Chair Pape shared that PASSHE Policy 183-12-A and Procedures/Standard Number 2021-50 delineate the process and procedure for selecting a president. She then noted the steps the Council of Trustees had taken to comply with Policy 183-12-2 and related standard.

She also noted that on February 5, 2024, the Council of Trustees approved the Presidential Search Committee, tasked with presenting to the Council of Trustees the names and dossiers of two candidates for the presidency of PennWest. The Committee included representation from each campus and included faculty, staff, students, alumni, and trustees.

As part of the process the Committee reviewed 35 applications and conducted interviews with 11 candidates. Notably, over 40% of the candidates interviewed were from underrepresented populations. Following the interviews, the Committee invited three candidates to visit PennWest's campuses.

Following campus forums and stakeholder feedback, the Committee forwarded to the Council of Trustees the names and dossiers of two presidential candidates. The Council of Trustees met with both candidates and deliberated on their qualifications, experience and fit with PennWest culture.

The following motion was made by Trustee Maggi and seconded by Trustee Niccolai. A roll call vote was taken, and the motion passed unanimously.
