newcomers

They came from hometowns near and far, from public and parochial high schools, and from large cities and small towns. The purpose? To make Shippensburg their home while they furthered their education.

Under the direction of Joe Merkle, assistant dean of men, and a student committee, over 100 student volunteers made the moving in and orientation a lot easier. These students, identified by their light blue orientation tee shirts and name tags, directed traffic, helped unload cars, and generally provided assistance (and all with a smile!).

THE ANNUAL HOMECOMING BONFIRE
WENT OFF WITHOUT A HITCH — PROBABLY
THE FIRST TIME IN FOUR YEARS IT
WASN'T COLD AND RAINING.

DURING HOMECOMING WEEK, SSC
TOURED THE WORLD — PARTICULARLY
THE WARMER CLIMATES!

Ahoy there, mates! Aloha! Buenos días, amigos!

In 1981, SSC toured the world during homecoming week. Each dorm on campus miraculously transported its inhabitants to another country around the globe . . . most often one in a warmer climate than Shippensburg!

The annual bonfire kicked off the weekend — probably the first pep rally in four years not marred by low temperatures and rain. Post-bonfire celebrations around the town encouraged the holiday atmosphere to continue all night long and right up to parade time.

Elaborate floats and the appearance of the homecoming queen candidates eased the eyes open on Saturday *morning*, bright and early. The parade created a sunny, optimistic outlook for the day, welcoming alumni and relatives alike to the festivities.

The optimism for the day did not go to waste. The powerhouse Red Raider football team squeaked past talented Lock Haven, 24-20, to keep their undefeated record intact. During the halftime show, 1980 Homecoming Queen Patty Smanko Krause turned over her crown to the 1981 Homecoming Queen Kathy Kapsak. Kathy's nomination was sponsored by Lambda Chi Alpha.

Rounding out the weekend was a Sunday night concert by Michael Murphy. Another wild SSC homecoming week bites the dust . . .

broadway?

Actually, all dramatic action this year was performed on stage in Memorial Auditorium. Masquers/Music Theatre once again dazzled the eyes of the audience and were rewarded with many a standing ovation. Both the actors/actresses and the group of people behind the scenes are to be commended.

The first show of the fall semester was *How to Succeed in Business Without Really Trying* followed by *The Real Inspector Hound*. The major production of the spring semester was Shakespeare's *Measure for Measure*.

rugby

The rugby club endured several ups and downs in their first full year of intercollegiate competition. After a relatively successful fall season in which they finished 2-4, the team returned in the spring to play more competitively, but ended at a disappointing 2-4-1.

The team began each semester with wins against the University of Scranton and Mt. St. Mary's. Five of the eight losses came against more established men's teams, leaving them 4-3-1 versus collegiate opponents which is an impressive record for such a young team.

The rugger's gradual improvement was evidenced in games against repeat opponents. In the spring of 1981 the squad played its baptismal match at Dickinson and came away 24-0 losers. This spring the clubs battled to a scoreless tie. The spring club members of the club topped Mt. St. Mary's in a last-minute thriller at home, easily the best game to date. The game revenged a 10-8 loss in the fall at Emmitsburg.

After dominating Juniata in their first-ever game in the fall, the club dropped a 12-10 decision in Juniata during Spring Fling weekend. The game was marred by questionable calls that led to half of the home team's points.

The season climaxed with a split at the Mt. St. Mary's tournament. The team opened with a one-sided loss to eventual champ Hagerstown, but rebounded with a win over local Dickinson.

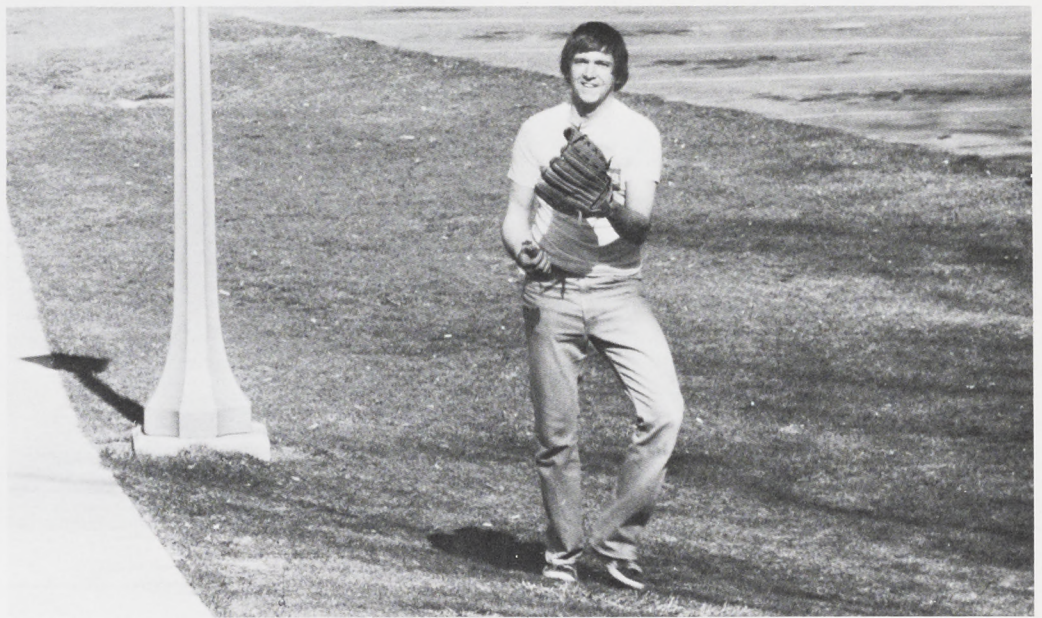

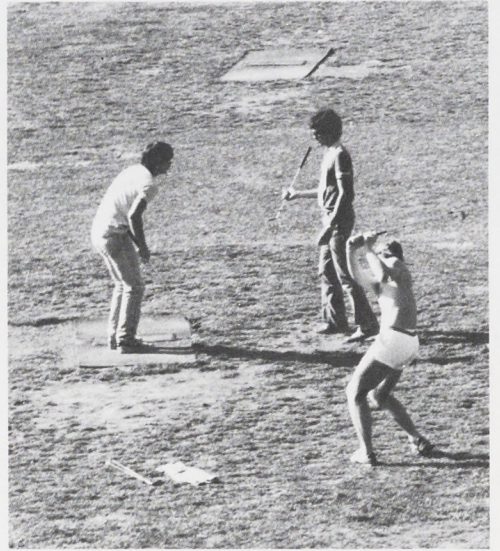

With most of the players returning next year, including co-captains Mike McClain and Lenny Whitcomb, the team is optimistic. If interest keeps increasing, the rugby club should see continued improvement in the future.

let me entertain you

"Let me entertain you, let me make you smile ..."

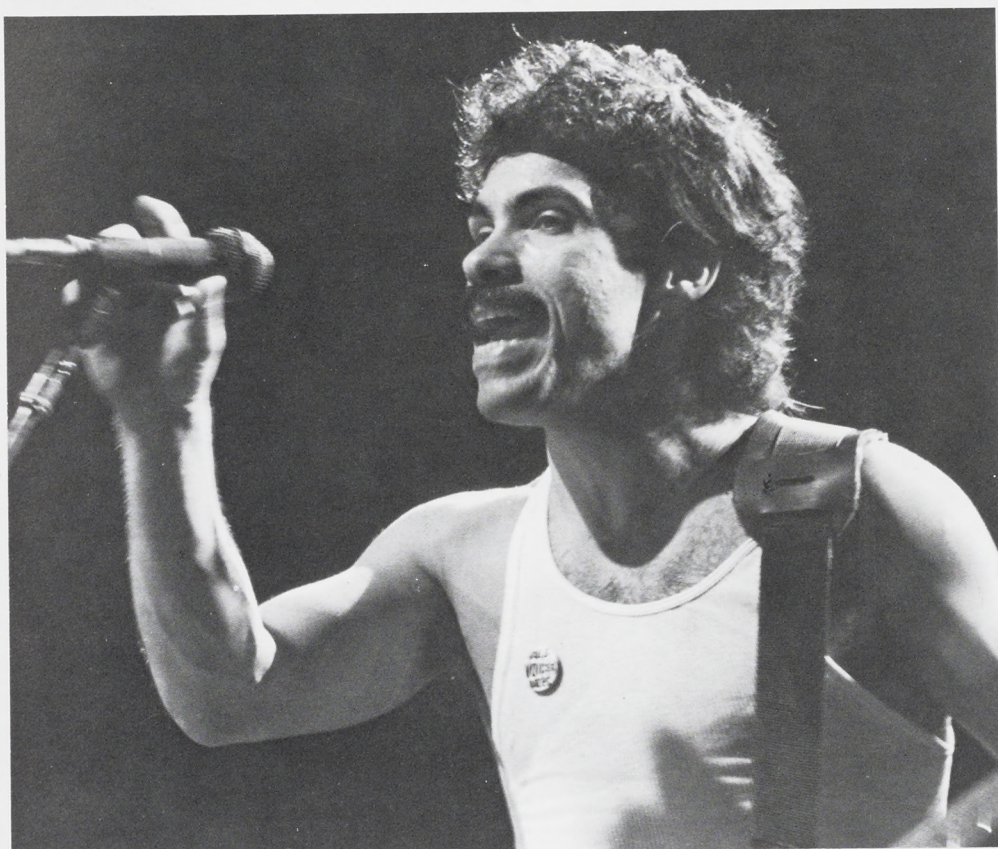

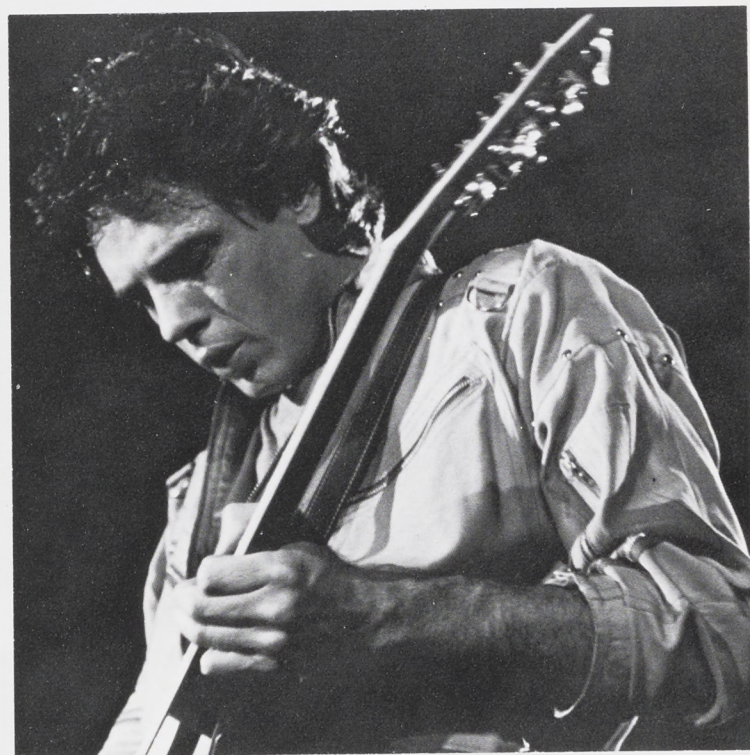

Entertainment and smiles were not in short supply at SSC throughout the 1981-82 concert season. The APB Concert Committee overcame incredible odds and controversies to bring Ship audiences everything they always wanted ... and more.

