

American Chemical Society Web Editions

We pay American Chemical Society for this database

Journal Name	ISSN	Coverage Dates	Databases	Type
Accounts of chemical research	0001-4842	2000 to present	American Chemical Society Web Editions	Title Unique
Bioconjugate chemistry	1043-1802	2000 to present	American Chemical Society Web Editions	Title Unique
Biomacromolecules	1525-7797	03/01/2000 to present	American Chemical Society Web Editions	Title Unique
Biotechnology progress	8756-7938	2000 to present	American Chemical Society Web Editions	Title Unique
Chemical & engineering news	0009-2347	2000 to present	American Chemical Society Web Editions	Title Unique
Chemical innovation	1527-4799	2000 to 2001	American Chemical Society Web Editions	Title Unique
Chemical research in toxicology	0893-228X	2000 to present	American Chemical Society Web Editions	Title Unique
Chemical reviews	0009-2665	2000 to present	American Chemical Society Web Editions	Title Unique
Chemistry of materials	0897-4756	2000 to present	American Chemical Society Web Editions	Title Unique
Chemtech	0009-2703	09/01/2000 to 12/31/2000	American Chemical Society Web Editions	Title Unique
Crystal growth & design	1528-7483	01/01/2001 to present	American Chemical Society Web Editions	Title Unique
Energy & fuels	0887-0624	2000 to present	American Chemical Society Web Editions	Title Unique
Environmental science & technology	0013-936X	2000 to present	American Chemical Society Web Editions	Title Unique
Industrial & engineering chemistry research	0888-5885	2000 to present	American Chemical Society Web Editions	Title Unique
Inorganic chemistry	0020-1669	2000 to present	American Chemical Society Web Editions	Title Unique
Journal of agricultural and food chemistry	0021-8561	2000 to present	American Chemical Society Web Editions	Title Unique
Journal of chemical and engineering data	0021-9568	2000 to present	American Chemical Society Web Editions	Title Unique
Journal of chemical information and computer	0095-2338	2000 to 12/31/2004	American Chemical Society Web Editions	Title Unique
Journal of chemical information and modeling	1549-9596	01/01/2005 to present	American Chemical Society Web Editions	Title Unique
Journal of chemical theory and computation	1549-9618	01/01/2005 to present	American Chemical Society Web Editions	Title Unique
Journal of combinatorial chemistry	1520-4766	2000 to present	American Chemical Society Web Editions	Title Unique
Journal of medicinal chemistry	0022-2623	2000 to present	American Chemical Society Web Editions	Title Unique
Journal of natural products	0163-3864	2000 to present	American Chemical Society Web Editions	Title Unique
Journal of organic chemistry	0022-3263	2000 to present	American Chemical Society Web Editions	Title Unique
The journal of physical chemistry. A, Molecules,	1089-5639	2000 to present	American Chemical Society Web Editions	Title Unique
The journal of physical chemistry. B, Condensed	1520-6106	2000 to present	American Chemical Society Web Editions	Title Unique
Journal of proteome research	1535-3893	02/01/2002 to present	American Chemical Society Web Editions	Title Unique
Journal of the American Chemical Society	0002-7863	2000 to present	American Chemical Society Web Editions	Title Unique
Langmuir	0743-7463	2000 to present	American Chemical Society Web Editions	Title Unique
Macromolecules	0024-9297	2000 to present	American Chemical Society Web Editions	Title Unique
Modern drug discovery	1099-8209	11/01/2000 to 12/31/2004	American Chemical Society Web Editions	Title Unique
Molecular pharmaceuticals	1543-8384	2004 to present	American Chemical Society Web Editions	Title Unique
Nano letters	1530-6984	01/01/2001 to present	American Chemical Society Web Editions	Title Unique

Organic letters	1523-7060	2000 to present	American Chemical Society Web Editions	Title Unique
Organic process research & development	1083-6160	2000 to present	American Chemical Society Web Editions	Title Unique
Organometallics	0276-7333	1982 to present	American Chemical Society Web Editions	Title Unique
Today's chemist at work	1062-094X	12/01/2000 to present	American Chemical Society Web Editions	Title Unique
