Bloomsburg: The University Magazine, 1995-

The magazine was published with fall and spring issues each year until 2005, at which point a winter issue was added. In 2020, as scheduling changed, a summer issue was published. From 1995 to Spring 2004, the magazine included the Editor's View, 5-7 stories, a News Notes section, a Calendar, and the Last Word section by Dr. Kozloff. In Fall 2004 the magazine added Husky Notes and Over the Shoulder along with all the previous sections and dropped the Last Word. In Spring 2006, the Editor's View section was replaced by the From the President section. In Fall 2009 the magazine added the On the Hill section. In Winter 2010 the magazine added the M and G section which was replaced by Around the Quad in the next issue, Spring 2010. In Spring 2018 they added the Unleash Your Inner Husky section, changed Over the Shoulder to Then and Now, and added a section on either a Focus on Students or a Focus on Faculty, which stopped in Spring 2019. In Fall 2019 the On the Hill section was replaced with the View From the Top section, and the Common Ground section was also added. In Fall 2022 the View From the Top was replaced with the Athletics section.
