BLOOMSBURG UNIVERSITY

Bloomsburg University is a multi-purpose institution of higher education serving the citizens of Pennsylvania as one of the 14 Commonwealth-owned universities. With a commitment to provide a quality, affordable education for all qualified students, Bloomsburg combines the tradition of an institution founded in 1839 with modern learning, living, and recreational programs and facilities. Commonwealth funding provides 55 percent of Bloomsburg's annual operating budget.

Undergraduate students may enroll in degree programs in 64 areas of study in the arts and sciences, business, teacher education, nursing, and health sciences. A program in engineering is offered in conjunction with the Pennsylvania State University, and preparation for post-baccalaureate study at professional schools is offered. Unique education opportunities are available through advanced placement, study abroad, professional practicum, internships, independent study, and the Department of Developmental Instruction programs.

At the graduate level, the master's degree is offered in 25 areas of study, and there are 10 supervisory certification programs in the field of teacher education.

Extended program offerings provide continuing, life-long learning opportunities for people of all ages and educational interest through non-degree courses, non-credit mini-courses offered at off-campus locations, and by public service television and credit for work experience.

Instruction is provided by a 367-member staff.

The university's 173-acre campus overlooks the Town of Bloomsburg and the scenic Susquehanna Valley. Carver Hall, built in 1867, provides a contrast with the modern facilities that include seven residence halls, a library, a 2,000-seat auditorium, student union, dining hall, gymnasium, administration building, five classroom buildings, athletic fields, and recreational areas on the lower campus.

An athletic complex and recreational area occupy the school's 100-acre upper campus. In addition, the James H. McCormick Center for Human Services is the newest building on the lower campus and was used for the first time in the fall of 1985.

Located less than two miles from an Interstate 80 interchange and 22 miles from Interstate 81, Bloomsburg is within one hour's driving time from Wilkes-Barre/Scranton, Hazleton, and Williamsport, and 1 1/2 hours from Harrisburg.

Bloomsburg has an enviable placement record. Of the 1,104 who graduated in the 1984-85 academic year, 81.4 percent have meaningful employment or were in graduate school one year later.

Active files of over 25,000 living alumni are kept by the university. Graduates of Bloomsburg University have distinguished themselves in areas including law, medicine (one is a Nobel Laureate), science, architecture, education, industry, and research.

Bloomsburg University is fully accredited by the Middle States Association of Colleges and Schools, the National Council for the Accreditation of Teacher Education, and the Pennsylvania Board of Education.

PRESIDENT HARRY AUSPRICH

Dr. Harry Ausprich began his tenure July 15, 1985, as the 16th president of Bloomsburg University. His appointment follows that of former President James H.

McCormick, who is currently serving as the Chancellor for the State System of Higher Education, and Dr. Larry W. Jones, who served as President for two years on an acting and interim basis.

Prior to coming to Bloomsburg, Ausprich served at Kent State University as dean of the College of Fine and Professional Arts from 1978 to 1985. While there, he was instrumental in implementing a program in fashion design and merchandising that has gained a national reputation. In addition, he served as dean of the Blossom Festival School Program in cooperation with the Cleveland Orchestra. In previous years, he served as dean of the Faculty of Arts and later as dean of the Faculty of Arts and Humanities, both at SUNY Buffalo. While at Buffalo, he developed a proposal for a program in dance and for a series of interdisciplinary seminars in the arts. In the early 1970s, he worked at the University of Northern Iowa as dean of the College of Humanities and Fine Arts. Classroom teaching experiences and departmental chairperson responsibilities comprised his major assignments at Indiana State University and Memphis State University.

His academic background includes a bachelor of science degree from New York University, College at Buffalo, a master of science degree from the University of Wisconsin in theater and broadcasting, and a doctorate from Michigan State University in communications and theater.

ATHLETIC DIRECTOR MARY GARDNER

Mary Gardner is in her first year as athletic director for Bloomsburg. Before assuming her athletic administration duties, she was associate athletic director and head coach of the women's swimming and diving team for 12 seasons. Her teams posted an overall record of 88-28 in dual-meet action and finished as the Pennsylvania Conference runnerup six years in a row from 1981 to 1986. She coached 44 performers to multiple All-American honors as the Huskies' coach.

Gardner joined the Bloomsburg athletic department in 1974 and initiated the women's swimming and diving program that winter. In just her fifth season as coach, she led the team to its lone undefeated campaign as the Huskies posted a record of 10-0. She has also served as Bloomsburg's head field hockey coach and recorded a 20-12-9 mark.

The Hatboro, Pa., native earned her bachelor's and master's degrees at East Stroudsburg where she was a four-year letterwinner in field hockey and swimming. She was a three-time national champion in the breaststroke.

**HEAD COACH
JAN HUTCHINSON**

Jan Hutchinson is beginning her 12th season as Bloomsburg University's head softball coach. With a record of 289-76, she will try to record the school's seventh straight 30-win season. Hutchinson's squads have compiled 211 victories (33-4, 30-4, 35-6, 42-5, 35-11, 36-7) over the past six years for an 85.1 winning percentage. Last season's team won its sixth-consecutive Pennsylvania State Athletic Conference Championship, and the Huskies will be looking for their 10th-straight appearance in the national tournament under Hutchinson's direction.

In 1982, Hutchinson was one of the first coaches ever to lead two teams to national titles in the same year as both the field hockey and softball teams captured AIAW titles.

A native of Newton, N.J., she received her Bachelor of Science degree in 1971 and earned her Master of Education degree in physical education in 1979, both from East Stroudsburg University.

Mrs. Hutchinson and her husband Tom, who serves as head wrestling coach at Lehigh University, reside in Allentown, Pa.

