GOLF OUTLOOK 1967

Coach Himes states that this will be a rebuilding year for the Husky golf team. With the loss of five starters from last year's team, Himes will have to look to some untried sophomores in order to post his second consecutive winning season. Last year the Huskies had a 5 win-4 loss record and finished seventh in the Pennsylvania State College Meet.

Missing will be the fine steady play of Alan Beily who was second medalist in the 1966 State Meet before graduating. Willard Bloom, John Kwasnosky, and Jack Vasil also completed their college careers. Terry Walters, a potentially fine golfer, transferred to another college last year. Holdovers from last year include Jim Masich, a regular starter, and Paul Fowler, who lettered as the alternate man of the team.

Four sophomores—Al Fisher, Ron Buffington, Tom Castrilli, and Doug McRoberts—have impressed coach Himes with their varsity potential. A number of other sophomores and juniors have been vying for positions, and by the opening meet on April 15, Himes will have the opportunity to better evaluate their potential.

This has been the worst pre-season weather in a number of years and these candidates have had to be content with working mostly indoors. The caliber of the state college teams is improving each year, and if the weather breaks early enough, this could be one of the best years of competition.

The Huskies will again use the Briar Heights Golf Course near Berwick as their home course. A freshman schedule is again in effect and, with a good group of golfers, the future looks considerably brighter for the Huskies.

GOLF COACH

CRAIG L. HIMES

Craig Himes begins his fourth year in the coaching ranks of B.S.C. He joined the faculty in September, 1961, as a member of the Science Department, and served as varsity tennis coach for the 1962 season. He became golf coach at the start of the 1963 season, replacing Dr. Martin Satz. In 1965, Sports Information Director, Bruce Dietterick, handled the team while Himes was on leave.

A 1949 graduate of Clarion State College, Coach Himes taught eight years in the South Butler County Joint Schools, a year in the Butler Area Joint Schools, and two years with the Army Dependent Schools in Orleans, France. He also spent a year as a Graduate Research Assistant at the University of Pittsburgh where he earned the Master of Science Degree in Botany in 1957. He is currently in his doctorate program at the University of Pittsburgh.

While in France, Himes was active in athletics in the role of Assistant Football Coach and Head Basketball Coach. His cagers amassed a record of 19 wins and 7 losses, and finished in fourth place in the European Tournament at Bremerhaven, Germany, in 1959.

Himes, an astute student of golf, will be advising the team with many valuable points of the game.
