SOCCER 1988

1988 Season Outlook

Bloomsburg University soccer coach Steve Goodwin is hopeful the experience his club gained in close games last year will help the Huskies prepare for the upcoming season. BU posted an 8-9-1 overall record and was 2-3-1 in the Pennsylvania Conference Eastern Division under Goodwin but dropped four of five overtime games including three in divisional action. The squad was 4-3-1 against all conference foes including a 1-0 decision over conference champion and NCAA tournament participant Lock Haven.

The return of eight starters gives the squad a good base upon which to build, and defense should be the Huskies' strong point. Goalie Keith Cincotta improved greatly during last season and was credited with three shutouts including the Huskies' 1-0 triumph over PC champion Lock Haven.

All-conference and first team all-regional selection, midfielder Jerry Crick and back Alfred McKenzie will help keep the pressure off the Huskies' goal and give the offense opportunities to score. Last season, the unit had 30 goals which equalled the opponents' total. Karl Alexy gives the club a second solid player to complement Crick in the middle and help the transition game. In addition, the steady improvement of Ken McAdams in the midfield should make it the strongest group on the field.

The replacement of two of the squad's lead scorers, Kurt Schmidt will be necessary if the Huskies hope to better their offensive attack, but Jack Milligan should provide a lot of firepower on the front line. The youth of last year's team enabled Goodwin to use many combinations and give his team valuable playing time.

Improved depth helped the 1987 team, and Goodwin hopes the addition of talented freshmen will again push the veterans as they face a tough schedule with no less than six NCAA Division I opponents in the 19-match slate.

Head Coach Steve Goodwin

Steve Goodwin is entering his fifth season in charge of the Huskies and has developed the club into one that must be reckoned with in the Pennsylvania Conference (PC). The coach's rebuilding efforts at BU are quite evident as his teams in the last two years have won 19 games leading to a four-year mark of 25-42-2.

Goodwin, an instructor in the Health, Physical Education, and Athletics Department, graduated cum laude from East Stroudsburg in 1979 where he was a varsity letterwinner in soccer for three seasons. He earned his master's degree at Ohio University.

Top 1988 Veterans

Keith Cincotta - sophomore

Gained valuable experience as the Huskies' starting goalie in his first season with the club a year ago. Registered 85 saves while allowing 27 goals in 18 games for an average of 1.5 goals per contest. The year's experience should make it extremely tough for opponents to get the ball past him.

Jerry Crick - junior

Has earned All-Pennsylvania Conference recognition in each of his first two seasons with the Huskies. Leads a strong group of performers in the Bloomsburg midfield area and is definitely one of the conference's best. Scored three goals and assisted on three others last season while earning first team all-regional honors as well.

Karl Alexy - junior

Another of the squad's talented performers at midfield. Uses his size to his advantage and his steady improvement over two seasons should be a real boost to the Huskies' transition game. Helped some at the offensive end with two goals a year ago.

Ken McAdams - sophomore

One of several freshman who saw a lot of playing time last season. Versatility and athletic ability are his biggest assets and allow him to contribute either in the middle or on the outside for the midfield corps. Assisted on two goals last year.

Alfred McKenzie - junior

Changed positions and has spent the last two years at sweeper where he has become one of the conference's top performers gaining All-PC and all-regional honors last season. A solid back who adds to a touch defense. Scored once last year and assisted on another goal.

Jack Milligan - junior

Has been one of the team's scoring leaders in each of his previous two seasons with the Huskies. Gives the Huskies a strong threat up front after scoring four goals and registering five assists last season. In his two years on the squad, he recorded 12 goals and nine assists.
