Road Up To Campus

At first glance, we see on the opposite page a beautiful tree-lined road, leading to an attractive campus filled with gracious buildings and magnificent trees.

Look again. This is a road to knowledge and service. Within these buildings we are guided through knowledge into the service of educating our fellow man.

A beautiful tree-lined road, yes, but also the road to knowledge and the service of humanity.

DEDICATION

For her untiring service to our college, her maintenance of high standards, resourcefulness in initiating new ideas, and her unfailing, sincere interest in aiding the students, we, the class of 1959, dedicate our yearbook, with highest esteem, to Dr. Etta C. Skene.

Dr. Skene came to Shippensburg in 1942 as Chairman of the Business Education Department. Under her leadership, the department has grown from two teachers to six; from 125 students to 309; from a scanty curriculum to one of the best Business Education curricula in the Commonwealth. In July 1959, after the summer pre-session, Dr. Skene will retire.

In 1957 she was given the award as "The Outstanding Business Education Teacher in Pennsylvania." She is known throughout the nation for her collaboration in "Teaching Principles and Procedures for Gregg Shorthand," and her various articles for business education yearbooks, business education quarterlies, and other magazines.

Dr. Skene plans to reside in New Jersey, pursue her hobbies, travel, read and perhaps teach. Dr. Skene expresses her philosophy in this way, "I know of no better way to help others than to teach, and in retirement I wish to carry along this same philosophy."

Dr. Etta B. Skene

Gilbert Hall, familiarly known as the Business Building, was built in 1912 as the campus Laboratory School. In 1946 it was converted to its present use, and has been serving as the home and producer of our Business Education majors.

To the Frosh

Do you remember the days you scurried across campus wearing your dinks and signs, and feeling slightly lost? Those days are dim memories now, and we have seen a great change in you. We have noticed your progress from strangers to integral, important parts of our campus life. We welcome you, and we'd like to say we're proud to have you here.

FOOTBALL

It took the Red Raiders of Coach Jack Roddick a while to get started, but once they did, they played tremendous football and finished the season with four wins and four losses.

Without a doubt, the highlight of the season was the West Chester game, played on a damp October afternoon before 3,000 partisan fans. Although Shippensburg lost 40 to 20, West Chester's players agreed after the fray that it was their toughest game of the year.

The power of the conference had dropped only one game, to powerful Villanova, and they were running over opponents by wide margins. They were first in the nation's small colleges in defense and only Villanova had scored upon them. But Shippensburg rolled up 203 yards on the ground and added 202 in the air. Burns ran for 157 yards in 10 carries, scoring one touchdown on a 97-yard scamper in the second period.

Shippensburg lost a tough one in the season opener at Bloomsburg. The Huskies reversed the Raiders 20 to 19 with an accurate passing game and a gruelling ground attack. Sid Wells, Ron Rock and Bob Gribble scored for the Raiders.

With John Freeland cracking the line with a one-yard plunge, Shippensburg scored a fourth-quarter touchdown that enabled them to score a 10 to 6 victory over Shepherd College on Parents' Day. Harold Hopple kicked a 20-yard field goal in the first period.

At East Stroudsburg, Shippensburg recorded their first conference win with a 14 to 0 victory. Ted McGee passed for the first score and plunged for the second.

California, the conference champ, spoiled the gala Homecoming Day celebrations for the Raiders with a 19-0 spanking on Heiges Field.

