

BLOOMSBURG UNIVERSITY

MEN'S TENNIS 1988

1988 Spring Outlook

The Huskies will be seeking their 17th consecutive winning season as the 1988 spring gets underway in early March. The team has racked up some pretty impressive numbers under veteran head coach Burt Reese and could have the best ahead of it as Reese appears to have assembled one of his most talented units yet.

About the only negative aspect that resulted from a torturous fall schedule was the end to a fall dual match winning streak that had reached 70 straight victories. Once again, Bloomsburg competed against many of the East's top NCAA Division I squads and the results indicate trouble for the Huskies' upcoming opponents on the spring slate. The unit finished with an abbreviated dual match record of 3-1 and fared well in the Bloomsburg and Navy invitationals, while dominating play in other events including the Millersville Invitational and the Rollex Small College Eastern Regional.

Junior captain Mark Billone won the title in the Rollex tourney and earned a trip to the national championships as one of eight representatives from throughout the country. Several other individuals and the Huskies' doubles teams turned in fine efforts. Sophomores Matt Quigley and Dave Gilbert were finalists in the Rollex regional and the teams of Billone/Marc Lupinacci and Roly Lamy/Lance Milner picked up several key wins during the fall.

Billone had the most wins in singles action with a mark of 12-4 followed by Lamy at 11-3 and Milner was 11-4 along with Lupinacci, who finished with a 10-3 record.

The Huskies will cap the 30-match spring schedule by seeking their seventh Pennsylvania Conference title in the last 10 seasons. In addition, the club which is rated 14th in the NCAA's preseason Division II poll will be attempting to secure the club's first team invitation to the national championships. Bloomsburg has had individual representatives in the tournament in eight of the last 10 years.

Coach Burt Reese

Burt Reese is entering his 20th season at the helm of the Huskies. In his previous 19 years, his teams have compiled an enviable record of 272-121 for a .692 winning percentage. He is currently the regional chairman for the East Region of the NCAA Division II Tennis Committee. He is also an active member of the Intercollegiate Tennis Coaches Association.

In the Pennsylvania Conference, Reese has coached 54 singles and doubles champions and has won five PC "Coach of the Year" awards. He has been selected "Coach of the Year" in the Central Pennsylvania Tennis District, and this year he was the recipient of the NCAA Division II national "Coach of the Year" award. In 1983 he added another credential to his long list of accomplishments when Dave Superdock and Marty Coyne became Bloomsburg's first tennis All-Americans.

Reese, a native of Taylor, Pa., earned both his Bachelor of Science and Master of Education degrees at East Stroudsburg State College where he co-captained the tennis and basketball teams as a graduate assistant. Then he joined the faculty at Old Forge High School, where he was an assistant football and basketball coach. He moved on to Abington Heights High School and served as athletic director and initiated and coached varsity tennis to a 45-6 record before coming to Bloomsburg.

He has been ranked among the top ten singles players in the Middle States Tennis Association and was a member of the top three doubles teams several times in the past.
