

CLARION UNIVERSITY OF PENNSYLVANIA

EMPLOYEE RECOGNITION DAY

MAY 7, 2021

EMPLOYEE *recognition* 2021

Today, we recognize 74 members of our Clarion family who, during the 2020-2021 year, reached milestone years of employment. Combined, they have more than 930 years of service to Clarion University. Ten of these employees have reached a milestone of 25 years of service or more. We also congratulate 49 employees who retired during this same period. Those individuals have given a combined 1303 years of service to the university.

As members of the Clarion family, we recognize and value the contributions of each person. We support each other in the work that we do, and we believe in what Clarion University offers our students and the greater Clarion County and Venango County regions. The hard work and commitment of every Clarion University employee has been on display daily as we have worked together to meet the challenges of the past 15 months.

While circumstances continue to prevent us from being able to gather as a community, we look forward to next year when hopefully we will be able to come together as a community to recognize and thank our colleagues and friends for reaching milestone years of service to Clarion University.

Please take the time today to reach out via email, text, phone or online to thank your colleagues and to offer appreciation for their devotion to the university.
