Ralph E. Heiges

Dr. Ralph E. Heiges came to Shippensburg State College as Dean of Instruction in 1955 and was named President of the college the following year. As a boy, he lived many years on the campus while his father was Dean of Instruction. He was graduated from Shippensburg State College in 1922, and received his B.A. degree from Ursinus College and his M.A. and Ph.D. degrees from Columbia University. During his administration, physical facilities have been greatly expanded, the enrollment has been doubled, and graduate and liberal arts programs have been established. Dr. and Mrs. Heiges live in a beautiful three-story brick house on the southwest corner of the campus.

TO MEMBERS OF THE CLASS OF 1963:

As you come to the end of your college career you can feel that Fortune is smiling on you from several directions. Society is anxious to welcome the educated person as a worker and the economic climate is good.

On the other hand your lives are likely to be affected by the necessity of a continual adjustment to change. While a student at Shippensburg State you became accustomed to adjusting to change in that we had an increasing number of students, additions to the staff, and shifts in your living accommodations. Scheduling procedures were automated, the dining room went on double shift, electives were added in various departments, and fraternities and clubs activated. These are all symptoms of the times and predictions of things to come.

Shippensburg State is proud of her alumni and their accomplishments. Members of the Class of 1963 will add luster to her name. Good luck!

Cordially,

Ralph E. Heiges

Preparing students for teaching in the elementary field is the work of the Elementary Education Department, headed by Dr. Dilys M. Jones. The department is housed in Rowland Hall, adjacent to the Rowland Laboratory School. The laboratory school contains one class of each of the six elementary grades. The staff, headed by Mr. Frank L. Hair, supervises the training of the many elementary majors student teaching in the school.

A course of study in library science has recently been added to our curriculum offerings. The Library Science curriculum, headed by Miss Kay McFarland, has just been accredited for both elementary and secondary students.

Frank L. Hair, B.S., M.Ed., serves as principal of the Rowland Laboratory School.

Emphasizing a keynote of our education process — professionalism — is the faculty of the education department. Under the instruction of these people the students gain an insight into the practical use of the contents of their courses. Actual subject material comes alive as we learn workable methods of instruction and handling of our future pupils. Dr. Arthur M. Atkinson fills the head chair of this department that also includes psychologists, educators, and audio-visual instructors. A former George Washington University professor, Dr. John Brougher, joined our capable staff just this year.

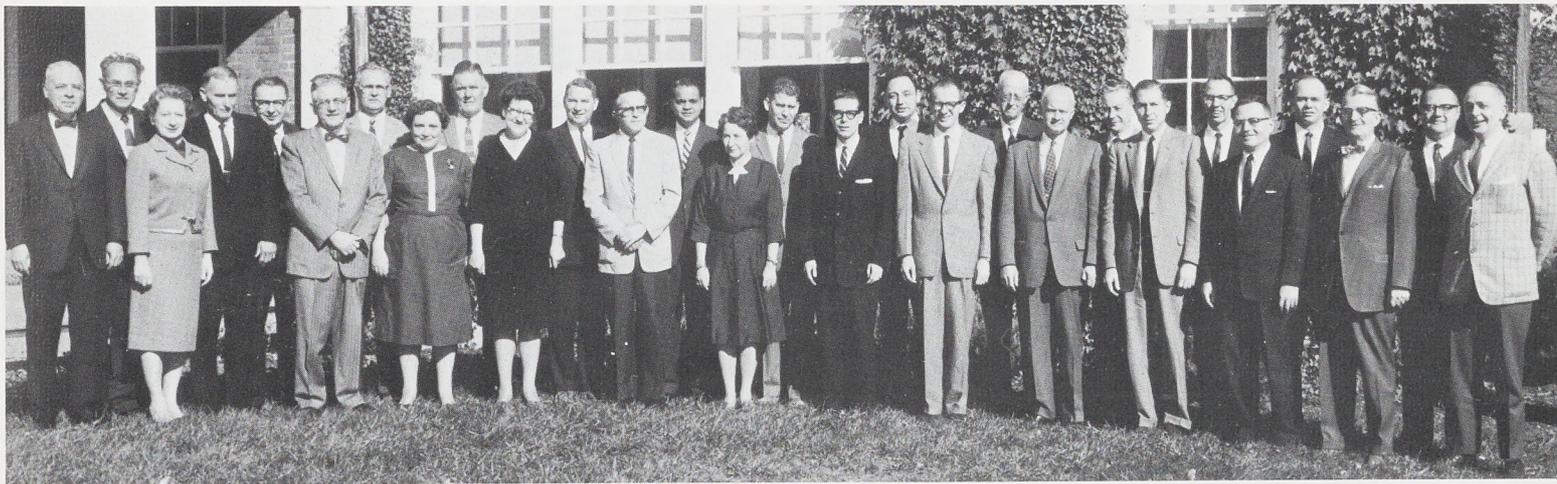

A dream of improving the scope of our college's offerings was realized through the creation of a graduate school. Twenty-eight professors with Dr. Willard E. Kerr as chairman staff our graduate faculty. This new emphasis on education beyond the bachelor's degree benefits both our own students who have a chance to continue here and graduates of other colleges and universities.

The Education faculty are: M. Dreese, B.S., M.A., Ph.D.; C. Campbell, B.S., M.Ed., Ed.D.; G. Kaluger, B.S., M.Ed., Ph.D.; A. Atkinson, B.S., M.A., Ph.D., chairman; C. Eastep, B.S., M.Ed., Ed.D.; J. Brougher, A.B., M.A., Ed.D.; C. Glessner, B.S.; M.Ed.

graduate level, devote two nights a week to graduate classes.

The curriculums at Shippensburg State College are divided into departments with a director for each. Included under the list of departments is the Business Department, the Science Department, the Mathematics Department, the English Department, the Social Studies Department and the Geography Department.

Everyone graduated from Shippensburg will have, at one time or other, come in contact with any number of the preceding. Each has expanded with the growing population of the school. With the fall of 1963 will come the opening of the new Business Education Building situated next to Memorial Auditorium. Along with classroom expansion the respective faculties have enlarged themselves for better efficiency and competency in meeting the rapidly changing needs of Shippensburg's student body.

A busy center of student life is the Ezra Lehman Memorial Library. The library contains fiction and non-fiction books, reference books of all types, magazines and professional journals, newspapers, and microfilm readers.

With such a large supply of material, students frequently seek help to find information. Filling this need for aid and keeping the library in smooth working order are our librarians, headed by Miss Alma Winton, and our three library clerks.

The Physical Education Department is housed in the Heiges Gymnasium. Headed by Mr. Thomas Crist, this department keeps the students in good physical shape, plans the intramural program, and coaches the intercollegiate sports.

The library clerks include: D. Zonis, E. Hammond, M. Kraybill.

College Staffs

Old Main, the center of activity for many phases of college life, finds students bustling through the halls for various reasons. After SSC students pick up welcomed letters in the mail room, on they go to the bookstore to purchase a blue book. After a flu shot in the dispensary, students relax in the Raider Room.

Old Main is the center of the college administration.

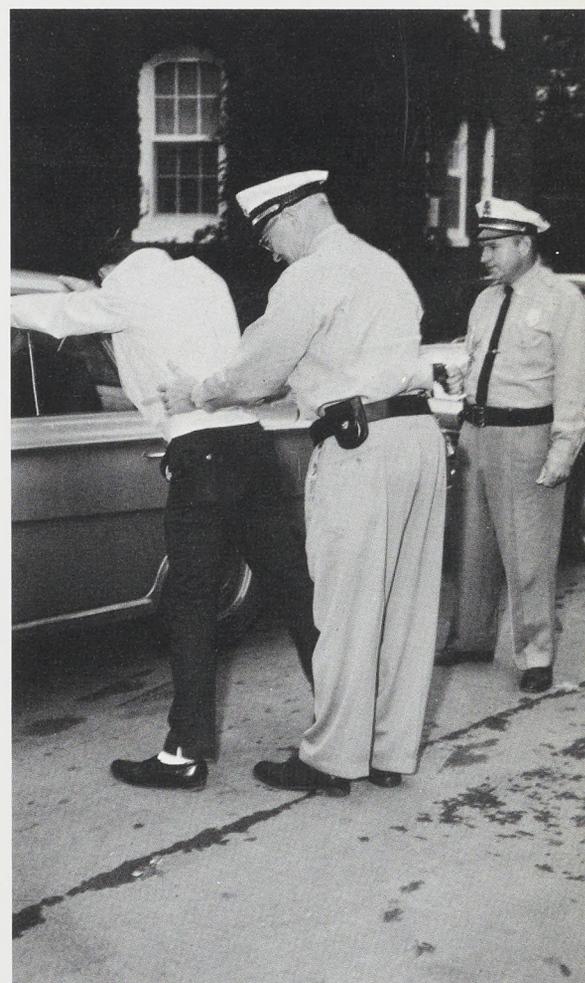

Officers of the Waiters' Association are Mrs. E. B. McClellan, dietitian; E. Brubaker, pres.; S. Donley, sec.; W. Castillo, parl.; J. Smith, head waiter; D. Hassler, head waiter; C. Summers, v. pres.; G. Brown, treas.; K. Gayman, hostess.

Food gets as much thought as classwork. Mrs. E. B. McClellan's staff prepares the meals, which are served by the student waiters. Kriner Hall, the pleasant college dining hall, makes meal times the most pleasant times in the day.

The college parking problem, which has become acute, is handled by the campus policemen.

Taking a break from their usual routine, the campus cops, K. Hoch and H. Funston, frisk D. Ritchey, but all in fun.

College Mourns Loss of Two Professors

We sit in silent retrospect, paying a mute and humble tribute to those professors, Miss Germaine L. Klaus and Mr. Roy M. Dibert, whose untimely deaths cast a shadow of sadness over our final college year.

Miss Klaus began her career of service and devotion to this college in 1947. As a teacher of modern foreign languages she displayed that untiring zeal which marks a truly dedicated person. Her interest in her students was unwavering. This college was her home and her life; with her passing, a portion of the college, too, has gone.

Miss Germaine L. Klaus

Within two weeks after the demise of Miss Klaus, Mr. Dibert's twenty-seven years of service to us came to an end. No longer would this quiet, white-haired man be seen diligently aiding students in the physics laboratory; no longer would he be seen walking his ever-faithful dog in the serenity of the twilight hours. His ways were unobtrusive, yet his death has left a void which will never be wholly filled.

Mr. Roy M. Dibert

His ways were unobtrusive, yet his death has left a void which will never be wholly filled.

Seniors Leave with Retrospect

The years have passed; the image has changed. We have reached a point of reference from which we shall proceed and to which we may return for solace in fond memories. Here we stand—Poised, hopeful, filled with the vigor of youth and the joy of living—gazing into the future. Yet this future is not merely a thing of will be; it is a thing of was and a thing of is. We can only hope for what will be; we know what is and remember what was. As we stand here, tall in the sunlight of knowledge and the gentle rain of growth, we look about us.

To our left a blue lagoon ripples in the gentle breeze. We gaze into the faces of each glimmering wave, and each one seems to cast its dancing image on our screens of retrospect. The image of books and class-

rooms becomes the shadow of a first love. A sunlit afternoon in spring fades into a snowball fight on a starlit night. Hopes, sorrows, joys, disappointments—all these gleam and fade, rise and fall before us and bring a tear to our eyes as we stand here and gaze into the ripples. A passing bird twitters cheerily, beckoning our musings to follow him. He soars through fleecy clouds and lights on a willow branch above a polished, faceted rock tinged with rose. Our eyes are riveted to this glowing mass of shining points. As we ponder its meaning we see ourselves mirrored in its faces in many varied poses. We see a child reaching out to us, a young girl with pleading eyes, a lad with a smile of gratitude. And we are young and hopeful, anxious to go on.

We stand here now at our eternal point of reference, gazing into the green forest beyond. Someday we may return to fond reflections of pleasant days. But now we must push forward—onward and upward—toward that goal for which these past years have prepared us. The years will pass; the image will change. But our reflections of now will forever remain in the blue lagoon and rose-tinged rock.

WILLIAM CECIL SHIELDS, JR.

April 18, 1937—July 28, 1962
The college is grieved at the
tragic loss of Bill Shields. While
on campus Bill took part in a num-
ber of activities, including mem-
bership in TKE, Alpha Phi Omega,
Pi Nu Epsilon, Chorus, Choraleers,
Masquers, and the varsity
track team. His portrayal of Evil
Eye Fleagle in the Masquers' pro-
duction of *Li'l Abner* is unforget-
table. As the class of 1963 gradu-
ates, Bill will be in the hearts
of all.

*Killed in train

Folksinger H. C. Larry Smith entertained us often with his ballads of brokenhearted maidens and unsuccessful swains.

V-I-C-T-O-R-Y is the word from cheerleader Jean Laidig.

"Cordas . . . spelled with a C."

Nancy Barton and Ted Mock "could have danced all night."

Just before the "Ladies Ask Gents" WAA dance, Bob Bazzel puzzles over the problem, "Why don't they ask?"

We did study—as pictured by Jim Moore and Mary Lou Korzak—and sometimes with diversion.