November was a hot month in Heiges Field House. The dry sarcasm and self-defeatist humor of Rodney Dangerfield tickled funny bones at SSC to kick things off.

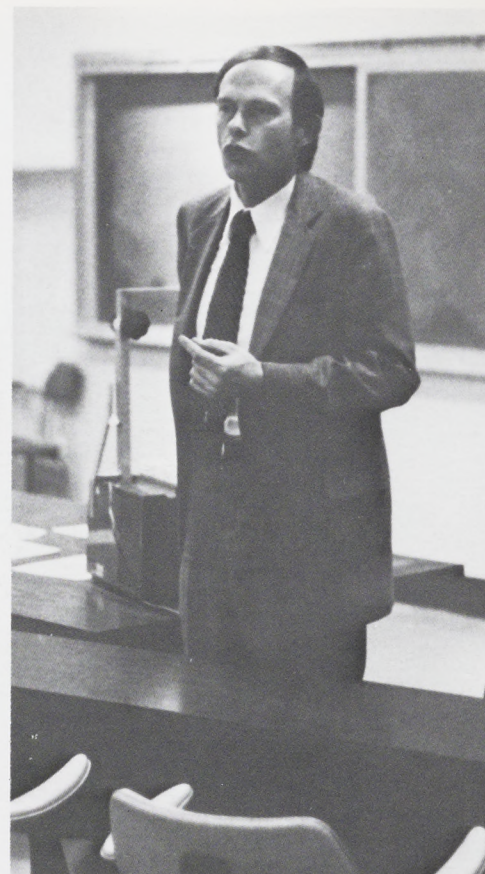

Not long after the stage was torn down from the Dangerfield show, it had to be set up again ... this time for the rock sounds of Hall and Oates. Although a near-capacity crowd loved the Philadelphia area boys, their opening act, Karla DeVito, nearly stole the show. A mixture of new wave, classic rock roots and rock ballads won the hearts of the audience and made Karla an SSC favorite.

Rounding out the season in April, Rick Springfield (a.k.a. Noah Drake of GH) entertained an S.R.O. crowd with his latest and greatest hits. And he wasn't bad to look at either ...

off-campus with — all the comforts of home?

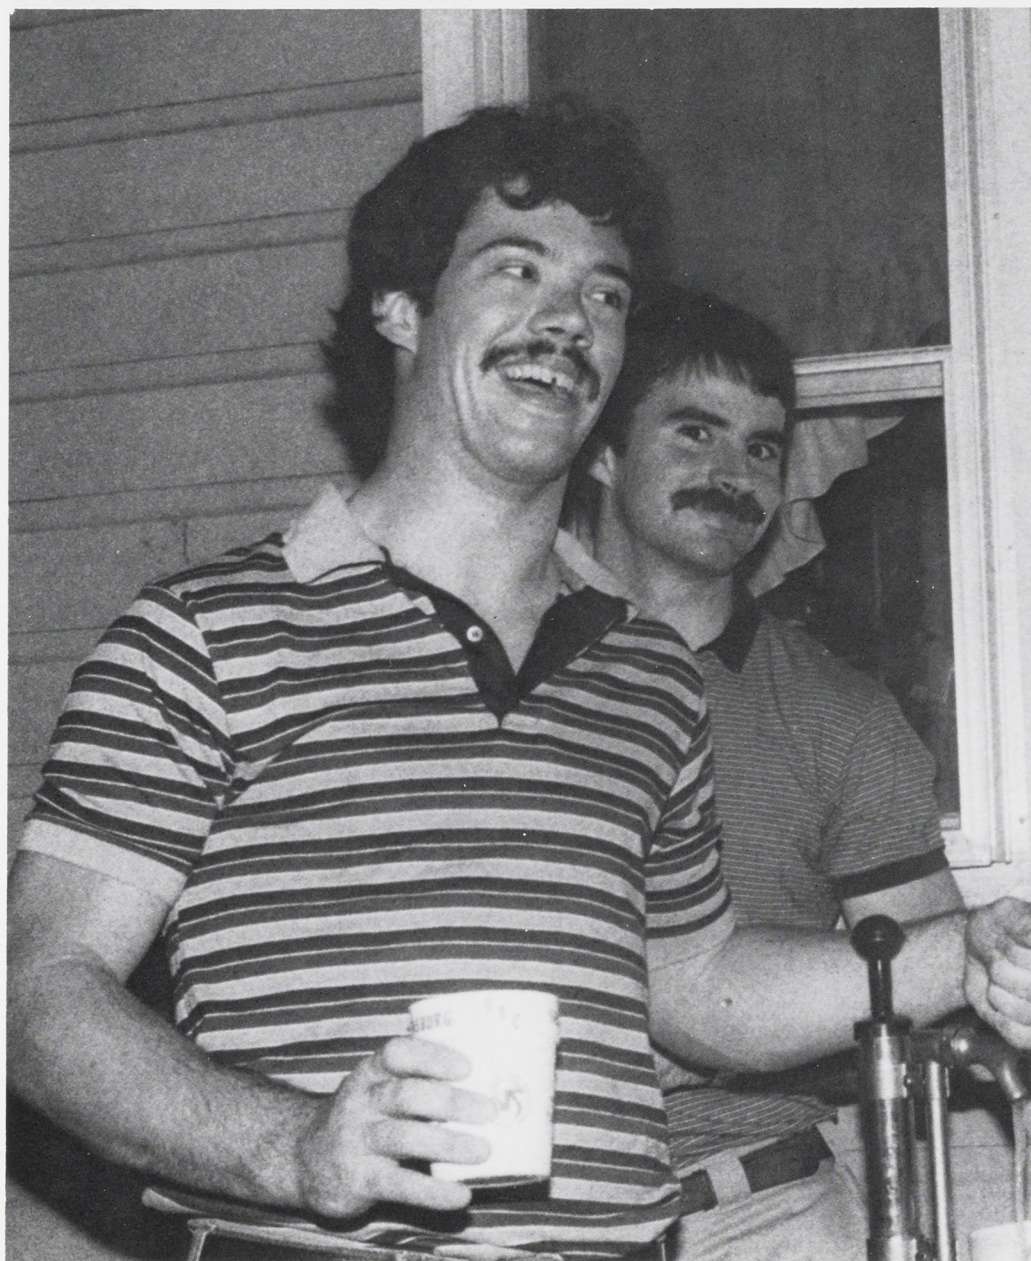

Every SSC senior (with the exception of senior RA's) has the opportunity to live (or sometimes only exist) in an off-campus apartment. Some students are content to rent one room and be alone, others want several roommates and a large apartment. College Park and Chateau are the most popular residences, but a great deal of places exist throughout the town of Shipensburg.

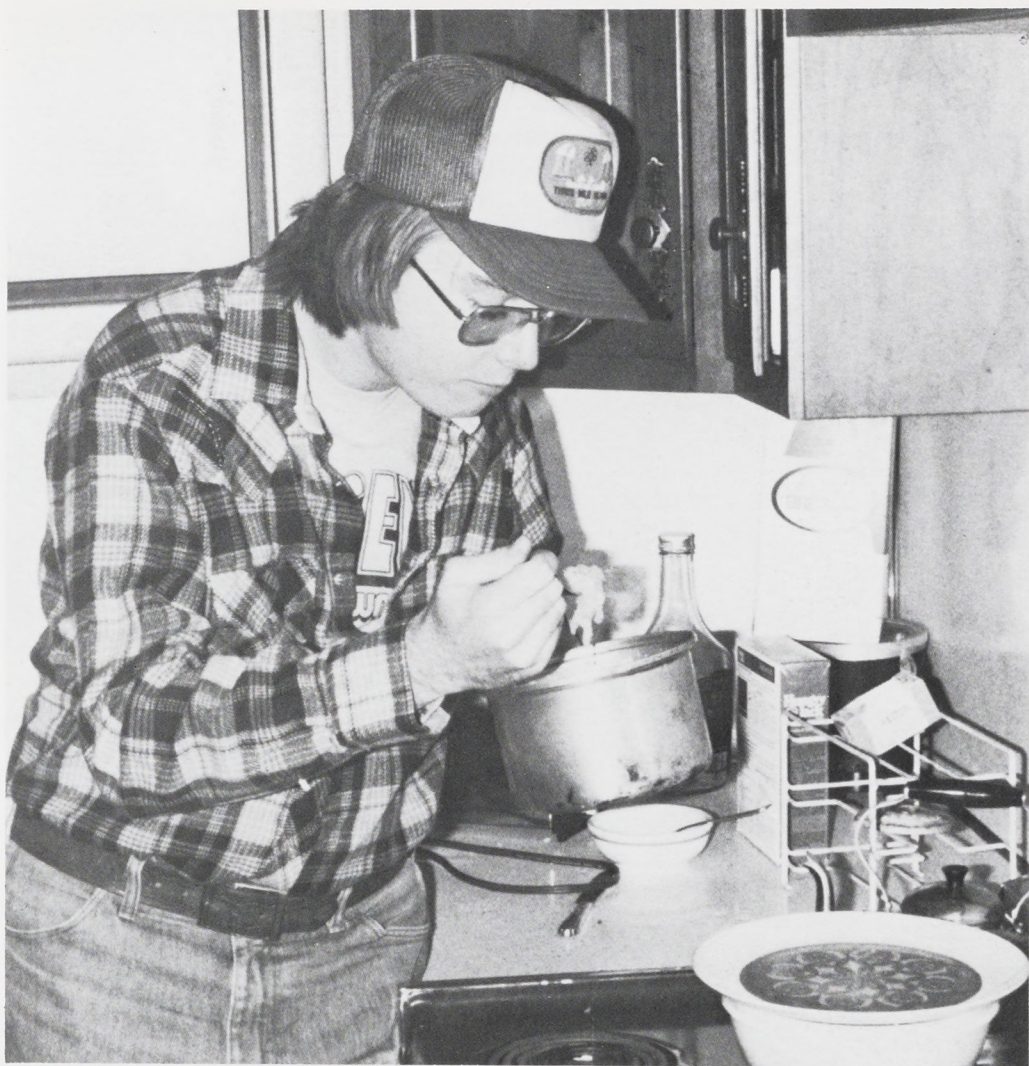

Granted, off-campus living created more responsibilities, but also allowed for a lot more freedom (and fun!). How could anyone forget a \$45 phone deposit, *trying* to devise a chores schedule that suited each and every roommate, always having a beer or *so* in the 'fridge, cooking your own dinner, dragging laundry to campus and sneaking into a dorm to do it, leaving earlier to walk to class, cleaning the *bathroom*, never having a place to park that is close to the apartment, partying on the spur of the moment, no RA's to hassle about quiet hours, doing the dishes and the cleaning and . . . — the list goes on and on!

