If any has questions please let me know. Thanking for being such a great board. Remember point system is in effect and as a board we must set a high standard. Also in practice if people are talking or texting please address it. I will make another announce at practice Thursday. Practice is for moving forward not back, we shouldn't be as distracted as we were Sunday.

Love you guys!! Be blessed and great pretties!
Main Goal is too...

STAY ON ONE ACCORD 😊
