MEN'S TENNIS

1985

1985 Spring Outlook

The Huskies return all but one of their top eight players from last year. Added to this will be a player coming off the injured list that will be playing at the #1 or #2 position, and a freshman recruit that will add depth. All this should give the team the strength needed to improve on last year's 19-11 dual match mark.

The fall season proved that the team can be very strong in dual matches (7-0). This extended their fall winning streak to 61 consecutive wins. But, tournament play proved to be the Huskies undoing as they finished last in two eight-team fields. Both the Bloomsburg Invitational and the Navy Tournament were loaded with strong NCAA Division I teams, but if the Huskies are to live up to expectations, they must be able to compete at that level.

The schedule for the spring, although possibly not as strong as in the past few seasons, will more than test the young team. The match slate includes nine Division I opponents, as well as two perennially strong Division II squads in Hampton University and Mercyhurst, along with the Pennsylvania Conference opposition.

Coach Burt Reese's unit will be out to achieve three major goals as the season rolls around with the annual "southern swing" in mid-March. In addition to a "solid" dual match record, BU will be seeking to win its sixth PC title in the last seven years in addition to having one or more players earn an invitation to the NCAA Division II Championships for the seventh time in the last eight years.

Coach Burt Reese

Burt Reese is entering his 17th season at the helm of the Huskies. In his previous 16 years, the team has compiled an enviable record of 227-93 for a .710 winning percentage.

He is currently the regional chairman for the East Region on the NCAA Division II Tennis Committee. He is also an active member of the Intercollegiate Tennis Coaches Association.

In the Pennsylvania Conference, Reese has coached 38 singles and doubles champions and five of the last eight seasons has been chosen as the PC "Coach of the Year." In 1981, he was selected as the Central Pennsylvania Tennis Association "Coach of the Year." In 1983, he added another credential to his long list of accomplishments when Dave Superdock and Marty Coyne became Bloomsburg's first tennis All-Americans.

Reese, a native of Taylor, PA, earned both his Bachelor of Science and Master of Education degrees at East Stroudsburg State College where he co-captained the tennis and basketball teams. While working on his master's degree, he helped coach the tennis and basketball teams as a graduate assistant. Then he joined the faculty at Old Forge High School, where he was an assistant football and basketball coach. He moved on to Abington Heights High School and served as athletic director and initiated and coached varsity tennis to a 45-6 record before coming to Bloomsburg.

He had been ranked among the top ten singles players in the Middle States Tennis Association and was a member of the top three doubles teams several times in the past.
