

Justin Bloss

8/31/20 - Week 3 AITP Meetings

Duration: 30 Minutes

Activities Day:

Didn't have the outcome we expected

Info's out there - have hope more people will come by

Budget:

Plan to buy hardware to upgrade current computers in TechFloor room

Recruiting:

Brandon's class - WHEN

. Wednesday 10am for 254 – Sam, Kalyn

Other things to do remotely:

GitHub Seminar??

*** Data Analytics *** - can be appealing to business majors, but also beneficial to CIS majors

. R language could be crucial to CPA's, so let's look into this

Cyber (since we will have a concentration in cyber security)

Game Development??

C# seminar since we switched off to python in 202

*****GAMEJAM!!*****