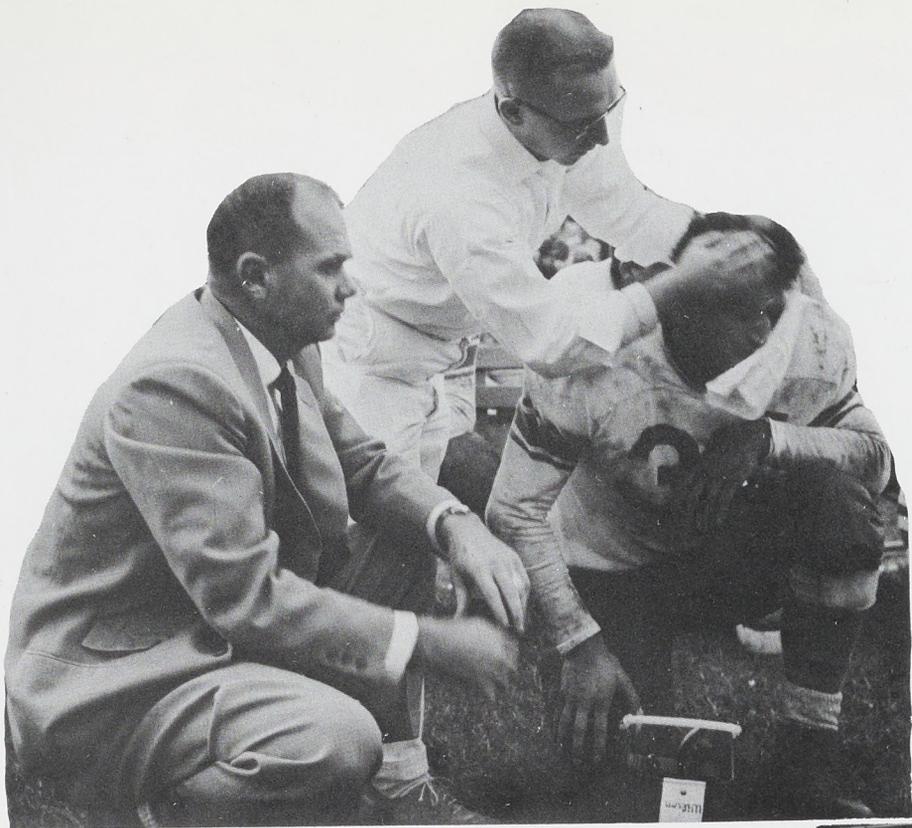

The inability to score also cost Shippensburg the Clarion game as they blew scoring chances and took a 12 to 7 defeat on the Clarion campus. Burns scored for Shippensburg on a 45-yard punt return.

After the West Chester game, Shippensburg went on the rampage, defeating Cheyney 50 to 13 and humbling Mansfield in the season final, 54 to 6.

Senior co-captain, Don Trexler, climaxed a brilliant four-year career by being selected to the first-team all-conference eleven. He was also selected by his teammates as the team's outstanding lineman. Bob Gribble won the outstanding back award.

HOCKEY

Hockey season at Shippensburg was not a victorious one but the girls played hard and have learned to use their skills with more proficiency. This year the team had only one Senior member, Norma Dungan. Norma has played Varsity hockey since her freshman year, and this year was co-captain of the Raiderettes. The other co-captain was Roxie Diller Gray, a Junior. The remainder of the team should all return next year, and with this past year's experience they should work together quite well. The Varsity and Junior Varsity teams were under the supervision of Miss Helen Kraiss.

The intramural program, primarily "green horns" and the more advanced beginners, is under the supervision of Miss Henderson. Both coaches work hard and do a fine job inspiring the girls to better playing and sportsmanship, which is really the ultimate goal of all the sports programs.

BASKETBALL

It was an exciting year for Coach Tom Crist and his Red Raider basketball team as they smashed records with some of the finest team play ever displayed on the hardwoods of Alumni Gym.

With 14 victories & eight defeats, Shippensburg recorded the most victories in one season in the history of the hoop sport at S.S.T.C.

John Scott, considered by many as one of the most outstanding players to wear the Red and Blue, set individual records as he tallied 392 points at an average of almost 18 points a game.

Only one senior, Jim Alter, played on the Red Raider squad this season. Alter was effective often during the year with his deadly one-hand set shot and aided in the rebounding department. With a good freshman club, however, Coach Crist should have little trouble finding a replacement for his starting five.

Shippensburg found the out-of-conference foes a little easier than the league opponents. Shippensburg recorded eight wins in 14 league contests while they dropped only one decision in eight non-conference battles.

Highlights of the season were in the exciting victories scored over such favored opponents as the University of Baltimore, Juniata, Mt. St. Mary's, and Indiana.

Coach Crist rotated six men in order to play his fast-breaking game. After Scott, Donald Thorn, Galen Linn, Galen Wyrick, and Alter rounded out the starting five. Sixth man on the team was diminutive Ted Woods. At five feet, six inches, Woods was the shortest player on the court in every Shippensburg game. But what a shot! His long one hand stabs from anywhere on the court broke many a Shippensburg game wide open.

Under freshman Coach Keith Hess, the freshman team compiled a 13-win-and-4-loss log.

Dolores Radakovich, *Historian*

"And all of time is today"
The pit of Rome's decay
The Oratory of a Socrates disciple,
The crucifixion of a Carpenter,
The sleepless hours of a
Nameless baritone, a tired poet.
Nothing is past that is not here
For us to see, to look at
And say "From this I will learn.
Because of this my song will burn
A deeper scar or burn a brighter flame.
From this will I learn. For this I came
To be."

