VP Went to the UAB meeting and discussed our float idea and Chillin and Grillin. We are no longer doing a float for this year due to time restraints.

There is currently no reason why we will not be having Chillin and Grillin this year. So far UAB has no money set aside for Chillin and Grillin, but however much they have left is what is put towards this event.

They would like to start a liaison and have interhall members attend their meetings. Right now, Lindsey and Hannah are interested in this role.

Resnet is aware of the issues that have been occurring in on campus residence halls and are working on a solution. The wifi was updated over the summer and may be connected to the problem.
