

TRMC Meeting Minutes 4/13/18

Lab Updates:

- Cell Culture – All is good
- Prep Room – All good
- Rat Room – BALB/C mouse died, if you want to use a rat, PLEASE contact Cecelia first to make sure you don't grab the wrong one! We are running low so DON'T take without asking!

Smith Lab News:

- As summer nears, everyone who hasn't already taken the summer course, it is Advances in Manipulation of Cell Fate and is super helpful so consider taking it!!
- April 18th, Posters are due for clarion conference (Upload to D2L page)
- Those who still have Grant funds, PLEASE SPEND. Contact the officers if anyone needs an order form.
- Be sure to shut the lab door if you are the only one in there and leaving!
- PLEASE DO NOT LEAVE UNLABELLED BEAKERS IN THE HOOD!!! Another beaker of unlabeled liquid in the chemical fume hood, if it is dangerous and needs to evaporate, LABEL!

TRMC:

- TRMC wants to promote our ability to translate biomedical science through the Potty Press!
- Alex is taking the club on a retreat!
 - Location still pending but looking into a pavilion at Clarion County Park with 120 as a backup!
 - Science oriented event, looking to discuss popular and current breakthroughs
 - Lab Olympics? Possible events:
 - Pipette toss
 - Mouth pipetting
 - Petri dish walk
 - Scavenger Hunt
 - Ethanol Lamb Smores
 - Pipette Javelin
 - Kim Wipe Origami
 - Science, Myth or Fact
 - With POTLUCK! (Taco Salad, Mac and Cheese, Dessert, Fruit Dip, BBQ Chicken, Agar Jello Shots)