Through the countless arch's of Ulysses
We all must pass continually.
Today — here is one constructed
From the fibers of the mind,
A seed planted, a meteor set
To mark a path or fall unknown.
We grow and yet continue to grow
But we reap not alone the seed we we sow . . .
For it scatters according to the force,
Its path is grooved according to the channel
That we set. The design we paint
Will figure someone else's memory
For this today and all of time to be.

The planted seed will blossom
If scattered when the wind is fresh
And the earth is fertile.
But look to the seed you sow.
We are all of time's tomorrows
And if we teach the world as flat,
Decayed and ruthless what is there
But sharp defense for a generation
That will see only yesterday
For in the dark night of the blind
Is a loss to see the power of the mind.
So look to the seed you sow
And to the sky and the earth
Before you give the mind freedom
Of new birth.

EDITORIAL

By this time you have probably arrived at a conclusion concerning the merit of this year's publication of *The Cumberland*. What I have to say will not change your mind, and that is not the purpose of this editorial.

Shippensburg State Teachers College is in the midst of a transitional period. This transition involves the academic program, social activities, and the most striking feature, the changing of the general appearance of the college campus.

With these changes have come problems. Some of the problems have been solved, some are in the process of being solved, and others have no definite solution in sight.

The publishing of the yearbook at Shippensburg has also created many problems. These problems involve adapting a publication to accommodate twelve hundred students where only half that number were enrolled a few years ago.

In this publication flaws may perhaps be found, but in its own way it tells its story. Our greatest handicap was lack of space. We hope this edition of *The Cumberland* points the way for a "big" school annual at S.S.T.C.

My thanks to the people who believed in this book and did something to help it. They often did the work of many people, merely because they had no other choice.

Tony Delzingaro, *Co-Editor*

JUNIOR PROM

COMMONWEALTH OF PENNSYLVANIA
 DEPARTMENT OF PUBLIC INSTRUCTION
 STATE TEACHERS COLLEGE
 SHIPPENSBURG, PENNSYLVANIA

TO THE CLASS OF 1959:

When you came to Shippensburg in September 1955 it marked the beginning of an expansion program for the college. More freshmen were admitted than ever before in the history of the college. The faculty has increased. The acreage of the campus has practically doubled. With all this we believe and we hope that the spirit of Shippensburg has been preserved.

A considerable number of you entered after September 1955 and accelerated your program of studies so that you could enter the teaching profession earlier. This is a new trend and we have tried to cooperate with your desires in this respect.

During your student generation you have seen the college recognized in the field of sports. Championships have been won in football, baseball, and track. The Slate and The Reflector were recognized in intercollegiate judging. Television programs were produced on a regular schedule. The center of the campus moved north as Krimer Hall came into use and the quadrangle began to develop. All these things have enhanced your college career.

As alumni I trust that you will accept change in your life as well as at your Alma Mater. New buildings, new faculty members, new curricula are all in prospect.

May you have success in your endeavors and may you return to your Alma Mater with respect and loyalty in the years to come.

