Meeting Minutes

Soles for Souls

Last year we collected over 200 shoes

The collection area is in Cortland Ohio

Collection area is a storage area that collects shoes until they have a certain number and then have a truck come pick them up

We need to fill out a form if you are dropping shoes off in person

We will put a note on our board about what we did and send a write up to Tina Horner and the Call

Things we did wrong last time:

Do advertising in more places than just Still

Use storage bins from DG or Walmart

Put boxes in Dorms, library, Still, Gemmell, Commons

Get the community involved:

Churches

Visitor Center

Library

Global Links

P.E.A.C.E. Club should consider volunteering at the Global Links facility

Habitat for Humanity