Underclassmen

Rowland Auditorium is the scene of many class meetings. Shown entering are the Junior class officers: George Keim, parliamentarian; Barbara Brown, historian; Sherri Acker, secretary; Andrew Grenier, treasurer; Dr. Myers and Miss Lindner, deans; and Thomas O'Shea, president.

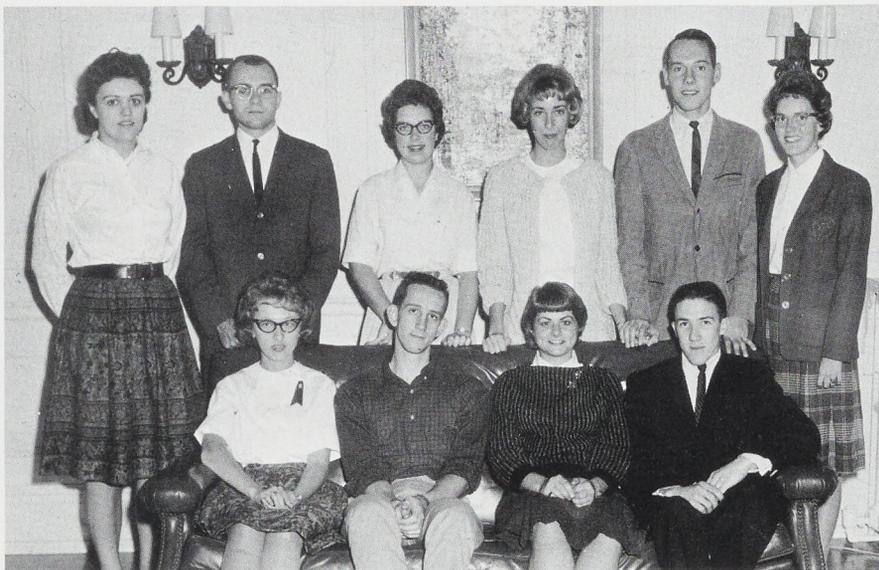

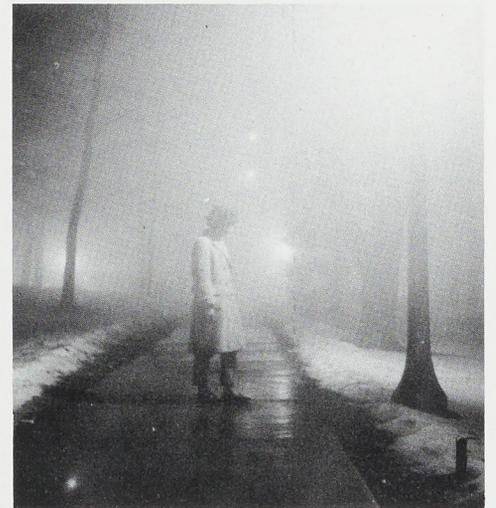

The Halloween banquet isn't just for witches and goblins; it's for football players and cheerleaders, too.

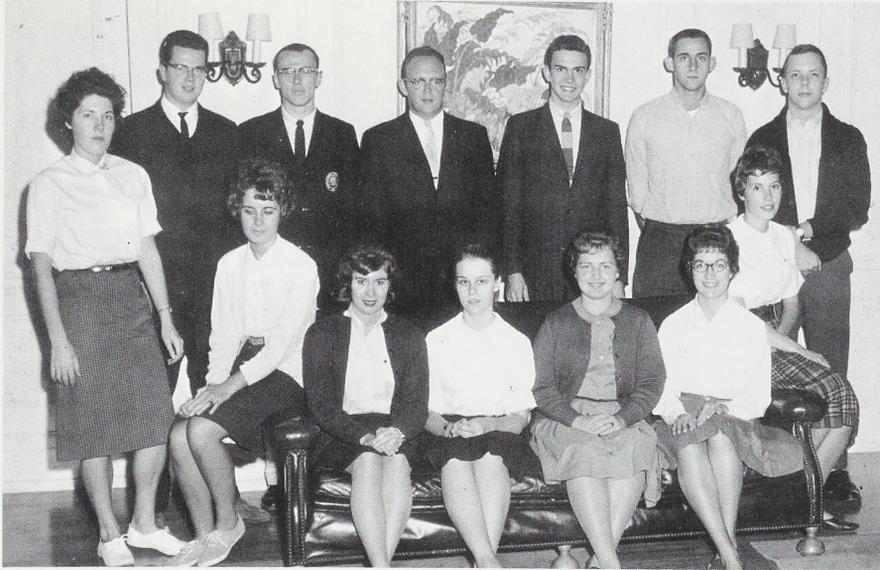

Busy Juniors Plan for Final Year

The class of 1964 began the year's activities with their Homecoming float, "Camelot." The major activity of the class was sponsoring the Junior-Senior Prom on the weekend of May 3. The festivities began on Friday night with the Junior Banquet. On Saturday evening, the couples danced to the music of Billy May in Kriner Hall, delightfully decorated as a night club.

As the academic year drew to a close, the Junior class looked forward to their year of graduation with anticipation.

Sophomores Show Potential Leadership

The class of 1965 began the new school year by serving as host at a party for the incoming freshmen. The next big event was Homecoming. The Sophomore entry, "Mississippi Showboat," won first prize in the class division. The Sophomore Week-end,

held in April, included an all-campus movie and a formal dance.

Regarding their sophomore year as a memorable one, they are now anticipating their junior year as another year to be remembered.

"I can't believe my coat's in there," says Pam Richter.

"Are you sure your name is STANISLOVSKY?" asks an unbelieving "Corkie" Swenson.

Freshmen Begin College Careers

Revenge is sweet as the Frosh douse the Cap Crew, but the drenching isn't all a one-way affair.

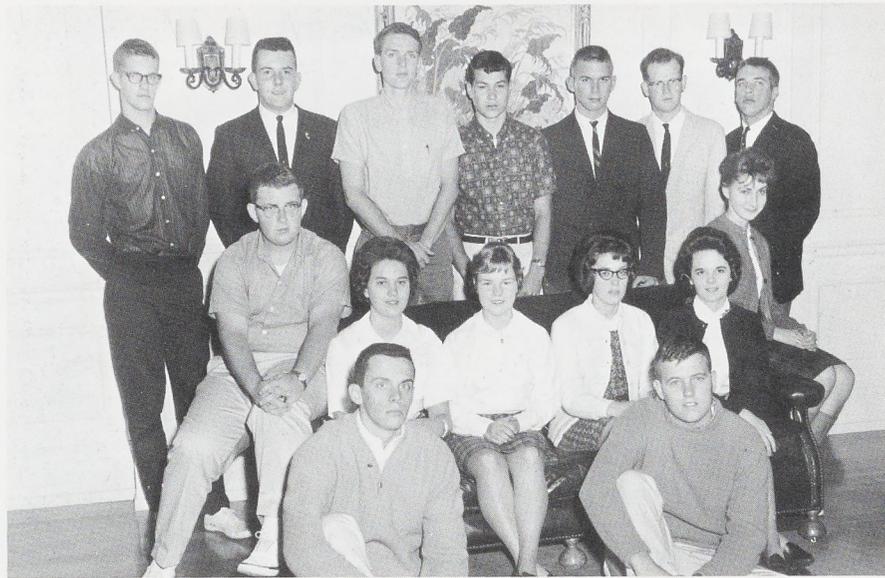

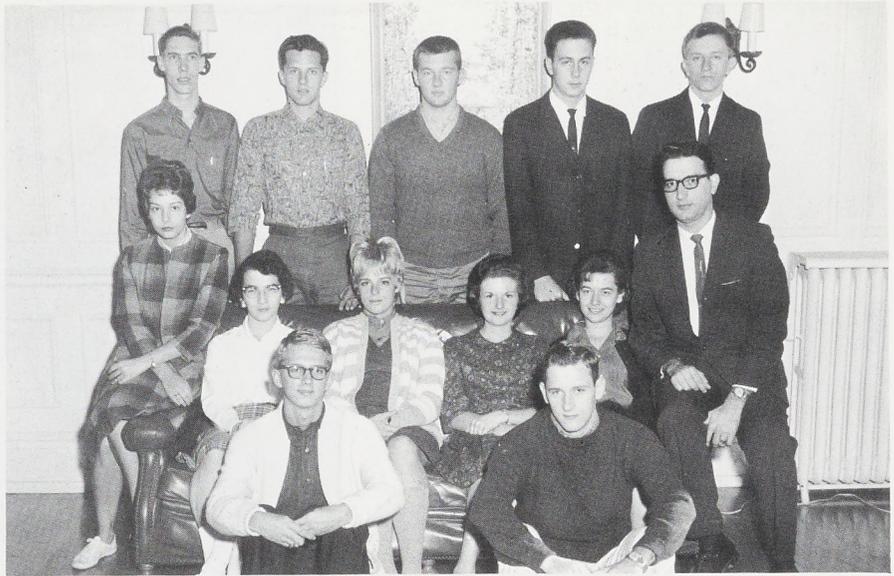

September 5, 1962, marked the date on which the class of 1966 entered Shippensburg State College. A banquet welcomed the class to the campus. The first few weeks of school were filled with meeting classmates, adjusting to college life, and becoming familiar with the new surroundings.

Customs lasted two weeks and was terminated by the annual Pajama Parade. Along with all other fall term duties, the Freshmen played host at Parents' Day and Homecoming.

The class dance, themed "Stairway to the Stars," was held on January 12, with Al Morrison's orchestra supplying the music. With the dance, the class completed its scheduled activities.

Members of the Senate are: *Seated:* Mr. Gill, C. Morocco, P. Palmer, M. McGuigan, R. Montgomery, G. Gabriel, D. Ernakovich, T. O'Shea, Mr. Seavers. *Standing:* Mr. Jacoby, J. Kipp, S. Kirk-

patrick, J. Farmer, R. Hollinger, R. Cormany, R. Frailey, Mr. Winsor.

Efficient Leadership by Student Government

In its first year on campus, the new student government has made notable gains. Comprised of a Senate, elected by the Student Association, and various committees, the government has acted as the center of policy and administration of student affairs under the authority granted by the Constitution of the Student Association.

Although hampered by lack of student interest, the Senate has worked hard to further the interests of the students. Candidates for office are nominated by way of petition, and a voting machine is used to elect the officers.

The Budget and Finance Committee members are: *Seated:* N. Markle, D. Matesevac, D. Ernakovich, chairman, L. Helsel, J. Warner. The Social Committee members are: *Standing:* T. McCormick, J. Barnhart, J. Boyer, T. O'Shea, chairman.

The members of the Extra-Curricular Activities Committee are: *Seated:* G. Gray, S. Hahn, P. Palmer, chairman, C. Pannel. The Judiciary Committee members are: *Standing:* L. Ashford, M. McGuigan, chairman, J. Shorb, A. Grenier.

The members of the Elections Committee are: *Seated:* C. Epram, L. Elicker, C. Morocco, chairman, K. Gill. The members of the Campus Improvement Committee are: *Standing:* S. Kirkpatrick, chairman, S. Hawk, L. Bosserman, J. Walker.

Members of the New Student Orientation Committee are: *Seated:* J. Heefner, B. Nickel, J. Farmer, chairman, G. Kraybill. The members of the Athletic Committee are: *Standing:* J. Kipp, chairman, T. Moriarity, M. Flothmeier, D. Wolfley.

The committees are the investigating, deliberating, and administering arms of the Senate. Chaired by members of the Senate and staffed by interested members of the Student Association, these committees examine and discuss the details of student government.

Each committee is responsible for a

specific area of government. There are committees on finance, social activities, extra-curricular activities, regulations, elections, campus improvements, lyceums, the handbook, student orientation, athletics, and relations among students, faculty, and administration.

Members of the Student-Faculty-Administrative Relationships Committee are R. Montgomery, chairman, B. Brown, Mr. Winsor, J. Myers, W. Fetterman.

The members of the Handbook Committee are D. Mengel, G. Gabriel, chairman, B. Kriebel, C. Manning, D. Jones.

Governing the Men's Resident Association are *Row 1*: Mr. Dolbin, R. Montgomery, W. Miller, W. Fetterman, T. O'Shea, J. Romano, A. Grenier, J. Smith, Mrs. J. McKean. *Row 2*: J. Boyer, R. Deshong, T. Moriarity, R. Blacker, sec., D. Ernakovich, vice pres., J. Kipp, treas., G. Eckenroth, S. Park, J. Farmer, pres.

The main purpose of the Resident Men's Association is to develop harmonious living among the men and to promote standards of efficiency in the administration, policies, and scope of dormitory living. In October the Resident Men joined the Resident Wo-

men for a Halloween party in Stewart Hall. Mr. and Mrs. Dolbin entertained the men of Wright Hall and Old Main with a Christmas party in their apartment. The Resident Men's Association also sponsored two open houses during the past year.

Serving on the WRA Council are *Row 1*: C. Morocco, L. Palmer, G. Gray. *Row 2*: L. Whitesel, P. Richter, A. Bow. *Row 3*: C. Kaylor, C. Swenson, S. Schweitzer. *Row 4*: D. Baish, L. McClure.