Cordially,
Ralph E. Heigler
 Ralph E. Heigler
 President

ALMA MATER

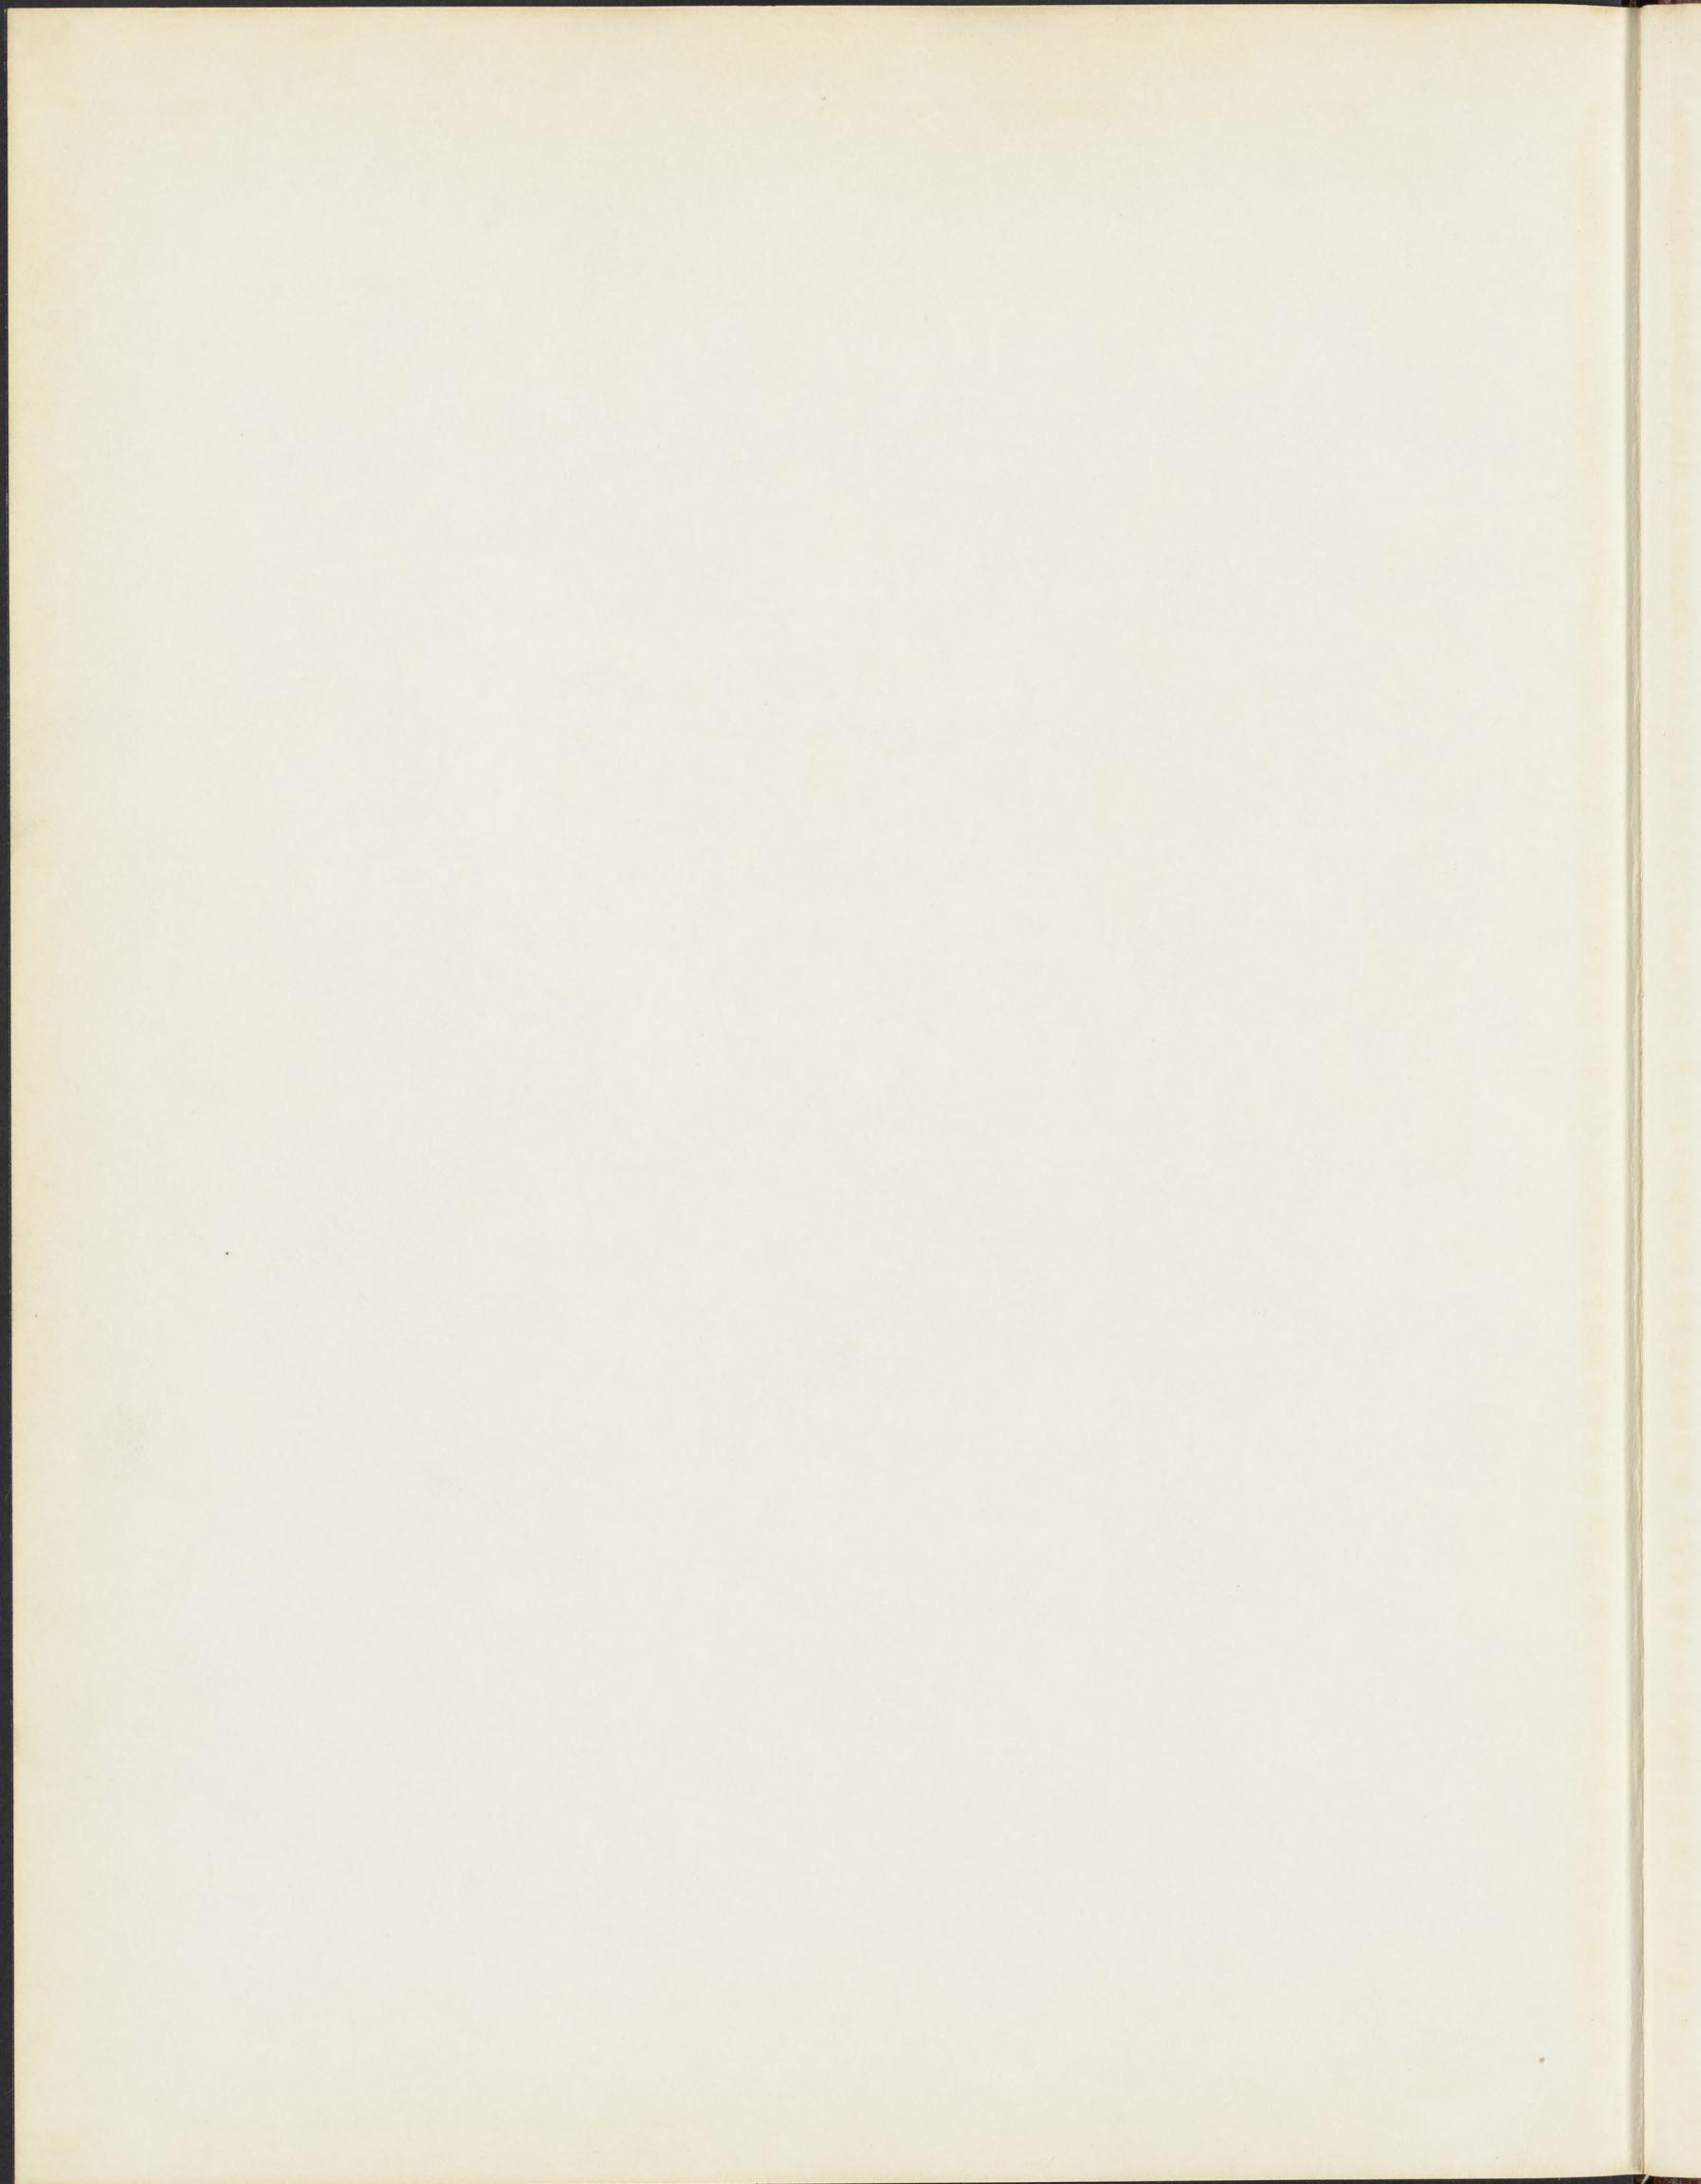

*In the dear old Cumberland Valley
'Neath the glowing sky
Proudly stands our Alma Mater
On a hilltop high*

