The President's Message...

Peace on Earth and Goodwill to Everyone

Dear Colleagues,

Here we are at the end of the semester and the onset of the holiday season. I hope you are bringing those courses and other activities to conclusion, in anticipation of some much-needed end-of-year rest and personal fulfillment.

Please join us for the APSCUF Holiday Social at Clarion River Brewing Company on Main Street on Thursday, December 13 from 4-6 pm. It is a great time to catch-up to your colleagues in a joyous atmosphere! Stop by to have some tasty hors d'oeuvres and refreshments!

Finally, I am happy to report that for the first time in several years there are NO RETRENCHMENT LETTERS anywhere in the state system on the table! The single letter issued this year, at Cheney University, was withdrawn when Middle States extended their provisional accreditation. Congratulations to the State-Wide Meet & Discuss Team for their tireless efforts on behalf of Cheney University. APSCUF takes very seriously the protection of our members' livelihoods.

At the close of the year I want to thank all the APSCUF members who volunteer and serve in leadership roles. This *solidarity* makes our union strong and effective! Heartfelt thanks!

Best wishes for warmth and peace this holiday season,

Ray

Dear Colleague:

This letter is important to you only if you deduct union dues or fair share payments as an ordinary and necessary business expense on your **Federal** Income Tax Return. It does not address the State Income Tax Return because each state is different. If you do not deduct union dues or fair share payments, you do not need to read any further. If you do deduct union dues or fair share payments, the following is very important.

Since January 1, 1994, an amendment to the Internal Revenue Code prohibits the deduction of that portion of your union dues or fair share payments which is used for lobbying purposes. Mack Gerberich and Associates has advised us that for 2018 the non-deductible percentage of union dues which was used for lobbying was nine (9%) percent. Therefore, ninety-one (91%) percent of union dues are deductible. Non-member fair share payments equate to ninety-one (91%) percent of union dues and all of these payments are deductible.

If you use a professional tax preparer, please remember to provide this information.

Sincerely,

Kenneth M. Mash, Ph.D.
President