No matter what memories the term off-campus brings to mind, the majority represent good friends and good times.

football

The 1981 SSC gridders proved to be a team of destiny. Winning their first twelve games, the squad had the best season in the college's history.

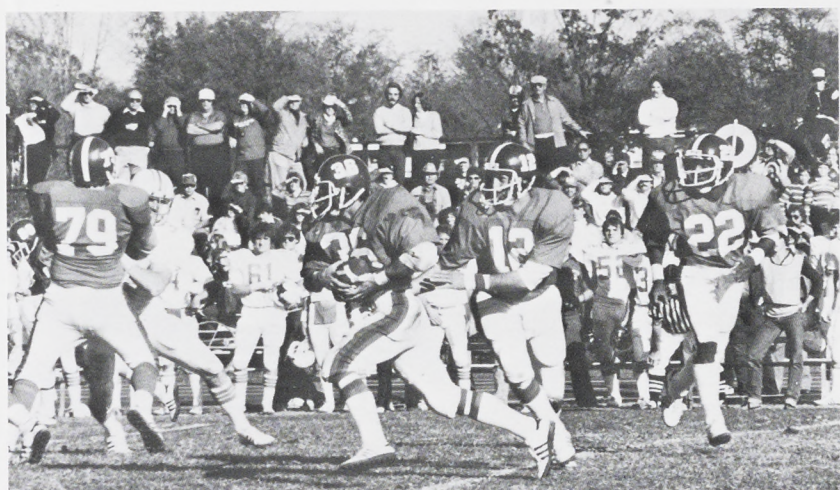

The Raiders breezed through the first half of their schedule. Those five wins included impressive victories over Towson State, 24-10, and a 28-0 rout over conference rival Clarion. In these games, Shippensburg outscored opponents 133-30.

With the second half of the season came better competition, but the Raiders would not be denied. Homecoming against Lock Haven was the team's first test, but the club won 24-20. The last three games were won by less than a touchdown, but the Raiders won the conference west division.

The Raiders downed Millersville, 34-17, for the State title and a ticket to NCAA division II playoffs. The team opened at Virginia Union who allowed only 6.6 points per contest over the regular season. Junior quarterback Tim Ebersole passed for 270 yards as the offense scored a 40-27 victory.

The offense averaged 394 yards per game, a new school record. Ebersole set an individual record for total offense with 2,177 yards. Halfback Dave Friese scored 15 touchdowns, tying the record. He also broke his own all-purpose running record with 1450 total yards. On defense, end Ed Brown's 10 sacks tied a record, while linebacker Rich Pryor's 69 solo tackles broke another. Coach Vitto Ragazzo took numerous Coach of the Year awards, and the team won the Lambert Cup.

band/cheerleaders

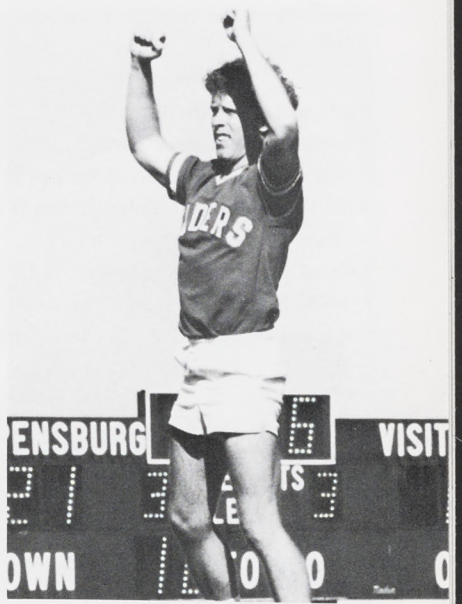

Genuine Raider spirit is the common element shared between the band and cheerleaders. To each member involved, there are many hours of sweat-filled practice and long hours of dedication until the final outcome of that first successful performance.

Through the guidance of band director Dr. Benjamin S. Truax, drum major Marilyn Eyerly and field captains Donna Zader and Brian Dietrich, the 160 members of the Raider marching band spark the true college spirit and demonstrate their musical and creative talents. Along with performing at every home and away football game, the band also marches in a variety of parades. This year, the band was honored by marching at the Eagles' game in Philadelphia.

Besides the marching band, SSC cheerleaders carry much of the responsibility involved with promoting a feeling of pride and spirit to the Raider fans. Although approximately 50 students try out for a position on the cheering squad, only 20 students, 10 males and 10 females are selected to earn the title of "SSC Cheerleader."

With the help of advisors Jan Hoffstott and Herb Bowers and captains Brad Adams, Dave Altland, Tracy House and Jill Jamison, the cheerleaders display enthusiasm and talent.

volleyball

High jumping and hard hitting was the name of the game for the SSC women's volleyball team. The Raiderettes compiled an overall 10-11 season record.

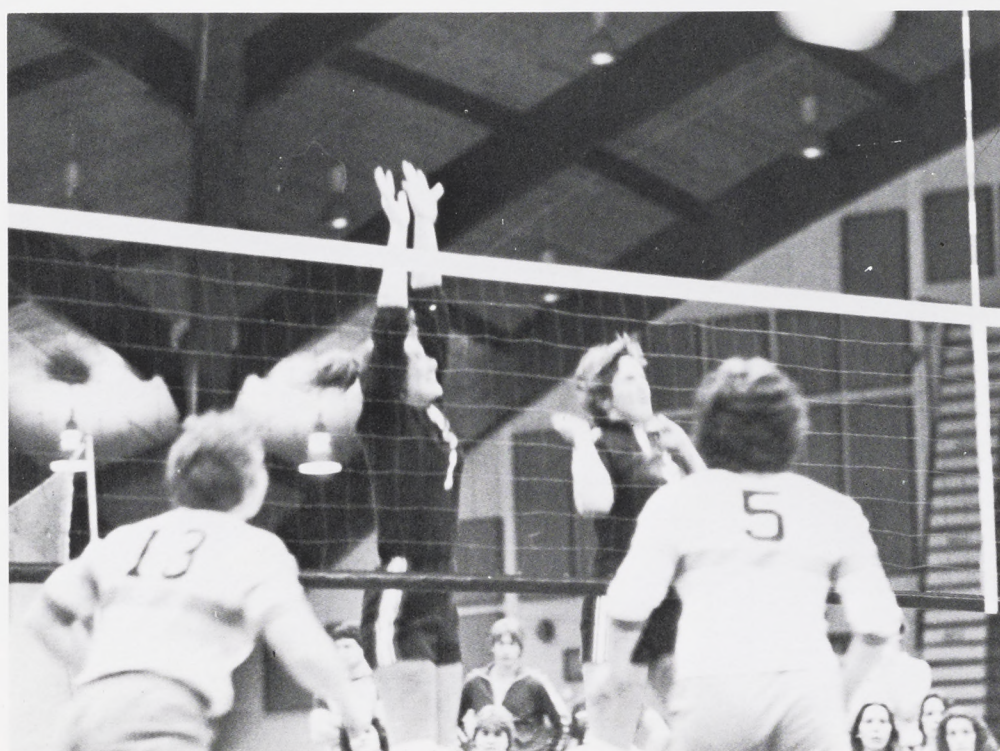

The team, coached by Robert Frazier, is only in its second season at Shippensburg. Last year the Raiderette netters went undefeated at 11-0. This year, the team's pre-season games increased as well as the level of competition.

