News Releases, 1954-2016

News Releases:

The news releases communicate events and other happenings concerning the school to local media, including newspapers, radio, and television. They are typically important notices or announcements regarding the campus, students, and faculty.

Topics include commencement, students being recognized, speakers, social events, housing issues, changes in faculty, students receiving scholarships/grants, enrollment, dean's list, academic conferences, student activities, campus plans, messages from administration/president, courses/training, grants the university received, bus service, fraternity/sorority, and faculty appointments/promotions/retirements.
