

TRMC Meeting Minutes 2/23/18

Lab Updates:

- Cell Culture – Contaminated flask found this morning. If contamination is found, autoclave the incubator shelves, and spray down the interior chamber with 70% EtOH.
- Prep Room – All good.
- Rat Room – Lineage offspring of rats are inbred and infertile, so we must introduce new fertile rats to increase birthrate. BALB/C are still pumping out babies.
- No Project updates

Smith Lab News:

- March 11th is the due date for Travel grants

TRMC:

- Journal club Friday the 9th before break! Dr. Smith is presenting
- Next lab meeting is the election of officers for the 2017-2018 year. We have the following positions if anyone is interested:
 - President
 - Vice President
 - Secretary
 - Treasurer
 - Amending the position of Public Relations into the Bylaw (TRMC Constitution)
