A Glance At 1980-81

The fall season was another successful one for the Huskies as they registered their seventh straight undefeated record. Dual match wins over Lycoming, Lock Haven, Scranton, Upsala, Haverford, Bucknell, and West Chester upped BSC's undefeated skien to 38 for the fall of the year.

The defending ECAC Division II champs elected to compete in the Division I tourney at Princeton this year and got a solid team performance to finish tenth out of 19 teams. BSC was the only Division II team represented in the competition and hopes to be selected in next year's reduced 16 team field.

One of the strongest fields ever produced some great tennis in the 1980 BSC Invitational. Coach Burt Reese's netmen finished in a fifth place tie with Cornell behind Navy, Penn State, Hampton Institute, and Mercyhurst. Temple and Haverford rounded out the field.

Currently the team is practicing indoors and playing in a variety of tournaments in the immediate area. By the time the spring rolls around, the Huskies should be prepared for another strong schedule.

Newcomers George Washington and Columbia add to an already tough spring dual match slate which will make it difficult to duplicate last year's impressive 22-3 record; a second straight Pennsylvania Conference championship, a fourth place finish in the MSTTA Collegiate rankings; and an eighth place showing at the NCAA Division II tournament. But, with five of the top six returning the Huskies should continue their winning ways competing against ten Division I, eight Division II, and three Division III schools.

Coach Burt Reese

This will be the 13th spring season for Burt Reese and it should be another good one. He has compiled a record of 149-58 for a 72% winning average against some outstanding competition. The Huskies' boss was selected as "Coach of the Year" in the Pennsylvania Conference the past two years as well as 1977.

Reese, a native of Taylor, PA, earned both his Bachelor of Science and Master of Education degrees at East Stroudsburg State College where he co-captained the tennis and basketball teams. While working on his master's degree, he helped coach the tennis and basketball teams as a graduate assistant. He then joined the faculty at Old Forge High School, where he was an assistant football and basketball coach. He moved on to Abington Heights High School and served as athletic director and initiated and coached varsity tennis to a 45-6 record before coming to BSC.

During the summer he is a teaching professional and is active as a player and official in the Middle States Tennis Association. This year he holds down the #14 spot in the men's singles rankings and in the past has been a member of one of the top three doubles teams several times. As an official he is currently the chairman of the selection committees for "High School Coach of the Year" in Central Pennsylvania and "Club of the Year" in the entire MSTTA.

Player Profiles By Coach Reese

MARTY COYNE

Marty Coyne - Sophomore - Hazleton. Marty worked hard on his game this summer and it paid off in the fall as he moved into the #1 spot. He won the #4 singles crown in the Pennsylvania Conference and teamed with Diehl to capture the #2 doubles title. Self-taught player, his game was improved by nationally ranked senior Lorraine Sharp and when the intensity is there, is very difficult to beat. Fall record: 8-2; Major: Business Education; Career record: 34-6.

KEN GROVE

Ken Grove - Senior - Spring Grove. Ken is finishing up one of the top careers ever at Bloomsburg. Has been exceptionally tough over the years in tournament play. During three conference championships, he has won five titles (3 singles and 2 doubles). Last year was one of two BSC players invited to the NCAA Division II national tourney in St. Louis. If Ken has the kind of spring he had a year ago, he will be a "can't miss" for the 1981 national tournament. Fall record: 8-2; Coached in high school by Gary Gault; Major: Accounting; Career record: 65-31.

CRAIG DIEHL

Craig Diehl - Junior - Spring Grove. Has gotten better every year. This past summer Craig played well enough to earn himself a spot among the top 25 in the Middle States Tennis Association's men's rankings. He has now won two singles and two doubles titles in the Pennsylvania Conference and has a chance to become the first player to sweep if he can keep the streak alive this spring. Won the "B" division consolation at the ECAC Division I tourney. Also coached in high school by Gary Gault. Fall record: 9-2; Major: Accounting; Career record: 59-16.

DAVE SUPERDOCK

Dave Superdock - Sophomore - Bloomsburg. Is the most improved player on the team. Dave has picked up a strong serve/volley game and has lost the tentativeness he possessed last year. He won a Pennsylvania Conference title at #6 singles last year and is expected to do the same at #4 this season. Doubles game has vastly improved as he moves into the lineup as Ken Grove's partner. High school coach was Glen Spaid. Fall record: 7-2; Major: Pre-med; Career record: 30-7.

BRETT BRISCOE

Brett Briscoe - Freshman - Richboro. New kid on the block and is a fine player and welcome addition to the team. He has all the tools to be very good and is currently ranked 17th in the Boy's 18's in the MSTTA with one more year to go. Doubles games is very mature for a freshman. Brett was coached in high school by Russ Struble at Council Rock. Fall record: 7-3; Major: General Studies; Career record: 7-3.

TIM BLANCHARD

Tim Blanchard - Junior - Towanda. No high school team to play on; he has worked very hard in college to get to the level of play he is at right now. Tim has a strong desire to win and has pushed his way into the top six. Currently he is teamed with Briscoe to form a strong #3 in doubles team. Fall record: 8-2; Major: Management; Career record: 18-8.

STEVE BLECHSCHMIDT

DAVE WILLIAMS

CHUCK TIRENDI

JOHN PETRIELLO

JOE LESKO

JIM KRAUSE

Steve Blechschmidt - Junior - New Holland. Steve had a good spring season a year ago playing at numbers five and six. A notoriously slow starter, by this spring he should make a move toward the top six. He is the only player to ever go unbeaten on our southern trip. Major: Computer Science; Career record: 15-3.

Dave Williams - Senior - Dallas. Dave has become a better player each year. If someone falters in the top six, look for him to move into the lineup. He is a very steady player who is difficult to beat. Major: Accounting.

Chuck Tirendi - Senior - Philadelphia. Good player who may still become a top six competitor. He can definitely compete at that level, but academic commitments have slowed his tennis progress down. Major: Pre-med.

John Petriello - Senior - Scranton. First year on the team; too bad he is a senior because he has made tremendous advances in his game. John's best tennis years are still ahead of him. Major: Accounting.

Joe Lesko - Sophomore - Center Valley. Good player who won a District II doubles title in high school. Probably still one year away from being a strong factor in top six competition. High school coach was Tom Nonnemacher. Major: Management.

Jim Krause - Junior - Newtown. Former all-conference player in the community college league. Jim is a good player and fine person that gives the team the depth it needs to be successful. Major: Special Education.