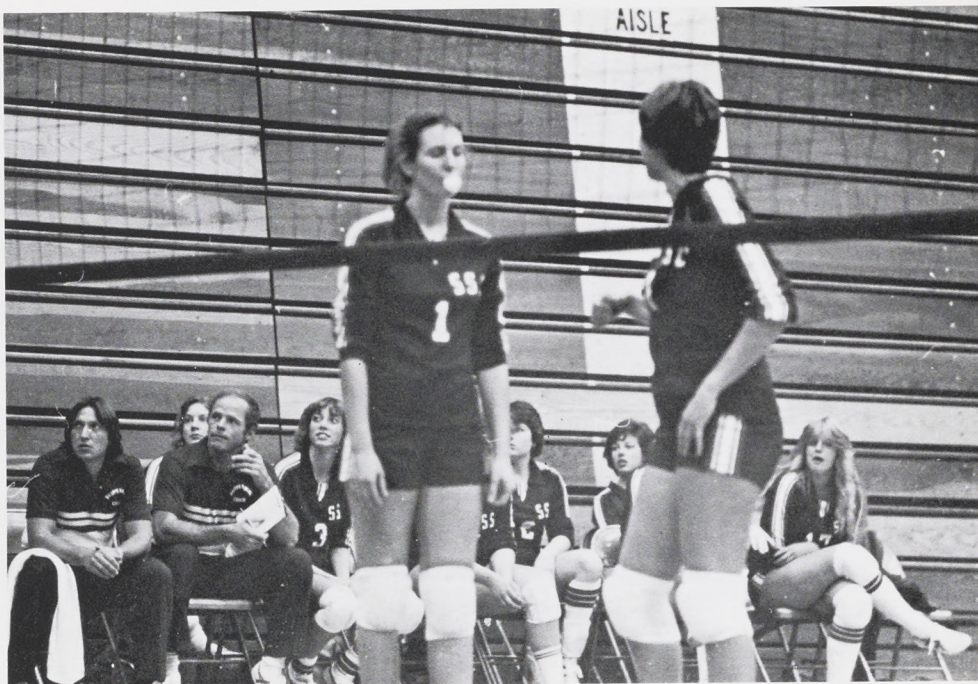

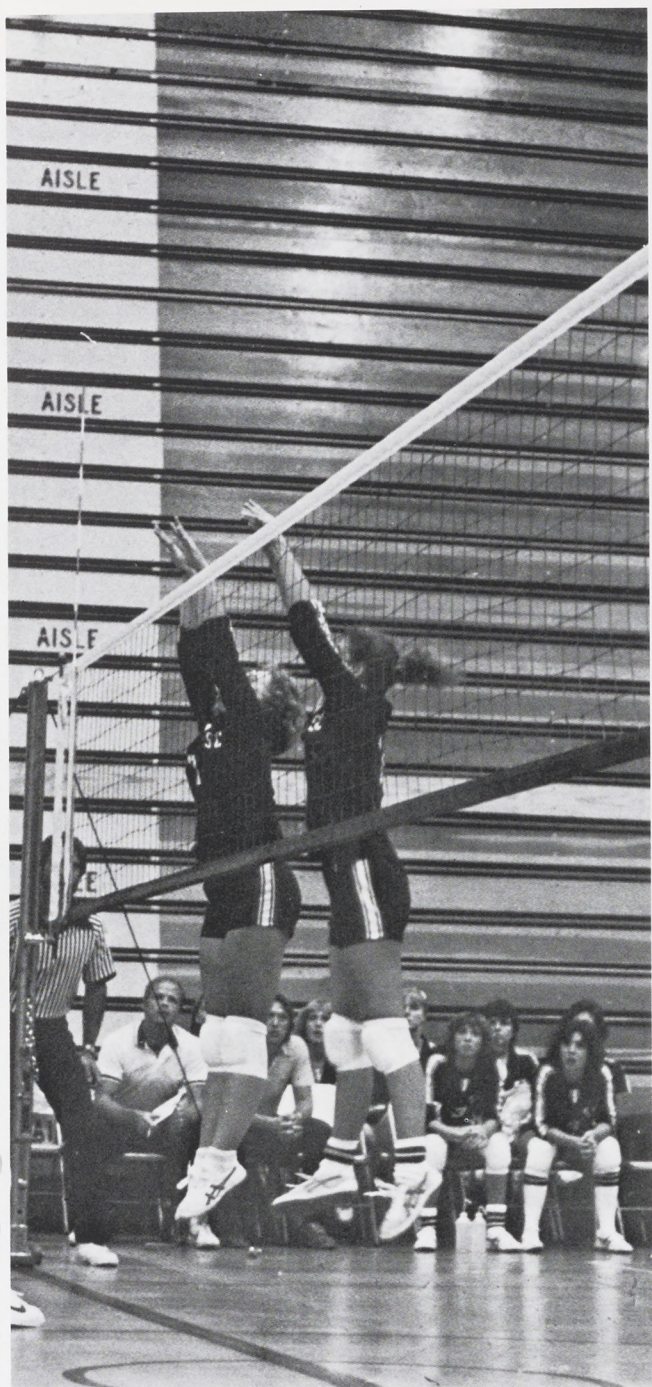

Four starters, Nancy Scheetz, Patti Reath, Barb Hoffman, and Marcia Smith, returned to the Raiderette lineup to give the team relative depth.

Scheetz lead the team throughout the season setting records in three categories. She garnered the first school record by serving 25 aces to opponents. Her second record was 35 blocks at the net and 224 service attempts for the season was the third school record. Scheetz was selected by teammates as the 1981 MVP.

Freshman spiker Shelly Stallsmith proved to be an essential at the net by setting a school record with 120 kills during the season.

The team began the season by downing Dickinson and Cheyney and also gained valuable tournament experience this year at the Mansfield tournament and the Slippery Rock Invitational.

soccer

Although it was Shippensburg's first year competing in the Western division of the Pennsylvania Conference, the Red Raider soccer team was able to prove victorious. Even with tough teams like Philadelphia Textile, Lock Haven, Georgetown, and Randolph-Macon, Shippensburg emerged with their best record ever — 11-4-1.

Senior co-captains, Paul Kline and Roger Deininger, proved invaluable to the team as their presence in midfield made that a strong area both defensively and offensively. Paul Kline also led the team as top scorer for the 1981 season which consisted of their most wins ever. Letterman Tim Hill aided the team on scores and senior Andy Moyer was also an asset in midfield.

The forward line consisted of Chip Brucker, Mark Maningo, Ralph Eisenschmid, and Dan Ward who led the team to victory. Of the strikers, only Chip Brucker won't be returning next season.

Fortunately for Shippensburg, defenders of the goal will all be back next year. Returning as seniors are Rich Dworzak and Steve Marshall. Two invaluable freshmen defenders this season were Mitch Gettle and Mike Pollack. Alternating time as goalies were Joe Longenecker and Doug Schlegal who combined their talents to allow only 13 goals the whole season.

The Red Raider soccer team, led by coach Anthony Puglisi, met with a tough schedule and were able to prove themselves a winner.

women's tennis

This fall the women's tennis team consisted of mostly freshman and sophmores, probably the youngest team Shippensburg has ever had. However, this young team with only two returning starters compiled a record of 11-0 and became the first undefeated women's tennis team ever at Shippensburg State College.

Over the past two years, the Raiderettes made a great improvement in the team's status at the Pennsylvania Conference Championships. In 1979, the team placed 11th; last season they moved to 6th place and this year the Raiderettes with an optimistic view, attended the Conference in Indiana to place second behind Slippery Rock.

Those recognized in the Pennsylvania Conference were sophmores Peggy Mount, who placed in the number two singles and Judy O'Connell, who placed in the number three singles. Judy had an 11-0 personal record and was the MVP for the 1981 season. Janice Weisberger, a freshman, placed in the fourth singles and Patti McCloskey placed in the fifth singles.

cross country

The SSC cross country teams competed in more meets in 1981, with the men's squad coming away with another banner year, finishing 49-16. The ladies struggled through a season of illness and injuries, finishing 17-23-1.

The men were led by Yorker Steve Shaull through a schedule dominated by tournaments. The runners competed in only two dual meets.

The team felt the loss of All-American Gregg Sanders and an off-year by Gary Bicking. The duo led the team last season with numerous record-breaking performances. Bicking, who was All-American his junior year, failed to repeat his outstanding performance, but he consistently finished second for the runners.

Steve Space, Mike Knause, Jim McHenry and twins Kurt and Doug Long contributed to the team's strong season. The team finished fourth in three tourneys and grabbed second place honors at the California Invitational.

In only their second year of intercollegiate competition, the women's hopes of improvement were deterred by misfortune. The team ran its regular schedule and remained close to the .500 mark. The biggest disappointment was the inability to participate in their own invitational due to a lack of healthy runners.

The lady runners were led by Bebe Robinson whose times showed much improvement. Other regular runners included Ann Fittipaldi, Valerie Lauderslager, Laura Newton and Vickie Parks.

With a solid group of returning players, the SSC field hockey team assembled a 7-7-2 season record. During the past five years the team has compiled a .785 winning percentage.

Betsy Colestock and Patty Kriebel were voted co-MVP's for the team. Colestock, playing a wing position, displayed her offensive skills by scoring five goals for the Raiderettes and Kriebel, at the "sweeper" position, lead the team in defensive play.

Adding depth to the team at the wing position, Cheryl Maddock ended her hockey career with 17 assists during the season. Also ending her hockey career, Kathy Mullen garnered the season record for most team goals at eight.

Leading the Raiderette defense was goalie Lynn Albright, allowing only 18 goals to be scored against SSC in its 16 games. Facing a tough schedule, the Raiderettes were only able to score 25 goals during the year.

Sophomore guard Stacy Cunningham led the Raiderette basketball team to a 10-12 season finish. Cunningham was named to the Division II, All-Region team. A co-captain, she broke every school scoring record this season, setting new standards for most points in a single game with 41, most points in a season with 582, most points in a career with 876, most steals in one game with 12, and most steals in one season with 108. Cunningham also led the PA Conference with scoring with 26.5 points per game.

The Raiderettes got a slow start on the season, losing three out of four games, but they picked up momentum during mid-season under the direction of brand-new head coach Ann Plummer.

In the front court, Donna Luckenbill added depth on the free throw line and also was one of the team's leading rebounders. Senior Kathy Kreider follows Luckenbill in the rebounding area and is one of the leading scorers on the team.

In the back court, Denise Vasquez's speedy and handy shot gave the Raiderettes an added edge over opponents. Kele White added strength to the team with her assists and steals. Mary Endsley also provided depth in the shooting category as well as in assists and steals.

The Red Raiders shot straight to the top in their most successful year since 1960. Not only did the team finish off a 19-8 season by placing third in the PA Eastern Conference Division, but Coach Rodger Goodling was named Conference Coach of the Year.

Senior Brian Cozzens garnered even more honors with the end of his last year at SSC. Cozzens broke marks for career scoring with 1627 points, career shooting with 55.9%, free throws made and attempted with 479 of 623, and most free throws in a single season with 157. Capping off the last week of play, Cozzens broke the Heiges Field House court record with 39 points in one game.

Senior Ed Henninger gave his share to the Raiders as he finished with the sixth highest career point total in SSC history with 1231. Henninger also ranked number one for PA guards in shots from the field with an average of 54.1%.

