GOLF OUTLOOK 1968

Early practice activity for this year's team has been hampered with the late opening of the Bloomsburg State College home course of Briar Heights. New Coach Jerry Thomas started working his squad in early March in practice areas near the college. With several key members of last year's varsity returning, the hopes of equalling or topping last year's 6-2 record looks encouraging. However, this year's schedule will provide a real test as only three matches are on the home course. Six away matches should give the team a good variety of play and contribute to a strong showing at Hershey May 12 and 13 at the Pennsylvania State College Tournament.

On the basis of last year's performances, it seems certain that Albert Fisher, Jim Masich, and Tom Castrilli will be the nucleus of the 1968 team. Another member of last year's varsity, Ron Buffington, and last year's leading freshman player, John Marshall, also appear to be solid performers for the coming season. The competition for the remaining positions should be among Jeff Hock, Bob Snyder, Warren Frantz (all members of the 1967 freshman squad) and Bob Simmons, former district 13 high school golf champion. Susquehanna University and Kings College, along with Mansfield S. C., head a list of former opponents for the Huskies. Several outstanding freshmen candidates will participate in a schedule of five matches.

Coach Jerry Thomas' excellent knowledge of the game could prove to be a valuable asset to the Huskies this season.
