

## Executive Meeting

1-24-16

- ALA Student Chapter Treasurer Brandy Hill is moving to another state and the treasurer must live on campus, thus, Cody is going to take over the position.
- On Friday of the Spring trip we want to go to the University of PA in the morning and the Free Library of Philadelphia in the afternoon but there may not be enough time. If there is not enough time to do both those going on the trip will be given an option as to which one they want to visit.
- Saturday of the Spring trip we will be visiting the Philosophical Society and the Ben Franklin Print Shop and Ben Franklin Museum
- Sunday there will be a tour at noon but I was unable to make out the name of the place when listening to the archive. There will also be an optional Shakespeare event.
- Cody is going to discuss with Dr. Lillard how to best get in touch with alumni to see if they would like to attend the Spring trip but the best way would probably be word of mouth.
- Cody has been unsuccessfully trying to contact Brady about fundraising.
- Feb 7<sup>th</sup> will be our first membership meeting for the semester and we will discuss the Spring trip.
- On April 4<sup>th</sup> Courtney Young, former ALA president, will speak to us about librarianship. We will also be discussing elections and what we will do if we do not get officers. Cody is willing to stay on as president if need be because he is staying at Clarion to receive his master's degree.