**ASSISTANT COACH
SUSAN KOCHER**

Susan Kocher is in her second season as an assistant coach for the Huskies after completing a fine four-year career in which she was an All-Pennsylvania Conference selection three times and earned All-American honors in her junior and senior seasons. She had a career batting average of .318 with 116 hits in 365 at-bats during her four seasons, spending most of that time as the club's designated hitter. Kocher scored 65 runs and knocked in 71 others.

**ASSISTANT COACH
CINDY FREELAND**

A 1988 graduate of Bloomsburg University, Cindy was a two-time All-American and Academic All-American catcher. This past season, she had a .328 batting average, 39 hits, 18 rbis, and 17 runs scored. In fielding, she had 113 putouts and 33 assists. Cindy is currently working as a graduate assistant while studying biology and will attend medical school next year. Cindy was one of the finest catchers for Bloomsburg, and her experience will be a great asset for the two young catchers on the team.

**ASSISTANT COACH
KIM VOGEL**

After finishing her fourth year of playing eligibility last spring, she will stay on at Bloomsburg to finish her degree and help coach the softball team. Kim, who played in the outfield for the Huskies last season, had a .344 batting average. She hit 42 singles, two doubles, scored 33 runs, and had 12 rbis. In fielding, she had 48 putouts and one assist.

She received her doctorate from the Pennsylvania State University and did her residency in orthopedic surgery at Dartmouth College and Geisinger Medical Center. She received her undergraduate degree from Carleton University in Northfield, Minn.

THE HUSKIES' 1989 OUTLOOK

Despite major losses at the pitching and catching positions, the Huskies' head coach Jan Hutchinson feels confident that the team could record its seventh straight Pennsylvania Conference title and make its tenth-consecutive national tournament appearance.

"Good defense has always been a strong point at Bloomsburg, but we expect to have our best defensive team ever," Hutchinson said. "We have strong players and are two deep at every position in the infield. In addition the outfield should be extremely solid."

Even with the losses of All-Americans Cindy Freelan, at catcher and Kristen Upcraft, a pitcher, along with Joanna Sulmonetti, the Huskies have 12 veterans returning and five talented freshmen joining the team.

The lone senior on the club is third baseman, Helen Fausnaught. Fausnaught batted .340 last season, four doubles, 30 singles, 16 runs scored, and 18 rbis. She also had 24 putouts and 64 assists defensively.

Juniors Cindy Slocum, Paula Miller, and Gina Lindenmuth will also return. Slocum, a 1988 All-American outfielder, had a batting average of .360, with 38 singles, six doubles, four triples, two home runs, 25 runs scored, and 35 rbis. Miller will be joining Slocum in the outfield. She scored nine runs last season, had 13 hits, three rbis, and batted .232. Lindenmuth is the only returning pitcher for the Huskies and should be the club's mound ace. She had a record of 10-1 last season. In 78.7 innings pitched, she walked 29, struck out, 25 gave up 66 hits, 24 runs, and 14 earned runs for an earned run average of 1.25.

The outfield will again include sophomores Janet Buckheit and Tracy Nilles. Buckheit registered 30 putouts, 15 assists, and batted .271 with 13 singles, five doubles, a triple, nine runs, and 15 rbis. Nilles batted .208 with four singles and a triple. She also had four runs scored and two rbis.

The infield positions will be filled mainly by sophomores this season as six return. Back are Patti Camper, Sandy Herr, Terry Hosier, Lori Shelly, Diane Tafel, and Julie Wolfe.

Camper, at first base, batted .291 last season. She had 25 singles, three doubles, one triple, 11 runs scored, and 11 rbis. She fielded 247 putouts and had 15 assists. Herr split time at first base and shortstop the past year. She had 111 putouts and seven assists and hit nine singles, two doubles, four runs scored, nine rbis, and batted .297. Hosier saw action at second base. She had a batting average of .333, three hits, four runs, and two rbis. She also had 10 putouts and 16 assists.

Shelly was the backup catcher playing behind Cindy Freeland. She batted .357, hit 25 singles, 13 doubles, four triples, four home runs, 26 runs scored, and 38 rbis serving mainly as the Huskies' designated hitter. Playing parttime at third base was Tafel, who batted .323, had 10 hits, three runs scored, and five rbis. She had five putouts and 22 assists. Wolfe, who played at shortstop position, batted .366, hit 38 singles, five doubles, one triple, four homeruns, 36 runs scored, and 29 rbis. She had 65 putouts and 85 assists.

Certain to be major contributors are five freshmen, Janelle Breneman, Christa Clauser, Marty Laudato, Ann Southard, and Heather Young.

Breneman was the shortstop for the 1988 state champion softball team at Ephrata High School. She has great range and a strong arm to first base.

Competing for time at the catching position, Laudato should keep base runners honest. She has good mechanics and an extremely strong throw to any base. She is also a power hitter who should help the offense immediately.

Aiding Lindenmuth on the mound will be Clauser, Southard, and Young.

Clauser could immediately strengthen the pitching staff. She is a hard worker with good form and control. With the experience from the fall, she has the potential to be a major contributor this season.

Southard is a versatile pitcher who has a strong wrist snap. She is an excellent fielding pitcher who has a good changeup. She is working on adding a drop to her repertoire.

Young is making constant improvement on the mound. She threw 10 no-hitters her senior year in high school. She throws hard and has a good curve ball. She also is a good hitter and should be a threat at the plate.

"Offensively, we will be a major threat to score in a hurry at any time. There is a good amount of talent both in the veterans as well as the incoming freshmen. In addition, there are several good bunters, so we intend to mix it up at the plate."
