

## Meeting Minutes: Monday Feb. 8, 2021

Attendance: Taylor (President), Bridget (Treasurer), Brendon (Secretary)

President: I received news that NMUN will be hosting the conference virtually this year. This shift will bring our cost down from roughly \$8,000 to \$1,080. Dr. Trejos and I did apply for the travel grant, and we can still apply for a supplement through Student Senate, but before we did that, I wanted to gauge everyone's interest in a virtual conference. If you missed the meeting and are reading the minutes, I would like to hear your thoughts on a virtual conference. Please email me at [T.M.Boyle@eagle.clarion.edu](mailto:T.M.Boyle@eagle.clarion.edu) and let me know how you feel about an online conference.

Treasurer: Currently searching for fundraising options. At the moment the Daffin's fundraiser is not going to work out for fully virtual sales options.

Secretary: No report