The Women's Residence Association has as its aim to develop in each woman a spirit of cooperation, courtesy, consideration of the rights of others, and the maintenance of high standards. By living together, it is hoped that each woman will grow in character and promote the best interests of the college.

Mrs. Kalar meets with a committee to discuss the question of hours.

The Day Men's Association is composed of students living in town and those who commute. This organization was developed to provide some measure of relaxation and recreation to the day men when they are on campus. Near the end of each year the association joins with the Day Women's Council in sponsoring a picnic for all day students.

Use of the lounges as well as expenditures for the association is controlled by the Day Men's Council, elected representatives of the day men. This council is operated under the supervision of the Dean of Men.

Members of the Day Men's Council are *Row 1*: J. Query, sec.-treas., R. Cormany, pres., G. Sarvis, vice pres. *Row 2*: W. Buterbaugh, L. Schmitt, R. Weibley, P. Christophel.

Councils Improve Living Policies

Each year the Council plans a Christmas party for the town and commuting women and a tea for the faculty members.

Members of the CUMBERLAND staff are: *Seated:* P. Sands, N. Barton, L. Helsel, S. Timmins, D. Ritchey, co-editor, D. Luzatto, J. Bungeroth, C. Wert. *Standing:* C. Rhoads, D. Landis, G.

Schwartz, D. Hammacher, T. Ide, G. Cordas, M. Korzak, M. Palmer, Dr. Hanawalt, adviser.

Dr. Hanawalt reads a letter from the publisher to the staff members present at an evening meeting.

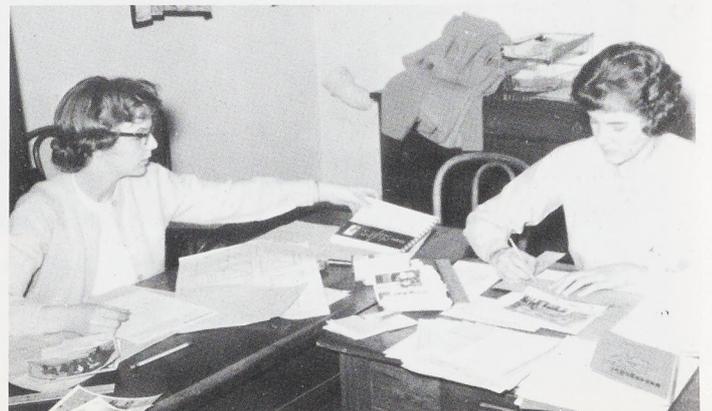

The lights burning in the basement of the Business Building at all hours of the day and night mean only one thing—the CUMBERLAND has another deadline to meet. Working day and night, the faithful few who were determined to publish a yearbook against overwhelming odds sacrificed their normal social life to finish this book. Toiling over layout books and typewriters, the staff has written its last copy and sent in its last page.

This academic year has been one of student apathy in all college functions, and it has definitely affected the CUMBERLAND staff. Editing a yearbook is no easy task, but some student support would have made it much easier. The few of us who worked so diligently sincerely hope that in the future the student body will support not only the yearbook, but all other college activities.

Tears, Toil, and Sweat . . .

Yet the sentiments are not all discouragement and despair. There is an indescribable feeling of elation when a page is completed. But should this final result reflect the memories of your college days, it was somehow worth all the tears, toil, and sweat.

Cora Asper and Dottie Hammacher work late hours to finish a section.

One of the most active groups on our campus during the past year has been the Inter-Fraternity Council. The IFC is composed of representatives from the four social fraternities on campus.

Each year the IFC presents a variety of full length movies for student enjoyment. With the emphasis on big name entertainment, the Council sponsored a performance by the Lettermen on Valentine's Day.

Members of the IFC are: Row 1: D. Brown, pres., W. Gaugler, treas., G. Harmon, rec. sec., A. Grenier, vice pres., G. Kraybill. Row 2: J. Lesh, J. Hunter, S. Park, C. Stitzel.

Raiders Do Well on Gridiron

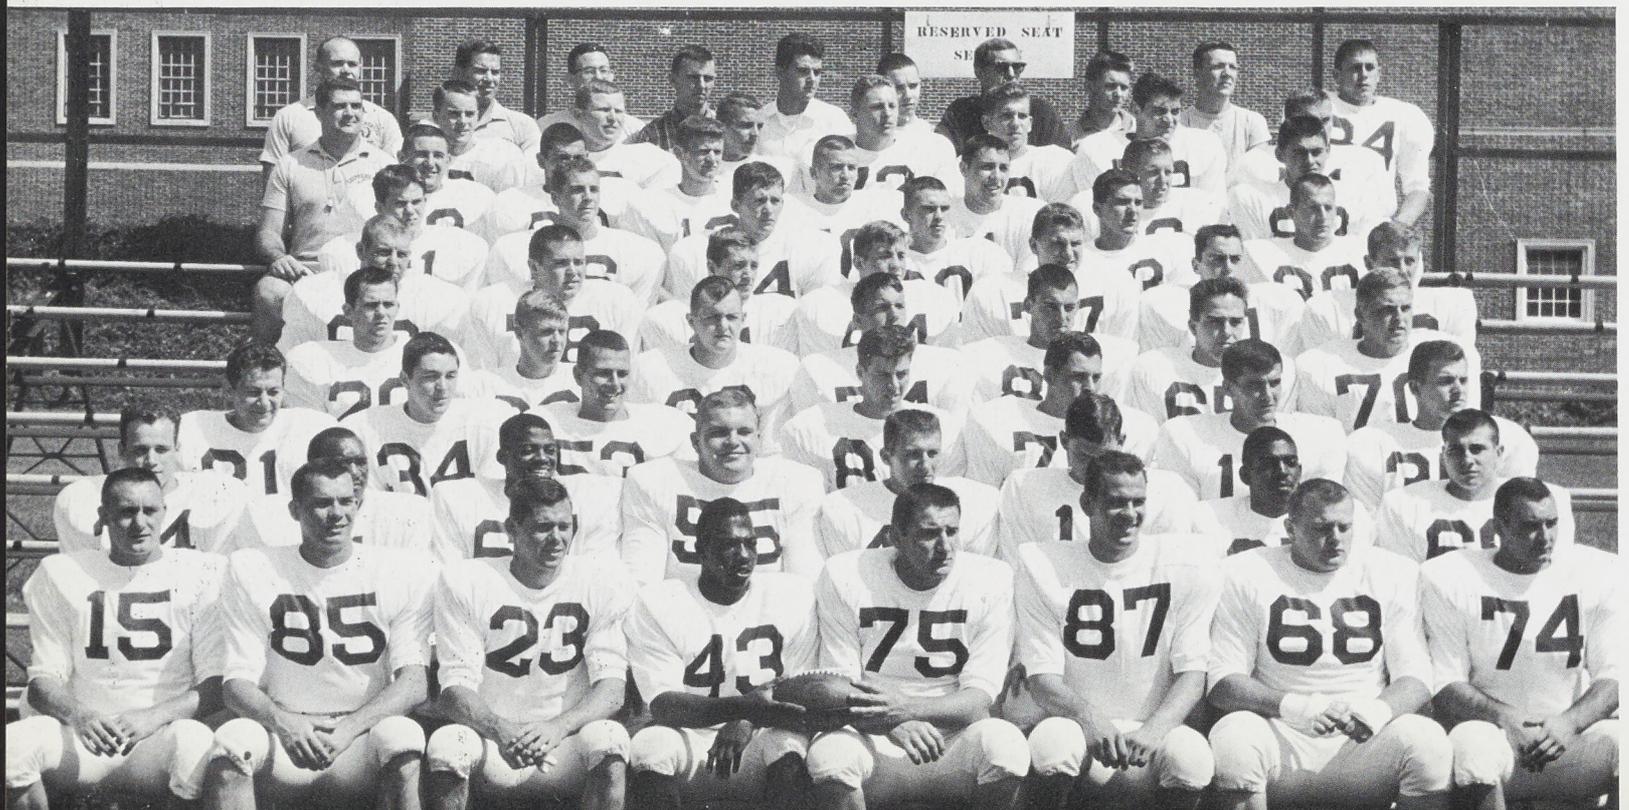

A much improved Shippensburg team took to the gridiron this season and completed an impressive 4-4 season, finishing the year out approximately midway in the conference standings. The Red Raiders compiled a total of 132 points against their opponents' 147. The quarterbacking efforts shared by J. Hunter, D. Jacobs, and L. Bekelja kept the opponents guessing and the fans elated. P. Perry and T. Zvonar led the team as co-captains. Both are seniors. The Big Red will be losing only five men through graduation this year. They are, besides the co-captains, J. Kiracofe, R. Etters, and B. DeAngelis. All have maintained outstanding football records during their brief careers.

According to Coach Roddick, the team can anticipate a successful 1963 season with some hard work on behalf of the team and a genuine effort put forth by the student body.

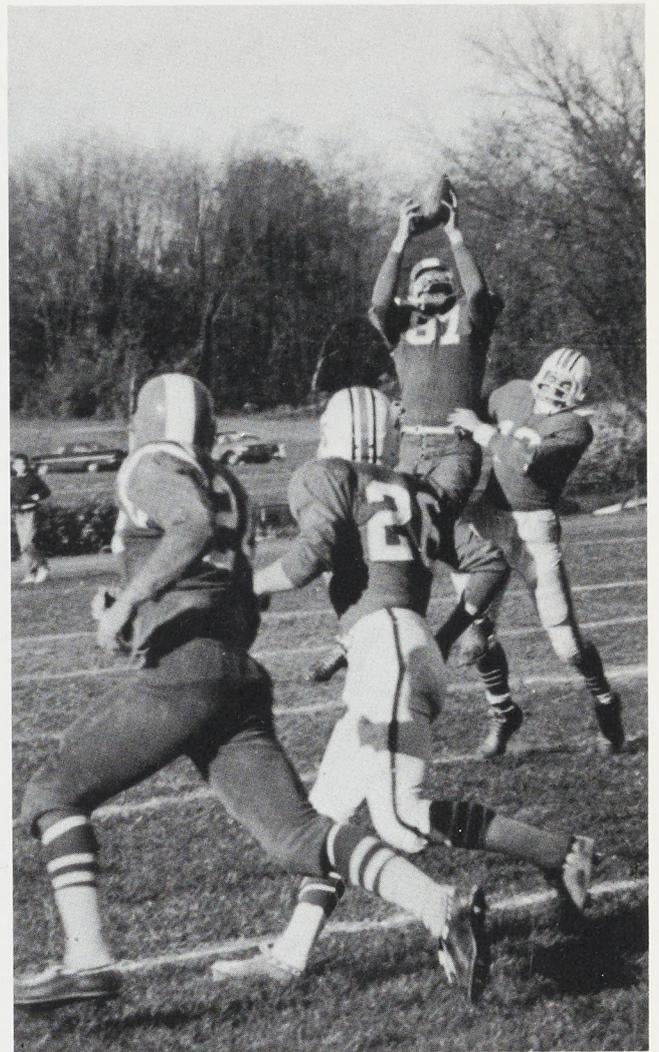

J. Hunter gets some tips from Coach Roddick, while trainer B. Bittner looks on.

Soccer: A First at Shippensburg

A first in the area of SSC intercollegiate athletics was the organization of the soccer team this year. Although they did not post a very impressive record, their showing was commendable nevertheless. Dr. Cheng-yin Cheng of the Science Department acted as adviser; Bill Groniger and Bill Ford were

combination coaches and co-captains. The schedule for next year will be more extensive and the team is expected to be more successful in the scoring column. In the next few years, soccer will undoubtedly become one of the major athletic attractions at the college.

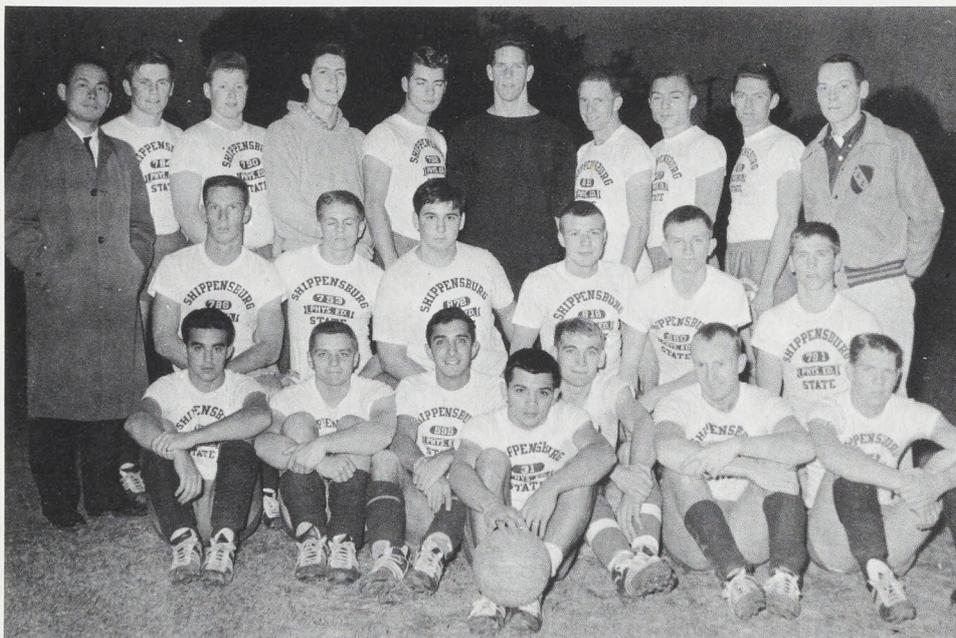

Looks like a sure goal for Mike Clouser.