Junior Rich Dyer added his assisting talents and was rewarded by a place on the All-Conference second team.

swimming

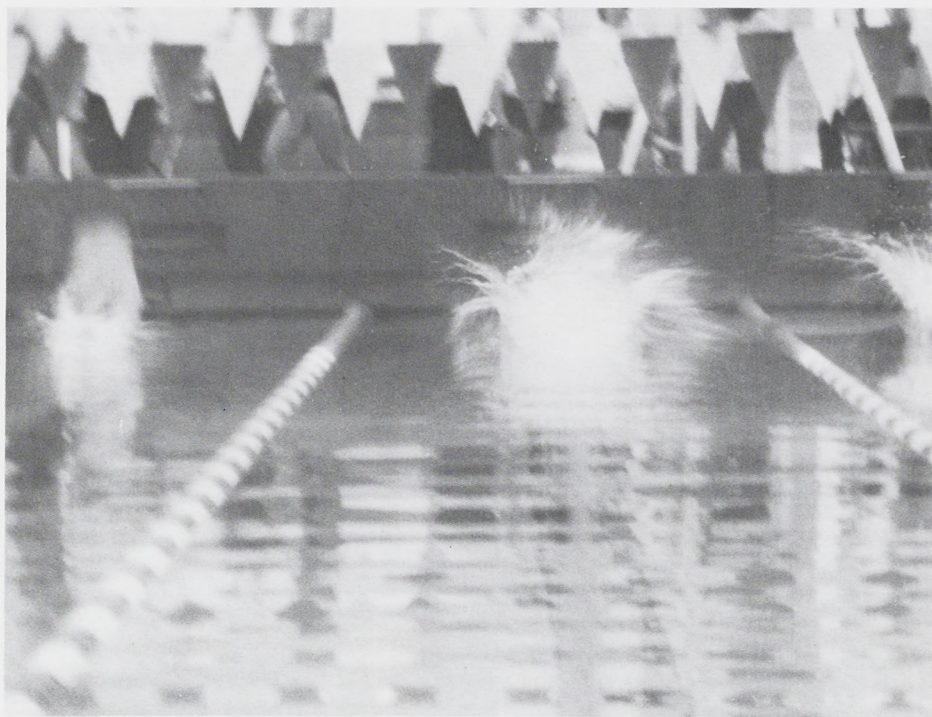

The Raiderette swimmers churned water this season to finish with an 8-4 dual meet record. The women captured third place at the PA Conference championships and an eighth place at the Division III National Championships. This season also marked the last year for head coach Ed Flory. Flory coached the women for two seasons.

Seniors Debbie Polak, Mary Buckley, and Heather Tomlinson will also end their swimming careers this year. Polak was the Most Valuable Swimmer for the third straight year. She set new school records in the 100 and 200 individual medleys and in the 100 butterfly. She set pool records in the 200 freestyle and 100 butterfly. Polak has earned All-American honors for the fourth year in a row.

All-American and freestyler Buckley recorded her best times in the 50 freestyle at 26.9 and 58.34 in the 100 freestyle. On the diving board, Tomlinson was a continual point-scorer for SSC.

Freshman Amy Smith, sophomore Carole Cowdrey, and juniors Heidi Lange and Michele Priest all provided the team with tremendous strength and depth in their individual events. Lange and Smith are big guns in the backstroke. Cowdrey adds momentum in the freestyle and breaststroke races and Priest boosts the distance freestyle events.

Though the record of 7-5 may not show it, the Raiders whipped up a storm in the pool this season. The year ended with a splash when the team, for the second year in a row, placed among the top ten in the nation for Division II. A total of eight All-Americans returned from the championships.

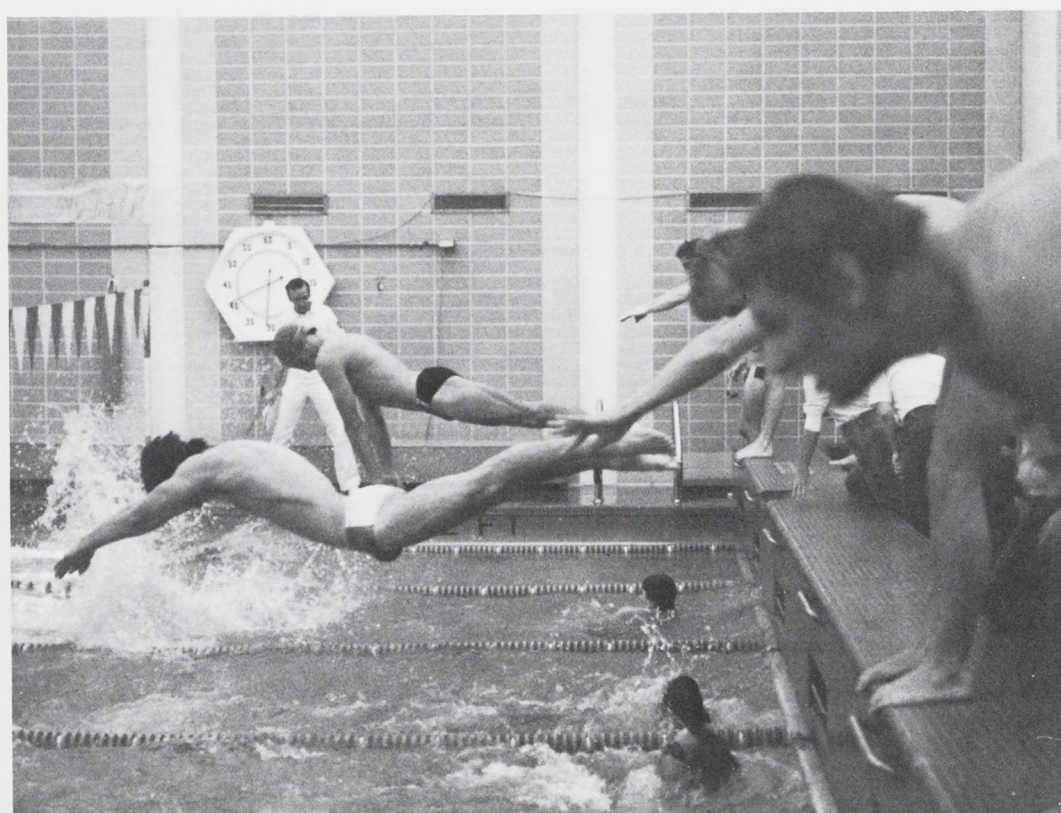

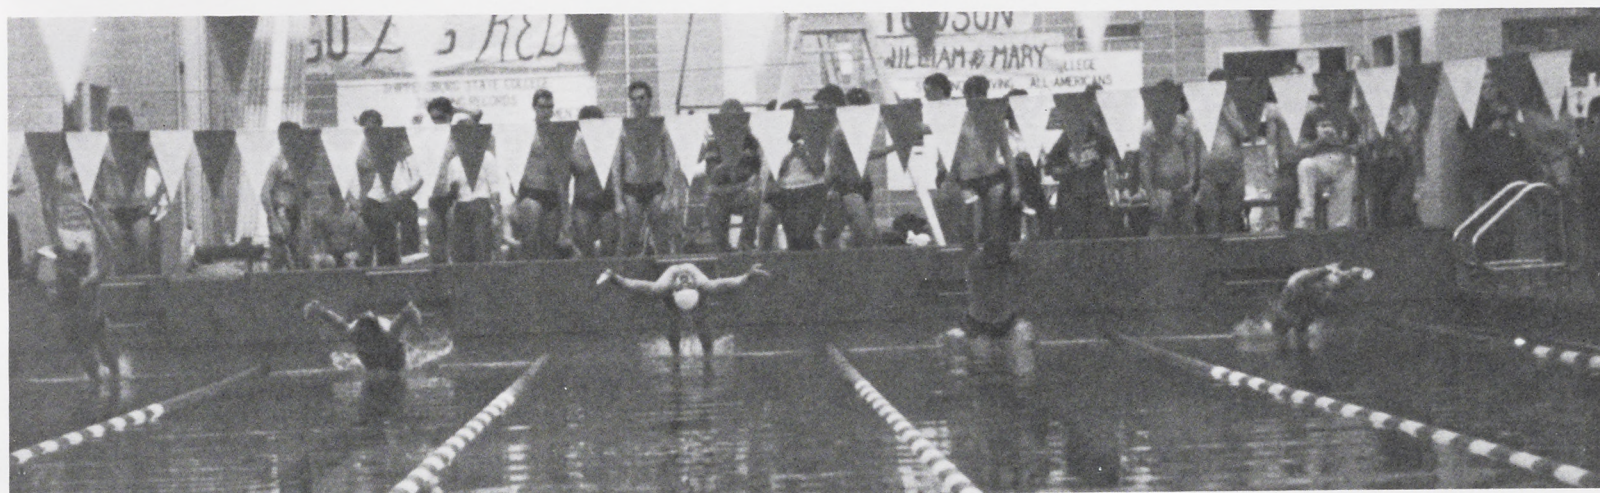

The Raiders had earlier continued their strong showings in the PA Conference championships, finishing second for the fifth consecutive season. Rather than limiting themselves to Division II teams, the Raiders scheduled five tough meets with powerful Division I teams.

Leading the way for the Raiders was sophomore Mike Wolper who earned All-American status both individually and in the 200 individual medley, the 400 I.M., and as a member of three relays.

Doug Myers also gained All-American recognition in individual and medley events. He had earlier set SSC records in the 100 and 200 butterfly.

With seven returning All-Americans including Myers and Wolper, Interim Coach Bill Abdalla predicts an even bigger splash next year.

The SSC matmen ended their season with another .500 mark (23 in the last 26 years). The young team's ten starters are mainly freshmen and sophomores. All ten will return next year. Co-captain Dave Kirchner suffered injuries early in the year and was sidelined for the remainder of the season.