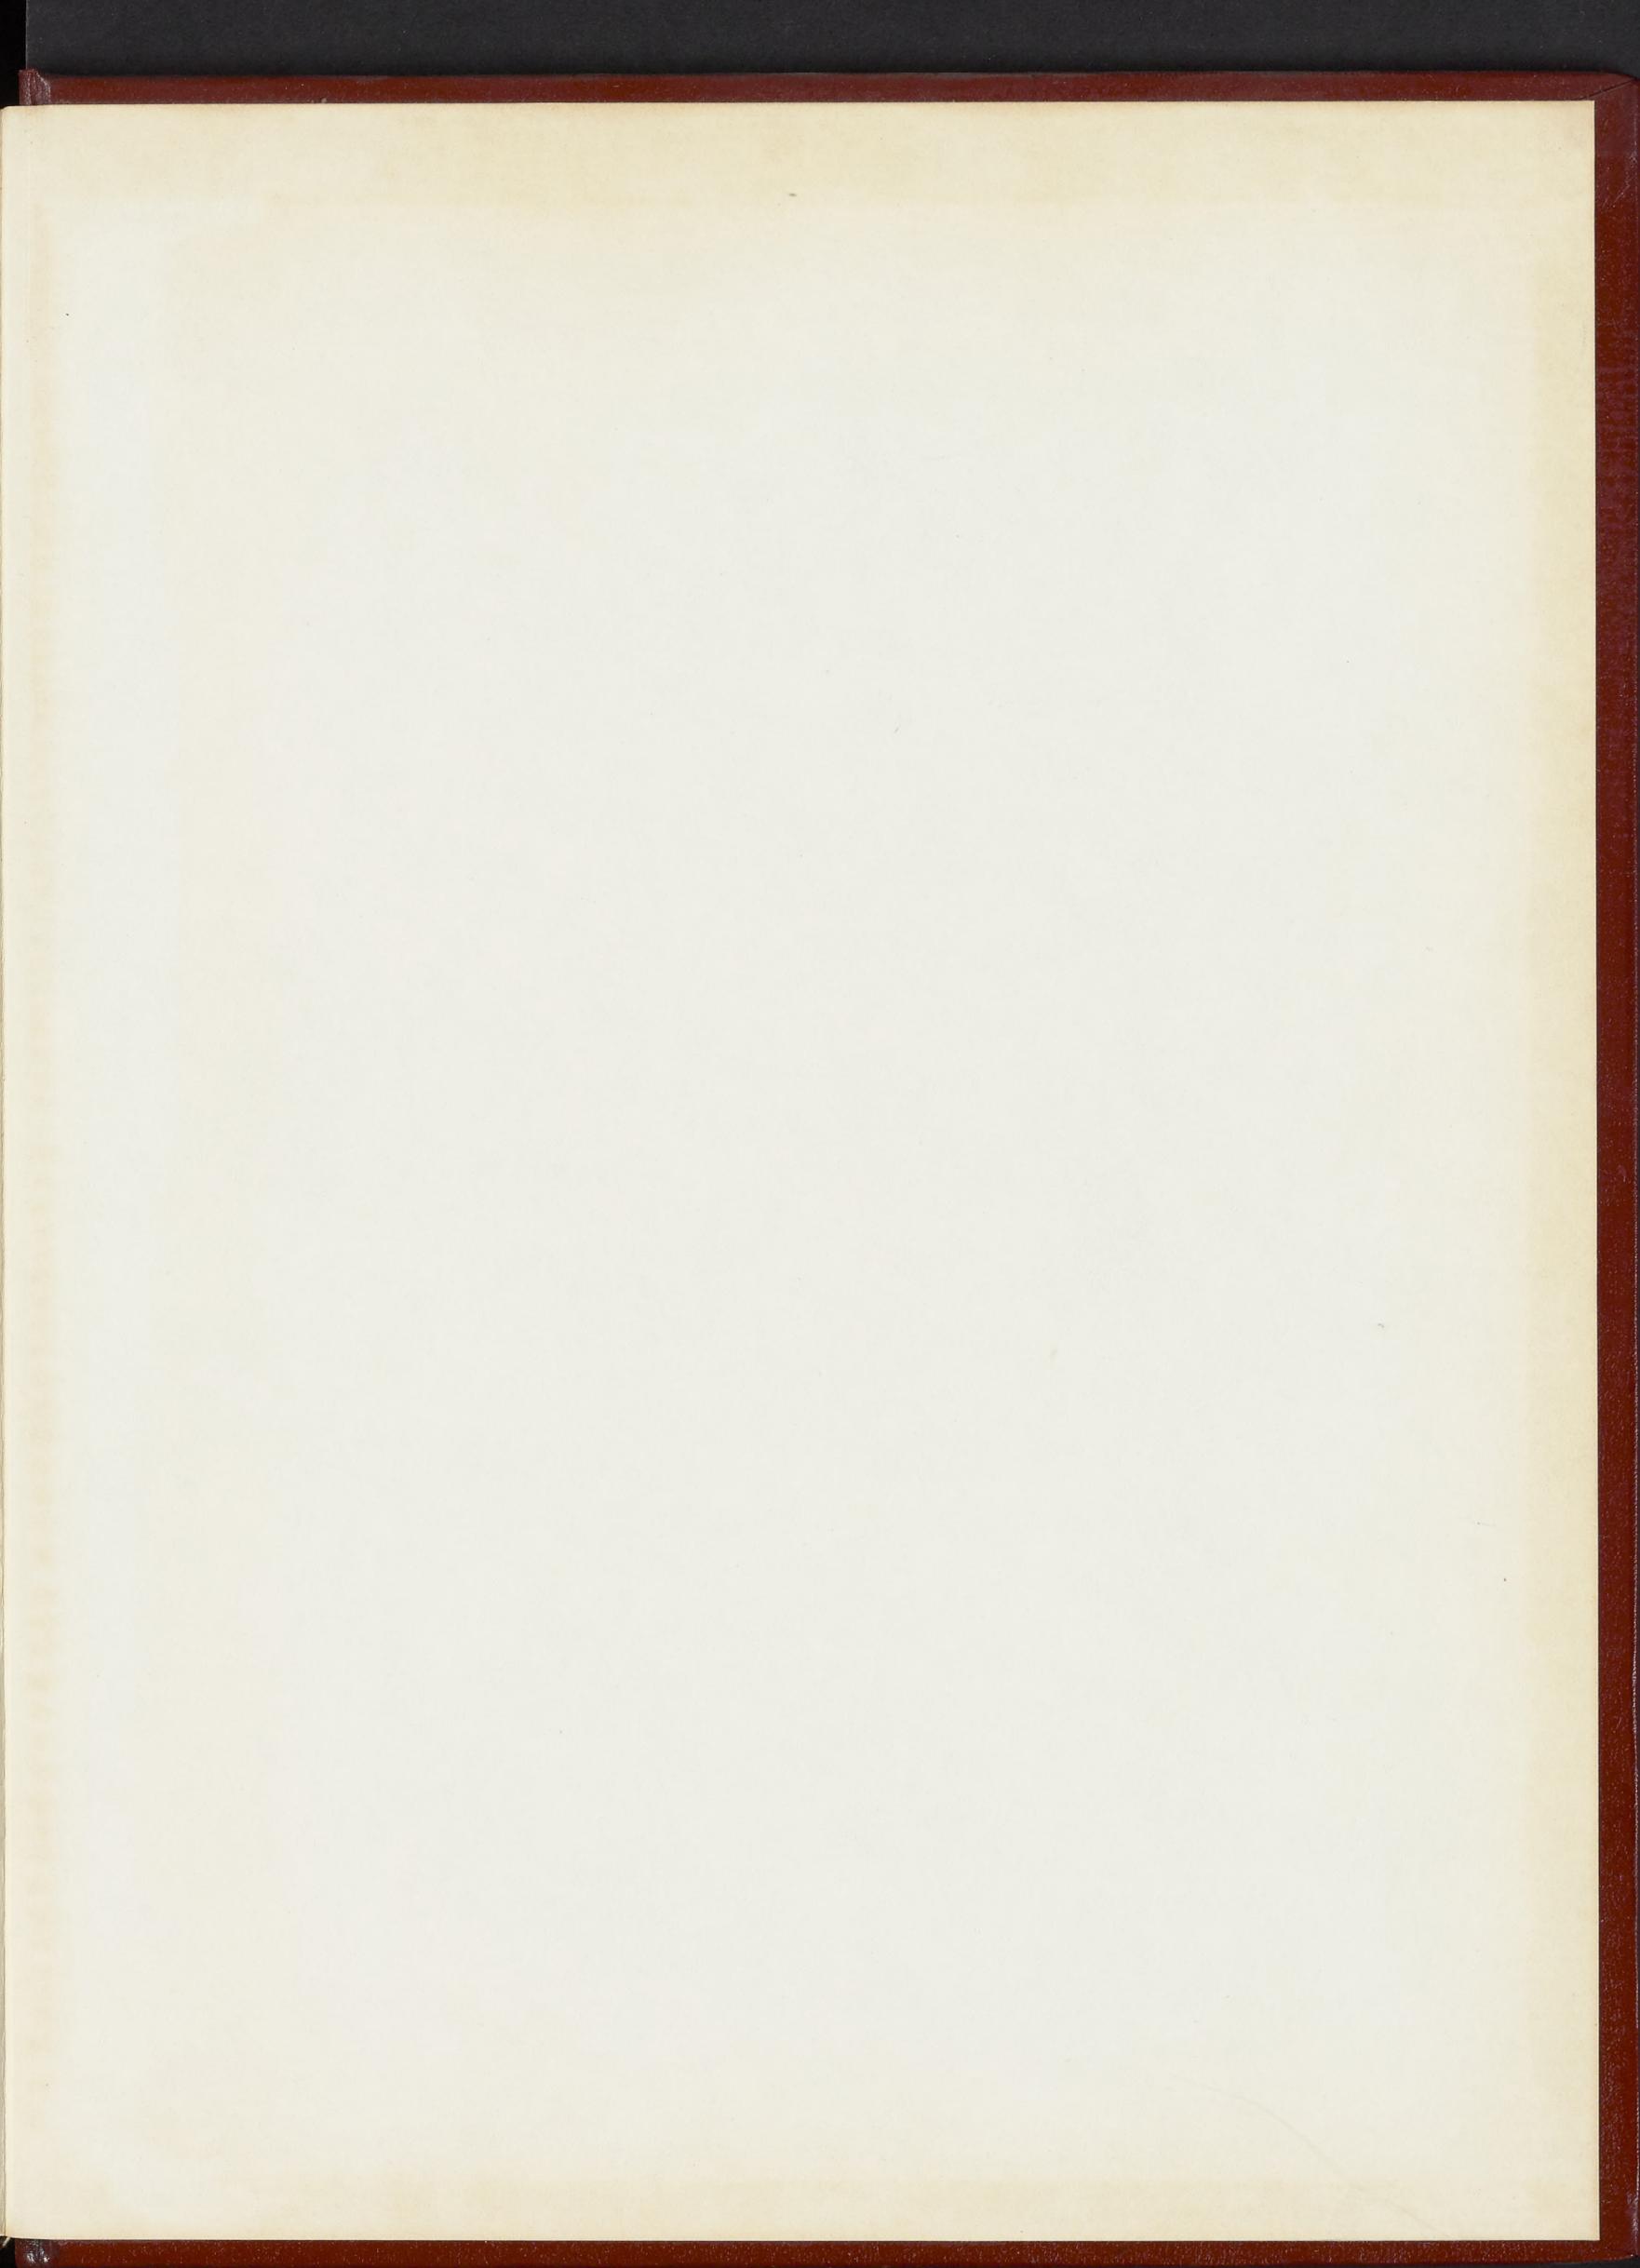

CHORUS

*Swell the chorus ever louder
We'll be true to you
Hail to thee our Alma Mater
Dear old Red and Blue
'Mid the waving golden cornfields
Just beyond the town
Stand the ivy-covered buildings
As the sun goes down
When we leave our Alma Mater
We will praise her name
Ever live to raise the standards
Of her gloriuos fame.*