Led by our Player of the Year, Ron (Reggie) Weiss, the Red Raider basketball team posted a record of fifteen wins and seven losses. For the second year in a row, Art Tanneyhill with his fancy dribbling and quick passing was responsible for a great deal of colorful playing.

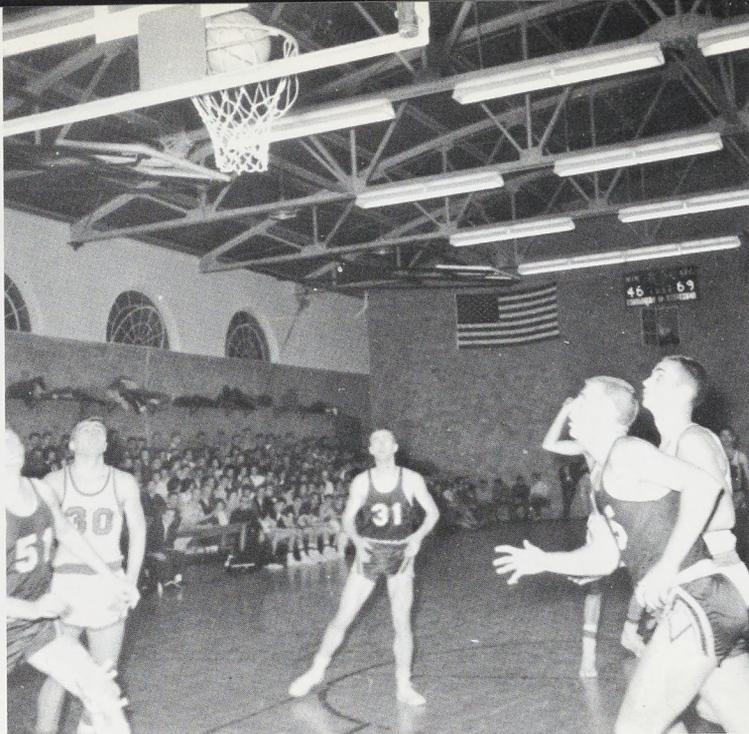

Coach Hess's team was able to break the century mark once this year as they defeated Lock Haven State College 103 to 61 on our home court. Both Gary Eckenroth and Co-captain Ray Etters finalized their college basketball career as the Raiders closed the season with a loss to Bloomsburg State College.

The team is anticipating a great season next year with the return of Freshman Ken Miller, Jim Deibler, and Harry Chapman. With these players and equal enthusiasm from the student body, the Red Raiders are bound for success.

It's up for another try for two points as the Red Raiders host the Huskies.

Cathy Zimmerman, Jan Fearn, Linda McClure, Florence Trimmer, and Lucy Whitesel were rotated as starting forwards, while Paula Lupp, Lois Dressler, and Alesia Solecki starred in the defensive roles.

The Junior Varsity team sported only a 2-4 record, with Audrey Hoke as the outstanding player, but the experience which the girls gained will help in filling the Varsity positions next season.

Matmen Post 5-3-1 Record

The Shippensburg grapplers wrestled their way to a 5-3-1 record to the delight of Coach William Corman and the fans. In the Westminster Tournament held at Christmas, Shippensburg came out on top with four men going all the way. The honors went to Ron Eleuteri, Nate Brechbiel, Karl Kemble, and Jim Walsh.

This year Shippensburg hosted the State College conference in wrestling. Although Shippensburg received only a fifth place, several men gained recognition in the meets. These were Nate Brechbiel, second place, Ron Eleuteri, third place, and Glenn Ebersole, fourth place.

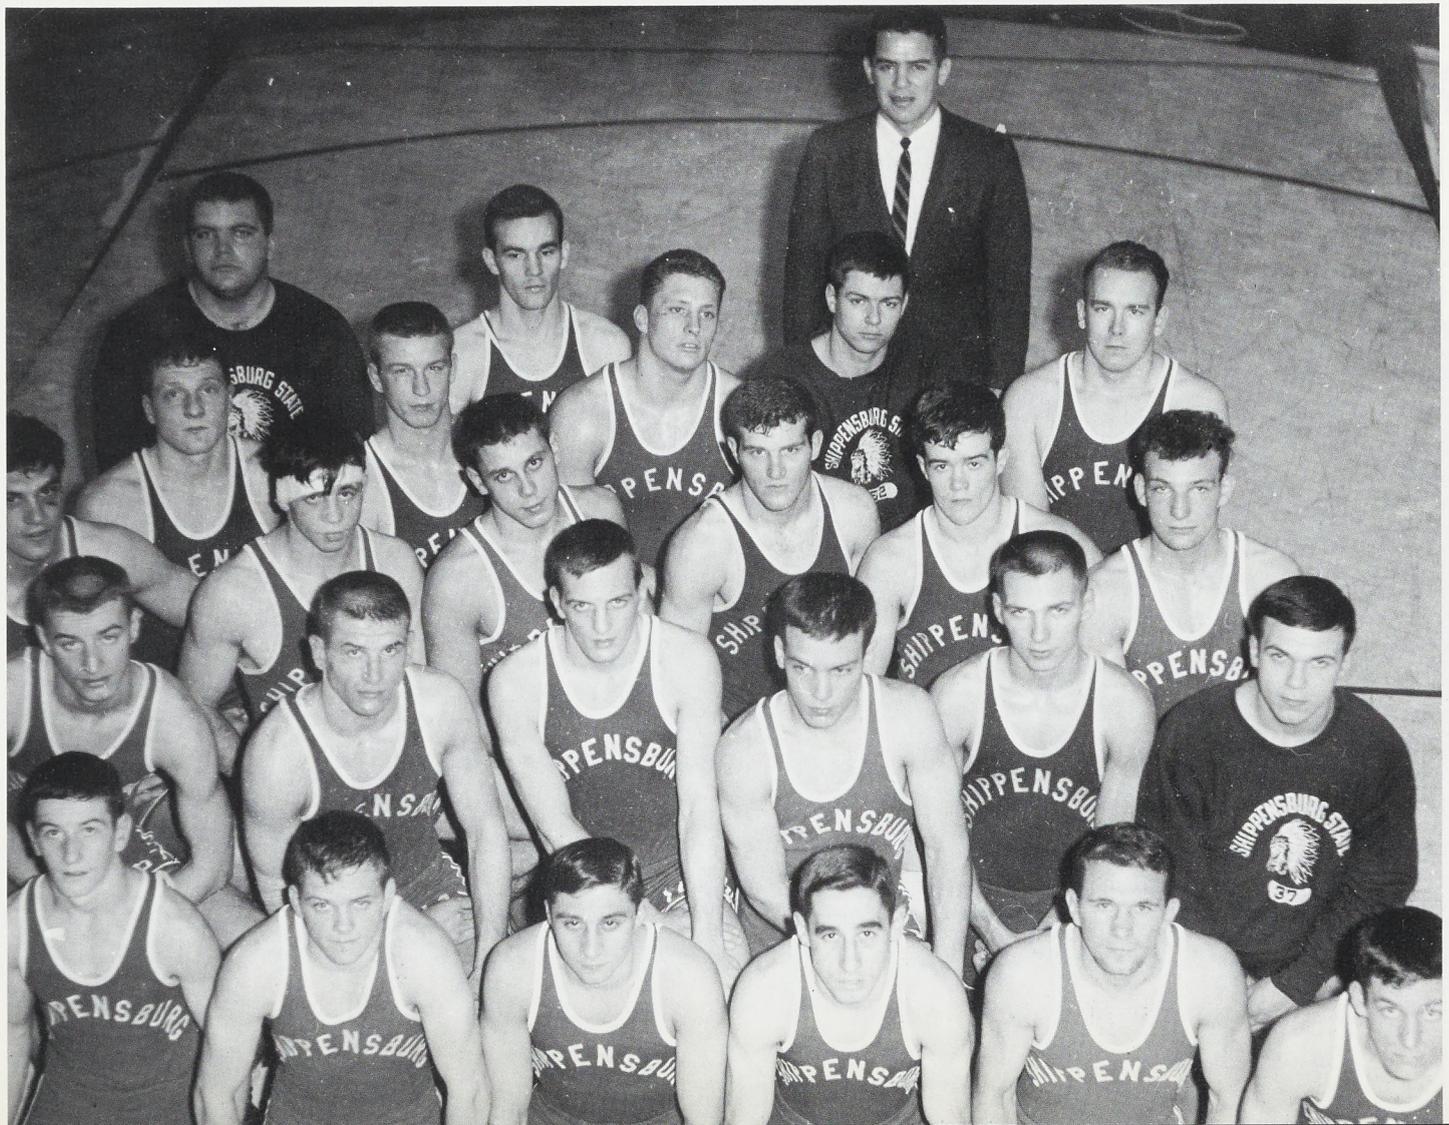

Losing only Ivan Steele through graduation, Coach Corman expects his returning team to do much better.

Men Net Undefeated Season:

Coached by Professor Stanley Jenkins and led by Co-Captains Sid Steinour and Tom Colgan, the Shippensburg Netmen captured the 1962 Pennsylvania State College Tennis Crown with a spectacular 10-0 record. Since Mr. Jenkins joined the club three years ago, the team has lost only two matches. This excellent record has served to add greatly to Shippensburg's prestige in intercollegiate athletics. With six lettermen graduated last year the racquet squad should have a busy season this year.

Women Unsuccessful

Here it comes, ready or not!

With the coming of spring, the women's tennis team, captained by Peggy Schuck, again took possession of the courts. There were freshmen in positions 2,3,4, and 6, and everyone hopes that this year of experience will help the girls lead the team to victory in 1963. The most promising members of the '62 line-up, both freshmen, were Chris Atkinson in singles and Pat Weiss in doubles.

Mr. Crist, the new golf coach for the 1962 season, found his hands filled with eleven tough matches and an inexperienced team. The team failed to win any matches and placed eighth in the Pennsylvania State

New Coach Leads Diamondmen

Mr. William Corman found the going rather rough in his first year as baseball coach. However, his leadership has seemed to inspire the team for, even with comparatively inexperienced players, he has brought the Red Raider's seasonal log to a more respectable position in the league. The Red Raider team posted a grim over-all record of

6-8, while winning only 4 out of 10 conference games.

A quick look at the scores indicates that the team's defense left much to be desired. With the large group of returning lettermen and several fine freshman prospects, the Red Raider Diamondmen are sure to have a winning season ahead of them in 1963.

Cindermen Lose Many Lettermen

Although the winning streak compiled in recent years by the Shippensburg trackmen was marred with two defeats, the team completed the season with setting no less than four records. Roger McCormick, after setting a new precedent at the Penn Relays, finished the regular season out setting a new record in the javelin. Adding also to the school's great track achievement were Record-Breakers Harry Chapman and Brad Garman. Laurels were again bestowed upon the team by a new record recorded in the One Mile Relay. The team finished fourth in the Conference.

Beginning in April, the team expects to begin regular play. With at least nine experienced men returning, Coach Roddick is looking forward once more to another outstanding season.

SSC Boasts Varied Intramural Program

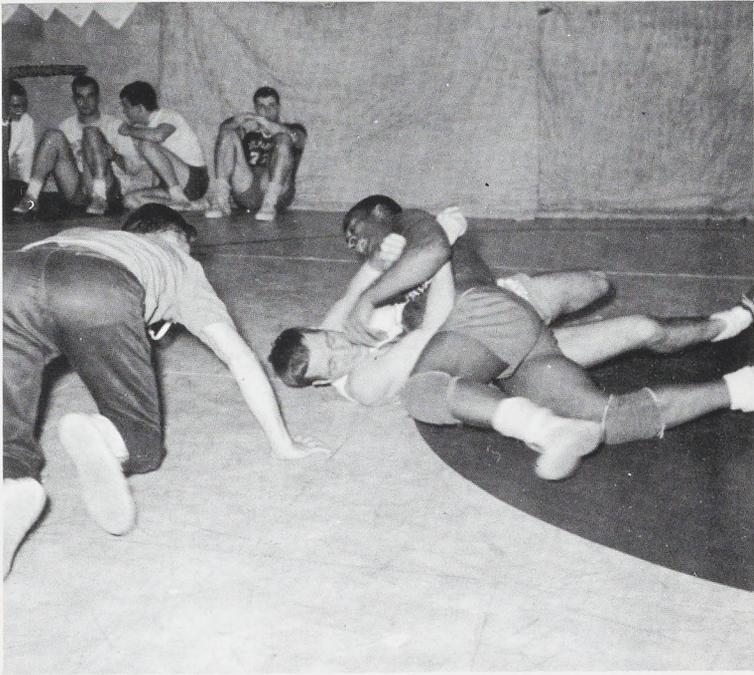

The men's intramural program is characterized by good sportsmanship and much fellowship. Active from September to May, the intramural program has sports to interest every male student, regardless of his interest or athletic prowess. Football, basketball, wrestling, volleyball, handball, table tennis, swimming, soccer, tennis, and softball are the sports from which the men may choose.

