FOR IMMEDIATE RELEASE:

LOCAL STUDENT RECEIVES SCHOLARSHIP

Edinboro University of Pennsylvania has announced that Suzanne Zurawski, 2003 W. Welch Road, Waterford, was recently named the recipient of the Charles D. Buzzanco Scholarship.

The Charles D. Buzzanco Scholarship provides annual awards to currently enrolled undergraduate students who meet the scholarship requirements. This endowment was created with funds from Laborers Local 603 and Associated General Contractors to provide for the continuing education of union members. Due to the establishment of an educational program on a national basis, they decided to create a scholarship to enable themselves and their children to pursue an education at Edinboro University of Pennsylvania. This scholarship is named for Mr. Charles D. Buzzanco who was Union business manager and spearheaded this development along with Mr. Joe Ruscitto.

Suzanne is the daughter of Roger and Janet Zurawski. She is a graduate of General McLane High School and a marketing major at Edinboro.

Edinboro University of Pennsylvania President Frank G. Pogue (right) is presented the Paul P. Martin "For Service Above Self" Community Service Award of the Greater Erie Community Action Committee by GECAC Executive Director R. Benjamin Wiley at the organization's 30th annual dinner. Wiley said that since becoming Edinboro's president in 1996, Pogue has provided valuable volunteer time and service to more than 15 community organizations, including the Red Cross, United Way, French Creek Council, and the Erie County *Together 2000* Millennium Commission, which he chairs. Said Wiley: "In this community, if you ask the question, 'Where is Dr. Pogue, the answer is – he's everywhere!'" The GECAC Community Service Award is dedicated to the memory and contributions of the late Paul P. Martin, who spent a lifetime in service to the Erie community as an AME pastor and executive director of the Erie Opportunities Industrialization Center. Pogue, like Martin, said Wiley, is a person who has made a difference in the lives of so many... particularly young people.

FOR IMMEDIATE RELEASE:

STATE SYSTEM TO HOLD COLLEGE FAIR

The Pennsylvania State System of Higher Education will host its annual Joint Recruitment College Fair for students in Erie City schools on Monday, Sept. 25, beginning at 9:15 a.m., at the Shrine Club in Erie.

Representatives from the 14 State System universities – along with guidance counselors from Central, East and Strong Vincent high schools and the Collegiate Academy – will be on hand in both morning and afternoon sessions to discuss admissions, financial aid and academic program information.

Edinboro University of Pennsylvania President Dr. Frank Pogue will be joined by Erie City Superintendent of Schools Dr. James Barker to welcome the students and guests at 9:25 a.m.

Admissions officials at Edinboro University said that more than 300 students benefited from last year's Joint Recruitment Program.

The 14 State System of Higher Education universities are Bloomsburg, California, Cheyney, Clarion, East Stroudsburg, Edinboro, Indiana, Kutztown, Lock Haven, Mansfield, Millersville, Shippensburg, Slippery Rock and West Chester. Together they enroll more than 95,000 students across Pennsylvania.

EDINBORO UNIVERSITY ANNOUNCES COMMUNICATION WEEK EVENTS

A panel discussion by the area's top media experts, keynote speakers discussing the latest developments in assistive technology and augmentative communication, and a Careers in Communication Day will highlight Edinboro University of Pennsylvania's Communication Week, September 25-29.

Sponsored by the University's speech and communication studies department, Communication Week presents a series of programs focusing on the scope, significance, practice and effects of communication. Experts from public relations, journalism, broadcasting, the Internet, corporate communication, and speech-language pathology will share their expertise. Renowned broadcaster and businessman Myron Jones will present a keynote address at the Annual Speech and Hearing Alumni Conference on September 29.

Communication Week will begin on Monday, September 25, with an open house and lecture at the Assistive Technology Center in Compton Hall. The lecture at 5 p.m. will feature keynote addresses by Barry Romich, co-founder, chairman and CEO of Prentke Romich Company, and Snoopi Botten, a consumer consultant with cerebral palsy who is a world authority on singing with synthetic speech. The lecture will be preceded by an open house at 2 p.m. and an open lab at 7 p.m. at the Assistive Technology Center.