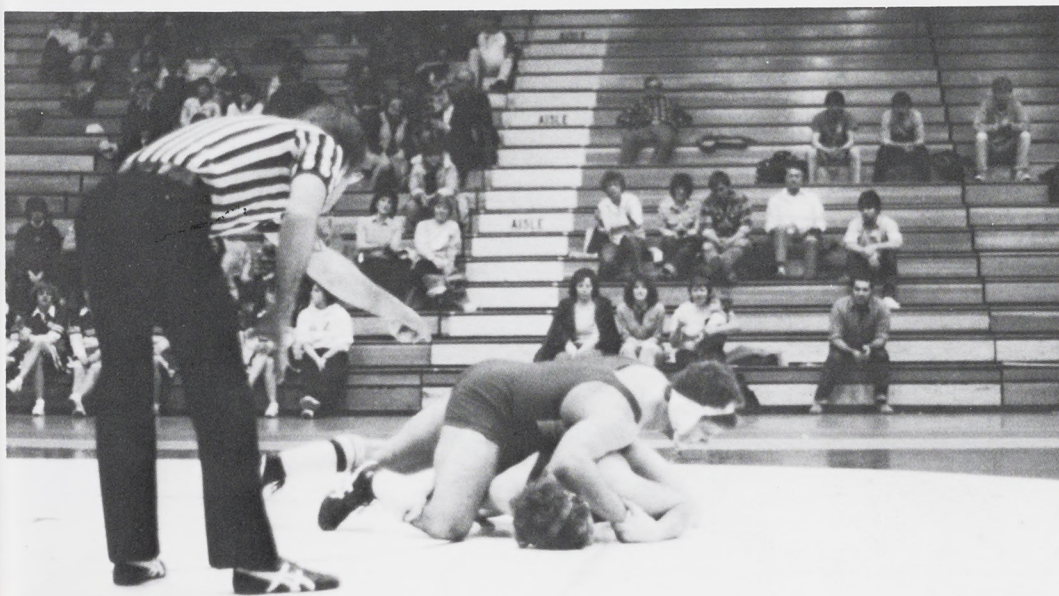

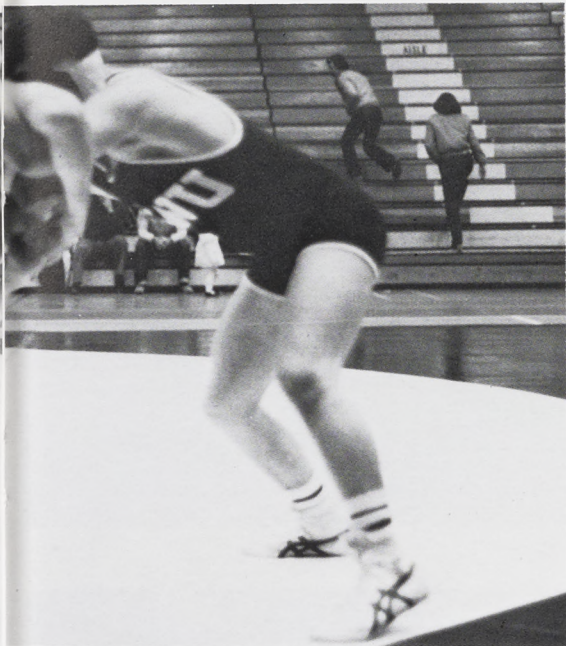

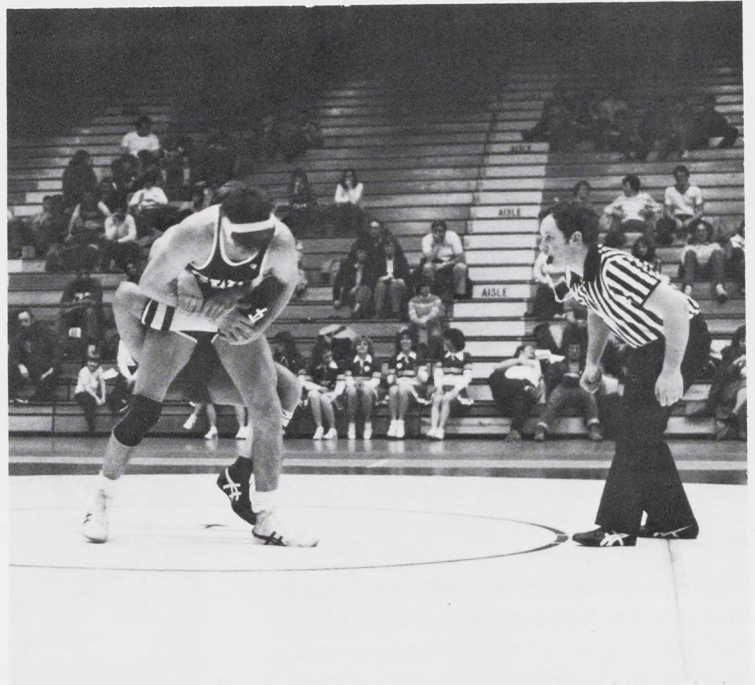

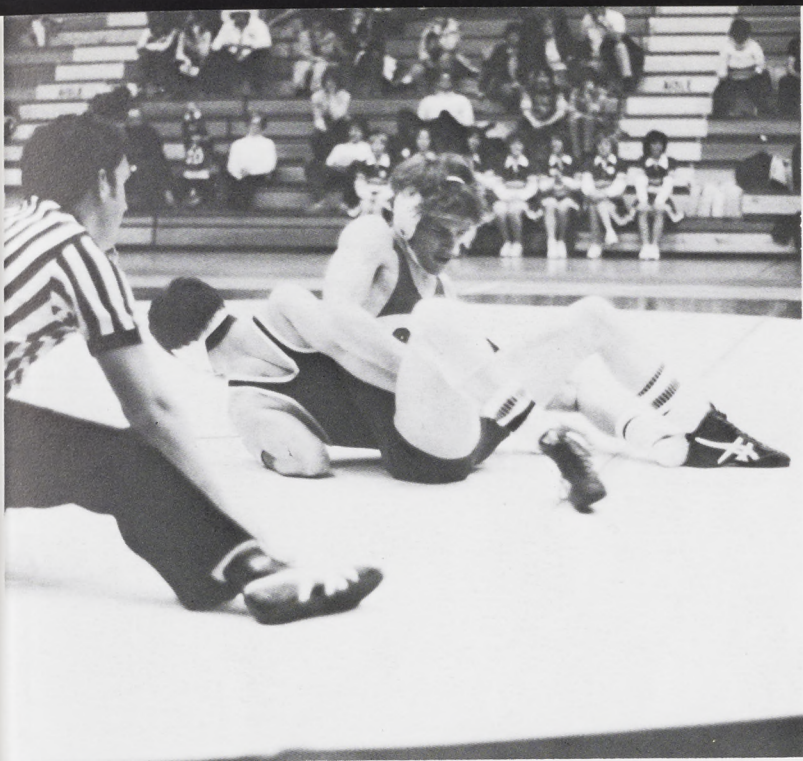

Sophomore Terry Lauver, junior Roy Myers and freshman Mark Szanca seized honors at both the PA Conference and the NCAA Regional championships.

Wrestling at 126, Lauver finished second in regionals and set a new school record for most wins in a season with 41, breaking the old record of 38 set in 1976 by Drew Krapf. He also set the record for most wins by a freshman with 27 last year. Lauver boasts 68 career victories, seventh highest in school annals. He also mastered 14 pins for the season.

Wrestling at 177, co-captain Myers and Szanca, who wrestles at 190, both finished third at regionals. Myers completed the season with 26 victories, his single season best. Szanca marked a 19-12 record for the second year in a row. Myers and Szanca both recorded five pins during the season.

Other starters that added strength to the team were freshmen Dennis Gordon, Steve Spisak and Dan Kerr; sophomores Doug Bomberger, John Bertz and Brian Becker; and juniors Merritt Bender and Kevin Reinhart.

The Raider baseball team had one of the strongest showings on the East Coast, especially with the top Division I schools. However, the Raiders lost some key PA Conference games and were unable to receive a bid to play in the NCAA tournament.

Senior Bryan Snell was the top hitter on the team with a .377. Snell also earned 52 base hits, 32 RBI's, 11 doubles, and 5 home runs. He started the season at first base, but was later moved to the outfield.

Jeff Taylor, third baseman, led the Raiders in runs scored with 33 and in walks with 31. Rick Rush, shortstop, was .309 for the season with 25 RBI's and 16 extra base hits. Other starters for the Raiders include Glenn Gallagher, Kevin Curtin, and Jay Pellman (outfielders), Mike Yohe (second base), Tom Stoudt (catcher), Clint Tyler (first base), and Dave Miller, John Seitz, Rudy Serafini, and Maurice Kuritz (pitchers).

softball

The Raiderette softball team had its best season ever, tallying a 26-7 overall record. The women traveled to the AIAW Division III national championships and placed second, losing to Bloomsburg, 8-0.

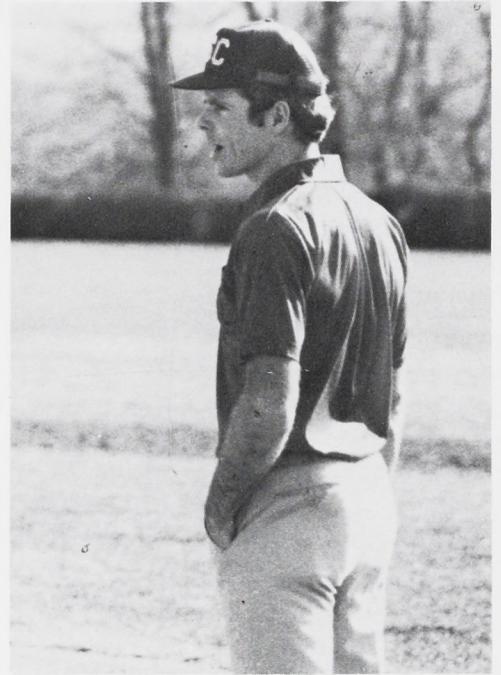

The pitching crew was very strong this year with senior Sharon Boyd leading the staff. Boyd was a record setter at the end of four years with a 17-2 record, 26 wins, and a no-hitter to her credit. Sue Quigley holds the school record for most strikeouts in a single season. Sophomore Gail Wimble was used basically as a relief pitcher, but will see more action next year.

Freshman Suzy Abeles was a strong offensive player and led in several offensive categories. Abeles hit .381, scored 27 runs, had 25 RBI's, 9 stolen bases, and four home runs. Paula Kurkowski batted .370 for the season to be second in the hitting category. Other players that added to the team effort included Kelly Harbaugh (left field), Cathy Beard (third base), Judy O'Connell (second base), Lynn Miller (first base), Sue Rhodes (right field), and Tracy Ingram (catcher).

The Raiderettes played in three tournaments at the end of the regular season. They were eliminated in the quarterfinals of the AIAW Division III Eastern regionals. They played in the PA Conference tournament soon after that and finished second. Competition moved to the AIAW Division III nationals in Grand Rapids, Michigan; SSC eventually lost in the final round. However, Boyd, Miller, and Abeles were named to the All-Tournament team.

Coach John Trail ended the season with a successful record and a promising look toward next spring and the new season.

lacrosse

The Raiderette lacrosse team fought to a 3-5-1 record this spring, not able to overcome the losses caused by 1981 graduation. The team worked hard in the beginning of the season scoring impressive wins and close games, but never returned to this momentum later in the season.

