

CLARION UNIVERSITY OF PENNSYLVANIA

# EMPLOYEE RECOGNITION DAY

MAY 1, 2020

## **EMPLOYEE** *recognition* 2020

Today, we recognize 96 members of our Clarion family who, during the 2019-2020 year, reached milestone years of employment. Combined, they have more than 1,400 years of service to Clarion University. Twenty-five of these employees have reached a milestone of 25 years of service or more.

We also congratulate 24 employees who retired during this same period. Those individuals have given a combined 639 years of service to the university.

As members of the Clarion family, we recognize and value the contributions of each person. We support each other in the work that we do, and we believe in what Clarion University offers our students and the greater Clarion County and Venango County regions. The hard work and commitment of every Clarion University employee has never been more evident than in recent months.

Current circumstances do not allow us to gather. When we are able, we will join to recognize and thank our colleagues and friends for reaching milestone years of service to Clarion University.

Please take the time today to reach out via email, text, phone or online to thank your colleagues and to offer appreciation for their devotion to the university.
