TENNIS OUTLOOK

Predicting the outcome of eight varsity intercollegiate tennis matches to be played by the Bloomsburg squad this year, would be a tough job for anyone. This is the first time in nearly a score of years that the activity has ranked as a varsity sport.

Only two members of the team have had any experience in competition, and none of them have had experience at the intercollegiate level.

Practice began in earnest several weeks ago, and, due to bad weather, the team has had few opportunities to play on the outdoor courts at the Bloomsburg Tennis Club, which will serve as their home base of operations.

Coach Himes has indicated that the squad will proceed with some caution until members are able to gather more experience; however, all seem determined to compile a respectable record despite the "first season" problems.

Home and away matches have been scheduled with four members of the Pennsylvania State College Conference. They include Kutztown, Millersville, Shippensburg, and East Stroudsburg State Colleges.

CRAIG L. HIMES, VARSITY TENNIS COACH

Varsity tennis and Coach Craig Himes are both newcomers to Bloomsburg State College campus this year. Himes joined the faculty in September, 1961, as a member of the Science Department, and shortly after, was appointed tennis coach.

A 1949 graduate of Clarion State College, Coach Himes taught eight years in the South Butler County Joint Schools, a year in the Butler Area Joint Schools, and two years with the Army Dependent Schools in Orleans, France. He also spent a year as a Graduate Research Assistant at the University of Pittsburgh where he earned the Master of Science Degree in Botany in 1957.

While in France, Himes was active in athletics in the role of Assistant Football Coach and Head Basketball Coach. His cagers amassed a record of 19 wins and 7 losses, and finished in fourth place in the European Tournament at Bremerhaven, Germany, in 1959.
