- Ordering a pregnant rat for the colony

Budget Report

Self-support: \$946; CSA: \$460

Round Table meeting coming up (March 11)

Budget for next year needs to be done soon

-think of possible symposium ideas for next year so we can budget for them

Current Projects and Updates:

-*Annexin*: problems with incubator

-*Anti-biofilm*:

-*Compound P*: Ammonium acetate precipitation didn't release compound

-*SEM*: 12 new samples, new experiment after break

-*PRP/PRF*: cells growing, starting an experiment after break

-*DBF*: changing up initial nutrient assay

-*Compound I*: running experiment over break

-*BD*: growth problems and plate contamination

Topics of Discussion:

Officer Nominations:

Starting now until March 27, you can nominate yourself or others for officer positions for next year.

-you must meet with Dr. Smith to nominate someone and if you are nominated, you must meet with Dr. Smith to accept nomination and understand role.

-secret ballot voting April 3 (week after nominations set)

Constitution:

We are making updates to the constitution. A copy of the constitution with proposed changes has been sent out- please take the time over break to review it and make suggestions if you have any!

Grants: Spend your grants!!!

If you got a grant this year, you must present at the Undergraduate Research Symposium at Clarion so start preparing for that.
