

# **CROSS COUNTRY 1977**

**ALL-AMERICAN STEVE EACHUS**

# **BLOOMSBURG STATE COLLEGE**

## OUTLOOK

Coach Clark Boler, in his second year as head mentor, has set goals with the team members for improvement on last season's record and finishes in invitational meets.

This season could be the best team Bloomsburg has had in the past few years. Steve Eachus, who placed fifth in the Pennsylvania Conference championships, second at the IC4A's in New York City, and ran to an All-American eighth place in the NCAA Division II championships in Springfield, Missouri, last year, will be leading the Huskies on their crusade this fall.

The team finished sixth in the PC last year, the best the team has ever done in the conference, and finished a respectable ninth out of 38 teams in the IC4A competition last year. With these accomplishments as well as a young team, the Huskies have the potential to better their marks of previous seasons.

Other runners to be counted on this year will be returnees Mark Bond, Bob Kantner, Chuck Mannix, Stan Cohen, Scott McCorry, John McKeever, John Mull, Rob Wintersteen, along with some promising in-coming freshmen.

"We have a particularly tough schedule," states Boler, "only two of our meets are home. In addition to our regular state college competitors, we meet a number of other strong opponents. If we stay healthy, we should be in good shape by the time of the conference championships."

## HEAD COACH

**Clark Boler**, a member of the Health and Physical Education staff since 1968, is in his second year as cross country coach. In addition to his teaching duties, Boler is the head baseball coach and runs a fall program. He was also an assistant football coach at BSC for eight years and for

a number of years has been a qualified PIAA official.

A native of Northport, Alabama, he was a member of the 1961 National Championship Football team at the University of Alabama and a relief pitcher in baseball for the Crimson Tide. He also earned his master's degree and AA certification from that university.

Boler previously was a head baseball coach, assistant basketball coach, and assistant football coach at Gadsden High School in Alabama. He has also served as a player/coach for three years in semi-professional basketball as well as participating several years in YMCA leagues where he was quite successful.

## ASSISTANT COACH

Assistant coach **Jeff Brandt**, a senior and former BSC Harrier who has completed his eligibility, will be assisting Coach Boler this fall.

He was a team captain in 1974 and 1975 prior to running in the first position on the 1973 team. He placed high at the Pennsylvania Conference championships in 1975 and 1976 to help the team finish seventh and sixth respectively in that competition. He was also instrumental in helping the Huskies finish ninth in the 1976 IC4A's meet in New York City and individually placed 29th in the noted Berwick Marathon in 1976.

His experience as a captain and participation in the Bloomsburg chapter of Fellowship of Christian Athletes well qualifies him to convey leadership to the Husky thinclads.
