Dr. E. J. Waller Jr., Gen.

Dear Sir:

I have made application
for entrance into an Officers
Training School for the Infantry.

I must secure three letters
of recommendation and it would
be a great benefit to me if I
could secure one of such from you.

I was a member of the 1920
class until I dropped out in the
spring of 1916 to enlist into the
military service of the United States.

Thanking you for the
attention shown this matter,

I am

Respectfully Yours,
Pvt. Ralph E. Fry.