Tuesday's events will begin at 7:30 p.m. at Edinboro University in Erie – the Porreco Center. A panel discussion on "Political Communication and the Media: A Discussion of Roles

Responsibilities," will feature Bob Lloyd, executive editor for the Times Publishing Company; Dean Pepicello, talk-show host at WLKK-AM; Paul Wagner, senior reporter at WICU-TV; and Terry Warburton, Ph.D., chair of the speech and communication studies department at Edinboro University. A panel discussion will be held following a showing of the Robert Redford film, "The Candidate."

Careers in Communication Day will begin at 9 a.m. on Wednesday, September 27, in Van Houten South Dining Hall. The event is designed for high school students to learn about opportunities in communication professions and how to prepare for them. To attend, students must be registered by their school guidance counselor or principal.

Professional Communication and Media Day will be held on Thursday, September 28, beginning at 9 a.m. in the University Center. The day's activities are designed to explore the challenges and opportunities in a wide variety of communication fields, seek input from communication professionals on current trends and future challenges, and celebrate the achievements and contributions of communication professionals in Northwestern Pennsylvania and the tri-state region. Following welcoming remarks by Edinboro President Frank G. Pogue, Warburton will speak on "The Communication Arts and Sciences at Edinboro University of Pennsylvania: A Vision of the Future."

A panel of communication industry leaders will then discuss "The Voices of Experiences: A Collective Look at What We Are and Where We Are Going." Panelists will include Tal Hinson, chairman and creative director of Tal, Inc. Marketing Solutions; Chris Mead, CEO of Cyberink; Bob Lloyd; Peter Sitter, director of client and market management, Highmark Blue Cross/Blue Shield; and Chris Hagerty, general manager of WLKK and WFNN.

The luncheon and keynote address by Jones will begin at 11:30 a.m. in Van Houten South Dining Hall.

Communication Week will conclude on Friday, September 29 with the Speech and Hearing Alumni Conference. Joan Arvedson, Ph.D., CCC-SLP, director of the speech-language and hearing department at Buffalo Children's Hospital, will present on "Complex Feeding/Swallowing Problems in Young Children." The afternoon session will feature Heidi Harbers, Ph.D., CCC-SLP, assistant professor of speech pathology and audiology at Illinois State University, who will discuss "Clinical Problem Solving in Phonological Assessment and Intervention."

Further information on the Speech and Hearing Conference can be obtained from Char Molrine, Ph.D., at 732-2432. Information on any other activities in Communication Week can be obtained from the Edinboro University Development Office at 732-2992.

NEWS ADVISORY:

Edinboro University of Pennsylvania and the Erie Institute of Technology (EIT) will sign an articulation agreement on Wednesday, September 20, at 2 p.m., 2221 Peninsula Drive in Erie.

Signing the agreement for Edinboro University will be President Frank G. Pogue and Provost and Vice President for Academic Affairs Robert C. Weber. Signing for EIT will be President Clinton L. Oviatt, Jr., and Administrative Affairs Director Annamarie McNamara.

The agreement will allow EIT students who enroll at Edinboro within two years of graduation to transfer up to 18 credits. Students must maintain a "B" or higher for each EIT course. The transferred courses will apply toward credit for Edinboro courses in technical electronics I and II, digital electronics, introduction to microprocessors, technical writing and psychology elective.

Media are invited to attend the event. For further information, contact Dr. Jerry Kiel, associate vice president for enrollment management and retention at 732-5555, ext. 236; or the Edinboro University marketing department at 732-2194.

FOR IMMEDIATE RELEASE:

EDINBORO POSTS LARGEST ENROLLMENT GAIN IN 11 YEARS

Edinboro University of Pennsylvania has enrolled 7,210 students for the fall 2000 semester that began its 2000-2001 academic year, an increase over the last school year's student body by nearly two percent – the largest increase in headcount enrollment since the 1989-90 academic year.

“Shortly after my arrival as president in 1996, I announced that enrollment was the top priority of the university,” said Edinboro President Frank G. Pogue. “Our significant enrollment and retention efforts have since been supported by activities, programs and initiatives that have reflected our university-wide commitment to first stabilizing and then increasing enrollment.”

