 1990s, our sports teams continue to be funded well below the National Collegiate Athletic Association (NCAA) allowable limit. Overall, it is the goal of Edinboro University to give the best quality education and athletic experience possible to our student-athletes. We not only want our students to have the opportunity to compete, but to be the very best they can be.

At Edinboro University, we will do everything possible to generate the resources necessary to stay competitive, but we need your ongoing support to continue to improve upon our rich athletic tradition.

We are excited about hearing from you soon, as you join us on our mission to provide a quality athletic program for the entire Edinboro family.

Sincerely,

Bruce R. Baumgartner

Bruce R. Baumgartner, Director of Athletics
World and Olympic Champion

WHAT IS THE FIGHTING SCOT BOOSTER CLUB? Providing support to Edinboro University's athletic program is the Fighting Scot Booster Club. Organized in the early 1980's, it was formed around a core of devoted, loyal alumni, friends and representatives of Edinboro University. It is an advisory group dedicated to the support and advancement of Fighting Scot athletics. The club is the vehicle by which individuals, businesses, and corporations may make contributions to the overall athletic program or designate a portion to a specific sport.

The club's primary mission is to provide financial support for the athletic teams while promoting community awareness and involvement in the entire program. Its objective of providing athletic scholarships in support of student-athletes and their goals, parallels the department's mission of furthering community awareness of all athletic teams, as well as rallying support around University advocates.

WHY SUPPORT THE BOOSTER CLUB? Your generous membership affords Edinboro University the opportunity to offer a higher quality athletic and academic experience to its student-athletes. State monies are not available for athletic scholarships, making the Booster Club and the department's fundraising efforts the sole means of raising money for yearly scholarships and endowments. With your assistance, continuing our winning tradition - as well as assisting in the development of our student-athletes as leaders of tomorrow - will be a reality!
