LAB UPDATES

SMITH LAB NEWS

-80 freezer: seals wearing out, Barnes Center has one with better seals, we have to defrost it and empty it and then the movers can bring us the -80. 9/21 we are going out to the Barnes Center and we need your help (and your cars). Pizza afterwards? P.S. Must like Pizza Pub

Richard is going to organize Gel Boxes!

Need a committee to organize which tips work with which pipettor (Caleb, Owen, Brody!!) especially sterile tips.

Do the summer class!!

Do JOURNAL CLUB

Subscribe to *Science* and thus become a member of the American Association for the Advancement of Science! It looks great on a resume!

We need to take care of the mold in the cold room. We need to take turns cleaning parts of the cell culture fridges and cold room. Wear a respirator and gloves, use 70% ethanol, spray it down. Pay attention to labels and rewrite if you rub them off. Check incubators too!!!

Don't unplug lab equipment!! Check thermometer inside

Grants: Bd with Keth; Compound P with Smith; Antibiofilm with Smith; Dental Biofilm with Smith; Dr. Brzoza-Lewis is willing to sponsor grants

Watch Cecelia's video, "Research Lab Funk"