Pogue said that his goal has been to educate as many citizens as Edinboro's faculty, staff, curriculum and facilities can accommodate: “We have the capacity to serve more of the best students prepared by our high schools, and I'm pleased that our efforts to turn around our enrollment decline are paying off.”

Among the many factors Pogue attributes to recruiting and retaining larger numbers of students are the university's exceptional teaching faculty and support staff, his emphasis on the student-centered concept and philosophy of the “Edinboro Family,” reduced tuition for out-of-state students, new academic programs and majors, inclusive planning and budgeting, enhanced graduate and certificate programming, facilities improvements, and better marketing.

“I've long believed that Edinboro University has the capacity to serve larger numbers of students and that we simply had to change the way we 'do business' to enable new and different groups of potential students to access our services and therefore achieve our balanced capacity enrollments,” Pogue said.

-more-

A member of the State System of Higher Education

“As long as Edinboro University can convince potential students and families that the quality of education it provides is exceptional, as long as we can keep access to education affordable, as long as academic programs needed by students and society are available and are taught when and where they are needed, and as long as students and families are convinced that the educational environment is student-centered, we will remain competitive to serve the enrollment we are capable of serving,” said Pogue.

Pogue said that he will continue to keep enrollment and retention at the top of the university's agenda.

FOR IMMEDIATE RELEASE:

**GERARD E. OHMER ESTABLISHES
NURSING SCHOLARSHIP AT EDINBORO**

Gerard E. Ohmer of Key Biscayne, Florida, has established the Arvilla O. Hill Memorial Nursing Scholarship at Edinboro University of Pennsylvania in memory of his late mother, Arvilla O. Hill.

Although certified as a registered nurse, Hill did not have a degree until she enrolled at Edinboro State College while working full-time as the head nurse of the Erie School District. She graduated in 1954 with a bachelor's degree in nursing, along with earning graduate credits.

This scholarship honors the memory of Hill, who was a determined, hard-working professional. Ohmer also wanted a way to support deserving students who seek better opportunities in the nursing profession at his mother's alma mater.

The Edinboro University Scholarship Program provides hundreds of students with the financial support necessary to complete their education. Students receiving the Arvilla O. Hill Memorial Nursing Scholarship must reside in Erie County, be a nursing major at Edinboro University and exhibit financial need.

FOR IMMEDIATE RELEASE:

**GERARD E. OHMER ESTABLISHES
NURSING SCHOLARSHIP AT EDINBORO**

Gerard E. Ohmer of Key Biscayne, Florida, has established the Arvilla O. Hill Memorial Nursing Scholarship at Edinboro University of Pennsylvania in memory of his late mother, Arvilla O. Hill.

Although certified as a registered nurse, Hill did not have a degree until she enrolled at Edinboro State College while working full-time as the head nurse of the Erie School District. She graduated in 1954 with a bachelor's degree in nursing, along with earning graduate credits.

This scholarship honors the memory of Hill, who was a determined, hard-working professional. Ohmer also wanted a way to support deserving students who seek better opportunities in the nursing profession at his mother's alma mater.

The Edinboro University Scholarship Program provides hundreds of students with the financial support necessary to complete their education. Students receiving the Arvilla O. Hill Memorial Nursing Scholarship must reside in Erie County, be a nursing major at Edinboro University and exhibit financial need.

FOR IMMEDIATE RELEASE

EDINBORO UNIVERSITY INVITES GROUPS TO PARTICIPATE IN PARADE

Edinboro University of Pennsylvania students voted to relive their childhood memories by selecting the theme, "The '80s" for Homecoming 2000. Colorful floats will be decorated to salute the Smurfs, Back to the Future, The Dukes of Hazzard, Ghostbusters and more during the Homecoming 2000 parade that kicks off at 11 a.m., Saturday, September 30.

The Homecoming committee invites interested organizations to participate in the parade. Walking groups, cars, trucks and floats are welcome to become a part of Edinboro University's day of celebration.

The deadline for parade entries is 4 p.m., Friday, September 15. Contact Julie Fedders, Edinboro University of Pennsylvania homecoming chairperson, at 732-2842 to register.
