

## TRMC Meeting Minutes

- ❖ Journal Club
  - Christian Schill presenting February 1<sup>st</sup>
  - RJ afterwards
  - Bring your favorite pizza and/or Chartwells
- ❖ Opioid Symposium
  - 3 out of 5 speakers booked
  - Chuck has a contact in governor's office for a potential speaker
  - Lunch with Health Career's Club needs figured out
    - HCC has lots of money to share. HCC said they will pay for half of lunch.
- ❖ Flu Basket Fundraiser
  - Raised \$80 for flu supplies for S.A.F.E shelter
  - Thank you to those who donated items!
  - Maeve figuring out when we can drop off the stuffs
  - Sami has letter ready to send to local businesses asking for donations

## Lab Business

- ❖ Lab bench by Noodles the Panda
  - Now belongs to Dias Lab
  - Help clean out that area
- ❖ Need to work on lab clean up
  - Put things back
  - Clean off counters
  - Keeps things clean and sterile
  - **Friday 1/25 is lab cleanup day at 3pm**
    - **Dr. Smith remembers clean up attendees for rec letters**
- ❖ Cell Culture
  - Moving out of 303B and into 303C so that Dr. Dias can have other hood (303B)
  - Don't put cell cultures in incubator yet (mold contamination)
  - Bacterial Incubator contents has been moved to brown incubator as bacterial one is broken
  - Everything is breaking because about 11 years ago we but everything all at once.
- ❖ Rat Room
  - Many rats! Please use them
  - 12-15 of each sex
  - A couple of rats (old age) and one mouse (toxoplasmosis) died over the break
  - Balb-C's are too inbred so we can't breed anymore
    - Keep 2 for summer class
- ❖ Micro = good, thank you!!
- ❖ **Wait to thaw cells until incubators are up and running!**
- ❖ **CPUB is Saturday April 13<sup>th</sup>!!!**
- ❖ **CUP symposium is April 11th**
