President's Report

If you have your binder from last year, let us know so that we don't have repurchase them.

We will be meeting the 14 for position paper training.

We would like you to have a rough draft in by the first week of class

Vice President's Report

Treasurer's Report

No Report

Secretary's Report

I spoke with the owner of the brewing company, the ventilation hood went down a little after five o'clock, but they did not require us patrons to show the flyer in order for us to receive a portion of the bill.

Next week, I will have Thank You cards for us to sign.

I called Subway and set up another Dine to Donate. As we have said before, fundraising is very important, so please encourage your friends and professors to help support us.

I set up a Dine to Donate through Applebee's. there are two possible dates:

Tuesday February 04, 2020

Tuesday February 18, 2020

I received an email stating that we did not register our fundraiser on CU Connect, it is important that we register our fundraisers prior to completing them, otherwise we will no longer be allowed to fundraise.

I logged on and registered our Yankee Candle fundraiser

I have been looking into making Model UN an RUO as opposed to an RSO. This would allow us to budget for our conferences. I will have more information on this next meeting.

Last year, I brought in handouts for everyone for the meetings. This year, I will just be emailing them out ahead of time, so please bring your laptops to our meetings, especially starting next semester.

Anything I email or pass out will be available on CU Connect.

While researching your committee, make sure to utilize the official committee website, as it has the past voting records available. These will be very useful when you are writing your position papers.