The intramural program is coordinated in the Physical Education Department. Each social fraternity sponsors a team, and there are several teams for freshmen and independents.

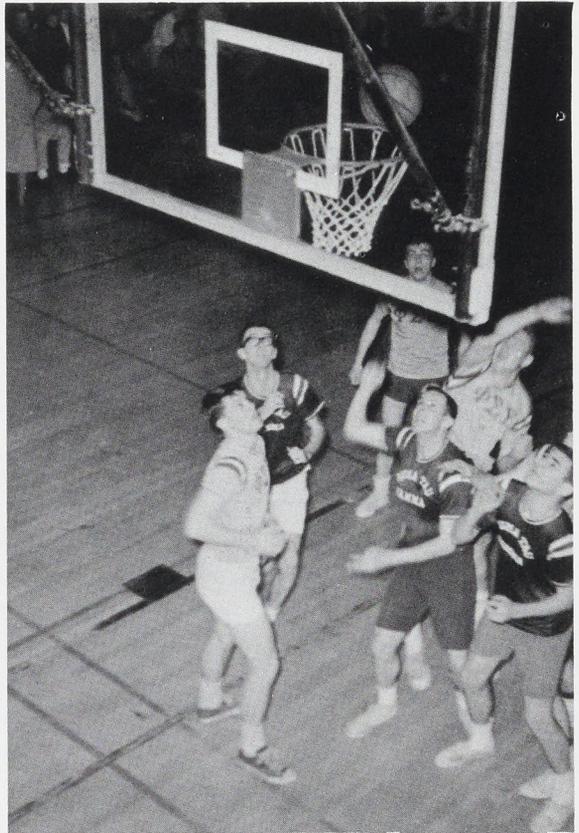

Trophies and points are given to the champions in each sport, and the team with the most points wins the overall trophy.

"Sports for every girl, and girls for every sport" sums up the women's intramural program on Shippensburg's campus. Offered under the Women's Athletic Association, these sports enable the girls to gain the necessary points to join the organization.

In the fall hockey is the sport "in season." Following this, the girls compete in basketball, volleyball, bowling, and softball. Tennis, swimming, hiking, and ping pong, which are not organized into teams, all add points to the girl's record.

Campus Activities

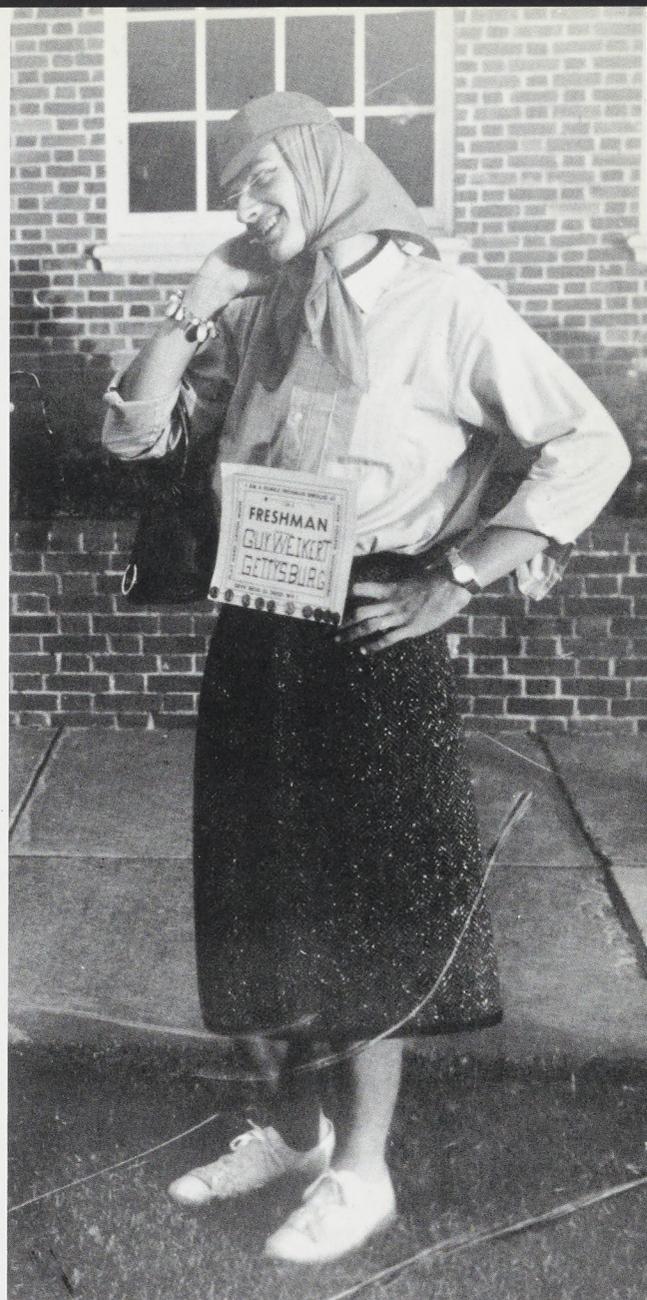

September Comes

And once again the campus is alive . . . new faces . . . and old . . .
mix with the leaves of Autumn to add more beauty . . . more color and
life!

Especially to the Freshmen . . .

And when a Cap Crew member happens to attack Guy Weikert, Guy becomes the center of attraction . . . the role of the SSC yearlings.

Clad in colorful attire a Freshman truly belongs . . .

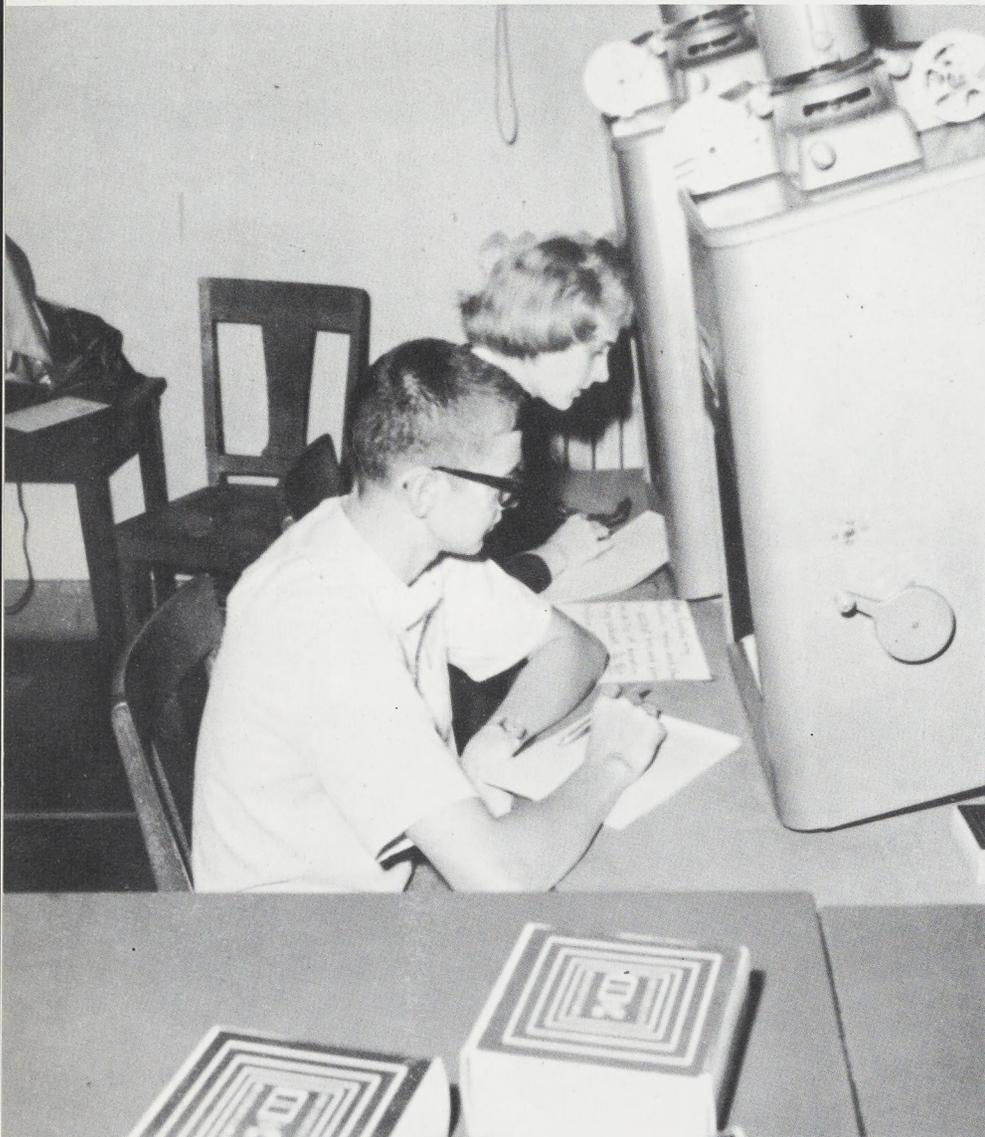

The freshmen, because they are new . . . because they are adorned in the garb of dedication and humility—speck the campus . . . and fly between the auburns of autumn . . . away from Cap Crew members . . . away from hecklers . . . to their “own kind.” They learn to be friendly . . . cooperative . . . enthusiastic . . . and humble. They learn to anticipate the pajama parade, the climax of customs—a time when Cap Crew runs . . . and finally is led to the fountain of revenge. Tomorrow no more dinks—the freshmen are an accepted part of SSC . . . and they are lost in the dashing of colors that fly over “the Hill.”

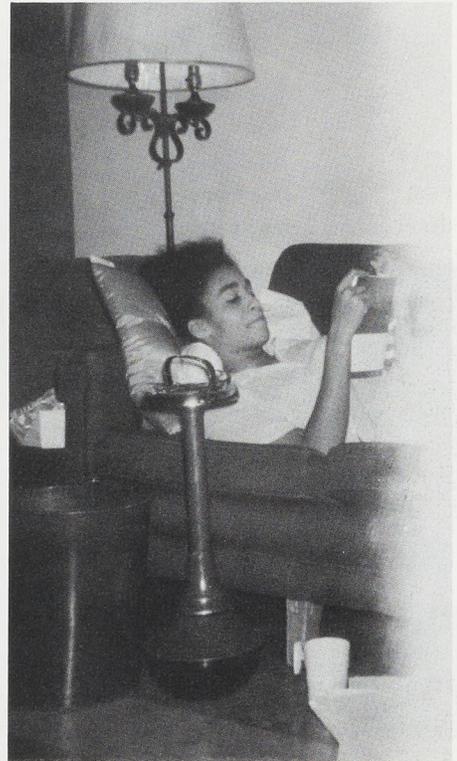

It's buckets, and splashes, and freshmen and upperclassmen . . . All for one, one for all . . . Splash!

Weather Is Soon Forgotten

The microfilm readers are a great asset to the library.

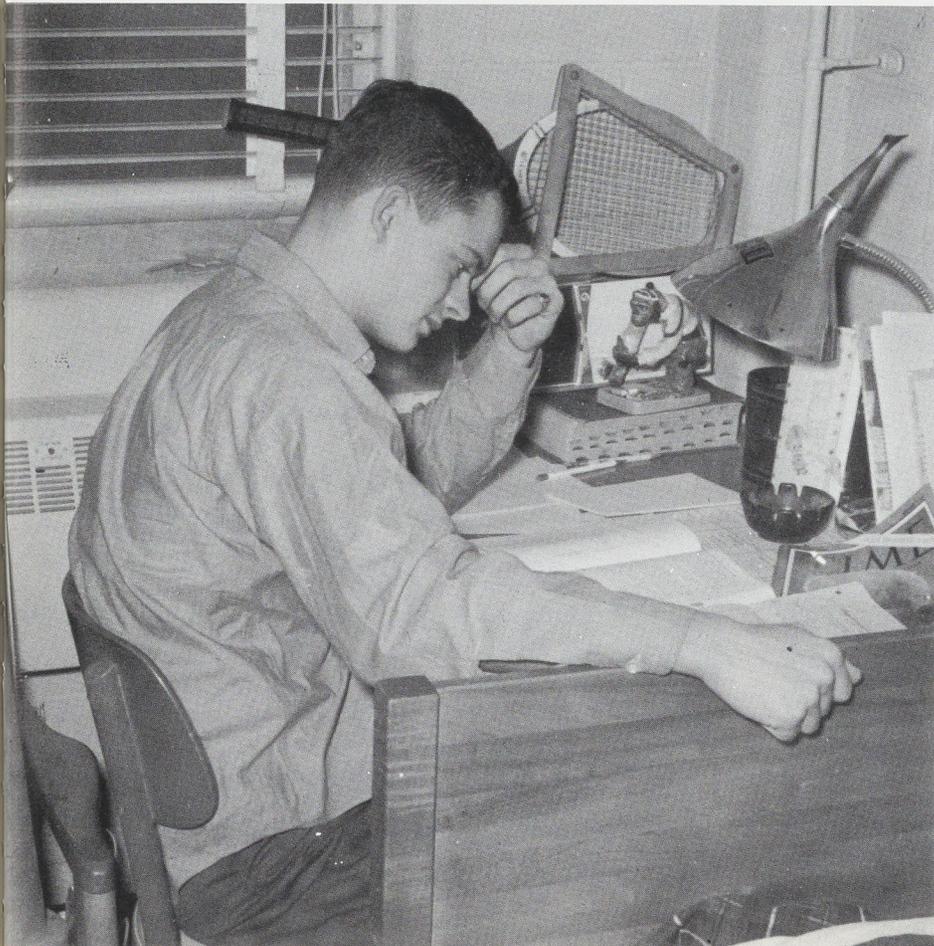

Comfort is a prime ingredient for study.