Senior Trish Ross was once again the leading scorer for the team and tallied 28 goals, making her SSC career scoring record total 129 goals. Judy Roche added 13 goals to the team effort, Ellen Carnwarth chipped in with 12, Lisa Kalmbach was credited with 6 goals, Tracy Leve scored twice and Jackie Kress and Krista Russell each scored once. Harriet Butcher, the top freshman on the team, also added 6 goals.

In the goal, Karen Gibble made 104 saves and Patti McElroy had 31.

In the PA Conference tournament, the Raiderettes finished in fourth place.

track

The Raider track team finished its best season ever with a 7-0 record and a first place at the PA Conference championships.

The stars for this team included Steve Spence (5000 meter run, 1500 meter run), Mike Carey (javelin), Todd Jackson (long jump, triple jump, 100 meter dash), Todd Zimmerman (400 meter hurdles), Wayne Blatt (110 meter high hurdles, high jump), and Mark Keller (discus, shot put).

The Raiderette track team was also successful and improved their record from last spring, finishing this season with a 6-4 record and a sixth place in the PA Conference championships.

Amy Sokalski (100 meter hurdles) was a team leader, as well as Jodie Martin (javelin). They were the first SSC athletes to ever qualify for the AIAW national championships. Tammy Butler (discus), Beth Jackson (400 meter hurdles), Annette Wilson (shot put), Chris Reisinger (high jump), and the relay team of Karen Baker, Natalia Kittle, Lisa Zarzyczny, and Lori Weyant were all consistent point-scorers.

tennis

The Raider tennis team had one of its best seasons ever posting an 8-7 overall record. Shippensburg was 3-6 in matches played within the Pennsylvania Conference and 5-1 against teams outside the immediate conference.

Craig Zierdt was the Raider's number one seed and completed the season with an 8-11 record including the matches played at the conference championships. The number two position belonged to Eric Solenberger (8-10), Steve Janiec (7-9) was number three, Paul Larsen (7-7) took the fourth seed, fifth spot was occupied by John Weber (8-10), and Jeff Rook rounded out the top six.

Doubles competition was also at an above average level. Zierdt and Rook combined for a 6-9 record, Solenberger and Janiec finished with a 7-7, and Larsen and Weber ended their season with a 7-5 tally.

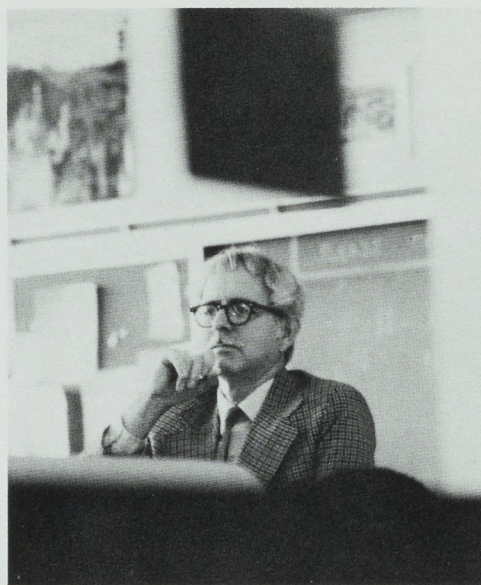

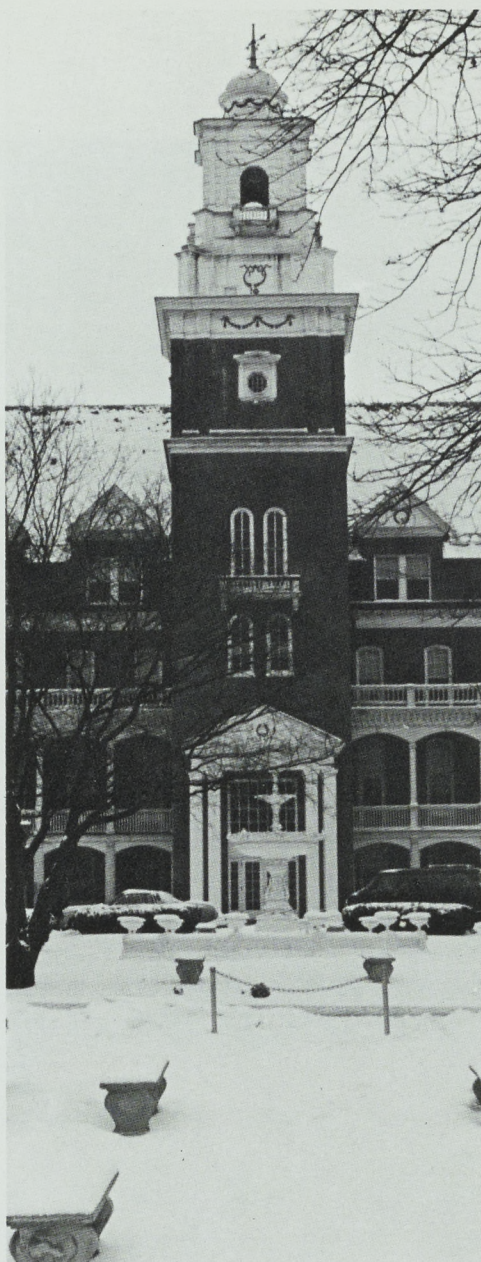

The Raiders improved their position at the conference tournament by one notch climbing to eighth place after finishing ninth last spring.

CONGRATULATIONS AND BEST WISHES TO THE CLASS OF 1982

For most of the members of the class of 1982, I am sure it seems that the past four years have gone by so very quickly. Now, as new graduates of Shippensburg, your minds and hearts are filled with a multitude of fond memories and feelings about your years here as students - your experiences in the classroom, a favorite professor, new friends, student government, sports, extracurricular activities, and so on. As the newly-appointed President of Shippensburg completing my first year in office, the past year has gone by quickly for me as well. For all of us, there are not only fond memories of years past but initial and lasting impressions of a college truly committed to excellence in all that it does.

How much impact Shippensburg has had upon your young lives is difficult to measure. You have grown and you have changed. We hope we have contributed to that growth and change by attempting to fulfill our goal of educating you to prepare for a lifetime of intellectual growth and development, providing you with the means of earning a livelihood and the ability to meet new professional challenges, and preparing you to function as a creative, productive, and independent citizen in a free society.

