

Executive Meeting

2-21-16

- Everyone is responsible for their own transportation for the Spring trip because there are not enough people to fill a van and travel as a group.
- Only one person attending the Spring trip is asking for monetary help, thus, we will help her out as much as possible since the money does not need to be divided up between those attending.
- We will be paying the approximate \$323 for the tour tickets.
- We will hold elections for ALA Student Chapter offices in early April.
- Feb. 28th at 8PM we will hold a membership meeting and there will be a video shown where the National ALA president will speak about librarianship.
- We will have a guest speaker on April 4th.