For some eyes are lost in books and notes; for others they are lost in the middle of nowhere, except perhaps in dreams.

The campus is changing. Slowly weather is replaced by "whether he passes." Books are of prime importance.

When it's late at night and the studies aren't done, it takes lots of midnight oil.

Huda Karaman, a student at SSC from Israel, studies in the quiet of her room in Horton Hall. Although just visiting our country, she is active in many extracurricular activities as well as speaking at many community functions.

There are so many little things that must go into the day of light and dark: rehearsals to attend, faces to fix, mailboxes to check, laundry to exchange, pinnings to attend, showers to fill . . . so many little things . . .

It's nice to get mail now and then.

It's noon on Monday and time to get clean sheets.

Birthdays often cause a cold shower.

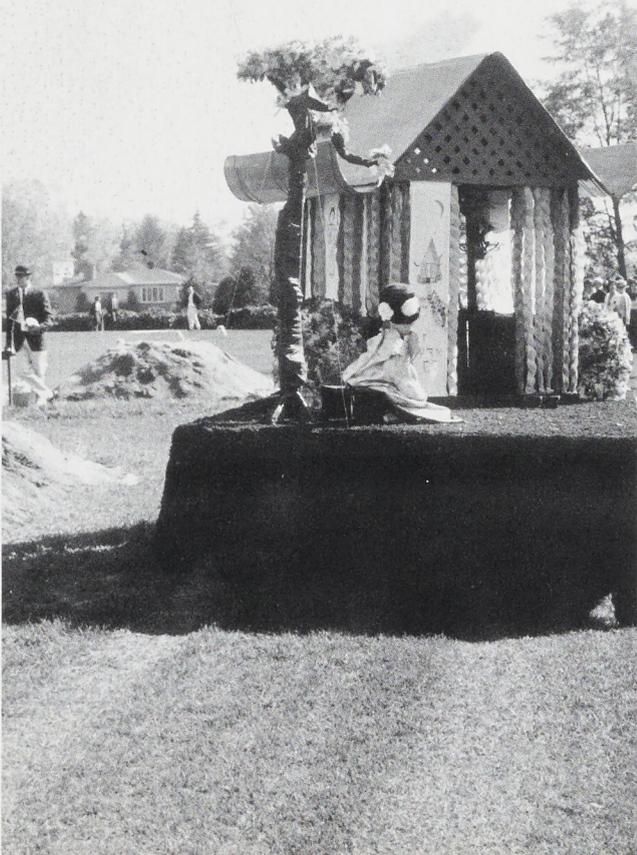

Truly a Sigma Pi girl now, Donna Schaffer and Bud Engle admire her orchid.

Beautiful women are nominated to reign over one of the biggest college events. Miss Patsy Fogarty wears her crown for the last minutes — it is soon time to crown the new queen. And the new queen, Nikki Ewing takes over the splendid role, reigning an entire year as a beautiful representative of the Indian campus. The visiting band plays in her honor.

And Quickly Time Passes

Before one knows it, the snows begin to fall. For some, it's uninvited. For others, like Huda Karaman, it's the first in a lifetime, an experience of tiny butterflies. But for all, snows provide new adventures.

This is Huda's first snow . . .

It's Winter

The snow brings more trouble than just a battle. Push, men!

The snow is just right for a snowball battle.

Couples whirl to the music of Richard Maltby at the Junior-Senior Prom.

It takes a lot of work to decorate Kriner Hall in time for the Prom.

Is that fountain working right, or will it leak?

For the Juniors and Seniors, the little things mount and mount—a mountain of events, each one step closer to an end, to a beginning, somewhere. Prom night steps closer. Each dance has its merit; each combo has its gaiety; but the Prom is supreme.

The cheerleaders throw themselves into their cheers.

Students find many different ways to keep active. For some it's climbing flag poles; for others it's building floats. For the cheerleaders it's practicing, getting stiff, and getting hoarse to create school spirit, to get the fans to support their team.

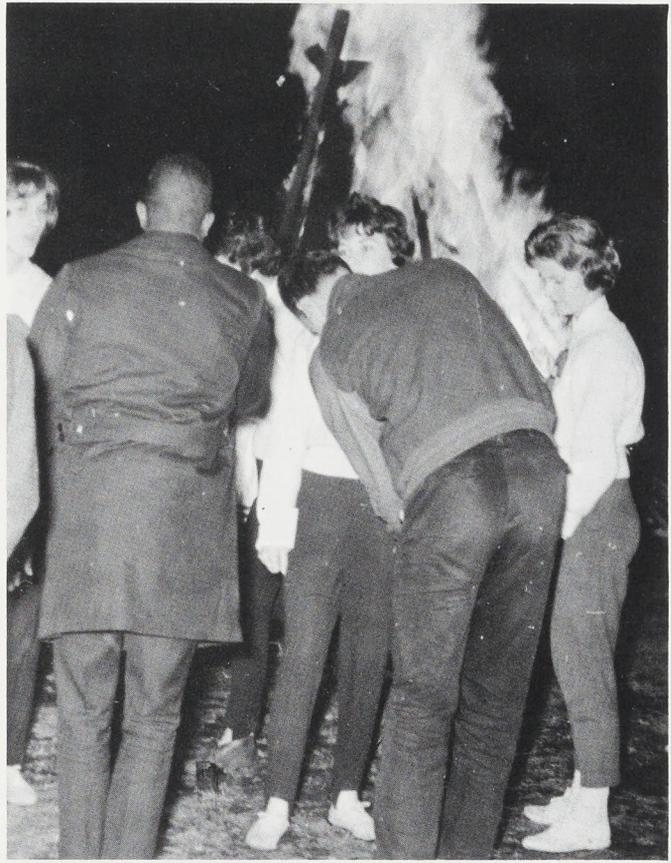

Russ Abel gets hopelessly entangled in chicken wire and tissues.

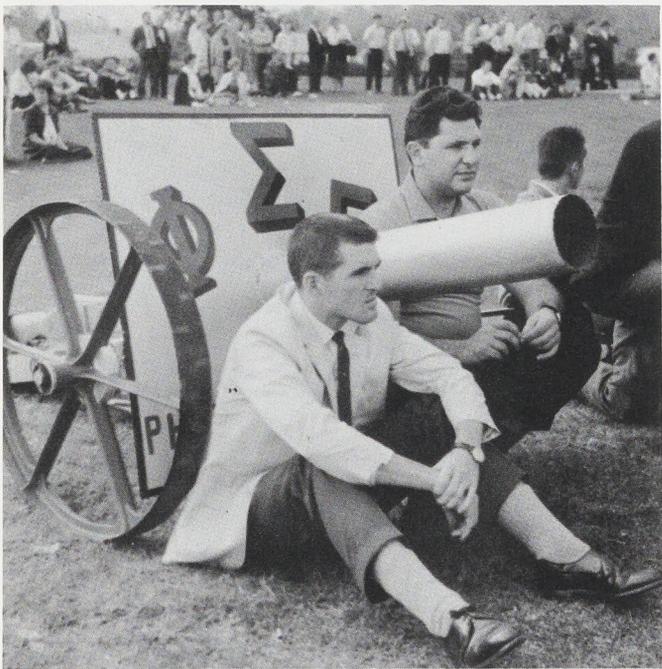

Spirit for the Game

"Let's go, Big Red, let's go!" cry the cheerleaders.

It's time for the bonfire, the cheers, and the songs again.

There is nothing left but the climax
—a handshake, a piece of paper, a

The days of college for some are
memories forever; for underclassmen,
merely for a while.

The halls are quiet . . . emptied . . .
memories. Good-by SSC.

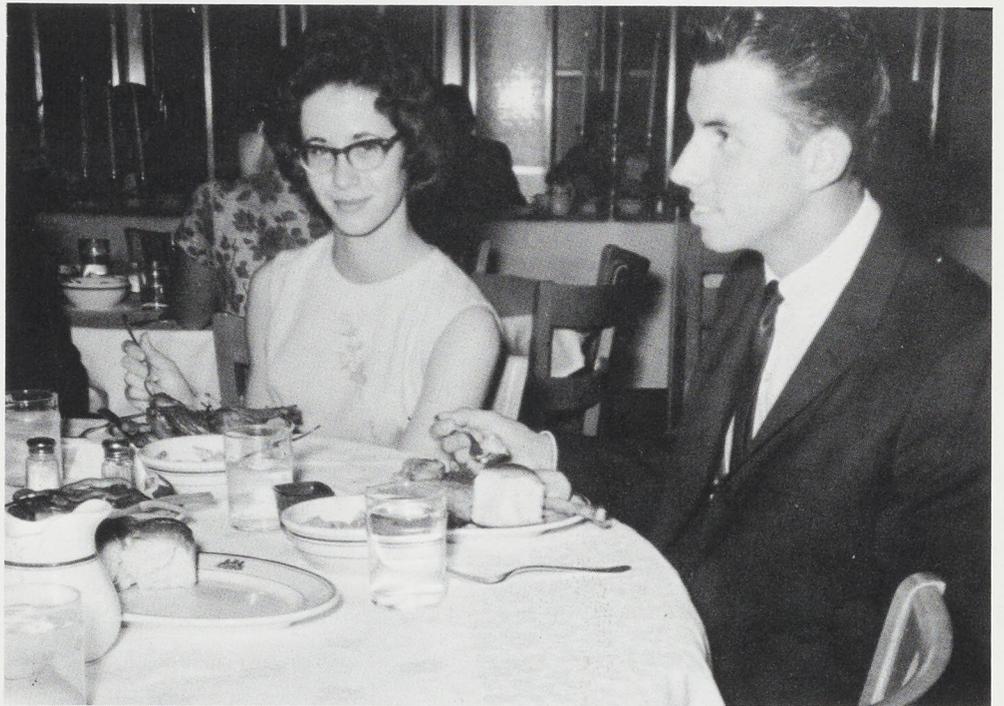

The hall is deserted. Only our memories can
fill it with the warmth of voices and laughter.

Memories Are Made of This . . .

Senior Bill Hart's rich voice adds to the enjoyment of the banquet.

Dick Rebeck and date seem to be enjoying the food and Bill's music, too.

Seniors learn that graduation isn't as simple as it appears; it requires practice.

The time seems long since we have graduated from Shippensburg State College. What do you remember best about your years on campus? Do you end? The Friday evening banquet, with music and speeches; practice on Saturday morning with Mr. Allan's instructions; the deserted, beautiful campus with only the breeze stirring; the aching feet, the trembling hands, the Alma Mater—perhaps these pictures will bring back the memories of fun and sadness at graduation time.

Mrs. McClellan can certainly prepare delicious food, but she excelled at the buffet on Saturday afternoon. The seniors seem to have worked up quite an appetite.

What a beautiful day! Exams are finished; college is finished—let's loaf.

Do you remember the confusion of getting into your cap and gown—the hood that no one knew how to fasten; the tassel that tickled your nose and made you sneeze? Here, Mary Lou Korzak gets help in adjusting her tassel.

"How long have we been standing here? My feet ache already," Carol Smith seems to be thinking as she waits for the baccalaureate procession to begin.

Sunday, May 26—what a memorable day for many of us! The four long years had passed, and suddenly they seemed short. Most of us could remember wearing a dink and sign, but on this day we wore a cap and gown. It seemed strange that we had to go into the world to make a place for ourselves.

Now it is all over; we look back with sadness on our years at college. But do not spend all your time looking back; the future is much more important.

After the baccalaureate service, the seniors and their parents mill through the crowd, looking for each other.

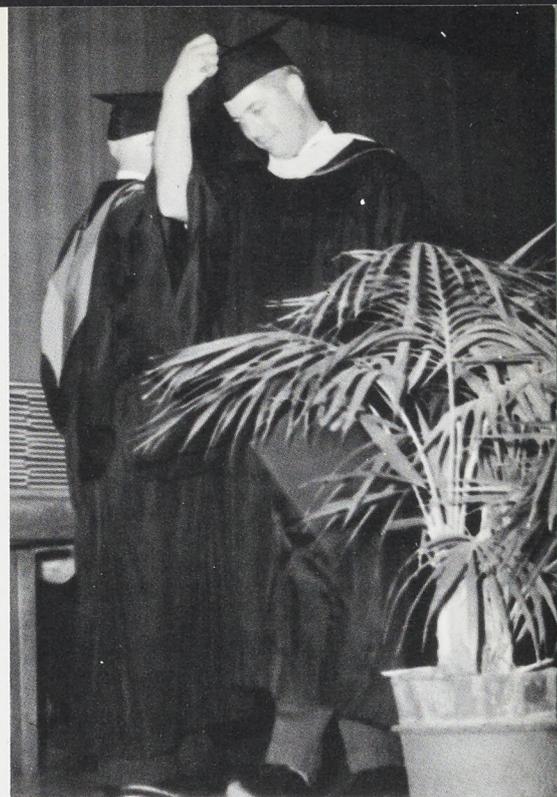

Tom McCormick entertains his guests at the graduation banquet in Kriner Hall.