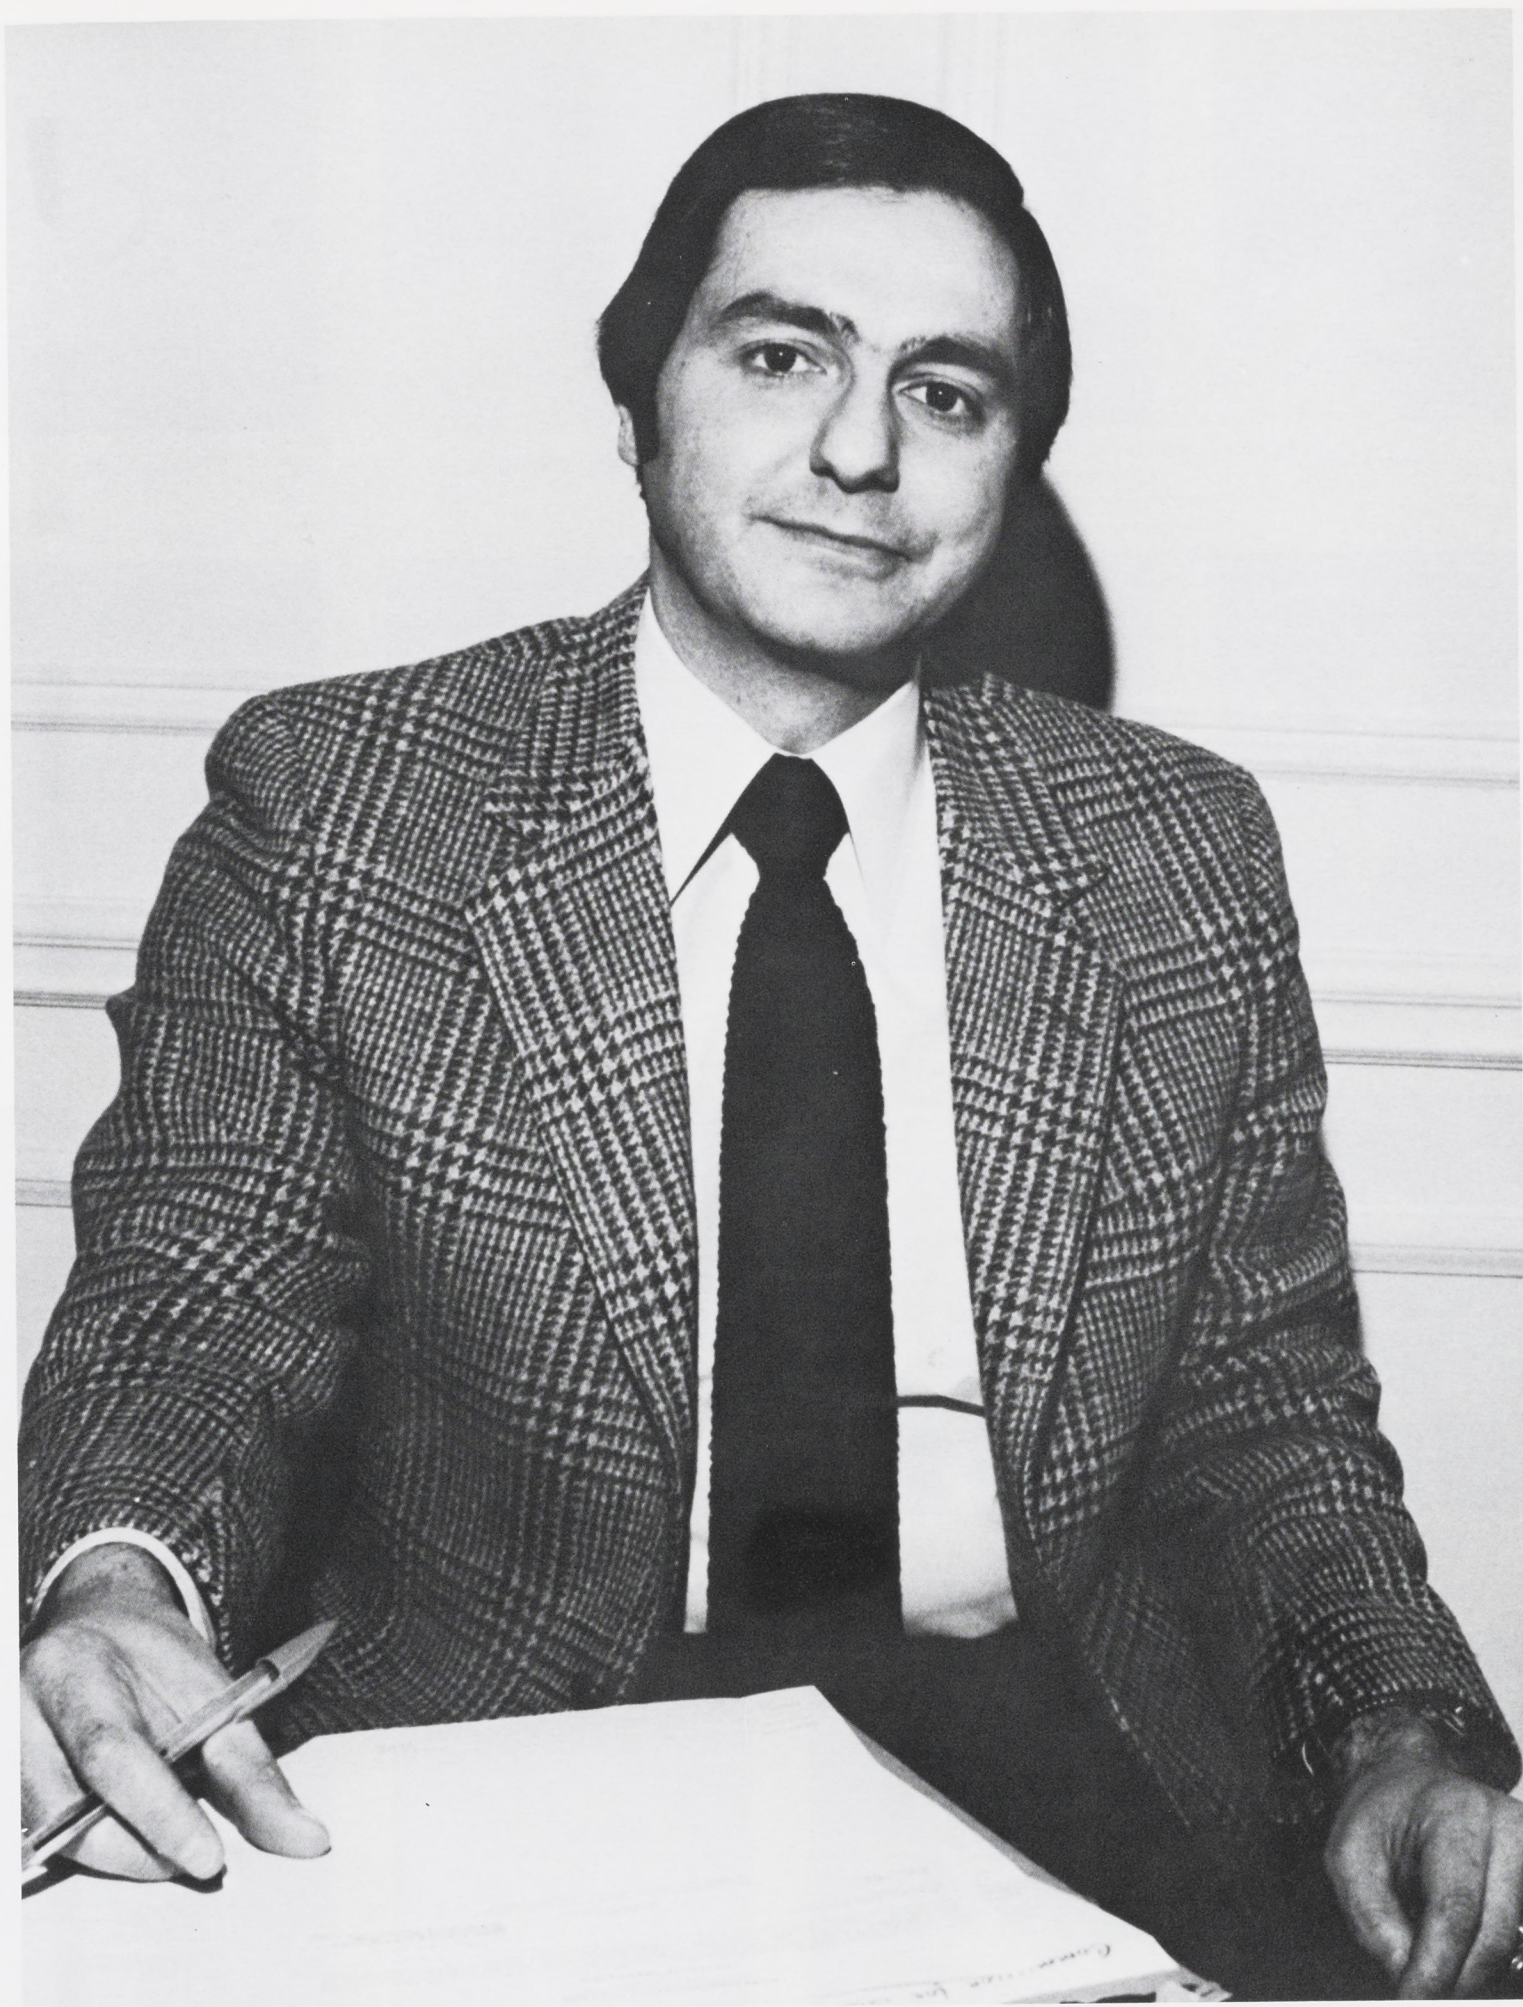

The faculty and all the members of the College community share in your pride of having achieved your goal of receiving a college degree and becoming an alumnus of Shippensburg. We wish you our best for the future and look forward to continuing to share in your successes as a graduate of Shippensburg State College.

What a year. Here it is, the end of May (the 24th to be exact), two weeks after the dreaded graduation, and I'm still dragging my feet about writing the last word. This is really a tough job. After a heart-wrenching graduation in Heiges Field House (rain — what a fitting end!) and tearful goodbyes sobbed to anyone and everyone in Maxie's, it's next to impossible to immerse myself in sorrow again to bid farewell to the *1982 Cumberland*. But, then again, a co-editor has to do what a co-editor has to do.

Compiling this collection of Shippensburg memories has been a trial and a tribulation. One thing I learned this year is that seniors should *never* be made co-editors. Should senioritis strike both at the same time, the results could be fatal! I will always thank God for Dawn's incredible organizing ability, for the disease inflicted me early and hung around for months. But, for all the demands and work the book has been, we have been amply repaid in lunches (thanks Mike) and fun (thanks staff).

I don't know where to begin the long list of commendations one puts in a letter like this, but here goes:

Dawn — always remember that dreams do come true, as is apparent in the cover of the '82 *Cumberland* — *GREEN!*

Sue and Kathy — you did a super job on sports. Congratulations and best of luck in the years to come. You both have been very special to me over the past four years. Let's try to *communicate*.

Mike Gilroy — you are always there when we need you. Stay Irish, you leprechaun!

Abe Orlick — thank God for select direct and rush developing.

Dr. Olsen and Mr. Willhide — thanks for your advice and for not interfering in our "creative processes".

Editors and staff — what would we have done without you?!?

Finally, I extend my best wishes to the class of 1982; this book is for you. I hope that it adequately captures the essence (at least some of it) of the Shippensburg State College experience. Always treasure your carefree college days when the only decisions to make were whether to drink PBR or Strohs and which classes to schedule.

Good luck to Sharon and Daria, the *1983 Cumberland* captains, you're going to need it. Enjoy every minute of it.

I'm feeling maudlin all of a sudden. Have

fantastic and fun lives and I'll see you in the funny papers.

Best wishes and love,
Eileen

It is quite difficult for two co-editors with different personalities and outlooks to write a combined letter for this page. Rather than debate over what is more appropriate, it is much easier for each of us to write our own letter from the heart. Excuse the somewhat jumbled appearance and continuity of this message, but we are in our own territory and feel quite at home.

The book is finally completed! I think I spent most of last June finishing a *Cumberland*, too, but it seemed to be a lot easier at that time. Sitting in the office, all alone, finishing the senior section and laying out the graduation photos was a test of my will. Being in Shippensburg after everyone had moved was an even bigger test — the faces at the Lodge and Maxie's aren't the same!

All in all, this staff had a super year and a load of good times. My list of thanks and commendations may overlap with Eileen's, but most of these people deserve much more than these few words. A round of applause and a hug to:

The section editors: Kathy, Sue, Daria, Karen, Liz, Sue, and Brian — we could not have made it without you!

Mike Gilroy, publisher's representative from Herff-Jones — help (!), lunches, collect phone calls, and friendships.

Abe Orlick and Davor — fine people and super service whenever we needed it.

Neil Weidman — a terrific Davor photographer and good friend. Thanks for never questioning my judgement on an assignment. Sorry about that cold weekend in March!

Jean, Florence, Tim, and the rest of the CUB staff — you're friends as well as a wealth of information and aid in many situations. Special thanks to the weekend student managers for understanding about keys locked in the office — I do have a terrible habit when it comes to leaving my keys where they shouldn't be!

Louise, Dena, and Mr. Naugle (Fiscal Office) — you've helped a great deal with the sale of the books and it's greatly appreciated.

Audie and Gary — guidance and concern no matter the depth of the problem at hand.

Eileen — for sharing this position with me. I hope Daria and Sharon can only improve what we have done — best of luck,

my friends.

Connie and Marg, my roommates at 339 — you guys deserve an award for taking telephone messages all hours of the day and night.

Lisa, my younger sister — thanks so much for doing 95% of the senior index typing and keeping me company while I worked in the evenings.

All my friends — especially Cathy, Kim and Liz; my buddies at 406 Chateau and 108 Seavers; and my roommates — for being understanding when I had to spend time working on the book instead of spending that time with them. I love ya all!

At long last, I'd like to address this last paragraph to the class of 1982. It may have rained on our parade, but we made it! We have weathered storms in the past and will encounter many more in the future. Best of love, luck, and happiness to each and every one of you!

Love,
Dawn
