- Cell Culture – Check cultures for contamination. Incubator has been cleaned
- Compound P – Still pushing pee
- NO ONE TOUCHES FBS BOTTLE
 - Even certified individuals should not be using the new bottle of FBS
- Unless you are doing cell culture, DO NOT USE 15 and 50 mL STERILE TUBES!!!
- Continue developing your SOP's.
 - Send your final version to Dougie Fre\$h so he can review them before you print/upload them to the D2L page
- Turn in the Travel grants before February, 28th!
- HSC
 - Presentation on how Cellular and protein substrates affect hematopoiesis.
 - Collagen vs Control
 - The truth is shocking...
- Officer elections for secretary
 - Record Meeting Minutes
 - Maintain file of minutes
 - Maintain list of members
 - Send letters of appropriation
 - Assist in coordination of meetings, events, and activities
 - Meet regularly with advisor and fellow officers
- Riley would probably be a better secretary. She argues a very good case. Vote for her :)
- RJ is kinda a butt but I'll vote for him anyway cause he's alright and he is my friend :)
 - He thinks that he would make a good secretary because he is irresponsible
 - Stuck up
 - “other guys”
 - What about the girls?
 - **FIGHT TO THE DEATH!!**
