

Clarion University Student Senate Meeting Minutes
February 08, 2021

- I. Call to Order
 - A. President Mason called the meeting of the Spring 2021 semester of the Clarion University Student Senate to order at 7:30.
- II. Roll Call
 - A. Absent: Senator Schwalm
- III. Additions to the Agenda
 - A. There are no additions to the agenda.
- IV. Approval of the Minutes
 - A. The minutes were approved as presented.
- V. Student Concerns
 - A. There are concerns about students not being allowed into buildings for face to face classes until right before classes. While it is understood that custodial staff need adequate time for cleaning the classrooms, it is cold now and students gather in a group outside which could basically be a breeding ground for COVID. This raises a few health concerns.
 - B. The ice at Reinhard is still an issue. Even though an email was sent out, it may be helpful for CA's to let residents know about plowing so that there is no ice buildup by cars.
 - C. The new mailboxes have a lot of contamination between students because of the one screen that everybody has to touch. Putting a roll of paper towels and disinfectant spray may be beneficial.
 - D. The commencement situation is being addressed. The decision for a virtual ceremony was not made lightly, but safely. Any further concerns should be directed to VP Boyle or Treasurer Zavinski to bring it up at the commencement committee meetings so that opinions can be heard. Additionally, new information regarding the commencement ceremony will be coming soon.