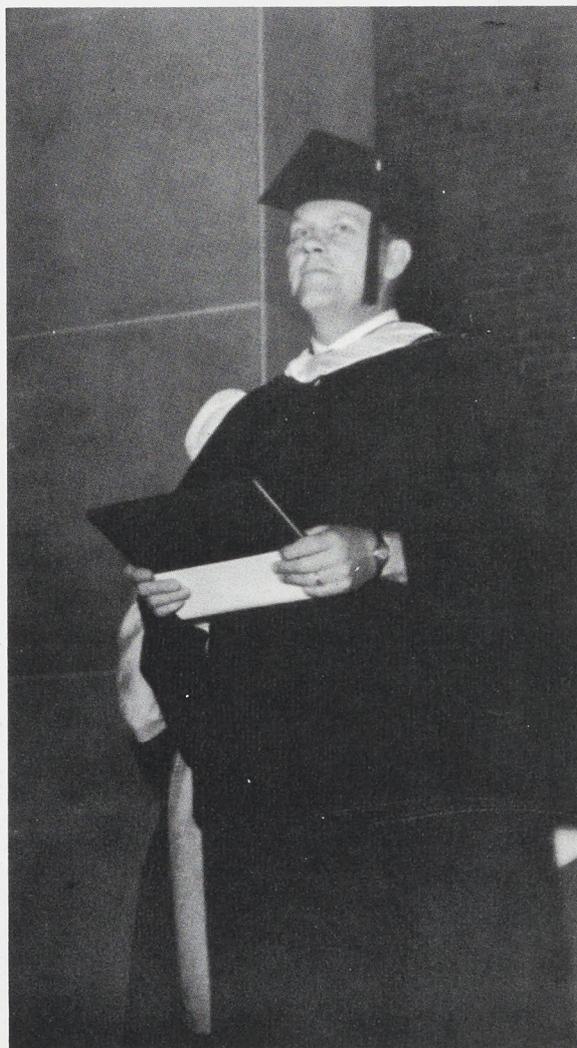

The faculty, arrayed in their colorful robes, meet in front of the library to wait for commencement exercises to begin.

The seniors return their caps and gowns after commencement and receive their diplomas. Charlotte Morocco smiles happily as she gets her reward for four years of work.

