PAINTING AND DRAWING CLUB

Advisors: DP Warner and John Bavaro.

Activities: The Drawing and Painting Club is a group of students who are interested in learning about contemporary artists, critiquing each other's work, and building an artist community on campus. The club usually goes on a long trip to a major city in the Spring Semester in order to visit museums and galleries. This provides an opportunity for the members to grow in their knowledge of art and see what contemporary artists are creating. Furthermore, the club has hosted a Drawing and Painting Marathon to not only raise money, but to create an opportunity for artists on campus to work together outside of class. The club has begun preparations for a Mural they are doing for The National Guard in Cambridge Springs. They have also hosted a drawing day to work on pieces they plan to put in the annual Spring Drawing and Painting Club show in Bates Gallery. The club has hosted a bake sale in Doucette and raised over \$200 in order to help pay for the visiting artist, Jason Franz, in the spring. Next semester the club plans to have a Drawing and Painting Marathon on Friday, January 29th then have their work shown in the Bruce Gallery. During club meetings members of the club play games, give presentations on their favorite contemporary artist, and talk about upcoming events.

Activities: Our club has about 37 members enlisted, and meetings on average are well attended. We are currently fundraising this year, working on some interesting projects, and have secured our second annual Print Club show in the Bates Gallery set for February 19th-26th. We are working hard to build a club that will carry on as an organization long after we are gone.
