## LAB UPDATES

### SMITH LAB NEWS

We have rat babies!! Contact Cecelia before you use a rat.

Prep room is good.

Cell Culture room. Cells are doing well.

Compound P started working on the grant! They are doing a run next weekend.

Anti-Biofilm did a biofilm assay with a different protocol and the biofilms grew really well.

Blue Tongue needs to do plaque assays.

Jake and Caleb did a prep this week and have cells growing.

PRP dissected yesterday and have a sample. They will spin down next week and get their samples.

HSC did a dissection.

BD is going to work with the immuno class to examine the hybridomas.

Dental biofilm swabbed some mouths and are growing cultures.

Lab is out of surgical milk!

Next Friday we will be cleaning the fridges and walk-in.