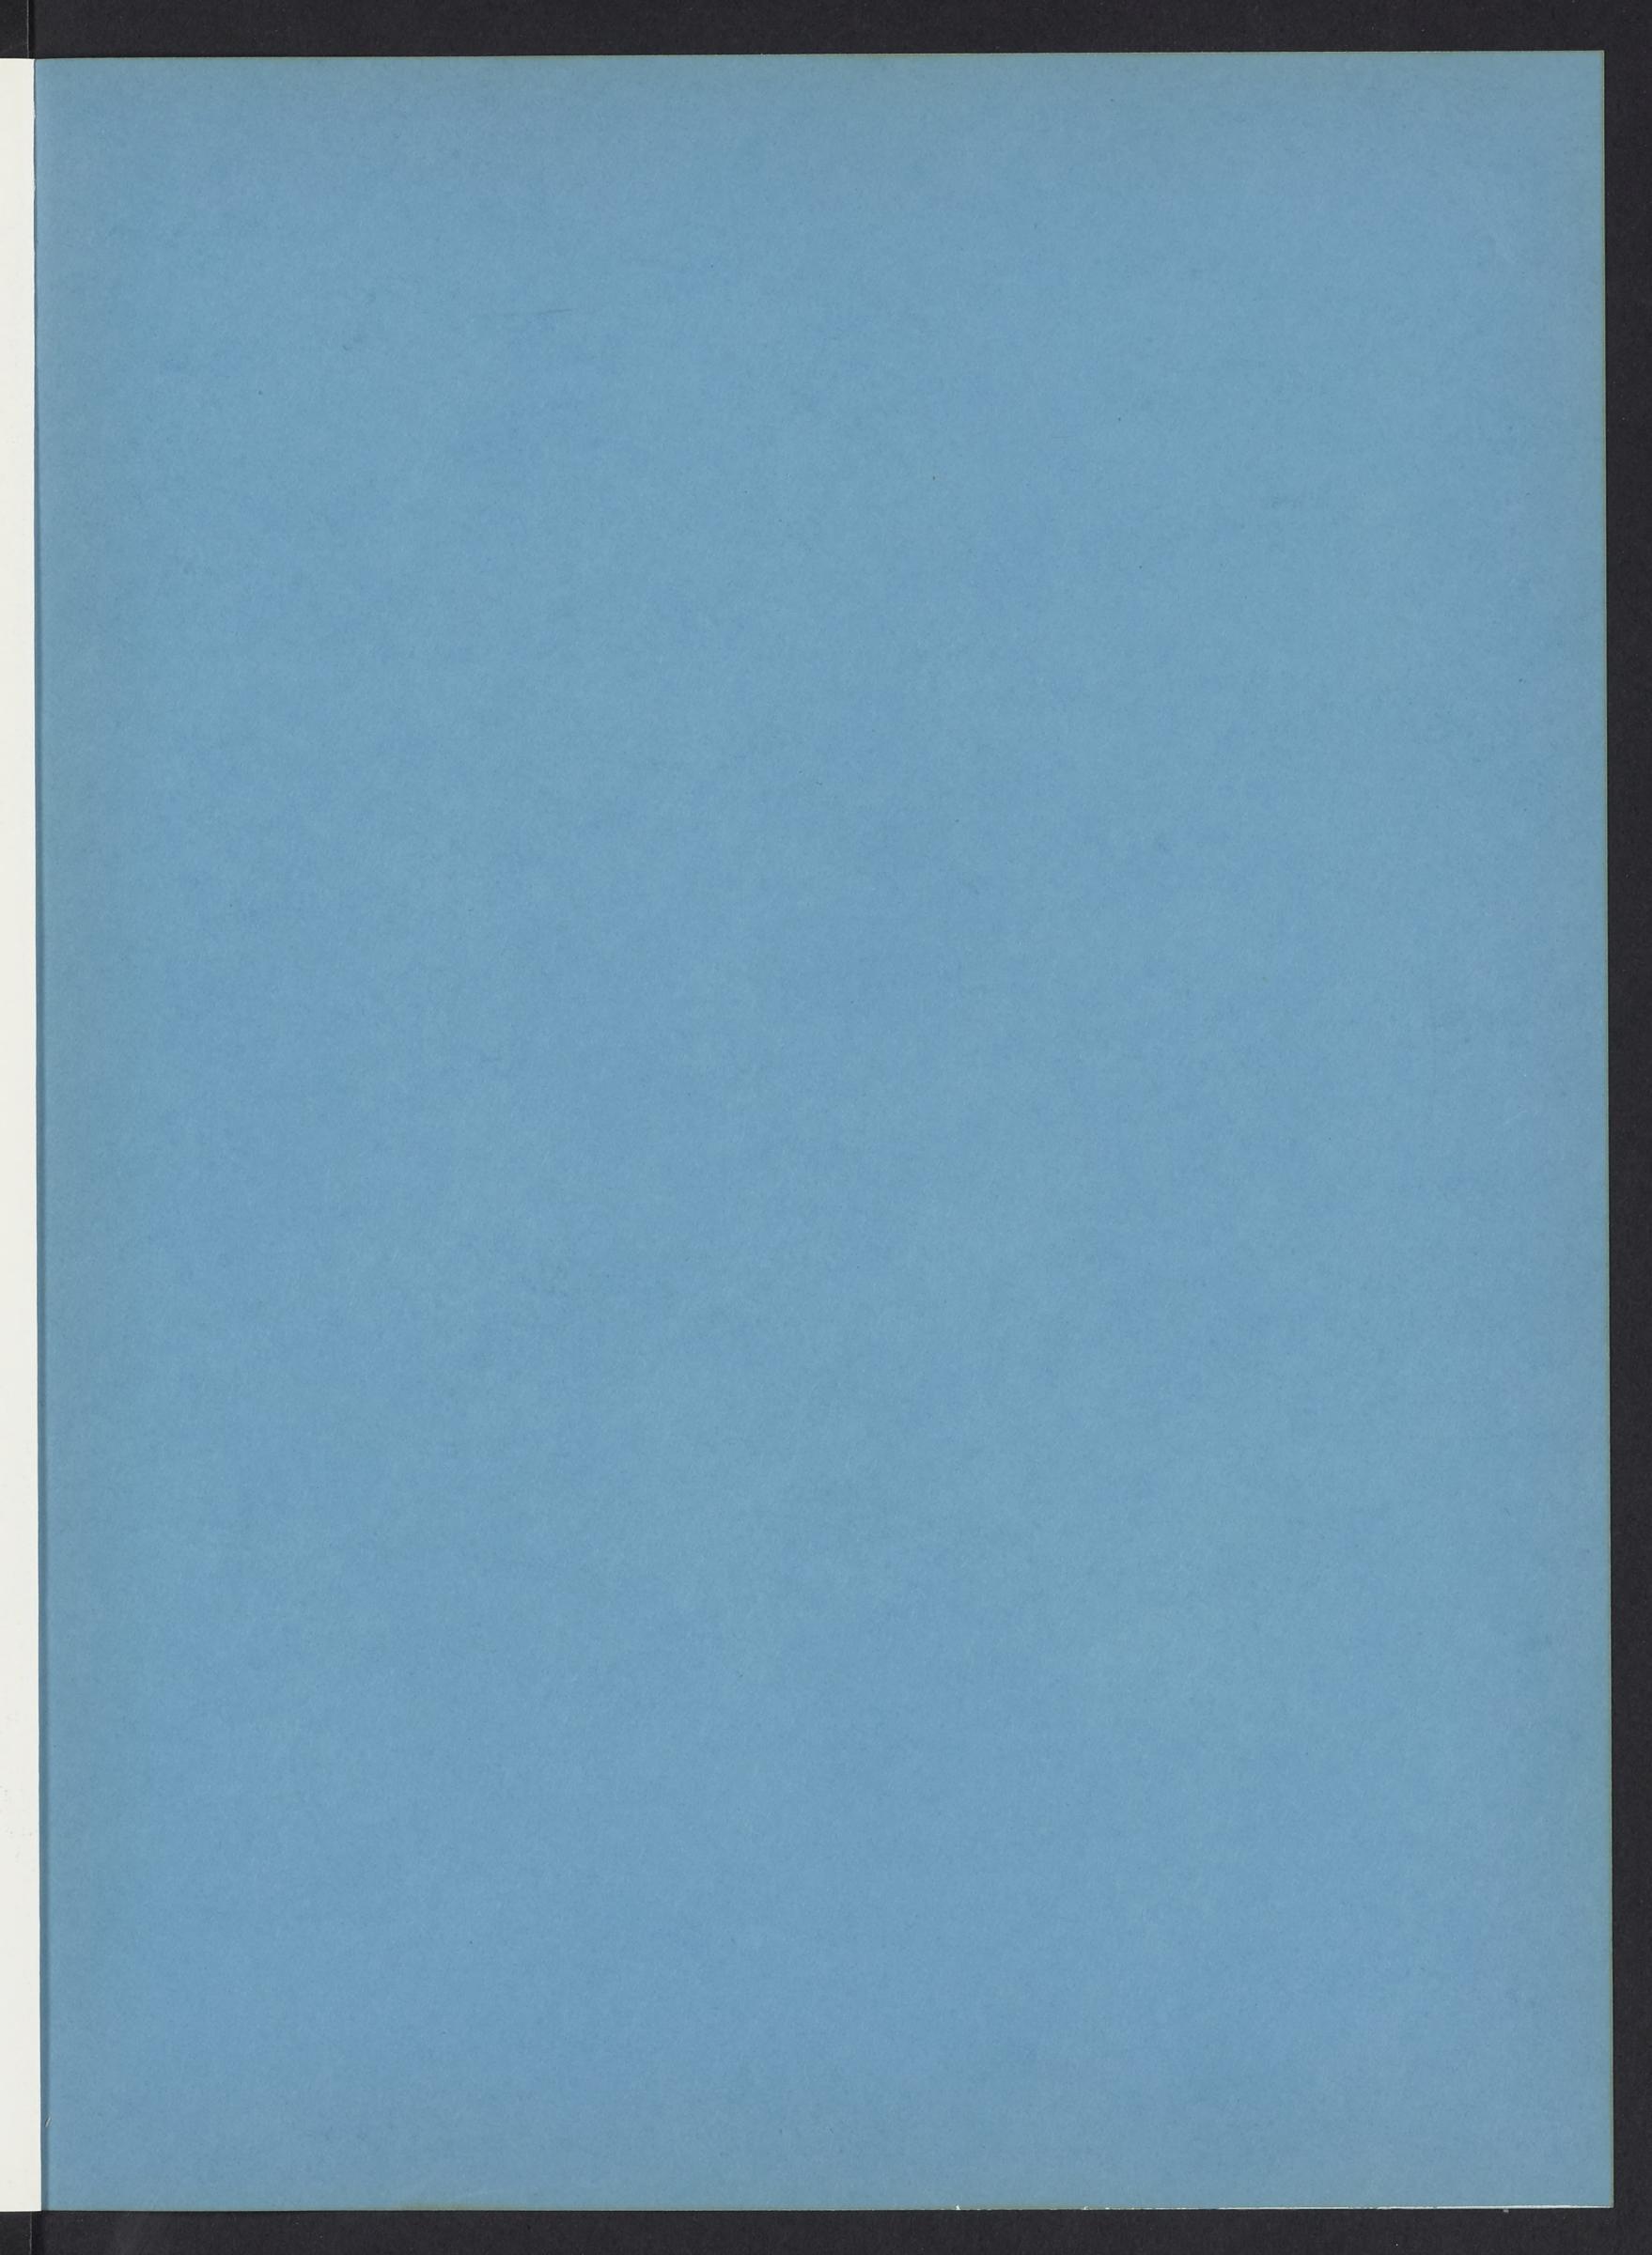

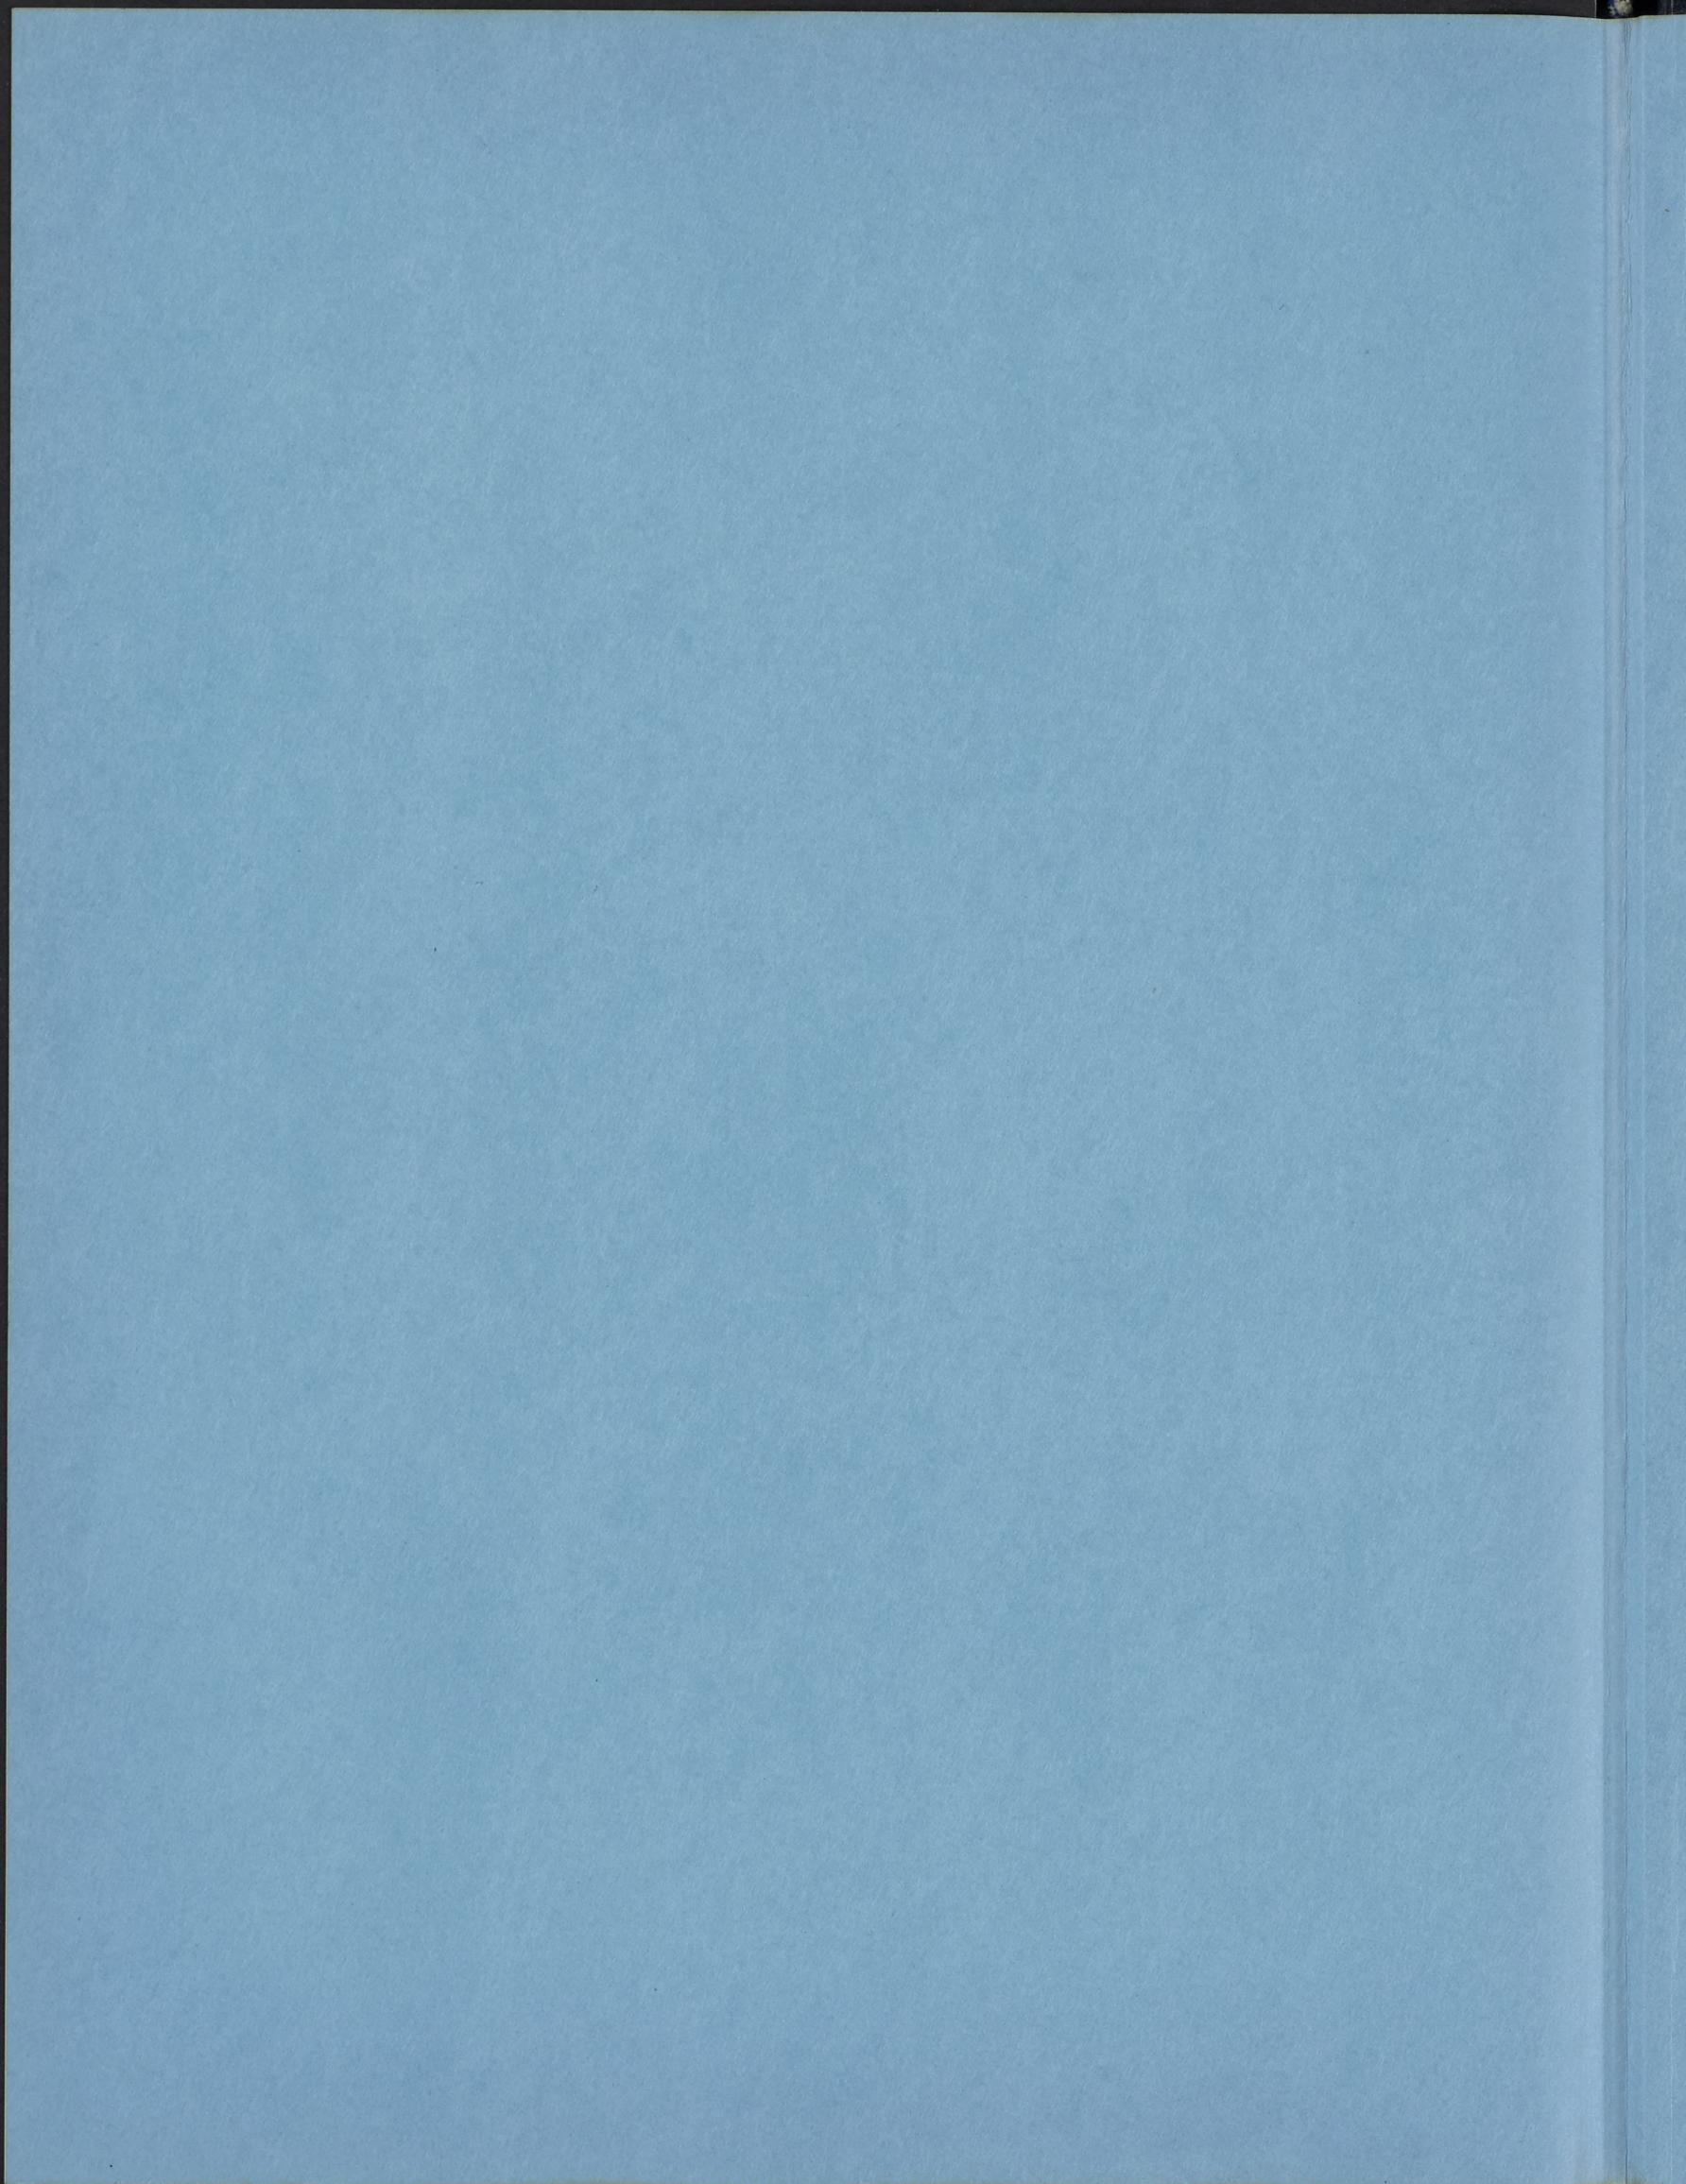

It feels wonderful to move that tassel!
