

2/3/20

AITP

Renewed as a club - yayyyy

Bloomcon - Cyber Security conference

March 27th & 28th - Dates of event

GameJam

preference falls into 7-day approach vs all in a group - weekends would have been rough

focus on this since we are moving towards gaming concentration

Pick one game dev software to keep the playing level the same (prob game maker)

things to consider:

- dates (sometime in April, preferably)
- themes
- boundaries
- participants
- Q/A
- prizes (if any)
- judges
- objectives

size of teams : no more than 3 per team

signup - setup a google form

March 16th - need a flier and we need a google registration form

Sam sent in lists of computer parts

- JODY NEEDS REIMBURSEMENT

No meeting next week 2/10 - Python Seminar

March 19th - CIS visit day
